DISCUSSION:

On June 20, 2017, the Board approved the Final Map for Tract No. 6057, Adriatic Villas, a 13-lot subdivision (12 single-family residential lots and one common use lot) in an R-2 (Single Family Residential, 6,660 square foot minimum parcel size) Zone District.

Consistent with the County Ordinance Code, the Subdivider posted security to insure the performance and maintenance of tract improvements. The Subdivider has completed the infrastructure improvements for the tract and requested the County accept the improvements and place them into a warranty period. If the improvements are not maintained during the one-year warranty period, the County may use the funds from the reduced security to perform any necessary maintenance. This action is consistent with the Subdivision Agreement entered into by the County and the Subdivider at the time the final map was presented to the Board.

This tract developed 0.08 miles of private road that is to be permanently maintained by the Homeowners Association established for this tract.
