What will the celebration entail?

This celebration will be used as a resource to highlight the importance of mental wellness. Highlighting National Eating Disorder Awareness Week will be done through emails, social media posts, internal or external newsletters, and community outreach events as they become available. There aren't any specific community events identified at the moment, but should the Department attend, the Department would share educational materials at the events. Communication can be viewable by any community resident who follows the Department's social media platforms.

What is the public purpose of the Celebration?

Eating disorders affect people of all ages, genders, body sizes, races, and backgrounds. The purpose of highlighting National Eating Disorder Awareness Week is to bring awareness, reduce stigma, promote early detection, and increasing access to treatment and support to individuals.
