3 be provided thereunder, are contingent on the approval of funds by the appropriating government

5 Agreement terminated, at any time by giving the CONTRACTOR thirty (30) days advance written
6 notice.

7 B. Breach of Contract - The COUNTY may immediately suspend or terminate

11 3) A substantially incorrect or incomplete report submitted to the
12 COUNTY;

14 In no event shall any payment by the COUNTY constitute a waiver by the COUNTY
15 of any breach of this Agreement or any default which may then exist on the part of the
16 CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to the
17 COUNTY with respect to the breach or default. The COUNTY shall have the right to demand of
18 the CONTRACTOR the repayment to the COUNTY of any funds disbursed to the CONTRACTOR
19 under this Agreement, which in the judgment of the COUNTY were not expended in accordance
20 with the terms of this Agreement. The CONTRACTOR shall promptly refund any such funds upon
21 demand.

22 C. Without Cause - Under circumstances other than those set forth above,
23 this Agreement may be terminated by COUNTY upon the giving of thirty (30) days advance written

Library Wi-Fi Support

Support for each Library Location with X-act's Wi-Fi service includes:

1. 24x7 Internet monitoring. In the event that internet at one of the branches fails, a ticket will get opened for the branch with our SLA applied to it.
2. Managed Carrier Services. If an issue is discovered that requires the ISP's interaction, we will work with the ISP to resolve the issue. (This applies to accounts that we managed the ISP service on only.)
3. RF Optimization. In the event of wireless conflicts with other nearby devices, we will adjust the RF channels accordingly to allow for the best signal.
4. Managed Splash Page. Each user who logs on to the Wi-Fi will have to accept a county issued terms page before accessing the Wi-Fi.
5. Managed CIPA Filtering. In order to stay in compliance with the CIPA filtering policy, they require that we retain certain records so that if a breach is found the issue can be repaired.
6. CIPA & System Updates. We provide downtime scheduled updates for all library equipment as firmware becomes available by the manufacture and hourly CIPA database updates. We can also provide website whitelisting and explicit blocking per location, upon request.
7. Break Fix Support. If a general issue occurs causing Wi-Fi not to work on multiple devices/computers we will work to resolve any issues with the equipment, should it be deemed as the reason for the issue.
8. SSID Availability. Enforce the SSID availability according to the branch specific operating hours and/or upon request. Provide two SSIDs per branch location: one for staff and one for public.

Support for agreement customers is available 24 hours per day / 7 days per week. Support can be requested via the phone at (866)-XACT-FIX, Local 559-286-0013 or via email at support@xactts.com. Remote support will be provided at no cost on normal business days, during the hours of 9am - 6PM. During this time we provide a 2 hour response SLA for acknowledging the ticket and getting it assigned to a technical resource.

During normal business hours we will provide onsite tech services as deemed necessary by X-act. Tier 1 support will be provided by the library. This person must have the ability to follow directions related to resetting equipment. (Generally any librarian can do this as we walk you through simply un-plugging a power cord and putting it back in.)

X-act will provide emergency only support for incidents outside normal business hours. Emergency is deemed as something that is greater than a 50% outage. Issues qualified as an emergency by us will be responded to within 12 hours.

For a ticket to meet any of our SLA's it must be properly submitted. **Support can be requested via the phone at (866)-XACT-FIX, Local 559-286-0013 or via email at support@xactts.com.** If a phone call is unanswered, leaving a voicemail will open a ticket for you and start our SLA for your account.
