

**AMENDMENT NO. 2 TO SERVICE AGREEMENT**

This Amendment No. 2 to Service Agreement ("Amendment No. 2") is dated September 9, 2025 and is between B.I. Incorporated, a Colorado corporation, registered in California and doing business as B.I. Correctional Services, Inc., which is a wholly owned subsidiary of The GEO Group, Inc., a Florida corporation ("Contractor"), and the County of Fresno, a political subdivision of the State of California ("County").

**Recitals**

A. On January 26, 2021, the County and the Contractor entered into County agreement number A-21-026 ("Agreement"), to provide evidence-based re-entry employment readiness services for in-custody and out of custody adult offenders on probation in the Pretrial Program, Justice Assistance Grant (JAG) Program, or the Adult Re-Entry Planning Program (ARPP). These services include, but are not limited to assessing participants, development of individual employment plans providing education resources, employment readiness skills, vocational certifications, job coaching, employment search assistance, and placement referrals.

B. On March 28, 2023, the County and the Contractor entered into Amendment No. I to increase the number of daily and annual participants funded through the AB109 Realignment funds and increase the maximum compensation.

C. Over the course of administering the JAG ARRP, it has become apparent that expanding outreach and services will significantly support the program's goal of reducing gang activity. Therefore, the County desires to expand the program by increasing the participant age group from 18-30 years of age to 18-40 years of age. The Contractor is qualified, willing, and able to provide re-entry employment readiness services to an expanded JAG population.

The parties therefore agree as follows:

1. Section 1, of the Agreement located at page 1, lines 21-25 is deleted in its entirety and replaced with the following:

"A. Perform for County all evidence-based re-entry employment readiness services to the Probation Department for incarcerated and post release community supervision (PRCS) offenders and offenders ages 18-40 affiliated or

1 previously affiliated with a gang, having a high risk to re-offend, and participating  
2 in ARPP, and fulfill all responsibilities in accordance with the Scope of Work,  
3 attached as Exhibit A and incorporated by this reference.”

4 2. When both parties have signed this Amendment No. 2, the Agreement, Amendment No.  
5 1, and this Amendment No. 2 together constitute the Agreement.

6 3. The Contractor represents and warrants to the County that:

- 7 a. The Contractor is duly authorized and empowered to sign and perform its obligations  
8 under this Amendment No. 2.
- 9 b. The individual signing this Amendment No. 2 on behalf of the Contractor is duly  
10 authorized to do so and his or her signature on this Amendment No. 2 legally binds  
11 the Contractor to the terms of this Amendment No. 2.

12 4. The parties agree that this Amendment No. 2 may be executed by electronic signature  
13 as provided in this section.

- 14 a. An “electronic signature” means any symbol or process intended by an individual  
15 signing this Amendment No. 2 to represent their signature, including but not limited  
16 to (1) a digital signature; (2) a faxed version of an original handwritten signature; or  
17 (3) an electronically scanned and transmitted (for example by PDF document)  
18 version of an original handwritten signature.
- 19 b. Each electronic signature affixed or attached to this Amendment No. 2 (1) is deemed  
20 equivalent to a valid original handwritten signature of the person signing this  
21 Amendment No. 2 for all purposes, including but not limited to evidentiary proof in  
22 any administrative or judicial proceeding, and (2) has the same force and effect as  
23 the valid original handwritten signature of that person.
- 24 c. The provisions of this section satisfy the requirements of Civil Code section 1633.5,  
25 subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3, Part  
26 2, Title 2.5, beginning with section 1633.1).

d. Each party using a digital signature represents that it has undertaken and satisfied the requirements of Government Code section 16.5, subdivision (a), paragraphs (1) through (5), and agrees that each other party may rely upon that representation.

e. This Amendment No. 2 is not conditioned upon the parties conducting the transactions under it by electronic means and either party may sign this Amendment with an original handwritten signature.

5. This Amendment No. 2 may be signed in counterparts, each of which is an original, and all of which together constitute this Amendment No. 2.

6. The Agreement as previously amended and as amended by this Amendment No. 2 is ratified and continued. All provisions of the Agreement as previously amended and not amended by this Amendment No. 2 remain in full force and effect.
