

SERVICE AGREEMENT

This Service Agreement ("Agreement") is dated July 14, 2026 and is between Teledata Services Co., a California corporation ("Contractor"), and the County of Fresno, a political subdivision of the State of California ("County"). The Contractor and the County are referred to herein as "Party" or "Parties".

Recitals

A. The County has need for the provision of internal low-voltage cabling services for County-owned and County-leased buildings. The cabling services include, but are not limited to, low-voltage copper cabling and short run fiber, including repairs to existing cable plants, installation of new data drops into existing cable plants, and the installation and/or the expansion of cable plants at many County locations in accordance with specific terms, conditions, and requirements.

B. On January 8, 2026, the County released Request for Proposal ("RFP") No. 26-034 requesting proposals from qualified contractors to provide internal low voltage services and repairs to the County, which closed on March 16, 2026. Four responsive proposals were received during that period. Each responsive proposal was reviewed by a panel of two representatives from the Information Technology Services Department ("ITSD") and one representative from the Sheriff-Coroner-Public Administrator's Office ("Sheriff"). The Contractor was determined to be the most advantageous bidder based on their pricing and ability to provide the products and services outlined in the RFP.

C. The County desires to engage the Contractor to provide internal low voltage cabling services and repairs. The Contractor is qualified and willing to provide said services pursuant to the terms of the Agreement.

The Parties therefore agree as follows:

10 compensation under this Agreement only for services performed according to the terms of this
11 Agreement and while this Agreement is in effect, and subject to the maximum amount payable
12 under this section. The Contractor further acknowledges that County employees have no
13 authority to pay the Contractor except as expressly provided in this Agreement.

21 the end of the term or termination of this Agreement.

9 Officer (CIO), or their designee, is authorized to sign the written approval on behalf of the

Article 6

Termination and Suspension

6.1 **Termination for Non-Allocation of Funds.** The terms of this Agreement are contingent on the approval of funds by the appropriating government agency. If sufficient funds are not allocated, then the County, upon at least 30 days' advance written notice to the Contractor, may:

1 (A) Modify the services provided by the Contractor under this Agreement; or

2 (B) Terminate this Agreement.

3 **6.2 Termination for Breach.**

4 (A) Upon determining that a breach (as defined in paragraph (C) below) has
5 occurred, the County may give written notice of the breach to the Contractor. The written
6 notice may suspend performance under this Agreement, and must provide at least 30
7 days for the Contractor to cure the breach.

8 (B) If the Contractor fails to cure the breach to the County's satisfaction within the
9 time stated in the written notice, the County may terminate this Agreement immediately.

10 (C) For purposes of this section, a breach occurs when, in the determination of the
11 County, the Contractor has:

12 (1) Obtained or used funds illegally or improperly;

13 (2) Failed to comply with any part of this Agreement;

14 (3) Submitted a substantially incorrect or incomplete report to the County; or

15 (4) Improperly performed any of its obligations under this Agreement.

16 **6.3 Termination without Cause.** In circumstances other than those set forth above, the
17 County may terminate this Agreement by giving at least 30 days advance written notice to the
18 Contractor.

19 **6.4 No Penalty or Further Obligation.** Any termination of this Agreement by the County
20 under this Article 6 is without penalty to or further obligation of the County.

21 **6.5 County's Rights upon Termination.** Upon termination for breach under this Article
22 6, the County may demand repayment by the Contractor of any monies disbursed to the
23 Contractor under this Agreement that, in the County's sole judgment, were not expended in
24 compliance with this Agreement. The Contractor shall promptly refund all such monies upon
25 demand. This section survives the termination of this Agreement.

1 **Article 7**

2 **Independent Contractor**

3 7.1 **Status.** In performing under this Agreement, the Contractor, including its officers,
4 agents, employees, and volunteers, is at all times acting and performing as an independent
5 contractor, in an independent capacity, and not as an officer, agent, servant, employee, joint
6 venturer, partner, or associate of the County.

7 7.2 **Verifying Performance.** The County has no right to control, supervise, or direct the
8 manner or method of the Contractor's performance under this Agreement, but the County may
9 verify that the Contractor is performing according to the terms of this Agreement.

10 7.3 **Benefits.** Because of its status as an independent contractor, the Contractor has no
11 right to employment rights or benefits available to County employees. The Contractor is solely
12 responsible for providing to its own employees all employee benefits required by law. The
13 Contractor shall save the County harmless from all matters relating to the payment of the
14 Contractor's employees, including compliance with Social Security withholding and all related
15 regulations.

16 7.4 **Services to Others.** The Parties acknowledge that, during the term of this
17 Agreement, the Contractor may provide services to others unrelated to the County.

18 **Article 8**

21 County (including its officers, agents, employees, and volunteers) against all claims, demands,
22 injuries, damages, costs, expenses (including attorney fees and costs), fines, penalties, and
23 liabilities of any kind to the County, the Contractor, or any third party that arise from or relate to
24 the performance or failure to perform by the Contractor (or any of its officers, agents,
25 subcontractors, or employees) under this Agreement. The County may conduct or participate in
26 its own defense without affecting the Contractor's obligation to indemnify and hold harmless or
27 defend the County.

28 8.2 **Survival.** This Article 8 survives the termination of this Agreement.

1 **Article 9**

2 **Insurance**

3 9.1 The Contractor shall comply with all the insurance requirements in Exhibit D to this
4 Agreement.

5 **Article 10**

6 **Inspections, Audits, and Public Records**

7 10.1 **Inspection of Documents.** The Contractor shall make available to the County, and
8 the County may examine at any time during business hours and as often as the County deems
9 necessary, all of the Contractor's records and data with respect to the matters covered by this
10 Agreement, excluding attorney-client privileged communications. The Contractor shall, upon
11 request by the County, permit the County to audit and inspect all of such records and data to
12 ensure the Contractor's compliance with the terms of this Agreement.

13 10.2 **State Audit Requirements.** If the compensation to be paid by the County under this
14 Agreement exceeds \$10,000, the Contractor is subject to the examination and audit of the
15 California State Auditor, as provided in Government Code section 8546.7, for a period of three
16 years after final payment under this Agreement. This section survives the termination of this
17 Agreement.

18 10.3 **Public Records.** The County is not limited in any manner with respect to its public
19 disclosure of this Agreement or any record or data that the Contractor may provide to the
20 County. The County's public disclosure of this Agreement or any record or data that the
21 Contractor may provide to the County may include but is not limited to the following:

22 (A) The County may voluntarily, or upon request by any member of the public or
23 governmental agency, disclose this Agreement to the public or such governmental
24 agency.

25 (B) The County may voluntarily, or upon request by any member of the public or
26 governmental agency, disclose to the public or such governmental agency any record or
27 data that the Contractor may provide to the County, unless such disclosure is prohibited
28 by court order.

1 (C) This Agreement, and any record or data that the Contractor may provide to the
2 County, is subject to public disclosure under the Ralph M. Brown Act (California
3 Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with section 54950).

4 (D) This Agreement, and any record or data that the Contractor may provide to the
5 County, is subject to public disclosure as a public record under the California Public
6 Records Act (California Government Code, Title 1, Division 10, Chapter 3, beginning
7 with section 7920.200) ("CPRA").

8 (E) This Agreement, and any record or data that the Contractor may provide to the
9 County, is subject to public disclosure as information concerning the conduct of the
10 people's business of the State of California under California Constitution, Article 1,
11 section 3, subdivision (b).

12 (F) Any marking of confidentiality or restricted access upon or otherwise made with
13 respect to any record or data that the Contractor may provide to the County shall be
14 disregarded and have no effect on the County's right or duty to disclose to the public or
15 governmental agency any such record or data.

16 **10.4 Public Records Act Requests.** If the County receives a written or oral request
17 under the CPRA to publicly disclose any record that is in the Contractor's possession or control,
18 and which the County has a right, under any provision of this Agreement or applicable law, to
19 possess or control, then the County may demand, in writing, that the Contractor deliver to the
20 County, for purposes of public disclosure, the requested records that may be in the possession
21 or control of the Contractor. Within five business days after the County's demand, the
22 Contractor shall (a) deliver to the County all of the requested records that are in the Contractor's
23 possession or control, together with a written statement that the Contractor, after conducting a
24 diligent search, has produced all requested records that are in the Contractor's possession or
25 control, or (b) provide to the County a written statement that the Contractor, after conducting a
26 diligent search, does not possess or control any of the requested records. The Contractor shall
27 cooperate with the County with respect to any County demand for such records. If the
28 Contractor wishes to assert that any specific record or data is exempt from disclosure under the

1 CPRA or other applicable law, it must deliver the record or data to the County and assert the
2 exemption by citation to specific legal authority within the written statement that it provides to
3 the County under this section. The Contractor's assertion of any exemption from disclosure is
4 not binding on the County, but the County will give at least 10 days' advance written notice to
5 the Contractor before disclosing any record subject to the Contractor's assertion of exemption
6 from disclosure. The Contractor shall indemnify the County for any court-ordered award of costs
7 or attorney's fees under the CPRA that results from the Contractor's delay, claim of exemption,
8 failure to produce any such records, or failure to cooperate with the County with respect to any
9 County demand for any such records.

10 **Article 11**

11 **Disclosure of Self-Dealing Transactions**

12 11.1 **Applicability.** This Article 11 applies if the Contractor is operating as a corporation,
13 or changes its status to operate as a corporation.

14 11.2 **Duty to Disclose.** If any member of the Contractor's board of directors is party to a
15 self-dealing transaction, he or she shall disclose the transaction by completing and signing a
16 "Self-Dealing Transaction Disclosure Form" (Exhibit C to this Agreement) and submitting it to
17 the County before commencing the transaction or immediately after.

18 11.3 **Definition.** "Self-dealing transaction" means a transaction to which the Contractor is
19 a party and in which one or more of its directors, as an individual, has a material financial
20 interest.

21 **Article 12**

22 **General Terms**

23 12.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this
24 Agreement may not be modified, and no waiver is effective, except by written agreement signed
25 by both Parties. The Contractor acknowledges that County employees have no authority to
26 modify this Agreement except as expressly provided in this Agreement.

27 12.2 **Non-Assignment.** Neither Party may assign its rights or delegate its obligations
28 under this Agreement without the prior written consent of the other Party.

1 12.3 **Governing Law.** The laws of the State of California govern all matters arising from
2 or related to this Agreement.

3 12.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno
4 County, California. The Contractor consents to California jurisdiction for actions arising from or
5 related to this Agreement, and, subject to the Government Claims Act, all such actions must be
6 brought and maintained in Fresno County.

7 12.5 **Construction.** The final form of this Agreement is the result of the Parties' combined
8 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be
9 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement
10 against either Party.

11 12.6 **Days.** Unless otherwise specified, "days" means calendar days.

12 12.7 **Headings.** The headings and section titles in this Agreement are for convenience
13 only and are not part of this Agreement.

14 12.8 **Severability.** If anything in this Agreement is found by a court of competent
15 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in
16 effect, and the Parties shall make best efforts to replace the unlawful or unenforceable part of
17 this Agreement with lawful and enforceable terms intended to accomplish the Parties' original
18 intent.

19 12.9 **Nondiscrimination.** During the performance of this Agreement, the Contractor shall
20 not unlawfully discriminate against any employee or applicant for employment, or recipient of
21 services, because of race, religious creed, color, national origin, ancestry, physical disability,
22 mental disability, medical condition, genetic information, marital status, sex, gender, gender
23 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to
24 all applicable State of California and federal statutes and regulation.

25 12.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation
26 of the Contractor under this Agreement on any one or more occasions is not a waiver of
27 performance of any continuing or other obligation of the Contractor and does not prohibit
28 enforcement by the County of any obligation on any other occasion.

1 12.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
2 between the Contractor and the County with respect to the subject matter of this Agreement,
3 and it supersedes all previous negotiations, proposals, commitments, writings, advertisements,
4 publications, and understandings of any nature unless those things are expressly included in
5 this Agreement. If there is any inconsistency between the terms of this Agreement without its
6 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving
7 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the
8 exhibits.

9 12.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
10 create any rights or obligations for any person or entity except for the Parties.

11 12.13 **Authorized Signature.** The Contractor represents and warrants to the County that:

12 (A) The Contractor is duly authorized and empowered to sign and perform its
13 obligations under this Agreement.

14 (B) The individual signing this Agreement on behalf of the Contractor is duly
15 authorized to do so and his or her signature on this Agreement legally binds the
16 Contractor to the terms of this Agreement.

17 12.14 **Electronic Signatures.** The Parties agree that this Agreement may be executed by
18 electronic signature as provided in this section.

19 (A) An “electronic signature” means any symbol or process intended by an individual
20 signing this Agreement to represent their signature, including but not limited to (1) a
21 digital signature; (2) a faxed version of an original handwritten signature; or (3) an
22 electronically scanned and transmitted (for example by PDF document) version of an
23 original handwritten signature.

24 (B) Each electronic signature affixed or attached to this Agreement (1) is deemed
25 equivalent to a valid original handwritten signature of the person signing this Agreement
26 for all purposes, including but not limited to evidentiary proof in any administrative or
27 judicial proceeding, and (2) has the same force and effect as the valid original
28 handwritten signature of that person.

1 (C) The provisions of this section satisfy the requirements of Civil Code section
2 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3,
3 Part 2, Title 2.5, beginning with section 1633.1).

4 (D) Each Party using a digital signature represents that it has undertaken and
5 satisfied the requirements of Government Code section 16.5, subdivision (a),
6 paragraphs (1) through (5), and agrees that each other Party may rely upon that
7 representation.

8 (E) This Agreement is not conditioned upon the Parties conducting the transactions
9 under it by electronic means and either Party may sign this Agreement with an original
10 handwritten signature.

11 12.15 **Counterparts.** This Agreement may be signed in counterparts, each of which is an
12 original, and all of which together constitute this Agreement.

The Contractor shall obtain an endorsement to this policy naming the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, as additional insureds, but only insofar as the operations under this Agreement are concerned. Such coverage for additional insureds will apply as primary insurance and any other insurance, or self-insurance, maintained by the County is excess only and not contributing with insurance provided under the Contractor's policy.
- (B) **Automobile Liability.** Automobile liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for property damages. Coverage must include any auto used in connection with this Agreement.
- (C) **Workers Compensation.** Workers compensation insurance as required by the laws of the State of California with statutory limits.

- (F) **Molestation Liability.** Sexual abuse / molestation liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence, with an annual aggregate of Four Million Dollars (\$4,000,000). This policy must be issued on a per occurrence basis.

2. Additional Requirements

- (A) **Verification of Coverage.** Within 30 days after the Contractor signs this Agreement, and at any time during the term of this Agreement as requested by the County's Risk Manager or the County Administrative Office, the Contractor shall deliver, or cause its broker or producer to deliver, to the County Risk Manager, at 2220 Tulare Street, 16th

Exhibit D

Floor, Fresno, California 93721, or HRRiskManagement@fresnocountyca.gov, and by mail or email to the person identified to receive notices under this Agreement, certificates of insurance and endorsements for all of the coverages required under this Agreement.

- (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the County, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
 - (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor's policy.
 - (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
 - (iv) The professional liability insurance certificate, if it is a claims-made policy, must also state the retroactive date of the policy, which must be prior to the date on which services began under this Agreement.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the County, or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer

Exhibit D

to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.

- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.
- (G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.

The emergency response plans shall be made available to all staff members, contractors, and volunteers working in the facility as needed. Confidential policies and procedures that relate to the security of the facility may be kept in a separate manual (15 CCR 1327).

400.3.1 EMERGENCY SUSPENSION OF REQUIREMENTS

The Chief Probation Officer or the authorized designee shall authorize only those regulations directly affected by the emergency to be suspended. When a suspension occurs for longer than three days, the Chief Probation Officer or the authorized designee shall notify the Board of State and Community Corrections in writing. In no event shall a suspension continue for more than 15 days without the approval of the Chairperson of the Board of State and Community Corrections for a time specified by the Chairperson (see the Emergency Suspension of Standards or Requirements attachment).

400.4 LOCKDOWN

Upon detecting any significant incident that threatens the security of the facility, such as a riot, power outage or hostage situation, staff members shall immediately notify Institutional Core Central Control (ICCC) and the Watch Commander. The Watch Commander may determine whether to order a partial or full lockdown of the facility and shall notify the Deputy Chief or the authorized designee as soon as practicable.

If a lockdown is ordered, all youth will be directed back to their housing areas. All youth in transit within the facility will either be escorted back to their housing areas or to another secure location. The Watch Commander should instruct staff members not directly involved in the lockdown to escort any visitors and nonessential contractors out of the facility.

A head count shall be immediately conducted for all youth, visitors, contractors, volunteers, and staff members. The Watch Commander shall be immediately notified of the status of the head count. If any person is unaccounted for, the Watch Commander shall direct an immediate search of the facility and notify the Chief Probation Officer or the authorized designee as soon as practicable.

All visitors and volunteers will be required to enter through the lobby and sign the visitor logbook when they enter and leave the facility. If the lobby is closed, the visitor logbook will be placed in a designated area for them to sign accordingly. ICCC shall log in all vehicles and the number of people in the vehicle. In the event the camera or speaker box is not working, the ICCC officer shall work with security officers to determine the number of people in the vehicle. When leaving the facility, the maintenance/contractor worker(s) shall call ICCC if the camera or speaker box is not working properly to inform them they are leaving the facility. The ICCC officer shall log that the maintenance/contractor(s) left the facility.

Lockdown shall not be used as a form of punishment. It is only intended to facilitate order and maintain security of the JJC.

400.5 HUNGER STRIKE

Upon being made aware that one or more youth is engaging in a hunger strike, the staff member will notify the Watch Commander, who will notify the Chief Probation Officer or the authorized designee. The Chief Probation Officer or the authorized designee should evaluate the basis for the strike and seek an appropriate resolution.

The Chief Probation Officer or the authorized designee shall notify the youth's parent/guardian, the youth's probation officer, the local authority having supervisory jurisdiction, and the youth's social worker (if applicable) of the incident and periodically provide updates on the status of the youth.

400.5.1 NOTIFICATION OF QUALIFIED HEALTH CARE PROFESSIONALS

The Chief Probation Officer or the authorized designee shall notify the Medical Director to review, coordinate, and document any medical actions taken, based on protocols and/or at the direction of qualified health care professionals, in response to a hunger strike.

Qualified health care professionals shall monitor the health of any youth involved in a hunger strike and make recommendations to the Chief Probation Officer or the supervisory staff member responsible for oversight of the incident.

If a youth is engaging in a hunger strike due to a mental condition, the appropriate medical protocols for mental health will be followed.

400.5.2 RESPONSE TO HUNGER STRIKES

Beginning at the line staff member level, a resolution to grievances shall be sought at the lowest level. The Youth Grievances Policy shall guide staff members on resolving youth grievances.

If the hunger strike remains unresolved, the Chief Probation Officer or the authorized designee may direct the appropriate staff member to observe the room area, including trash containers, of the youth involved for evidence of food items and of food hoarding.

400.5.3 LEGAL GUIDANCE

If attempts to resolve the grievance are unsuccessful or not reasonably possible, the Chief Probation Officer shall consider consulting with legal resources as appropriate to develop other steps to resolve the issues.

400.6 RESPONSE TO DISTURBANCES

Staff members shall attempt to minimize the disruption to normal facility operations caused by a disturbance by attempting to isolate and contain the disturbance to the extent possible. Staff members when applicable shall immediately notify the Chief Probation Officer through the chain of command of the incident (15 CCR 1327).

400.6.1 NOTIFICATIONS

The Watch Commander shall notify the Chief Probation Officer or the authorized designee of the disturbance as soon as practicable through the chain of command.

The Chief Probation Officer or the authorized designee shall notify the involved youth's parent/guardian, the youth's probation officer, the local authority having supervisory jurisdiction, and the youth's social worker (if applicable) as soon as practicable (15 CCR 1327).

400.6.2 NOTIFICATION OF QUALIFIED HEALTH CARE PROFESSIONALS

If medical action reasonably appears necessary, the Chief Probation Officer or the authorized designee shall notify the appropriate qualified health care professionals to review, coordinate, and document medical actions based on protocols and/or at the direction of the Medical Director (15 CCR 1327).

400.6.3 REPORTING

The Chief Probation Officer or the authorized designee shall order that an incident report be completed with the details of the disturbance no later than the end of the shift (see the Report Preparation Policy). If appropriate, a crime report shall be initiated, and prosecution sought (15 CCR 1327).

400.7 RIOTS

Riots occur when youth forcibly and/or violently take control, or disrupt in large numbers with violence or attempt to take control of any area within the Juvenile Justice Campus.

Staff members shall make reasonable attempts to prevent youth-on-youth violence but shall also take measures to avoid aggravating the problem and making the situation worse (15 CCR 1327).

400.7.1 RESPONSE TO RIOTS

Once the area of the disturbance is secured and isolated from other areas of the facility, time is generally on the side of officers. If possible, the process of quelling the disturbance should slow down so officers can develop response plans, ensure there are adequate facility personnel to effectively take the required actions, and ensure that responding officers are appropriately equipped with protective gear.

Officers shall evaluate their response given the totality of circumstances in any situation, but generally shall not enter the space where a riot is occurring until sufficient officers are present to safely suppress the riot. Nothing in this policy shall prohibit any staff member from assisting other staff members who are being assaulted.

Other housing units must be secured, with sufficient officers remaining at their posts to continue to supervise the unaffected units.

If officers are unable to contain, control, and resolve the riot, a request for assistance shall be made to the appropriate law enforcement agency (see the Mutual Aid section in this policy). The request shall be made by the Chief Probation Officer or the authorized designee. When the riot has been suppressed, all involved officers must immediately return to their assigned posts and normal operations should resume.

All youth who have participated in a riot shall be separated and secured as soon as practicable. If necessary, injured youth shall receive a medical evaluation and treatment. If an injured youth is medically cleared to remain in the Juvenile Justice Campus, the youth will be reclassified and moved to appropriate housing. If a crime has occurred with injury or death due to the riot, the Fresno Sheriffs Office shall be notified to investigate the matter (15 CCR 1327).

400.7.2 QUALIFIED HEALTH CARE PROFESSIONAL RESPONSE

If necessary, a Watch Commander or the authorized designee should notify the qualified health

care professionals and identify a staging area for medical emergency responders and for medical triage.

The Medical Director or the authorized designee shall be included in developing the response plan as it relates to the potential for a medical response, medical triage and treatment activities, and the safety and security of medical staff members during the incident (15 CCR 1327).

400.7.3 NOTIFICATIONS

As soon as practicable, the Watch Commander or a responsible officer shall notify the Chief Probation Officer or the authorized designee.

The Chief Probation Officer or the authorized designee shall notify any involved youth's parent/guardian, the youth's probation officer, the local authority having supervisory jurisdiction, and the youth's social worker (if applicable) (15 CCR 1327).

400.7.4 REPORTING

The Chief Probation Officer or the authorized designee shall order that a report be written detailing the incident by the end of the shift (see the Report Preparation Policy) unless approved by a supervisor to be completed at a later time (15 CCR 1327).

400.8 HOSTAGES

The Department does not recognize the taking of hostages as a reason to relinquish control of the Juvenile Justice Campus. Signage will be posted in the lobbies, and visiting area that JJC is a no hostage facility. It is the policy of the Fresno County Probation Department to use all available resources reasonably necessary to bring about a successful end to a hostage situation (15 CCR 1327).

400.8.1 RESPONSE TO HOSTAGE INCIDENT

Institutional Core Central Control (ICCC) should immediately be notified at the earliest sign of a hostage incident. Institutional Core Central Control (ICCC) shall notify the Chief Probation Officer through the chain of command as soon as practicable.

The Chief Probation Officer or the authorized designee shall make every effort to ensure that the hostage incident remains confined to the smallest area possible. All door controls accessible to youth shall be disabled. Emergency exits that lead outside the secure perimeter shall be guarded (15 CCR 1327).

400.8.2 NOTIFICATION OF QUALIFIED HEALTH CARE PROFESSIONALS

At the direction of the Watch Commander or the authorized designee, the qualified health care professionals shall be notified in order to identify a location and form a logistical plan for medical triage. The location also shall serve as a medical staging area for other medical emergency responders (15 CCR 1327).

400.8.3 HOSTAGE RESCUE

Communications with the hostage-taker should be established as soon as practicable. The Watch Commander or the authorized designee shall document, if known, the number of hostages, any demands, and any injuries. No promises or denials will be made until a hostage negotiator arrives

on scene. Hostage-taker demands for officers to open doors will not be met. A hostage rescue team should be immediately summoned, and the established protocols for resolving the situation shall be implemented. The Chief Probation Officer or the authorized designee shall be consulted regarding decisions faced by the hostage rescue team (15 CCR 1327).

400.8.4 REPORTING

Following the conclusion of a hostage incident, the Chief Probation Officer or the authorized designee shall order that an incident report be completed by the end of the shift (see the Report Preparation Policy) unless approved by as supervisor at a later time (15 CCR 1327).

400.9 ESCAPES

Upon being made aware that an escape may have occurred or did occur, the staff member shall notify the on-duty Watch Commander. The Watch Commander shall notify the Chief Probation Officer through the chain of command as soon as practicable.

Once the escape is verified and immediate actions have been taken inside the facility (e.g., lockdown), the Watch Commander should ensure that all local law enforcement agencies are notified (15 CCR 1327).

400.9.1 YOUTH COUNTS

As soon as the facility is fully locked down, a full youth head count should be taken.

All youth who are outside of the secure perimeter of the facility (e.g., court, work details) shall be located and identified. The identity of any missing youth shall be disclosed, and the youth's facility record shall be accessed by the Chief Probation Officer or the authorized designee (15 CCR 1327).

400.9.2 SEARCH

Concurrent with the lockdown, the area surrounding the facility shall be searched for the escapee. Areas where a youth may be hiding or may have discarded clothing shall be searched first. Any witnesses shall be interviewed.

Booking staff members will develop a flyer with the youth's name, description, latest picture, classification status, and charges, and supply it to other staff members and local law enforcement. Local law enforcement shall also be given the youth's last known address and a list of associates (15 CCR 1327).

400.9.3 REPORTING

Following the conclusion of an attempted escape or an escape, the Chief Probation Officer or the authorized designee shall order that an incident report be completed by the end of the shift. The incident report shall focus on events and physical plant weaknesses that contributed to the escape (see the Report Preparation Policy). The Deputy Chief shall review the reports, interview involved parties, and develop action plans to minimize the risk of future occurrences (15 CCR 1327).

400.10 CIVIL DISTURBANCES OUTSIDE OF THE DETENTION FACILITY

Upon being notified that Juvenile Justice Campus space will be needed in response to a civil disturbance, potentially involving mass arrests, the Watch Commander shall notify the Chief Probation Officer or the authorized designee (15 CCR 1327).

400.11 DEBRIEFING

All responding staff members, including medical responders, shall be debriefed, as determined by the Chief Probation Officer or the authorized designee, on serious facility emergencies as soon as practicable after the conclusion of the incident. The staff members shall examine the incident from the perspective of what worked, what actions were less than optimal, and how the response to a future incident might be improved. Depending on the degree of the situation, it may be necessary to bring in Mental Health professionals to help facilitate the debriefing to include any youth involved.

If appropriate, the details of the incident will be used to develop a training course for responding to facility disturbances. The goal of any debriefing process is continuous improvement. The debriefing shall be focused on the incident, an improved response, and systemic changes that may be required. A moderator shall ensure that no individual or group involved in the response is publicly ridiculed.

400.12 EMERGENCY HOUSING OF YOUTH

The Chief Probation Officer or the authorized designee shall develop a plan on the emergency housing of youth in the event of a full or partial evacuation of the facility. The plan shall address when youth should be housed in place, identification of alternate facilities and the potential capacity of those facilities, youth transportation options, and contact information for allied agencies. This plan shall be reviewed at least annually and revised if necessary.

400.13 MUTUAL AID

The magnitude and anticipated duration of a facility emergency may necessitate interagency cooperation and coordination. The Deputy Chief shall ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated for the safe keeping and transportation of youth during the facility emergency and evacuation process (see the Emergency Evacuation Policy). For a large-scale emergency response, see the Emergency Evacuation Policy and Emergency Staffing Policy.

When another agency requests assistance from this Department, the Deputy Chief or authorized designee may authorize, if available, an appropriate number of personnel to assist. Staff members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this Department.

When mutual aid assistance is rendered, a report shall be prepared and submitted by the handling staff member unless otherwise directed by a supervisor (15 CCR 1327).

400.14 REVIEW OF EMERGENCY PROCEDURES

The Deputy Chief shall ensure that there is a review of emergency procedures at least annually (15 CCR 1327). This review shall be documented and placed in the staff member's JJC and Departmental training file. This review should also include the signatures or initials of the staff members responsible for the review. At a minimum, the review shall include:

- (a) Assignment of staff members to specific tasks in emergency situations.
- (b) Instructions for using the alarm systems and signals.
- (c) Systems for the notification of appropriate persons outside the facility.
- (d) Information on the location and use of emergency equipment in the facility.

400.16 NATURAL DISASTER

The Chief Probation Officer or the authorized designee shall be prepared to operate a safe and secure facility in the event of a natural disaster emergency.

400.17 OTHER TYPES OF EMERGENCIES

Facility emergencies that could negatively affect the good order of the facility and the safety of staff members, youth, contractors, volunteers, and visitors include but are not limited to an outbreak of infectious disease, a work stoppage or strike by staff members, and other disruptions. The Chief Probation Officer or the authorized designee shall be responsible for ensuring that an appropriate facility emergency plan exists for these types of emergencies.

400.18 PERIODIC TESTING OF EMERGENCY EQUIPMENT

The Chief Probation Officer or the authorized designee is responsible for scheduled and periodic testing of emergency power systems which are completed by the Internal Services Department.

All testing and inspections shall be documented, and the results included in a report to the Deputy Chief or the authorized designee.

400.19 TRAINING

Officers shall review emergency procedures (See Emergency Procedures form located in the Department Case Management system) annually (15 CCR 1327). This facility will provide emergency preparedness training as part of orientation training for all staff members assigned to the facility.

On an annual basis emergency training shall occur for each shift. The assigned Watch Commander/Supervising Juvenile Correctional Officer shall document in the Watch Commander log as well as provide JJC Administration a memorandum/e-mail of what training occurred and retained in accordance with established records retention schedules.

TITLE: HOSTAGE SITUATIONS
FILE: HOSTAGE

NO: B-130

EFFECTIVE DATE: 12-18-89 REVISED: 08-06-90, 12-25-94, 05-06-96, 09-01-99,
12-01-10
AUTHORITY: Sheriff M. Mims APPROVED BY: Assistant Sheriff T. Gattie
REFERENCE: California Code of Regulations, Title 15, Section 1029(a)(7)(B) and
Penal Code Section 236.

PURPOSE:

The purpose of this policy is to establish procedures which provide for the resolution of a hostage-taking incident while preserving the safety of staff, public, inmates, and hostages, and maintaining facility security.

POLICY:

The Fresno County Sheriff's Office Jail Division maintains a **NO HOSTAGE FACILITY** and will not consider bargaining with hostage takers for ANY reason.

It is the policy of the Fresno County Sheriffs Office Jail Division that once any staff member is taken hostage, they immediately lose their authority and any orders issued by that person will not be followed regardless of their rank or status.

It is the policy of the Fresno County Sheriffs Office Jail Division that the primary responsibility of all staff members in a hostage situation is to protect every person involved, if possible, from serious injury or death.

PROCEDURES:

I. DEFINITION

HOSTAGE SITUATION: any staff member, citizen or inmate held against their will by another person for the purpose of escape, monetary gain or any reason which may place an individual in danger of losing life or suffering serious injury.

II. NOTIFICATIONS. CONTAINMENT AND CONTROL OF THE SITUATION

- A. Emergency procedures and notifications shall be implemented as per Emergency Planning procedures (B-101/FILE: EMERGENCY).
- B. The Watch Commander will notify the Patrol Watch Commander and apprise them of the incident. The Patrol Watch Commander may be requested to activate the Crisis Negotiations Team (CNT), outside support agencies, equipment, personnel, and

Exhibit G

NO: B-130

dispatch a detective to the scene for the crime report.

III. DURING NEGOTIATIONS

- A. While at the scene, the CNT members will conduct all verbal or written communications between the hostage taker(s) and the Incident Commander. CNT will immediately notify the Incident Commander of any changes in the following situations:
 - 1. Hostage status
 - 2. Incident changes and developments
 - 3. Hostage taker demands
 - 4. Any and all pertinent information concerning the incident
- B. Staff members at the scene not actively involved with negotiations will not act or speak out to the hostage taker(s) or hostages.
- C. The Tactical Commander will formulate a plan to take the necessary actions, using the appropriate force, to terminate the hostage situation in the event negotiations fail. Hostage safety will be of paramount concern.

IV. HOSTAGE SURVIVAL STRATEGIES

- A. If taken hostage, it is important to make the transition from being a victim to being a survivor. The following are not strict rules that must be rigidly followed, but rather general guidelines. There will always be exceptions.
 - 1. Regain/maintain composure. Try to be calm, focused and clear-headed at all times. Do not stand out from other hostages. Drawing unnecessary attention increases the chance of being singled out and victimized.
 - 2. Maintain a low-key, unprovocative posture. Overt resistance is usually counterproductive in a hostage situation.
 - a. Remain calm and follow instructions. Comply with the hostage takers when at all possible.
 - b. Be stoic. Maintain an outward face of acceptance of adversity with dignity. Avoid open displays of cowardice and fear. Inmates will view frailty and feebleness as weakness, which may lead to victimization.
 - c. Do not antagonize, threaten or aggravate the hostage takers. Avoid saying "no", or arguing with the hostage takers. Do not act authoritative. The hostage takers

Exhibit G

FRESNO COUNTY SHERIFF'S OFFICE

TITLE: HOSTAGE SITUATIONS

NO: B-130

- must make it known that they are in charge.
- d. Eye contact may be regarded as a challenge; make eye contact with the hostage takers sparingly.
 - e. Fight off basic instincts, such as anger and hostility. Be polite and remain alert. Speak normally and don't complain.
3. Hostages should try to establish a level of rapport or communication with their captors in attempt to get the captors to recognize them as human beings.
- 4.
- a. Find a mutual ground, an association with the hostage takers. Foster communication on non-threatening topics (e.g., family, hobbies, sports, interests).
 - b. Use the captors' first names, if known. However, if hostage takers are attempting to conceal their identity, do not give any indication that they are recognized.
 - c. Listen actively to the captors' feelings and concerns, but never praise, participate in, or debate their "cause". If they want to talk about their cause, act interested in their viewpoints. Avoid being overly solicitous, which may be viewed as patronizing or insincere.
 - d. Do not befriend the inmates; such an attempt will likely result in exploitation.
 - e. Try asking for items that will increase personal comfort. Make requests in a reasonable, low-key manner.
5. Be prepared to be isolated and disoriented.
- a. Do not talk to other hostages. The hostage takers may think a plot is being formed.
 - b. Develop mind games to stimulate thinking and maintain mental alertness.
6. Be tolerant of fellow hostages. Just as each person has different reactions to stress, each individual will have different methods of coping as a hostage. Some methods are not effective and may endanger the group, or be annoying to other hostages (e.g., constant talking). Try to help these people cope in other ways.
7. Gather intelligence. Hostages should take in and store as much detail, about their captors as possible without drawing attention to their efforts. Make mental notes and attempt to gather the following information: identification of the ring leader, the number of hostage takers, the type of weapons they are using, their tactics,

Exhibit G

FRESNO COUNTY SHERIFF'S OFFICE
JAIL DIVISION POLICIES AND PROCEDURES

TITLE: HOSTAGE SITUATIONS
FILE: HOSTAGE

NO: B-130

location within the area, etc.

8. Maintain hope. Depending on the circumstances, resolution of hostage situations can be a lengthy process.
- B. Stay away from doors and windows through which rescue teams may enter or shoot. If a rescue is attempted, drop to the floor and keep hands in view.
- C. If there is a chance to escape, the hostage should be certain of their success.
 1. Balance the likely payoff of any behavior with the possible consequences. Hostage takers may use violence or death to teach a lesson.
 2. Realize that Central Control will not open any doors for anyone.
- D. Hostages should be aware of the "Stockholm Syndrome", whereby hostages begin to show sympathy toward their captors. Hostages who develop Stockholm Syndrome often view the captor as giving life by simply not taking it. Such hostages often misinterpret a lack of abuse as kindness and may develop feelings of appreciation for the perceived benevolence.

BACKGROUND INVESTIGATIONS AND IDENTIFICATION (ID) BADGES

Background Investigations

Prior to the beginning of any services, one (1) background check may be required for every member of the Contractor's personnel providing services to a building location for the life of the agreement. The background check may be required before access is given to any County facility/property. Clearance will only be granted after a successful background check, completed by the County of Fresno Sheriff's Department. Background checks provided by any agency other than the County of Fresno Sheriff's Department will not be accepted.

The current cost of a background check is \$52 per person. This cost will be incurred by the Contractor. One check covering the cost of background checks for all employees shall be made payable to: Sheriff, County of Fresno. The Contractor will be notified regarding the result of background checks. Those that are accepted will report to County of Fresno Security to have their photo taken and ID badge issued.

Background checks are done on a first-come, first serve basis between the hours of 7:00 a.m. and 12:00 noon. Monday through Friday. The process takes approximately 20 minutes time. The amount of time it takes to receive the result of background checks varies from one day to a month (or longer), dependent upon the individual's history.

Individuals who are cleared through this process are entered into the Department of Justice database. Their records are flagged and the County of Fresno Sheriff's Department is notified if the person is ever arrested in the future.

When required by County, applicants' background checks must be approved prior to entering any County facility. Approval will not be granted to any individual possessing any of the following circumstances:

1. They have been convicted of a felony, or any crime involving moral turpitude, or carrying or possessing a dangerous weapon.
2. They have been charged with a felony or are currently under investigation for a felony.
3. They are charged with or convicted of any crime committed in or at a correctional institution.
4. They are currently on parole or probation or are a sentenced inmate at any correctional facility.
5. They have been refused a license as a private investigator or had such license revoked.
6. They have fraudulently represented themselves, their credentials, their employment or their criminal or arrest record on their application.
7. Make omissions or false statements on their application.
8. They have no valid reason for entering a facility.
9. Their admission into a facility could represent a threat to security, staff or inmate safety.
10. Further information regarding the criteria for background check clearance, including an appeal for process for someone who may be denied clearance, is available upon request.

Exhibit H

Identification (ID) Badges

The Contractor's employees will be issued a badge that must be worn and be visible at all times during performance of work in any County building to identify the wearer as an individual who is authorized to enter County facilities.

1. ID badges will be given only after successfully completing the background investigation. ID badges will be issued when the photo is taken. If electronic access to any County facility is required, activation of the badge may take an additional 48 hours to complete.
2. The wearer will not escort or bring any other individuals into any County facilities. County issued ID badges are for the exclusive use of the individual named and pictured on the badge.
3. All ID badges will remain the property of the County and are returnable upon demand or upon the expiration of the contract. The Contractor will be responsible for collecting all ID badges issued and turning them in to the County Security Office when a contract ends or when an employee leaves employment. The Contractor will assume all responsibility for their employee's use of and the return of the County ID badges.
4. The ID badges will only be issued to individuals passing the Background check. Each individual will need to present themselves in person with a valid, clean, and legible copy of a Driver's license or State issued Identification Card to receive an ID badge.
