If, during the term of this agreement, any of the health benefit plan(s), dental benefit plan(s), vision benefit plan, mental health plan, or the pharmacy benefit plan is unable to fulfill its contractual obligation, the County, upon consultation with the Health Benefits Advisory Committee (HBAC), if necessary, will secure a suitable replacement.
3. Any employee participating in the County's Health Benefit Program must enroll in one of the Health Insurance Plan(s), unless an employee chooses to opt out of the County's Health Benefit Program.
4. Unless otherwise court ordered, eligible employees may choose to opt out of the County's Health Benefit Program (including any related life insurance program) by completing the Opt Out Form and by providing written proof that they have medical coverage from another group health insurance plan. In addition, the employee must verify that a discontinuance of the County's Health Benefit Program does not constitute a violation of any court order or legal obligation that the employee may be subject to. Eligible employees may only opt out during the designated open enrollment period for each respective Health Benefit Plan Year as defined by Human Resources or via a qualifying event (must be turned in within 30 days of the effective date of other group health insurance). Any employee who opted out of the County's Health Benefit Program for any Plan Year and desires to maintain their opt out status for subsequent Health Plan Years, must submit a new Opt Out Form during the open enrollment period for each respective Health Plan Year as defined by Human Resources. 5. Any newly hired employee eligible to participate in the County's Health Benefit Program must enroll in one of the Health Insurance Plan(s), unless the newly hired employee chooses to opt out (as delineated in No. 4 above) of the County's Health Benefit Program no later than 30 days after date of hire. Any newly hired employee who does not select one of the Health Insurance Plans and does not opt out of the County's Health Benefit Program by the stated deadline, shall be enrolled in the Anthem Blue Cross EPO Health Plan and DHMO Dental Plan.
6. Effective December 17, 2018, any employee who opts out of the County's Health Benefit Program for any Plan Year and does not submit a new Opt Out Form during this open enrollment period (as outlined in No. 4 above), shall be enrolled in the lowest cost Health and Dental Plan. Additionally, any newly hired employee who does not select one of the Health Insurance Plans and does not submit an Opt Out Form (as outlined in No. 5 above), shall be enrolled in the lowest Health and Dental Plan.
7. If during the term of this agreement the State or Federal government legislates mandatory benefit levels in excess of those covered by agreement between the County and health/dental plan(s) which results in increased premiums, either the County or the employee organization may request the other party to meet and confer regarding the terms and conditions set forth herein.
8. Pursuant to the HBAC agreement, the parties agree to continue to meet and discuss the County's health benefit program before the commencement of each Plan Year.
