

JOINT WATER MANAGEMENT EXCHANGE AGREEMENT

This Joint Water Management Exchange Agreement ("Agreement") is made and effective as of July 22nd, 2008, by and between Arvin-Edison Water Storage District (hereinafter "District") and the County of Fresno (hereinafter "County"), both bodies politic duly organized and existing under the Constitution and laws of the State of California.

RECITALS:

1. WHEREAS, County is a party to a Contract with the United States Department of the Interior, Bureau of Reclamation ("Reclamation") for the provision of up to three thousand (3,000) acre-feet per water year of Central Valley Project – Shasta System water (Contract No. 14-06-200-8292A-IR12), or renewal thereof, delivered historically through the Cross Valley Canal (hereinafter the "County CVC Supply"); and

2. WHEREAS, County holds an interest in the Cross Valley Canal and related facilities (the "County CVC Supply Facilities") and certain power contract rights through the Western Area Power Administration ("WAPA Power Contract") currently administered through the Power and Water Resources Pooling Authority ("PWRPA"); and

3. WHEREAS, the County CVC Supply is available from time to time in the California Delta from the Central Valley Project ("CVP"), for delivery in the California Aqueduct; and, in order to be used and conveyed to the County at Millerton Lake, it must be captured, stored, regulated, and exchanged; and

4. WHEREAS, the District is a party to a Contract with Reclamation for forty thousand (40,000) acre-feet of Class 1 water and up to three hundred eleven thousand six hundred seventy five (311,675) acre-feet of Class 2 water per water year from the Friant Division of the CVP (Contract No. 14-06-200-229A-LTR1) ("District CVP Supply"), both classes of supply with established Municipal and Industrial ("M&I") and Irrigation rates; and

1 5. WHEREAS, District proposes to take delivery of the County's CVC Supply
2 and/or other supplies and, by way of exchange, provide a long-term water supply to a
3 portion of Fresno County, namely within Brighton Crest and Millerton New Town
4 boundaries ("BC/MNT"), both located within Fresno County Service Area No. 34,
5 subject to the terms and conditions of this Agreement and any extension thereof; and

6 6. WHEREAS, BC/MNT, as described and depicted on Exhibit "A" attached
7 hereto are County Service Areas established for purposes of providing, operating, and
8 maintaining certain infrastructure and services for lands within its boundaries consisting
9 of an approximate one thousand nine hundred twenty six (1,926) acre area in Fresno
10 County, California near Millerton Lake planned for development; and

11 7. WHEREAS, District and County previously entered into a Memorandum of
12 Understanding (hereinafter "MOU") dated April 6, 1974, which provided for the
13 exchange of the County CVC Supply and delivery to County under certain conditions of
14 up to one thousand four hundred eighty three (1,483) acre-feet of Class 1 and one
15 thousand seven hundred ninety five (1,795) acre-feet of Class 2 water supply from the
16 District's CVP Supply, for a total of three thousand two hundred seventy eight (3,278)
17 acre-feet per water year, subject to certain exchange provisions and said MOU is no
18 longer in force or effect; and

19 8. WHEREAS, the total annual acre-feet of the District CVP Supply that was
20 allocated by the County to BC/MNT was one thousand five hundred twenty (1,520)
21 acre-feet of the three thousand two hundred seventy eight (3,278) acre-feet, or
22 approximately forty six percent (46%) (see Exhibit "B"); and

23 9. WHEREAS, the balance of the District CVP Supply that was not allocated
24 to BC/MNT was the basis for a form of reservation by the County totaling one thousand
25 seven hundred fifty eight (1,758) acre-feet for potential future use by non County
26 Service Area No. 34 lands within other service areas and districts hereinafter the "Non
27
28

1 CSA-34" lands. The Non CSA-34 lands are identified in Exhibit "B" attached hereto;
2 and

3 10. WHEREAS, in accordance with the terms of the July 17, 2007 Water
4 Transfer Agreement, during 2007 the County transferred one thousand five hundred
5 (1,500) acre-feet of County CVC Supply to District under a one year transfer; and

6 11. WHEREAS, District is willing to provide a long-term water supply for use
7 solely within BC/MNT of up to one thousand five hundred twenty (1,520) acre-feet per
8 water year of the District's CVP Supply, provided the County is willing to meet the
9 obligations to District as provided in this Agreement; and

10 12. WHEREAS, District will provide "turn-key" water management for delivery
11 of a water supply to County so that County will not have to manage its County CVC
12 Supply, County CVC Supply Facilities, and WAPA Power Contract (collectively referred
13 to as "County Assets") or incur any cost obligations related to management of County
14 Assets for the portion of the County Assets delegated to District during the period of this
15 Agreement and any extension thereof; and

16 13. WHEREAS, this Agreement is in furtherance of State Water Resources
17 Control Board Order affecting Permit No. 11887, dated January 25, 2007, among other
18 things, confirming BC/MNT within the authorized Place of Use for M&I purposes.

19 **AGREEMENT:**

20 NOW, THEREFORE, County and District agree as follows:

21 1. **Recitals:** The parties hereto mutually agree and covenant that the
22 foregoing Recitals are true and correct and are incorporated herein by this reference.

23 2. **Water Supply:** Upon written request of County and subject to the
24 provisions of this Agreement, District shall provide to County at Millerton Lake for use in
25 BC/MNT up to one thousand five hundred twenty (1,520) acre-feet per water year of
26 firm water supply from the District CVP Supply by delivering water to the County by
27 exchanging County CVC Supply or other District supplies, as determined at the
28

District's sole discretion, for delivery to the County. During the term of this Agreement and any extensions hereof, subject to modification as stated in Paragraph 3 herein, the County Assets and all rights thereto and obligations thereof shall be delegated to District and District may take delivery of such County CVC Supply and deliver by exchange such water or other water available to it to County during the term of this Agreement. The District shall have sole access to the supply developed from the County Assets, including the full three thousand (3,000) acre-foot County CVC Supply, to do with as it wishes, for any legal purpose, and consistent with the County's Contracts, provided that the District is meeting its obligations to the County either from County CVC Supply or other supplies available to the District.

3. **Allocation of a Portion of County Assets to Others:** The County may, with one (1) year prior written notice, reduce the District's portion of the County Assets, provided however it shall not be reduced to be less than a 1520/3278th share of the County Assets, and whatever supplies are correspondingly and subsequently developed for the reduced share. In such event, the District's obligation to provide up to one thousand five hundred twenty (1,520) acre-feet per water year of firm water from the District CVP Supply shall be reduced by the same percentage, provided District may in its sole discretion thereafter, in any year, provide additional water beyond such reduced obligation. The County's sole reason for reducing the District's share of the County's Assets is when County wishes to use a portion of the County's Assets for service to Non CSA-34 lands, as identified in Exhibit "B", as may be modified by County, provided any such modification and use shall not include sale by the County of the County Assets for any new or expanded development and/or for any use in an area not within an authorized Place of Use.

4. **Term:** The initial term of this Agreement shall run concurrently with District's Water Service Contract with Reclamation which expires on February 28, 2026, and may be renewed by the parties for successive ten (10) year periods upon mutually-

1 agreed upon terms between District and County. In the last year of this Agreement (or
2 extensions thereof), the parties shall meet for the purpose of negotiating the terms of an
3 extension to this Agreement. If the parties do not agree to an extension of this
4 Agreement by the end date of this Agreement, then the Agreement shall terminate.

5 5. **Obligations of County to District:** The obligation of County to District as
6 consideration for District to exchange the County's CVC Supply and/or other supplies
7 and to provide a firm water supply under the terms and conditions of this Agreement as
8 defined herein, and upon request from District to County shall be as follows:

9 (a) County will make a payment within thirty (30) days after the end of
10 each month to District in those months when water is received by County at an amount
11 equal to an indexed rate of Five Hundred Dollars (\$500.00) per acre-foot for each acre-
12 foot of water provided to County. The index shall be based on a ten percent (10%)
13 increase every five (5) water years during the term of this Agreement. By way of
14 example, the beginning rate will be Five Hundred Dollars (\$500.00) per acre-foot for the
15 first five (5) water years of this Agreement, and Five Hundred Fifty Dollars (\$550.00) per
16 acre-foot for the next five (5) water years, and with subsequent like increases thereafter
17 (see Exhibit "C" attached hereto).

18 (b) Effective during the term of this Agreement and subject to potential
19 future modification as stated in Paragraph 3 herein, County shall proportionately
20 delegate its rights to District in the County's Assets.

21 6. **Obligations of District to County:** During the term of the Agreement
22 and any extensions thereof, District will pay all proportionate costs associated with the
23 County Assets, including the proportionate portion of the County's share of the annual
24 cost related to County's capacity in the Cross Valley Canal and the recent construction
25 of the Cross Valley Canal expansion and Cross Valley Canal/Friant-Kern Intertie as
26 such costs are generally described in Exhibit "D" attached hereto. The District shall also
27 receive any and all revenues generated from the County Assets including, but not
28

1 limited to, Cross Valley Canal revenues such as Excess Capacity and Excess Wheeling
2 charges, and any water and/or power sales or transfers. District will manage their
3 proportionate share of the County's Assets and shall utilize as it deems appropriate.
4 The maximum annual amount of water deliverable by District to BC/MNT under this
5 Agreement shall be one thousand five hundred twenty (1,520) acre-feet per water year.
6 The District shall also pay the M&I rates for the Class 1 water, or when available, Class
7 2 water, it may make available to County from the District's CVP supply.

8 7. **Payment by County:** County shall be responsible for all amounts due
9 District for exchanging the County CVC Supply and providing a firm supply to County
10 pursuant to this Agreement, including Paragraph 5(a), and such amounts shall be paid
11 to District within thirty (30) days of the end of each month of District's delivery of any
12 water under this Agreement. If delinquent thereafter interest shall accrue at a rate of
13 one percent (1%) per month. Delinquent payments which remain uncured for ninety
14 (90) days after written notice may be considered as default or breach of this Agreement
15 in accordance with Paragraph 23 of this Agreement.

16 8. **Delivery of Water by District to County for BC/MNT:** The delivery of
17 water by District hereunder shall be to County for use only within County's BC/MNT
18 boundaries as depicted in Exhibit "A". County shall, by March 1st of each year provide
19 written notice in the form set forth in Exhibit "E" hereto to District of the annual water
20 supply being requested by County to be delivered under the terms and conditions of this
21 Agreement and anticipated build-up schedule estimated in the attached Exhibit "F".
22 Absent the mutual agreement of County and the District, County shall meet the water
23 supply needs of BC/MNT areas designated to receive Districts water by first requesting
24 the use of District's water before use of any other supplies. District acknowledges that
25 County may use some recycled water for golf course irrigation and landscape purposes.

26 9. **Reclamation Approval:** County and District shall cooperate to obtain any
27 such necessary approvals from Reclamation.
28

1 10. **Additional Actions:** District and County shall take such further actions
2 and cooperate as may be necessary in order to permit or facilitate the arrangements
3 contemplated by this Agreement. Such actions may include, but may not necessarily be
4 limited to: 1) Notice to the Kern County Water Agency delegating County CVC Supply
5 Facilities to District; 2) Notice to PWRPA delegating WAPA Power Contract to District;
6 3) Execution of "Contract Among Kern County Water Agency and Various Parties for
7 the Operation of the Cross Valley Canal, Extension, and Intertie" and "Contract Among
8 Kern County Water Agency and Various Parties for the Construction of the Expansion of
9 the Cross Valley Canal"; 4) Notice to Reclamation and DWR requesting an additional
10 point of delivery corresponding to District's turnout from the California Aqueduct; and, 5)
11 Pursuing renewal of County Assets such as their present Water Service Contracts with
12 Reclamation and Transportation and Wheeling Agreements with the Department of
13 Water Resources ("DWR"). In addition, County will cooperate so as to affect other
14 purchases, exchanges, and/or Water Banking Agreements as necessary for District to
15 deliver supplies to BC/MNT as cost effectively as possible. The costs of any additional
16 purchases, exchanges, and/or Water Banking Agreements are to be borne by District.

17 11. **Environmental Compliance:** The parties shall undertake the necessary
18 steps to ensure that arrangements contemplated hereby are in compliance with, if
19 applicable, the California Environmental Quality Act (CEQA) and the National
20 Environmental Policy Act (NEPA) and all other applicable laws, regulations, and
21 ordinances. District shall act as the lead agency for all actions required under CEQA in
22 connection with this Agreement and/or the associated arrangements, with the
23 cooperation of County acting as a "responsible agency" in connection therewith. County
24 agrees to be responsible for payment of one-half of the reasonable and necessary costs
25 of any environmental efforts as stated above and to pay within sixty (60) days of
26 demand by District for such amount; however, District agrees to get County's approval
27 of those estimated costs prior to County being obligated.

1 12. **Delegation of County Assets to District:** During the effective term of
2 this Agreement and any extensions hereof, County shall delegate to District all rights to
3 County's Assets, subject to any proportional reduction of District's share of the County
4 Assets under Paragraph 3 herein. By execution of this Agreement, County hereby
5 delegates rights and duties in the County's Assets for the term of this Agreement.

6 13. **Program Accounting:** District shall provide to Fresno County within sixty
7 (60) days of the end of the water year (March 1 through February of the following year),
8 an annual accounting of the program operations to date of the County's CVC supply or
9 other supplies District has made available to the County.

10 14. **Conservation:** For information purposes, without obligation to District,
11 County advises that in accordance with approved conservation plans for County,
12 County and all BC/MNT water users shall engage in conservation practices designed to
13 conserve any water used in accordance with this Agreement to the maximum extent
14 practical, including without limitation, adopting pricing policies, best-management
15 practices, education programs, and incentives to encourage water conservation.

16 15. **Waiver:** Any waiver of the provisions of this Agreement by the party
17 entitled to the benefits thereof as to any instance must be in writing and shall in no
18 event be deemed a waiver of the same provision with respect to any other instance or a
19 waiver of any other provision of this Agreement.

20 16. **Notices:** All notices or other communications given under this Agreement
21 shall be effective upon personal delivery, or three (3) days after deposit in the United
22 States mail, registered or certified, postage prepaid, and addressed to the parties, as
23 follows:

2 As a matter of convenience, however, communications between District and County
3 shall, to the extent feasible, be conducted orally by telephone or in person, with such
4 communications to be confirmed and made effective in writing as set forth above. No
5 oral notice or communication shall be effective unless so confirmed in writing, which
6 shall include electronic (e-mail) and facsimile communications.

7 17. **Government Restrictions:** Except as otherwise expressly provided in
8 this Agreement, each party shall be responsible for paying for all necessary permits,
9 governmental approvals, and all other necessary consents required of it in connection
10 with the performance of its obligations or the exercise of its rights under this Agreement.

11 18. **Assignment:** Any assignment of this Agreement by either party requires
12 the prior written consent of the other party to the assignment.

13 19. **Modification of Agreement:** Either party may from time to time request
14 mutually agreeable changes in the provisions of this Agreement. Furthermore, if as a
15 result of enactments, amendments, repeals or changes in implementation or
16 interpretation of any federal or state law, rule or regulation, there results in a material
17 change in the conditions under which the County CVP Supply, County CVP Supply
18 Facilities or District CVP Supply are provided, including the costs thereof, the parties
19 shall in good faith negotiate an amendment of this Agreement to fairly and equitably
20 reflect such changed conditions. Such changes, as agreed upon by the parties, must
21 be incorporated in written amendment form to this Agreement and be approved by both
22 parties to this Agreement by written signature. No other purported changes to this
23 Agreement shall be effective or binding.

24 20. **Authority:** Each of the individuals signing this Agreement on behalf of the
25 parties hereby represents and warrants that he/she has the authority to execute this
26 Agreement on behalf of such party and that the governing board of such party has duly
27 approved the execution of this Agreement on behalf of that party.
28

1 21. **Mutual Indemnification:** County and District shall each defend,
2 indemnify, and hold the other harmless from and against any and all damages, claims,
3 or other liabilities (including without limitation attorneys' fees and costs) (all of the
4 foregoing in this sentence collectively referred to as "Indemnify") incurred in connection
5 with or as the result of the actions or inactions of the other party under this Agreement,
6 or as follows:

7 (a) The County shall Indemnify the District as to any action or claim
8 related to or arising from: (i) challenging the validity of the County CVC Supply, County
9 CVC Supply Facilities or WAPA Power Contract; (ii) challenging the use of water as
10 herein provided by the County in BC/MNT; or, (iii) challenging this Agreement or the
11 water management program herein provided if brought by or on behalf of a resident or
12 landowner within the County; and

13 (b) The District shall Indemnify the County as to any action or claim
14 related to or arising from: (i) challenging the validity of District CVP Supply; (ii)
15 challenging the use of water as herein provided by the District within its boundaries; or,
16 (iii) challenging this Agreement or the water management program herein provided if
17 brought by or on behalf of a resident or landowner within the District.

18 (c) If a claim related to or arising from challenging this Agreement or
19 the water management program herein provided is brought by or on behalf of a resident
20 or landowner not within the District, nor on behalf of a resident or landowner within the
21 County, the District and County will jointly share in the defense of the claim.

22 22. **No Permanent Right:** In no event shall any right under this Agreement
23 become permanent or mature into an interest of any kind in District's CVP Supply or in
24 County's Assets, except as set forth herein. In this regard, the County shall be totally
25 responsible for overseeing and paying all costs related to renewal or extension of
26 County Assets and said contracts and all matters related thereto. The District shall be
27 totally responsible for overseeing and paying all costs related to renewal or extension of
28

1 the District CVP Supply contract and all matters related thereto.

2 23. **Termination of Agreement and Default:** At the end of the term of this
3 Agreement any rights to the County's Assets shall remain the property of County. This
4 Agreement shall remain in effect for a term as defined in Paragraph 4 of this
5 Agreement. In addition, this Agreement shall terminate in the event of a default or
6 breach of this Agreement by either party, which remains uncured for ninety (90) days
7 after written notice.

8 24. **Integration:** This Agreement and the exhibits attached hereto and
9 incorporated herein by reference contain the entire agreement between the parties and
10 supersede all prior and contemporaneous oral and written agreements, understandings,
11 and representations among the parties.

12 25. **Venue:** The venue for all actions brought by either party in connection
13 with this transaction shall be Fresno County.

14 26. **Counterparts:** This Agreement may be executed in counterparts by
15 District and County such that the signatures may appear on separate signature pages,
16 with each having the same force and effect as an executed original. A copy of an
17 original, with all the signatures appended together, shall be deemed a fully executed
18 Agreement.

19 IN WITNESS WHEREOF, the parties have executed this Agreement as of the
20 date first above written.
