After a few organizational meetings, a formal request for dispensation to meet was forwarded to the Grand Lodge of California; and

WHEREAS, The dispensation was granted on January 16, 1893, and after careful review of the activities and membership of the lodge, a Charter was issued on October 11, 1893, officially authorizing Sanger Masonic Lodge to become Sanger Masonic Lodge, No. 316 under the Grand Lodge of Free and Accepted Masons of California; and

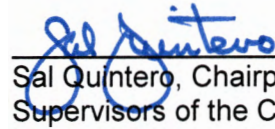

WHEREAS, The mission of the Sanger Lodge is to promote a way of life that binds like-minded men in a worldwide brotherhood that transcends all religious, ethnic, cultural, social and educational differences. That by teaching the great principles of brotherly love, relief and truth; and, by the outward expression of these through its fellowship, to find ways in which to serve family, country, neighbors and self. Through Masonic principles and tradition, they foster personal growth and improve the lives of others; and
