

**AGREEMENT**

This Agreement is dated January 27, 2026 and is between Pacific Clinics, a California nonprofit corporation ("Contractor" or "Business Associate") and the County of Fresno, a political subdivision of the State of California ("County").

**Recitals**

A. County and Contractor entered into County Agreements No. 25-288 and 25-292, as amended, for Contractor to provide outpatient specialty mental health, court-specific, and community-based support services for children and youth involved in the Child Welfare Services (CWS) system.

B. Agreements No. 25-288 and 25-292 were terminated on September 30, 2025, which was the set expiration date for the agreements. Pursuant to Agreements No. 25-288 and 25-292, Contractor is required to return or dispose of confidential records upon agreement termination unless return is not feasible.

C. In August 2025, Contractor notified the Department of Behavioral Health (DBH) that return of the confidential records was not feasible and that Contractor would continue to maintain the records after termination of Agreements No. 25-288 and 25-292 as required by the terms of Agreements No. 25-288 and 25-292.

D. This Agreement makes Contractor a business associate of the County for purposes of maintaining confidential records for services provided by Contractor in Agreements No. 25-288 and 25-292.

The parties therefore agree as follows:

**Business Associate Agreement**

1. The County is a "Covered Entity," and the Contractor is a "Business Associate," as these terms are defined by 45 CFR 160.103. In connection with maintaining confidential records under the Agreement and Agreements No. 25-288 and 25-292, the parties anticipate that the Contractor will create, receive, or maintain Protected Health Information ("PHI") from or on behalf of the County. The parties enter into this Business Associate Agreement (BAA) to comply with the Business Associate requirements of HIPAA, to govern the use and disclosures

1 of PHI under this Agreement. "HIPAA Rules" shall mean the Privacy, Security, Breach  
2 Notification, and Enforcement Rules at 45 CFR Parts 160 and 164.

9 ("HITECH") regarding the confidentiality and security of patient information, including, but not  
10 limited to 42 USC 17901 *et seq.*; and the Genetic Information Nondiscrimination Act ("GINA") of  
11 2008 regarding the confidentiality of genetic information.

12         3.       Except as otherwise provided in this Agreement, the Contractor, as a business  
13 associate of the County, may use or disclose Protected Health Information ("PHI") to perform  
14 functions, activities or services for or on behalf of the County, as specified in this Agreement  
15 and in Agreement No. 25-288 and 25-292, provided that such use or disclosure shall not violate  
16 HIPAA Rules. The uses and disclosures of PHI may not be more expansive than those  
17 applicable to the County, as the "Covered Entity" under the HIPAA Rules, except as authorized  
18 for management, administrative or legal responsibilities of the Contractor.

19         4.       Contractor shall protect, from unauthorized access, use, or disclosure of names  
20 and other identifying information concerning persons receiving services pursuant to this  
21 Agreement, except where permitted in order to carry out data aggregation purposes for health

24 Contractor shall not use such identifying information for any purpose other than carrying out  
25 Contractor's obligations under this Agreement or Agreement No. 25-288 and 25-292.

26         5.       Contractor shall not disclose any such identifying information to any person or

2 be limited to name, identifying number, symbol, or other identifying particular assigned to the

5 manner designated by County, to PHI in a designated record set (as defined in 45 CFR Section  
6 164.501), to an individual or to County in order to meet the requirements of 45 CFR  
7 Section 164.524 regarding access by individuals to their PHI.

8                   Contractor shall make any amendment(s) to PHI in a designated record set at the  
9 request of County, and in the time and manner designated by County in accordance with 45  
10 CFR Section 164.526.

12 designated by County, information collected in accordance with 45 CFR Section 164.528, to

14 in accordance with 45 CFR Section 164.528.

15           8.       Contractor shall report to County, in writing, any knowledge or reasonable belief  
16 that there has been unauthorized access, viewing, use, disclosure, or breach of PHI not  
17 permitted by this Agreement, and any breach of unsecured PHI of which it becomes aware,  
18 immediately and without reasonable delay and in no case later than two (2) business days of  
19 discovery. Immediate notification shall be made to County's Information Security Officer and

22 unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, used,  
23 disclosed, or breached. Contractor shall take prompt corrective action to cure any deficiencies  
24 and any action pertaining to such unauthorized disclosure required by applicable Federal and  
25 State Laws and regulations. Contractor shall investigate such breach and is responsible for all  
26 notifications required by law and regulation or deemed necessary by County and shall provide a  
27 written report of the investigation and reporting required to County's Information Security Officer
