This Service Agreement ("Agreement") is dated June 24, 2025 and is between AAA Quality Services, Inc., a California corporation ("Contractor"), and the County of Fresno, a political subdivision of the State of California ("County").

Recitals

A. The County of Fresno, through its Department of Public Works and Planning and Sheriff-Coroner, has identified an ongoing need for the rental, cleaning, and maintenance of portable sanitary units across multiple locations county-wide to support public infrastructure, special events, emergencies, and construction activities.

B. The County requires a qualified vendor ("Contractor") to provide comprehensive services for portable sanitary units, including delivery, cleaning, maintenance, repairs, and removal, in accordance with applicable standards and regulations, to ensure optimal functionality and compliance with federal and state accessibility requirements.

D. The Contractor is qualified and agrees to provide scalable, responsive services to meet the varying needs and service locations throughout the County, including but not limited to public works projects, special events, parks, disposal sites, and facilities managed by the County of Fresno. Services shall include the supply and servicing of portable units at various specified locations, with specific unit types, usage frequencies, and maintenance schedules as outlined in Exhibit A. Additional service locations may be added on an as-needed basis.

The parties therefore agree as follows:

Article 1**Contractor's Services**

1.1 **Scope of Services.** The Contractor shall perform all of the services provided in Exhibit A to this Agreement, titled "Scope of Services."

1.2 Representation. The Contractor represents that it is qualified, ready, willing, and able to perform all of the services provided in this Agreement.

1.3 **Compliance with Laws.** The Contractor shall, at its own cost, comply with all applicable federal, state, and local laws and regulations in the performance of its obligations under this Agreement, including but not limited to workers compensation, labor, and confidentiality laws and regulations.

Article 2

County's Responsibilities

24 the entire term. The Contractor acknowledges that the County is a local government entity,
25 and does so with notice that the County's powers are limited by the California Constitution
26 and by State law, and with notice that the Contractor may receive compensation under this

Article 6

Termination and Suspension

6.1 **Termination for Non-Allocation of Funds.** The terms of this Agreement are contingent on the approval of funds by the appropriating government agency. If sufficient funds are not allocated, then the County, upon at least 30 days' advance written notice to the Contractor, may:

(B) If the Contractor fails to cure the breach to the County's satisfaction within the time stated in the written notice, the County may terminate this Agreement immediately.

(C) For purposes of this section, a breach occurs when, in the determination of the County, the Contractor has:

- (1) Obtained or used funds illegally or improperly;
- (2) Failed to comply with any part of this Agreement;
- (3) Submitted a substantially incorrect or incomplete report to the County; or

Article 7

Independent Contractor

7.2 Verifying Performance. The County has no right to control, supervise, or direct the manner or method of the Contractor's performance under this Agreement, but the County may verify that the Contractor is performing according to the terms of this Agreement.

7.3 **Benefits.** Because of its status as an independent contractor, the Contractor has no right to employment rights or benefits available to County employees. The Contractor is solely responsible for providing to its own employees all employee benefits required by law. The Contractor shall save the County harmless from all matters relating to the payment of Contractor's employees, including compliance with Social Security withholding and all related regulations.

7.4 **Services to Others.** The parties acknowledge that, during the term of this Agreement, the Contractor may provide services to others unrelated to the County.

Article 8

8.1 **Indemnity.** The Contractor shall indemnify and hold harmless and defend the County (including its officers, agents, employees, and volunteers) against all claims,

1 demands, injuries, damages, costs, expenses (including attorney fees and costs), fines,
2 penalties, and liabilities of any kind to the County, the Contractor, or any third party that arise
3 from or relate to the performance or failure to perform by the Contractor (or any of its officers,
4 agents, subcontractors, or employees) under this Agreement. The County may conduct or
5 participate in its own defense without affecting the Contractor's obligation to indemnify and
6 hold harmless or defend the County.

7 8.2 **Survival.** This Article 8 survives the termination of this Agreement.

8 **Article 9**

9 **Insurance**

10 9.1 The Contractor shall comply with all the insurance requirements in Exhibit D to
11 this Agreement.

12 **Article 10**

13 **Inspections, Audits, and Public Records**

14 10.1 **Inspection of Documents.** The Contractor shall make available to the County,
15 and the County may examine at any time during business hours and as often as the County
16 deems necessary, all of the Contractor's records and data with respect to the matters
17 covered by this Agreement, excluding attorney-client privileged communications. The
18 Contractor shall, upon request by the County, permit the County to audit and inspect all of
19 such records and data to ensure the Contractor's compliance with the terms of this
20 Agreement.

21 10.2 **State Audit Requirements.** If the compensation to be paid by the County under
22 this Agreement exceeds \$10,000, the Contractor is subject to the examination and audit of
23 the California State Auditor, as provided in Government Code section 8546.7, for a period of
24 three years after final payment under this Agreement. This section survives the termination of
25 this Agreement.

26 10.3 **Public Records.** The County is not limited in any manner with respect to its public
27 disclosure of this Agreement or any record or data that the Contractor may provide to the
28

1 County. The County's public disclosure of this Agreement or any record or data that the
2 Contractor may provide to the County may include but is not limited to the following:

3 (A) The County may voluntarily, or upon request by any member of the public or
4 governmental agency, disclose this Agreement to the public or such governmental
5 agency.

6 (B) The County may voluntarily, or upon request by any member of the public or
7 governmental agency, disclose to the public or such governmental agency any record or
8 data that the Contractor may provide to the County, unless such disclosure is prohibited
9 by court order.

10 (C) This Agreement, and any record or data that the Contractor may provide to the
11 County, is subject to public disclosure under the Ralph M. Brown Act (California
12 Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with section 54950).

13 (D) This Agreement, and any record or data that the Contractor may provide to the
14 County, is subject to public disclosure as a public record under the California Public
15 Records Act (California Government Code, Title 1, Division 7, Chapter 3.5, beginning
16 with section 6250) ("CPRA").

17 (E) This Agreement, and any record or data that the Contractor may provide to the
18 County, is subject to public disclosure as information concerning the conduct of the
19 people's business of the State of California under California Constitution, Article 1,
20 section 3, subdivision (b).

21 (F) Any marking of confidentiality or restricted access upon or otherwise made with
22 respect to any record or data that the Contractor may provide to the County shall be
23 disregarded and have no effect on the County's right or duty to disclose to the public or
24 governmental agency any such record or data.

25 **10.4 Public Records Act Requests.** If the County receives a written or oral request
26 under the CPRA to publicly disclose any record that is in the Contractor's possession or
27 control, and which the County has a right, under any provision of this Agreement or
28 applicable law, to possess or control, then the County may demand, in writing, that the

1 Contractor deliver to the County, for purposes of public disclosure, the requested records that
2 may be in the possession or control of the Contractor. Within five business days after the
3 County's demand, the Contractor shall (a) deliver to the County all of the requested records
4 that are in the Contractor's possession or control, together with a written statement that the
5 Contractor, after conducting a diligent search, has produced all requested records that are in
6 the Contractor's possession or control, or (b) provide to the County a written statement that
7 the Contractor, after conducting a diligent search, does not possess or control any of the
8 requested records. The Contractor shall cooperate with the County with respect to any
9 County demand for such records. If the Contractor wishes to assert that any specific record
10 or data is exempt from disclosure under the CPRA or other applicable law, it must deliver the
11 record or data to the County and assert the exemption by citation to specific legal authority
12 within the written statement that it provides to the County under this section. The Contractor's
13 assertion of any exemption from disclosure is not binding on the County, but the County will
14 give at least 10 days' advance written notice to the Contractor before disclosing any record
15 subject to the Contractor's assertion of exemption from disclosure. The Contractor shall
16 indemnify the County for any court-ordered award of costs or attorney's fees under the CPRA
17 that results from the Contractor's delay, claim of exemption, failure to produce any such
18 records, or failure to cooperate with the County with respect to any County demand for any
19 such records.

20 **Article 11**

21 **Disclosure of Self-Dealing Transactions**

22 11.1 **Applicability.** This Article 11 applies if the Contractor is operating as a
23 corporation, or changes its status to operate as a corporation.

24 11.2 **Duty to Disclose.** If any member of the Contractor's board of directors is party to
25 a self-dealing transaction, he or she shall disclose the transaction by completing and signing
26 a "Self-Dealing Transaction Disclosure Form" (Exhibit C to this Agreement) and submitting it
27 to the County before commencing the transaction or immediately after.
28

11.3 **Definition.** “Self-dealing transaction” means a transaction to which the Contractor is a party and in which one or more of its directors, as an individual, has a material financial interest.

Article 12

General Terms

12.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this Agreement may not be modified, and no waiver is effective, except by written agreement signed by both parties. The Contractor acknowledges that County employees have no authority to modify this Agreement except as expressly provided in this Agreement.

12.2 Non-Assignment. Neither party may assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party.

12.3 Governing Law. The laws of the State of California govern all matters arising from or related to this Agreement.

12.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno County, California. Contractor consents to California jurisdiction for actions arising from or related to this Agreement, and, subject to the Government Claims Act, all such actions must be brought and maintained in Fresno County.

12.5 **Construction.** The final form of this Agreement is the result of the parties' combined efforts. If anything in this Agreement is found by a court of competent jurisdiction to be ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement against either party.

12.6 Days. Unless otherwise specified, “days” means calendar days.

12.7 Headings. The headings and section titles in this Agreement are for convenience only and are not part of this Agreement.

12.8 **Severability.** If anything in this Agreement is found by a court of competent jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in effect, and the parties shall make best efforts to replace the unlawful or unenforceable part

1 of this Agreement with lawful and enforceable terms intended to accomplish the parties'
2 original intent.

3 12.9 **Nondiscrimination.** During the performance of this Agreement, the Contractor
4 shall not unlawfully discriminate against any employee or applicant for employment, or
5 recipient of services, because of race, religious creed, color, national origin, ancestry,
6 physical disability, mental disability, medical condition, genetic information, marital status,
7 sex, gender, gender identity, gender expression, age, sexual orientation, military status or
8 veteran status pursuant to all applicable State of California and federal statutes and
9 regulation.

10 12.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or
11 obligation of the Contractor under this Agreement on any one or more occasions is not a
12 waiver of performance of any continuing or other obligation of the Contractor and does not
13 prohibit enforcement by the County of any obligation on any other occasion.

14 12.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
15 between the Contractor and the County with respect to the subject matter of this Agreement,
16 and it supersedes all previous negotiations, proposals, commitments, writings,
17 advertisements, publications, and understandings of any nature unless those things are
18 expressly included in this Agreement. If there is any inconsistency between the terms of this
19 Agreement without its exhibits and the terms of the exhibits, then the inconsistency will be
20 resolved by giving precedence first to the terms of this Agreement without its exhibits, and
21 then to the terms of the exhibits.

22 12.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
23 create any rights or obligations for any person or entity except for the parties.

24 12.13 **Authorized Signature.** The Contractor represents and warrants to the County
25 that:

26 (A) The Contractor is duly authorized and empowered to sign and perform its
27 obligations under this Agreement.
28

1 (B) The individual signing this Agreement on behalf of the Contractor is duly
2 authorized to do so and his or her signature on this Agreement legally binds the
3 Contractor to the terms of this Agreement.

4 12.14 **Electronic Signatures.** The parties agree that this Agreement may be executed
5 by electronic signature as provided in this section.

6 (A) An “electronic signature” means any symbol or process intended by an individual
7 signing this Agreement to represent their signature, including but not limited to (1) a
8 digital signature; (2) a faxed version of an original handwritten signature; or (3) an
9 electronically scanned and transmitted (for example by PDF document) version of an
10 original handwritten signature.

11 (B) Each electronic signature affixed or attached to this Agreement (1) is deemed
12 equivalent to a valid original handwritten signature of the person signing this Agreement
13 for all purposes, including but not limited to evidentiary proof in any administrative or
14 judicial proceeding, and (2) has the same force and effect as the valid original
15 handwritten signature of that person.

16 (C) The provisions of this section satisfy the requirements of Civil Code section
17 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3,
18 Part 2, Title 2.5, beginning with section 1633.1).

19 (D) Each party using a digital signature represents that it has undertaken and
20 satisfied the requirements of Government Code section 16.5, subdivision (a),
21 paragraphs (1) through (5), and agrees that each other party may rely upon that
22 representation.

23 (E) This Agreement is not conditioned upon the parties conducting the transactions
24 under it by electronic means and either party may sign this Agreement with an original
25 handwritten signature.

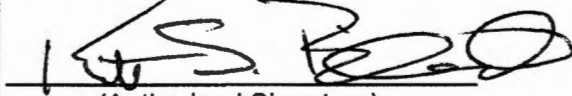

26 12.15 **Counterparts.** This Agreement may be signed in counterparts, each of which is
27 an original, and all of which together constitute this Agreement.

Insurance Requirements

1. Required Policies

Without limiting the County's right to obtain indemnification from the Contractor or any third parties, Contractor, at its sole expense, shall maintain in full force and effect the following insurance policies throughout the term of this Agreement.

- (A) **Commercial General Liability.** Commercial general liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and an annual aggregate of Four Million Dollars (\$4,000,000). This policy must be issued on a per occurrence basis. Coverage must include products, completed operations, property damage, bodily injury, personal injury, and advertising injury. The Contractor shall obtain an endorsement to this policy naming the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, as additional insureds, but only insofar as the operations under this Agreement are concerned. Such coverage for additional insureds will apply as primary insurance and any other insurance, or self-insurance, maintained by the County is excess only and not contributing with insurance provided under the Contractor's policy.
- (B) **Automobile Liability.** Automobile liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for property damages. Coverage must include any auto used in connection with this Agreement.
- (C) **Workers Compensation.** Workers compensation insurance as required by the laws of the State of California with statutory limits.
- (D) **Employer's Liability.** Employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for disease.

2. Additional Requirements

- (A) **Verification of Coverage.** Within 30 days after the Contractor signs this Agreement, and at any time during the term of this Agreement as requested by the County's Risk Manager or the County Administrative Office, the Contractor shall deliver, or cause its broker or producer to deliver, to the County Risk Manager, at 2220 Tulare Street, 16th Floor, Fresno, California 93721, or HRRiskManagement@fresnocountyca.gov, and by mail or email to the person identified to receive notices under this Agreement, certificates of insurance and endorsements for all of the coverages required under this Agreement.
 - (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the County, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
 - (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and

Exhibit D

volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor's policy.

- (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the County, or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.

Exhibit D

(G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.
