15 (a) Grantee of the franchise shall, during the term thereof, pay to the County  
16 at the times hereinafter specified, in lawful money of the United States, a sum annually which shall be

22 year, or fractional calendar year, following the date of the granting hereof, and within three (3) months  
23 after the expiration of each and every calendar year thereafter, a duly verified statement showing in detail  
24 the total gross annual receipts of such Grantee during the preceding calendar year, or such fractional  
25 calendar year, from the sale of water and wastewater within the County, in connection with this franchise.  
26 Grantee shall pay to the County within fifteen (15) days after the time for filing such statement, in lawful

16 filed with the Director. Within a reasonable time after receiving the new bond, the Director shall provide  
17 written notice to Grantee whether the Director has accepted or rejected the new bond so filed. The County  
18 shall not be obligated to issue any such construction permit to Grantee unless and until Grantee files a  
19 bond that is accepted by the Director.

20  
21 SECTION 5. OTHER FRANCHISES

22 The grant of franchise is made in lieu of all other franchises owned by Grantee, or  
23 by any successor of Grantee to any rights under the franchise, for transmitting water and wastewater  
24 within the unincorporated areas of the County, as said areas now or may hereafter exist, and the  
25 acceptance of the franchise shall operate as an abandonment of all such franchises within the limits of  
26 this County, as such limits now or may hereafter exist.

27  
28 SECTION 6. OBLIGATIONS OF GRANTEE

1 (a) All facilities or equipment of Grantee shall be constructed, installed and  
2 maintained only within the franchise area and in accordance with and in conformity with all of the  
3 ordinances, rules and regulations heretofore, or hereafter adopted by Board of Supervisors of the County  
4 in the exercise of its police powers and not in conflict with the paramount authority of the State of  
5 California, and, as to state highways, subject to the provisions of the general laws relating to the location  
6 and maintenance of such facilities.

7 Grantee has the right and privilege under the franchise to enter the County road  
8 right of way for the purpose of constructing, installing, replacing, or repairing its facilities on the condition  
9 that it obtains encroachment permits as required by the County. Any work performed, whether by  
10 Grantee, its contractors, or third parties, shall include necessary paving, patching, compacting, grading,  
11 and any other necessary repair or restoration to the work area in the County right of way.

12 All work shall be performed by Grantee in a good and workmanlike manner to the  
13 reasonable satisfaction of the Director or his or her designee. All materials shall meet industry standards  
14 within the State of California for the transportation of water and wastewater. On all pipelines installed  
15 over drainage ways, waterways, or bridges, shut-off valves shall be installed.

16 All encroachment permits for the construction, installation, maintenance, or repair  
17 of Grantee's system shall be applied for and given in the name of Grantee, who will be responsible for all  
18 work done under the permit. Grantee remains responsible whether the work is performed by Grantee,  
19 its contractors, or by third parties.

20 If Grantee, its contractors, or third parties working under permit should fail to  
21 restore the work area in the County road rights of way to the satisfaction of the Director or his or her  
22 designee as required herein, the County may make such repairs or restorations to the work area as are  
23 necessary to return the County road rights of way to pre-work condition. Upon presentation of an itemized  
24 bill for repairs or restorations of the work area, including costs of labor and equipment, Grantee shall pay  
25 the bill within thirty (30) days.

26 (b) If any portion of any street shall be damaged by reason of defects in any of  
27 the pipes and appurtenances maintained or constructed under the grant of franchise, or by reason of any  
28 other cause arising from the operation or existence of any pipes and appurtenances constructed or

maintained under the grant of franchise, Grantee shall, at its own cost and expense, immediately repair any such damage and restore such portion of such damaged street to as good condition as existed before such defect or other cause of damage occurred.

(c) Grantee shall pay to the County, on demand by the Director or his designee, the cost of all repairs to public property made necessary by any operations of Grantee under the franchise.

(d) Except for such losses or damages caused by the willful misconduct of County and any officers and employees, Grantee of the franchise shall indemnify, save, and hold harmless, County and any officers and employees thereof against and from any and all losses, damages, claims, demands, injuries, fines, penalties, judgments, decrees, costs (including attorney fees and costs) and expenditures which County, or such officer or employee, may suffer, or which may be recovered from, or obtainable against County, or such officer or employee, for, or by reason of, or growing out of or resulting from the exercising by Grantee of any or all of the rights or privileges under the franchise, or performing any or all of obligations of Grantee hereunder, or by reason of any act or omission of Grantee or its contractors, employees, servants, or agents in exercising the franchise, or performing any or all of obligations of Grantee hereunder, and Grantee shall defend any suit that may be instituted against County, or any officer or employee thereof, by reason of or growing out of or resulting from the exercise by Grantee of any or all of the rights or privileges under the franchise, or by reason of any act or omission of Grantee, or its contractors, employees, servants, or agents, in exercising the franchise, or performing any or all of obligations of Grantee hereunder. The provisions of this paragraph shall survive the termination of the franchise.

#### SECTION 7. REMOVE, LOCATE OR RELOCATE FACILITIES

(a) County reserves the right for itself to lay, construct, erect, install, use, operate, repair, replace, remove, relocate, or maintain below surface or above surface facilities, including improvements, of any type or description in, upon, along, across, under, or over the streets of the County, including in the franchise area. County further reserves the right to lawfully change the grade, alignment, or width of any street, including in the franchise area. If the necessary exercise of the aforementioned

1 reserved rights by County conflicts with any pipes and appurtenances over, of Grantee constructed,  
2 maintained, and used pursuant to the provisions of the franchise, whether previously constructed,  
3 maintained and used or not, Grantee shall, without cost or expense to County within ninety (90) days  
4 after written notice from the Director, or his designee, and request so to do, begin the physical field  
5 construction of changing the location of all facilities or equipment so conflicting. Grantee shall proceed  
6 promptly to complete such required work. It is agreed by the parties that the decision by County whether  
7 the exercise of such reserved rights by County is necessary is within the County's sole and absolute  
8 discretion.

9 (b) Irrespective of any other provision of this ordinance, Grantee's right to  
10 construct, maintain, and use, or remove pipes and appurtenances thereto shall be subject at all times to  
11 the right of the County, in the exercise of its power, to require the removal or relocation of said pipes and  
12 appurtenances thereto at the sole cost and expense of Grantee, except (1) as the law may otherwise  
13 expressly provide or; (2) where Grantee's right to possession is pursuant to instruments evidencing right-  
14 of-way, easements or other interest in real property only if such instruments were recorded in County's  
15 official records prior to adoption of this ordinance; or (3) except where the removal or relocation is made  
16 at the request of the County on behalf of or for the benefit of any private developer or other third party.

17 (c) Upon request from Director or his designee, Grantee shall provide copies  
18 of construction plans and drawings for Grantee's facilities showing their location within the road right of  
19 way. Plans and drawings shall include the distance from the edge of pavement or road right-of-way and  
20 the depth of their facilities. At Grantee's expense, Grantee shall verify the location and depth of their  
21 facilities by pot-holing when requested to do so by County.

22 (d) With respect to the Regional Notification Center, Grantee shall comply with  
23 all requirements of Article 2 (commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the  
24 Government Code.

## 25 26 SECTION 8. INDEPENDENT CONTRACTOR

27 In performance of the work, duties and obligations assumed by Grantee under the  
28 franchise, it is mutually understood and agreed that Grantee, including any and all of Grantee's officers,

agents, and employees will at all times be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venture, partner, or associate of the County.

Grantee and County shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

Because of its status as an independent contractor, Grantee shall have absolutely no right to employment rights and benefits available to County employees. Grantee shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. In addition, Grantee shall be solely responsible and save County harmless from all matters relating to payment of Grantee's employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of the franchise, Grantee may be providing services to others unrelated to the County or to the franchise.

#### SECTION 9. INSURANCE

Without limiting the County's right to obtain indemnification from Grantee or any third parties, Grantee, at its sole expense, shall maintain in full force and effect the following insurance obligations throughout the term of the franchise:

##### A. Commercial General Liability

Commercial General Liability insurance with the limits of not less than One Million Dollars (\$1,000,000) per occurrence and an annual aggregate of Two Million Dollars (\$2,000,000). 1 such coverage with a combined single limit of Five Hundred Thousand Dollars (\$500,000). Coverage  
2 should include owned and non-owned vehicles used in connection with the franchise.

3 C. Worker's Compensation

4 Grantee shall provide Worker's Compensation coverage in accordance with  
5 applicable law. Grantee shall indemnify and hold harmless the County from any workers compensation  
6 claims to which Grantee may become subject during the term of the franchise.

7 Grantee shall obtain endorsements to the Commercial General Liability insurance  
8 naming the County of Fresno, its officers, agents, and employees, individually and collectively, as  
9 additional insured, but only insofar as the operations under the franchise are concerned. Such coverage  
10 for additional insured shall apply as primary insurance and any other insurance, or self-insurance,  
11 maintained by County, its officers, agents, and employees shall be excess only and not contributing with  
12 insurance provided under Grantee's policies herein. This insurance shall not be cancelled or changed  
13 without a minimum of thirty (30) days advance written notice given to County.

14 Grantee shall, at least thirty (30) days before any permit is granted by the County  
15 for Grantee to commence construction within the franchise area defined in Section 1(f), Grantee shall  
16 provide certificates of insurance and endorsements as stated above for all of the foregoing policies, as  
17 required herein, to County of Fresno, Director of Public Works and Planning, 2220 Tulare Street, 6<sup>th</sup> Floor,  
18 Fresno, CA 93721, stating that such insurance coverage have been obtained and are in full force; that  
19 the County of Fresno, its officers, agents, and employees will not be responsible for any premiums on  
20 the policies; that such General Liability insurance names the County of Fresno, its officers, agents and  
21 employees, individually and collectively, as additional insured, but only insofar as the operations under  
22 the franchise are concerned; that such coverage for additional insured shall apply as primary insurance  
23 and any other insurance, or self-insurance, maintained by County of Fresno, its officers, agents and  
24 employees, shall be excess only and not contributing with insurance provided under Grantee's policies  
25 herein; and that this insurance shall not be cancelled or changed without a minimum of thirty (30) days  
26 advance, written notice given to County.

27 In the event Grantee fails to keep in effect at all times insurance coverage as herein  
28 required, County may, in addition to other remedies it may have, terminate the franchise upon the

1 occurrence of such event in accordance with the provisions in Section 11, "Forfeiture".

2 All policies shall be with insurers authorized to do business in the State of  
3 California. Insurance purchased shall be from companies possessing a current A.M. Best, Inc. rating of  
4 "A, FSC VII" or better.

5  
6 SECTION 10. ASSIGNMENT OR TRANSFER OF FRANCHISE

7 Neither the franchise nor any right or privilege or obligation of Grantee thereunder  
8 may be assigned or transferred, nor may any obligation of Grantee under the franchise be delegated, in  
9 whole or in part, to another firm, person or entity, without the prior express written consent of the County;  
10 provided, however, that Grantee, upon thirty (30) days written notice to the County, shall be permitted to:  
11 (i) collaterally assign the franchise to a wholly owned subsidiary or an entity for which it has majority  
12 control for the purpose of securing third party financing for the Project (as defined in the Revenue  
13 Agreement) on condition that such collateral assignment does not allow a third party to assume the  
14 obligations of the franchise in the event of any default; (ii) assign the franchise to a wholly owned  
15 subsidiary or an entity in which Grantee has majority control and the wholly owned subsidiary or entity  
16 has the equivalent expertise, experience, and assets; or (iii) to any entity or organization with the  
17 equivalent expertise, experience, and assets, subject to review and written approval by the County, in  
18 performing the duties and obligations of the franchise, the Revenue Agreement and Ground Lease.

19  
20 SECTION 11. FORFEITURE

21 The franchise is granted upon each and every condition herein contained, and  
22 shall ever be strictly construed against Grantee. Nothing shall pass by the franchise to Grantee unless it  
23 be expressly granted in plain and unambiguous terms. Each of said conditions is a material and essential  
24 condition to the granting of the franchise. If Grantee shall fail, neglect or refuse to comply with any of the  
25 conditions of the franchise, and if such failure, neglect or refusal shall continue for more than thirty (30)  
26 days after written demand by County for compliance therewith, then County, by the Board of Supervisors,  
27 in addition to all rights and remedies allowed by law, thereupon may terminate the franchise, including  
28 the rights, privilege under the franchise, granted in and by this ordinance, and the franchise, including

1 the rights, privileges under the franchise, shall thereupon be at an end. Thereupon and immediately,  
2 Grantee shall surrender the franchise, including all rights and privileges under the franchise. No provision  
3 herein made for the purpose of securing the enforcement of the terms and conditions of the franchise  
4 shall be deemed an exclusive remedy or to afford the exclusive procedure for the enforcement of said  
5 terms and conditions, but the remedies and procedure outlined herein or provided, including forfeiture,  
6 shall be deemed to be cumulative.

7                   Grantee shall well and truly observe, fulfill, and perform each term and condition  
8 of the franchise, and that in case of any breach of condition of the bond the amount of the penal sum  
9 therein named shall be recoverable by the County.

10  
11                   SECTION 12. ACQUISITION AND VALUATION

12                   The franchise granted hereunder shall not in any way or to any extent impair or  
13 affect the right of the County to acquire the property of Grantee hereof either by purchase or through the  
14 exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away  
15 or to modify or to abridge, either for a term or in perpetuity, the County's right of eminent domain in  
16 respect to Grantee; nor shall the franchise ever be given any value before any court or other public  
17 authority in any proceeding of any character in excess of the cost to Grantee of the necessary publication  
18 and any other sum paid by it to the County therefore at the time of the acquisition thereof.

19  
20                   SECTION 13. ANNEXATION

21                   Whenever any portion of the franchise area shall be annexed to, or otherwise  
22 become a part of any municipal corporation, or of any other county, or any other political subdivision of  
23 the State of California, the rights reserved under the franchise to the County, or any officer thereof shall  
24 inure to the benefit of such municipal corporation, county or political subdivision and its appropriate  
25 officers.

26  
27                   SECTION 14. AUDITS  
28

1 Grantee shall make available to County, and County may examine at any time  
2 during business hours and as often as County deems necessary, all of Grantee's records and data with  
3 respect to the matters covered by this ordinance, excluding attorney-client privileged communications.  
4 Grantee shall, upon request by the Director or his designee, permit County to audit and inspect all of  
5 such records and data to ensure Grantee's compliance with the terms of this ordinance.

6 If the consideration to be paid by Grantee under this ordinance exceeds \$10,000,  
7 Grantee is subject to the examination and audit of the California State Auditor, as provided in Government  
8 Code section 8546.7, for a period of three years after final payment under this ordinance.

9 This Section 14 survives the termination of this Ordinance.

10  
11 SECTION 15. EFFECTIVE DATE

12 This ordinance shall take effect (the "Effective Date") and be in force and effect  
13 thirty (30) days after the second reading hereof by the Board of Supervisors and its passage.

14  
15 SECTION 16. WRITTEN ACCEPTANCE

16 After the publication of this ordinance, Grantee shall file with the Clerk of the Board  
17 of Supervisors, and file a copy thereof with the Director, a written acceptance of the franchise. The  
18 franchise shall not become effective until written acceptance thereof shall have been filed by Grantee  
19 with the Clerk of the Board of Supervisors of the County, and a copy thereof filed with the Director.

20  
21 SECTION 17. PUBLICATION

22 The Clerk of the Board of Supervisors shall certify to the adoption of this ordinance,  
23 and within fifteen (15) days after its adoption, shall cause the same (with a list of the supervisors voting  
24 for and against) to be published in a newspaper of general circulation published and circulated in the  
25 County.

26  
27 SECTION 18. PUBLICATION COSTS  
28

1                   Grantee of the franchise shall pay to the County a sum of money sufficient to  
2 reimburse it for all publication expenses incurred by it in connection with the granting thereof, such  
3 payment to be made within thirty (30) days after the County shall have furnished such Grantee with a  
4 written statement of such expenses.

5  
6                   SECTION 19. VALIDITY

7                   If any section, subsection, sentence, clause, word, or phrase of this ordinance is  
8 held to be unconstitutional or otherwise invalid for any reason, such decision shall not affect the validity  
9 of the remainder of this ordinance. The Board of Supervisors hereby declares that it would have passed  
10 this ordinance, and each section, subsection, sentence, clause, word, or phrase thereof, irrespective of  
11 the fact that one or more sections, subsections, sentences, words, or phrases be declared invalid or  
12 unconstitutional.

13  
14                  SECTION 20. DIRECTOR'S ADDRESS

15  
16                  The Director's address for Grantee's filing of any documents, copies of documents, or providing  
17 notices to the Director shall be:
