In accordance with Government Code Section 87306.5, this department has reviewed its Conflict of Interest Code and has determined that (check one of the following):

1. Our department's Conflict of Interest Code accurately designates all positions within our department which make or participate in the making of decisions which may foreseeably have a material effect on any financial interest; and the disclosure category assigned to each such position accurately requires the disclosure of all of the specific types of investments, business positions, interests in real property, and sources of income that are reportable under Government Code Section 87302 ("reportable under Government Code Section 87302" means: an investment, business position, interest in real property, or source of income shall be made reportable by the Conflict of Interest Code if the business entity in which the investment or business position is held, the interest in real property, or the income or source of income may foreseeably be affected materially by any decision made or participated in by the designated employee by virtue of his or her position); or,

2. Our department's Conflict of Interest Code is in need of amendment. We have determined that the following amendments are necessary (check applicable items, and refer to Exhibits "A" and "B" for detail if appropriate):
 - A. Include new positions (including consultants) that must be designated.
 - B. Include or delete positions because changes in duties.
 - C. Include positions that manage public investments.
 - D. Revise disclosure categories.
 - E. Revise the titles of existing positions.
 - F. Delete titles of positions that have been abolished.
 - G. Other (*describe*)

In accordance with Government Code Section 87306.5, this department has reviewed its Conflict of Interest Code and has determined that (check one of the following):

1. Our department's Conflict of Interest Code accurately designates all positions within our department which make or participate in the making of decisions which may foreseeably have a material effect on any financial interest; and the disclosure category assigned to each such position accurately requires the disclosure of all of the specific types of investments, business positions, interests in real property, and sources of income that are reportable under Government Code Section 87302 ("reportable under Government Code Section 87302" means: an investment, business position, interest in real property, or source of income shall be made reportable by the Conflict of Interest Code if the business entity in which the investment or business position is held, the interest in real property, or the income or source of income may foreseeably be affected materially by any decision made or participated in by the designated employee by virtue of his or her position); or,

2. Our department's Conflict of Interest Code is in need of amendment. We have determined that the following amendments are necessary (check applicable items, and refer to Exhibits "A" and "B" for detail if appropriate):
 - A. Include new positions (including consultants) that must be designated.
 - B. Include or delete positions because changes in duties.
 - C. Include positions that manage public investments.
 - D. Revise disclosure categories.
 - E. Revise the titles of existing positions.
 - F. Delete titles of positions that have been abolished.
 - G. Other (*describe*)
