2.2 Provision of Services. Provider agrees to render Contracted Services to Beneficiaries of Benefit Programs under the terms and conditions of this Agreement. Notwithstanding the foregoing, Provider understands and agrees that Health Net does not have an obligation under this Agreement to assign or refer to Provider any minimum amount of Beneficiaries. Health Net has not represented or guaranteed to Provider that any Beneficiaries shall receive Covered Services from Provider or that Provider shall participate in all networks of Participating Providers offered by or through Health Net.

Provider acknowledges that Health Net shall not be liable for, nor will exercise control or direction over, the manner or method by which Provider renders any Covered Services to Beneficiaries under this Agreement.

2.3 Verification of Eligibility. Provider shall verify the eligibility of Beneficiaries using Health Net’s telephonically or electronically available system before providing Contracted Services, in compliance with the timeframes and procedures set forth in Health Net Policies.

2.4 Non-Discrimination. Provider shall not discriminate against any Beneficiary in the provision of Contracted Services hereunder, whether on the basis of the Beneficiary’s coverage under a Benefit Program, age, sex, marital status, sexual orientation, race, color, religion, ancestry, national origin, disability, handicap, source of payment, utilization of medical or mental health or substance use disorder services or supplies, equipment, pharmaceuticals or supplies, health status (including without limitation, Beneficiaries who are, were, or may be victims of domestic violence, or have or may have conditions that are caused by domestic violence), genetic information, or other unlawful basis including, without limitation, the filing by such Beneficiary of any complaint, grievance or legal action against Provider or Health Net. Provider agrees to make reasonable accommodations for Beneficiaries with

disabilities or handicaps, including but not limited to, providing such auxiliary aides and services to Beneficiaries as are reasonable, necessary and appropriate for the proper rendering of Contracted Services at the Provider's expense.

2.5 Subcontracting. The following requirements shall survive termination of this Agreement with respect to Contracted Services rendered during the term of the Agreement and apply when Contracted Services are provided by a subcontractor:

2.5.1 Provider shall furnish Health Net with copies of its subcontracts within ten (10) days of Health Net's written request.

2.5.2 Every subcontract shall comply with all applicable local, State and federal laws, including privacy/confidentiality and medical record accuracy laws, be consistent with the terms and conditions of this Agreement, and shall not be used by Provider with respect to Beneficiaries, Benefit Programs and/or Contracted Services upon the reasonable request of Health Net.

2.5.5 (i) Provider shall be solely responsible to pay the subcontractor; (ii) Provider shall hold Health Net and Beneficiaries harmless from and against any and all claims which may be made by subcontractors in connection with Covered Services provided to Beneficiaries by the subcontractor; and (iii) Provider shall require that the subcontractor hold Health Net and Beneficiaries harmless from and against any and all claims for payment for such services and shall not attempt to collect any sums owed by Provider from Health Net or a Beneficiary.

2.5.6 Subcontracts shall not restrict the rights and obligations of a healthcare provider to communicate freely with Beneficiaries regarding their medical condition and treatment alternatives including medication treatment options, regardless of service coverage limitations.

2.5.7 In the event that any of Provider's subcontracts fail to comply with the requirements set forth herein, Health Net shall not be required to recognize the existence or validity of the subcontract with respect to Beneficiaries, Benefit Programs and/or Covered Services. Health Net shall further have the right, but not the obligation, to directly pay subcontractors submitting claims for Contracted Services, and to recoup any compensation otherwise due by Health Net to Provider pursuant to the terms and conditions of this Agreement. Provider shall indemnify and hold harmless Health Net for all such payments and related costs.

2.6 Health Net Policies. Provider shall participate in and comply with all Health Net Policies in effect on the effective date of this Agreement, and as modified periodically by Health Net in accordance with Section 3.2 of this Agreement. Provider hereby acknowledges that it has had the opportunity to review Health Net Policies regarding quality improvement and utilization management that pertain to Health Net and Provider's rights and obligations under this Agreement at least fifteen (15) business days prior to the date Provider has executed this Agreement.

2.7 Prior Authorization and Referrals. When either Prior Authorization and/or a Referral is required for the rendition of a Community Supports service, the receipt of the required Prior Authorization and/or the required Referral, each being separate and distinct requirements, is a prerequisite to payment of Complete Claims for Covered Services in addition to confirming eligibility prior to delivering service as required by this Agreement and Health Net Policies. Health Net (or its designee as applicable) may rescind or modify its Prior Authorization, in a manner consistent with Health Net Policies, based on variety of factors, including but not limited to the eligibility of the Beneficiary

2.8 Credentialing Program. Provider shall submit to Health Net or its designee any applicable vetting or Credentialing Application, which meets minimum requirements of Health Net. Provider or subcontractor shall not begin performing Provider's obligations under this Agreement, until Provider and/or Facility has satisfied applicable vetting or credentialing or re-credentialing requirements, if any.

2.9 Insurance. Provider shall maintain insurance in amounts and types as required by Health Net Policies. Provider agrees to provide Health Net with a Certificate of Insurance from Provider's insurance carrier or other mutually agreeable written evidence of such insurance coverage within three (3) days of such request by Health Net. Provider also agrees to notify Health Net in writing at least thirty (30) days prior to any termination, cancellation or material modification of any policy for all or any portion of the coverage required herein.

2.10 Trade names, Trademarks, Directories. Provider shall not use or display the trade names, trademarks, or other identifying information of Health Net without Health Net's prior written approval of both form and content, which approval shall not be unreasonably withheld. However, this provision shall not prohibit Provider from posting a reasonable notice on its website or in its facilities listing by name those insurance carriers that are accepted by Provider so long as the notice lists each name in substantially similar format. Provider agrees that Health Net may list the name, address, telephone number and other factual information of Provider and of Provider's subcontractors and their facilities in its directories, marketing and informational materials, and electronic media.

2.11 Non-Solicitation. Neither Provider nor any employee, agent or subcontractor of Provider shall solicit or attempt to convince or otherwise persuade any Beneficiary to discontinue participation in any Benefit Program or in any other manner interfere with Health Net's contract and/or property rights. Notwithstanding the foregoing, Health Net in no way restricts Provider from discussing medical treatment options with Beneficiaries regardless of Benefit Program coverage options.

2.12 Language Assistance Program. Provider shall comply with Health Net's ongoing language assistance program to ensure Limited English Proficient ("LEP") Beneficiaries have appropriate access to language assistance while accessing Provider services, pursuant to Health and Safety Code §§ 1367(e)(3), 1367.04 and 1367.07 and Insurance Code §§ 10133.8 and 10133.9 and corresponding provisions of the California Code of Regulations.

2.13 Additional Rights and Obligations. Any additional rights or obligations of Provider or Health Net shall be set forth in the Addenda to this Agreement.

2.14 Federal Lobbying Restriction. Health Net is obligated under 31 U.S.C. § 1352 to obtain certain information from subcontractors engaged to fulfill part or all of Health Net's obligations under its health maintenance contracts with state and local governments, the proceeds of which are funded by federal grants or federal appropriations. To that end, Provider certifies and agrees as follows:

Certification: Provider certifies that it has not and will not use any funds received from Health Net under this Agreement to lobby Congress or any employee or member of Congress, or any federal agency or federal government employee or official (hereinafter "the federal government") for the award of any federal contract, grant, appropriation or loan (or the continuation, extension, renewal, amendment, or modification of the same) or for the ability to participate in any federal cooperative agreement.

Required Disclosures: Provider also agrees that if it engages any person to lobby the federal government for the award to Health Net of a federal contract, grant, appropriation, or loan (or the continuation, extension, renewal, amendment, or modification of the same) or for the ability to participate in any federal cooperative agreement involving Health Net, the undersigned will fully and truthfully execute Standard Form LLL as set forth in Health Net Policies, and will provide such executed form to Health Net. Provider understands that Health Net is legally obligated to provide such information to certain federal grant and contract recipients with which it contracts, and further understands that all executed Standard Form LLLs will be supplied to the federal government. Provider agrees to supplement its disclosure under this paragraph promptly if there is a change in any of the information therein.

Subcontracting Obligation: If Provider engages any subcontractor to perform all or part of its obligations under this Agreement, it will require the subcontractor (1) to sign a certification stating that it will not use funds earned

under the subcontract to lobbying for the award of a federal contract, grant, appropriation or loan (or the continuation, extension, renewal, amendment, or modification of the same) or for the ability to participate in any federal cooperative agreement, and (2) to execute Standard Form LLL, in the event that it engages any person to lobby the federal government for such purposes. Provider will promptly provide to Health Net any Standard Form LLLs executed by its subcontractor(s).

2.15 Benefit Programs Funded with Federal Funds. Provider shall, for Benefit Programs funded in whole or in part with federal funds, ensure compliance with all State and/or federal laws, rules, regulations, and other mandates governing payment to providers whose names appear on one or more excluded provider lists maintained by State and/or federal agencies. Such agencies include, but are not limited to, the U.S. Office of the Inspector General (OIG), the CA Department of Healthcare Services (DHCS), and the General Services Administration (GSA). Where any such law, rule, regulation, and/or mandate impose a compliance obligation on a party, and where such compliance depends upon the other party's cooperation, the other party shall not unreasonably withhold such cooperation, sought on reasonable notice.

III. DUTIES OF HEALTH NET

3.1 Payment. Health Net shall make payment to Provider for Contracted Services in accordance with Article IV and the applicable addenda, schedules and exhibits of this Agreement.

3.2 Health Net Policies. Health Net Policies are set forth in references and forms available to Provider through Health Net's website or by other means which Health Net will communicate to Provider periodically. Health Net Policies in existence as of the effective date of this Agreement are hereby incorporated into this Agreement by reference. Notwithstanding the foregoing and/or any other provision of this Agreement, the parties agree that a formal amendment to this Agreement shall not be required to effectuate modifications to Health Net Policies. Modifications to Health Net Policies may be made periodically as determined by Health Net in accordance with the procedures set forth in applicable State law (including without limitation the California Health Care Providers' Bill of Rights). Such modifications shall be deemed incorporated in this Agreement as of the effective date of such modification unless otherwise mutually agreed by the parties in writing at the time of the modification in accordance with applicable State law (including without limitation the California Health Care Providers' Bill of Rights).

3.3 Insurance. Health Net shall maintain appropriate insurance programs or policies including bodily injury and personal injury coverage, which includes persons serving on Health Net committees as insured by definition. In the event that a policy or program is terminated or the coverage of committee persons is materially changed, Health Net shall so notify Provider.

3.4 Reporting to Regulators. Health Net shall accept sole responsibility for filing reports, obtaining approvals and complying with applicable laws and regulations of State, federal and other regulatory agencies having jurisdiction over Health Net; provided, however, that Provider agrees to cooperate in providing Health Net with any information and assistance reasonably required in connection therewith, including without limitation, permitting the regulatory agencies to conduct periodic site evaluations of Provider and any of their equipment, operations, and billing and medical records of Beneficiaries. Such records shall be located in the State.

3.5 Access To This Agreement.

Access by Health Net. As of the effective date of this Agreement, the following Health Net subsidiaries and affiliates may at their option access this Agreement: Health Net of California, Inc., Health Net Life Insurance Company, Health Net Community Solutions, Inc., Wellcare of California, Inc., Health Net of Arizona, Inc., Health Net Community Solutions of Arizona, Inc., Health Net Health Plan of Oregon, Inc., Health Net Federal Services, LLC. Notwithstanding the foregoing, Provider agrees that any other subsidiary or affiliate of Health Net not listed above may access the rates and terms set forth in this Agreement. This would include members of non-California based health plan affiliates or subsidiaries who may be treated by Provider. To the extent Health Net allows a Health Net subsidiary or affiliate to access this Agreement, Health Net binds such subsidiaries and/or affiliates to the terms and conditions of this Agreement.

IV. FINANCIAL OBLIGATIONS. The terms of this Article IV shall survive termination of this Agreement with respect to Covered Services rendered during the term of this Agreement:

4.1 Payment Rates. Health Net shall pay and Provider shall accept as payment in full for Contracted Services, the rates payable by Health Net under the terms and conditions of this Agreement (including the payment conditions, chargemaster and other provisions set forth in the applicable addenda, schedules and exhibits to this Agreement). Any overpayment, inaccurate payment or other payment error made by Health Net shall not be deemed or construed or otherwise operate to change the payment terms or rates provided for under this Agreement.

4.2 Billing and Payment.

4.2.1 Billing. Provider shall submit to Health Net, via Health Net's electronic claims submission program or hardcopy as determined by Health Net, Complete Claims within one hundred eighty (180) days after Provider renders Contracted Services unless Provider demonstrates good cause pursuant to applicable State law. Where Health Net and/or Payor is the secondary payor under Coordination of Benefits, Provider shall submit Complete Claims for Covered Services accompanied by the explanation of benefits (EOB) or explanation of payment (EOP) from the primary payor to Health Net or a Payor within one hundred eighty (180) days of the date of the EOB/EOP. If Provider fails to comply with the timely claims submission/filing requirements set forth herein, Health Net shall have no obligation to pay for such claims, and Provider shall be prohibited from billing the Beneficiary as set forth in Section 4.6 hereof.

Provider agrees that Health Net shall have the right to determine the accuracy of all Complete Claims submitted to it prior to payment, including verification of diagnostic codes, DRG assignment, and whether Provider has delivered the Covered Service in good faith and pursuant to the terms of an applicable Prior Authorization.

4.2.2 Payment. Health Net shall make payment on each of Provider's timely-submitted Complete Claims in accordance with this Agreement and pursuant to the timeframes, procedures and other requirements of applicable State and federal law, including without limitation the calculation and payment of interest on overdue payments. Payment of interest plus the amount of any Complete Claim payment deficiency shall be Provider's sole measure of damages (i.e., claims for consequential or incidental damages do not apply) for failure of Health Net to make timely and accurate payments.

4.2.3 Appeals. In addition to the dispute resolution and arbitration rights described in Section 7.5 and Section 7.6 herein, Provider may dispute any Health Net action that adjusts, denies, or contests a claim, billing practice, or other contractual provision so long as Provider submits a written dispute to the Health Net Provider Appeals Unit. Unless Provider demonstrates good cause pursuant to applicable State or federal law, Health Net shall not grant Provider reconsideration or appeal of a claims payment for Covered Services that exceed three hundred sixty five (365) days of Health Net's action or in the case of inaction, within three hundred sixty five (365) days after the time for contesting or denying claims (as defined in applicable State or federal law) has expired. Appeals shall be submitted by Provider in accordance with the procedures, and to the address for Health Net's Provider Appeals Unit, listed in Health Net Policies. If Provider fails to comply with the timely appeals submission/filing requirements set forth herein, Health Net shall have no obligation to pay for such claims except as otherwise required by applicable State and federal law, and Provider shall be prohibited from billing the Beneficiary as set forth in Section 4.6 hereof. Provider and Health Net agree to comply with all timeliness and procedural requirements for submitting and responding to disputes submitted to Health Net's Provider Appeals Unit as set forth in Health Net Policies.

4.3 Recoupment of Overpayments; Right of Offset.

4.3.1 Provider shall inform Health Net of any overpayment made to Provider, and shall return any such overpayment to Health Net within thirty (30) business days from the date Provider first becomes aware of any such overpayment.

4.3.2 In the event Health Net determines that it has overpaid a claim, either in connection with an audit or otherwise, Health Net shall notify Provider in writing. Such overpayment notice shall be issued within (i) three hundred sixty-five (365) days of the date of payment on the overpaid amount for claims arising from Benefit Programs regulated by the California Department of Managed Health Care or the California Department of Insurance, or within (ii) three (3) years from the date of payment on the overpaid amount for claims arising from other types of Benefit Programs that are not regulated by the California Department of Managed Health Care or the California Department of Insurance, or (iii) at any time, in the event of fraud and/or misrepresentation. Such notice shall be sent to Provider's address of record with Health Net for the receipt of claim related correspondence and payments unless Provider informs Health Net in writing of an alternative address to which such notices are to be sent at least thirty (30) days in advance of the address change.

4.3.3 If Provider does not contest Health Net's overpayment notice, Provider shall reimburse Health Net within thirty (30) business days from the date Provider receives the overpayment notice. If Provider fails to reimburse Health Net within those thirty (30) business days, then, beginning on the first calendar day after the expiration of this thirty (30) business day time period, Health Net shall commence offsetting, as set forth herein and interest shall accrue on any and all unpaid amounts at the rate of ten percent (10%) per annum.

4.3.4 In the event Provider wishes to contest the overpayment notice, it must do so within thirty (30) business days from the date Provider receives the overpayment notice, by sending to Health Net's Provider Appeals Unit (at the address listed in Health Net Policies) a written appeal clearly stating the basis upon which Provider believes that the claim was not overpaid. Health Net shall review and make a decision with respect to Provider's appeal, and shall notify Provider of its decision in writing within forty-five (45) business days from the date Health Net receives Provider's written appeal. In the event Health Net denies Provider's appeal and upholds Health Net's determination that an overpayment has been made, Provider shall reimburse Health Net for the overpayment within thirty (30) business days from the date it receives the written notice of Health Net's denial of Provider's written appeal. If Provider fails to reimburse Health Net within those thirty (30) business days, then beginning on the first calendar day after the expiration of this thirty (30) business day time period, Health Net may commence offsetting as set forth herein, and interest shall accrue on any and all unpaid amounts at the rate of ten percent (10%) per annum.

4.3.5 If Provider desires to continue to contest the overpayment, it shall do so by following the dispute resolution process set forth in Sections 7.5 and 7.6 of this Agreement.

4.4 Eligibility. The parties acknowledge that verification of eligibility by Health Net is based on information available to Health Net from its customers on the date Provider seeks verification. Health Net shall use reasonable efforts to discourage its customers from retroactively canceling or adding Beneficiaries to a Benefit Program and encourage its customers to timely and accurately provide eligibility information. In the event Contracted Services are provided to an individual who is not a Beneficiary, based on an erroneous or delayed enrollment/eligibility list the following shall apply: (i) when the individual is enrolled in a substitute or replacement health care service or insurance plan which is obligated under applicable law to make payment to Provider for services delivered to the individual, Provider shall seek payment from the substitute or replacement carrier; and (ii) when the individual does not have substitute or replacement coverage, Health Net shall pay Provider for Contracted Services delivered to the individual by Provider prior to the time Provider received notice of that individual's ineligibility pursuant to the terms and conditions of this Agreement, provided, however, for those Benefit Programs that are not regulated by the California Department of Managed Health Care or the California Department of Insurance, as an additional prerequisite for payment pursuant to this Section 4.4(ii), Provider shall submit to Health Net evidence that Provider has unsuccessfully sought payment through two billing cycles for all or a portion of such charges from the patient or the person having legal responsibility for the patient, or from the entity having financial responsibility for such payment. In the event Health Net pays Provider pursuant to this Section 4.4, Provider shall have no further right and

shall not attempt to collect any additional payment from the individual for said services and Provider hereby assigns and transfers all legal rights of collection and Coordination of Benefits for services to Health Net.

4.5 Collection of Fees and Surcharges. Provider shall not charge Beneficiary any fees or Surcharges for Contracted Services rendered pursuant to this Agreement. In addition, Provider shall not collect a sales, use or other applicable tax from Beneficiaries for the sale or delivery of Contracted Services unless required by applicable State or federal law. If Health Net receives notice of any attempt to collect or the receipt of any inappropriate additional charges, including without limitation Surcharges, Health Net shall take appropriate action. Provider shall cooperate with Health Net to investigate such allegations, and shall promptly refund to the party who made the payment, any payment reasonably determined to be improper by Health Net.

4.6 Beneficiary Held Harmless. Provider agrees that in no event, including, but not limited to, non-payment by Health Net, insolvency of Health Net, or breach of this Agreement, shall Provider bill, charge, collect a deposit from, seek compensation, remuneration, or reimbursement from, or have any recourse against Beneficiaries or persons acting on their behalf other than Health Net for Contracted Services provided pursuant to this Agreement except for Excluded Services or permitted third party liens under this Agreement and as permitted under Section 3.5.2 hereof. This provision shall not prohibit collection of Excluded Services or permitted third party liens under this Agreement made in accordance with applicable Benefit Program Requirements. Provider agrees that: (i) this provision shall survive the termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of Beneficiaries; and (ii) this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between Provider and Beneficiaries or persons acting on their behalf. Provider agrees to (iii) address any and all concerns it has with claims payment through Health Net's provider appeal process pursuant to Health Net Policies and (iv) give the Beneficiary and Health Net confirmation that Provider has rescinded the collection notice and taken any other actions necessary to clear the Beneficiary's credit record of the collection matter.

4.7 Conditions for Compensation for Excluded Services. Provider may bill a Beneficiary for Excluded Services rendered by Provider to such Beneficiary only if the Beneficiary is notified in advance that the services to be provided are not Covered Services under the Beneficiary's Benefit Program, and the Beneficiary requests in writing that Provider render the Excluded Services, prior to Provider's rendition of such services.

4.8 Coordination of Benefits. Provider agrees to conduct Coordination of Benefits in accordance with federal and State laws and regulations and Health Net Policies ("Coordination of Benefit Rules"), including but not limited to, the prompt notification to Health Net or a Payor of any third party entity who may be responsible for payment and collection of Copayments. Provider shall not bill Beneficiaries for any portion of Contracted Services not paid by the primary carrier when Health Net or a Payor is the secondary carrier, but shall seek payment from Health Net/Payor. When Health Net or a Payor is secondary under the Coordination of Benefits Rules, Health Net or a Payor shall pay Provider an amount up to Beneficiary's primary plan's copayment, coinsurance or deductibles as applicable, where that payment does not exceed Health Net's contracted rate under this Agreement. In the event that Medicare is the primary carrier and Health Net Commercial Benefit Program is secondary, Health Net shall pay Provider only up to Medicare's allowable amount and/or the Beneficiary's Copayment, Coinsurance or Deductibles as applicable. When Health Net Medi-Cal is the secondary Payor, Health Net will not pay more than the Provider would receive if DHCS were paying secondary in accordance with Medi-Cal Coordination of Benefits. Such recoveries shall be performed in accordance with the applicable Benefit Program Requirements and Health Net Policies.

4.9 Third Party Recoveries; Workers Compensation. In the event Provider provides Covered Services to Health Net Beneficiaries for injuries resulting from the acts of third parties, or resulting from work related injuries, Provider shall have the right to recover from any settlement, award, or recovery from any responsible third-party the reasonable and necessary charges for such Covered Services to the extent permitted by applicable law. Provider shall notify Health Net of any such recovery and shall provide Health Net with an accounting of all such sums recovered. In the event Provider has recovered sums from a third party, Provider agrees to pay such recovered sums to Health Net up to the fee-for-service amounts that Health Net paid to Provider, to the extent that Health Net has not recovered such amounts from its own third party recovery efforts. Provider shall pay these amounts to Health Net within sixty (60) days of Health Net informing Provider of the amounts Health Net recovered from its own third party recovery efforts, if any. This section does not obligate, nor does it prohibit, either Health Net or Provider to undertake such third party recovery efforts.

4.10 Reciprocity. Provider agrees that Health Net may allow the payment rates set forth in this Agreement to be used by Participating Providers who may periodically be responsible for compensating Provider for Covered Services rendered by Provider to a Beneficiary.

V. TERM AND TERMINATION

5.1 Term. The term of this Agreement shall commence on the Effective Date and shall continue for a period of one (1) year thereafter (the “Initial Term”). Either party may terminate this Agreement effective as of the end of the Initial Term by providing at least one hundred twenty (120) days prior written notice to the other party. This Agreement shall automatically renew for successive one (1) year periods (the “Renewal Terms”).

5.2 Immediate Termination. Either party may terminate this Agreement immediately upon notice to the other party, in the event of: (i) a party’s violation of material law, rule or regulation; (ii) a party’s failure to maintain the insurance coverage specified hereunder; or (iii) a felony conviction or a plea of guilty, nolo contendere or no contest related to the medical and/or financial practices of a party. Health Net may terminate this Agreement immediately upon notice to Provider in the event of (iv) action taken by a State or federal regulator that results in a material restriction upon Provider’s ability to perform Covered Services, including if applicable, operate a facility or reportable discipline against Provider’s license, accreditation, or certification; (v) Health Net’s determination that the health, safety or welfare of any Beneficiary may be in jeopardy if this Agreement is not terminated; (vi) any material adverse finding as a result of a lawsuit or claim, related to the medical and/or financial practices of Provider.

5.3 Termination Due to Material Breach. In the event either party believes the other party has committed a material breach of this Agreement, the non-breaching party shall send the other party a written Notice of Breach and Demand to Cure (“Notice”). Without limiting either party’s other termination rights under this Article V, in the event that either party fails to cure a material breach of this Agreement within thirty (30) days of receipt of the Notice from the other party (the “Cure Period”), the non-defaulting party may terminate this Agreement by providing the defaulting party thirty (30) days prior written notice of termination. The non-defaulting party may exercise this termination option, if at all; within thirty (30) days of the date the Cure Period expires. If the breach is cured within the Cure Period, or if the breach is one, which cannot reasonably be corrected within the Cure Period, and the defaulting party is making substantial and diligent progress toward correction during the Cure Period to the reasonable satisfaction of the non-defaulting party, this Agreement shall remain in full force and effect. The provisions of this Section 5.3 shall not apply to Health Net claims payment timeliness issues which are governed by Article IV of this Agreement, unless and until the parties have completed the dispute resolution process set forth in Sections 7.5 and 7.6 of this Agreement, and the dispute relates to habitual, chronic and material claims payment timeliness issues.

5.4 Termination Upon Notice. Either party may terminate this Agreement, in whole, or in part with respect to one or more of the Covered Service identified in the attached Exhibit(s), during a Renewal Term for any reason or no reason upon one hundred twenty (120) days prior written notice to the other party. In the event that either party provides the other party with such notice, and following Health Net’s completion of any applicable regulatory filing requirements, Health Net may, at its option, begin to transition Beneficiaries under this Agreement to another Participating Provider.

5.5 Information to Beneficiaries. The parties each agree not to disparage the other in any information supplied by either party to Beneficiaries or other third parties in connection with any expiration, termination or non-renewal of this Agreement. Health Net shall assume sole responsibility for notifying Beneficiaries, and Health Net may commence transferring Beneficiaries to alternate providers, prior to the effective date of any expiration, termination or non-renewal of this Agreement in accordance with State and federal law. If Beneficiaries seek services after the effective date of any expiration, termination or non-renewal, Provider shall inform such Beneficiaries that Provider no longer has an agreement with Health Net to render Covered Services and shall direct them to Health Net’s customer service department. Provider shall not otherwise initiate communications with Beneficiaries or other third parties, verbally or in writing, concerning the expiration, termination or non-renewal of this Agreement and Provider’s participation in Health Net’s Participating Provider network, unless the parties have agreed in writing to the content of such communications in the context of a mutually agreed communication plan. The terms of this Section 5.5 shall survive termination of this Agreement.

5.6 Effect of Termination. In the event that a Beneficiary is receiving Contracted Services on the date this Agreement expires, non-renews, and/or terminates, upon the request of Beneficiary and Health Net, Provider shall continue to provide Contracted Services to the Beneficiary until the Beneficiary is assigned or transitioned to another Participating Provider. Provider's compensation for such Contracted Services shall be at the rates contained in the applicable Addendum hereto. If Provider's services are continued beyond the expiration, non-renewal, and/or termination of this Agreement, Provider shall be subject to the same contractual terms and conditions that were imposed on Provider prior to the expiration/non-renewal/termination.

5.7 Termination Due to Performance. Health Net shall, on a quarterly basis, measure Provider's performance with regard to CS service using retrospective data. If Provider fails to satisfy performance standards then Provider shall be required to submit to Health Net a written Corrective Action Plan (CAP) within thirty (30) calendar days after receipt of notice of non-performance from Health Net. Failure to meet performance standards in whole, or in part with respect to one or more of the Covered Services identified in the attached Exhibit(s) for three (3) consecutive measurement periods, Health Net reserves the right to terminate one or more of the Covered Services in the attached Exhibit(s).

VI. RECORDS, AUDITS AND REGULATORY REQUIREMENTS

6.1 Records. Provider shall prepare and maintain Records in accordance with the general standards applicable to such Record-keeping and in compliance with all applicable federal and State confidentiality and privacy laws. Provider shall maintain such Records for at least ten (10) years after the rendition of Contracted Services, and Records of a minor child shall be kept for at least three (3) years after the minor has reached the age of eighteen (18), but in no event less than ten (10) years after the rendition of Contracted Services. Additionally, Provider shall maintain such Records as may be necessary and reasonably requested by Health Net to comply with applicable federal and State law, and accrediting agency reporting requirements, rules and regulations. Provider's Records shall be and remain the property of Provider.

6.2 Access to Records and Audits by Regulatory Agencies. Subject only to applicable State and federal confidentiality or privacy laws, Provider shall permit designated representatives of local, State, and federal regulatory agencies having jurisdiction over Health Net or Payor and designated representatives of public and private exchange-based purchasers and accreditation agencies having jurisdiction over Health Net or Payor (collectively referred to as "Regulatory Agencies"), access to Provider's Records, at Provider's place of business in this State, in order to audit, inspect and review and make copies of such Records, including providing in electronic media any Records possessed in electronic media and, to the greatest extent feasible, in a digitally searchable format. Such Regulatory Agencies shall include, but not be limited to, the State Department of Public Health, the State Department of Insurance, the State Department of Managed Healthcare, the United States Justice Department, CMS, the United States Department of Health and Human Services, Covered California, the National Committee for Quality Assurance, and any of their representatives. When requested by Regulatory Agencies, PPG shall produce copies of any such Records at no charge. Additionally, Provider agrees to permit Regulatory Agencies or their representatives, to conduct site evaluations, inspections and audits of Provider's and Professional Provider's Records, offices, and service locations at no cost to Health Net, Payor, and/or Regulatory Agencies, and within a reasonable time period, but not more than five (5) days after the request is submitted to Provider.

6.3 Access to Records and Audits by Health Net. Subject only to applicable State and federal confidentiality or privacy laws, Provider shall permit Health Net or its designated representative access to Provider's Records, at Provider's place of business in this State during normal business hours, in order to audit, inspect, review, perform chart reviews, and duplicate such Records unless Provider agrees to a remote audit of such records. If performed on site, access to Records for the purpose of an audit shall be scheduled at mutually agreed upon times, upon at least thirty (30) business days prior written notice by Health Net or its designated representative, but not more than sixty (60) days following such written notice. Provider shall attend an exit interview upon completion of the audit for the purpose of obtaining a mutually agreed upon reconciliation of the initial audit findings. Such exit interview shall be conducted at a mutually agreeable time at Provider's place of business in this State during normal business hours upon at least ten (10) days prior written notice by Health Net or its designated representative, but not more than thirty (30) days following such written notice. In the event Provider fails to attend the scheduled exit interview, Provider shall be deemed to have accepted the audit findings. If the audit was performed remotely, such

exit interview shall consist of Health Net or its designated representative sharing its audit findings with Provider via written or electronic communications as determined by Health Net. Provider shall be allowed ten (10) days to contest the audit results. If not contested within ten (10) days then Provider shall be deemed to have accepted the audit findings. Provider may be reimbursed reasonable fees associated with the retrieval of Provider's Records and or duplication and preparation of requested Provider Records pursuant to applicable State law, including California Health and Safety code Section 123110. Audit findings relating to any audit of claims shall include adjustment for late charges, overcharges and undercharges. Any such adjustments shall be the net amounts as reflected in the audit findings. Any payments owed by one party to the other as the result of an audit shall be paid within thirty (30) days of the exit interview for such audit.

6.4 Continuing Obligation. The obligations of Provider under this Article VI shall not be terminated upon termination of this Agreement, whether by rescission, non-renewal or otherwise. After such termination of this Agreement, Health Net and Regulatory Agencies shall continue to have access to Provider's Records as necessary to fulfill the requirements of this Agreement and to comply with all applicable laws, rules and regulations.

6.5 Regulatory Compliance. Each party agrees to comply with all applicable local, State, and federal laws, rules and regulations, now or hereafter in effect, regarding the performance of the party's obligations hereunder, including without limitation, laws or regulations governing Beneficiary confidentiality, privacy, appeal and dispute resolution procedures to the extent that they directly or indirectly affect Provider, a Beneficiary, or Health Net, and bear upon the subject matter of this Agreement. If Health Net is sanctioned by any Regulatory Agency for non-compliance that is caused by Provider, Provider shall compensate Health Net for amounts tied to this sanction incurred by Health Net including Health Net's costs of defense and fees.

VII. GENERAL PROVISIONS

7.1 Amendments. This Agreement may be amended by mutual written agreement of the parties. Notwithstanding the foregoing, amendments required to comply with State or federal laws or regulations, requirements of Regulatory Agencies, or requirements of Accreditation Agencies, shall not require the consent of Provider or Health Net and shall be effective immediately on the effective date of the requirement. The parties acknowledge that changes to Health Net Policies that may affect a party's rights or obligations under this Agreement are addressed in Section 3.2 hereof.

7.2 Separate Obligations. The rights and obligations of Health Net under this Agreement shall apply to each Health Net subsidiary or affiliate accessing this Agreement only to the extent such Health Net subsidiary or affiliate has accessed this Agreement with respect to the Benefit Programs of such Health Net subsidiary or affiliate. A Health Net subsidiary or affiliate shall not be responsible for the obligations of any other Health Net subsidiary or affiliate under this Agreement with respect to the other's Benefit Programs. The terms of this Section 7.2 shall survive termination of this Agreement.

7.3 Assignment. Provider shall not assign this Agreement in whole or in part without Health Net's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Any change in control of Provider resulting from a merger, consolidation, stock transfer or asset sale shall be deemed an assignment or transfer for purposes of this Agreement that requires Health Net's prior written consent. Health Net expressly reserves the right to assign, delegate or transfer any or all of its rights, obligations or privileges under this Agreement to an entity controlling, controlled by, or under common control with Health Net, LLC.

7.4 Confidentiality. The Parties each agree that, unless disclosure is required by state or federal law, they shall hold Beneficiary health information and all confidential or proprietary information or trade secrets of each other, in trust and confidence. The Parties each agree that, unless disclosure is required by state or federal law, they shall keep strictly confidential all customized, non-template terms and rates set forth in this Agreement (including without limitation all addenda, exhibits, and any past or future amendments to this Agreement). The Parties further agree that in the event a disclosure is required by state or federal law, they shall disclose only the specific information mandated by such law in order to comply with the applicable legal requirements. Notwithstanding the foregoing, the

Parties acknowledge and agree that this provision does not preclude disclosure by Health Net to Beneficiaries, customers, Regulatory Agencies and exchanges of certain financial terms of this Agreement, including without limitation detailed information contained in the Explanation of Benefits, Records under the conditions set forth in Article VI of this Agreement, and/or information regarding the method of compensation used by Health Net with respect to Health Net's Participating Provider networks, e.g., fee-for-service, capitation, shared risk pool, DRG or per diem. Health Net and Provider agree that such information shall be used only for the purposes contemplated herein, and not for any other purpose. Health Net and Provider agree that nothing in this Agreement shall be construed as a limitation of (i) Provider's rights or obligations to discuss with the Beneficiaries matters pertaining to the Beneficiaries' health regardless of Benefit Program coverage options or (ii) Health Net's rights or obligations with respect to subcontractors, including without limitation delegated providers, or (iii) disclosures to counsel or a consultant of a party for the purpose of monitoring regulatory compliance or rendering legal advice pertaining only to this Agreement or disclosures to internal or independent auditors of a party for audit purposes pertaining to this Agreement, provided that in either case the counsel or consultant agrees in writing to comply with the provisions of this Section 7.4 and agrees that the terms of this Agreement may not be disclosed to any other person or entity or used in any manner whatsoever in connection with any other agreement involving Health Net. The terms of this Section 7.4 shall survive termination of this Agreement.

Nothing in this provision or this Agreement shall be construed to prohibit, condition, or in any way restrict the disclosure of claims data related to health care services provided to a Beneficiary of Health Net, to a qualified entity, as defined in Section 1395kk(e)(2) of Title 42 of the United States Code. All disclosures of data made under this provision shall comply with all applicable state and federal laws for the protection of the privacy and security of the data, including, but not limited to, the federal Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191) and the federal Health Information Technology for Economic and Clinical Health Act, Title XIII of the federal American Recovery and Reinvestment Act of 2009 (Public Law 111-5), and implementing regulations.

7.5 Dispute Resolution Procedure. The parties agree to use the dispute resolution process set forth in this Section 7.5, and binding arbitration as described in Section 7.6, as the final steps in resolving any Dispute. The parties each understand and agree that any and all Health Net internal appeals processes (including without limitation as set forth in Section 4.2.3 hereof) must be properly pursued and exhausted before engaging in the dispute resolution process set forth in this Section 7.5.

(i) Meet and Confer Process:

Initiation: If the parties are unable to resolve any Dispute through applicable Health Net internal appeal processes, if any, the parties agree to meet and confer within thirty (30) days of a written request by either party in a good faith effort to informally settle any Dispute. The parties each agree and understand that the meet and confer requirements set forth herein may be satisfied only by meeting each of the following requirements: (a) an actual meeting must occur between executive level employees of the parties who have authority to resolve the Dispute and are each prepared to discuss in good faith the Dispute and proposed resolution(s) to the Dispute, and (b) such meeting may take place either in person or on the telephone at a mutually agreeable time, and (c) unless otherwise mutually agreed by the parties, neither party is allowed to have legal counsel present at the meeting or to substitute legal counsel for the executive level employee, and (d) such meeting and all related discussions between the parties shall be treated in the same manner as confidential protected settlement discussions under the State Rules of Civil Procedure.

Confidentiality: All documents created for the purpose of, and exchanged during, the meet and confer process and all meet and confer discussions, negotiations and proceedings shall be treated as compromise and settlement negotiations subject to applicable State law. To the extent the parties produce or exchange any documents, the parties agree that such production or exchange shall not waive the protected nature of those documents and shall not otherwise affect their inadmissibility as evidence in any subsequent proceedings.

(ii) Voluntary Mediation:

If the parties are unable to resolve any Dispute through the meet and confer process set forth above, and desire to utilize other impartial dispute settlement techniques such as mediation or fact-finding, a joint request for such services may be made to the American Arbitration Association ("AAA"), or the Judicial Arbitration

and Mediation Services (“JAMS”) prior to submitting a Dispute to arbitration, or the parties may initiate such other procedures as they may mutually agree upon.

7.6 Binding Arbitration. If the parties are unable to resolve a Dispute through the dispute resolution process set forth in Section 7.5, the parties agree that such Dispute shall be settled by final and binding arbitration, upon the motion of either party, under the appropriate rules of the AAA or JAMS, as agreed by the parties. Any Arbitrator must be either a judge, or an attorney licensed to practice law in the State of California, who is in good standing with the State Bar, and has at least ten (10) years of experience with health care matters and the arbitration of managed care disputes. The parties each understand and agree that the exhaustion of any Health Net internal appeals processes and the Meet and Confer Process set forth in Section 7.5 (i) hereof are conditions precedent to binding arbitration under this Section 7.6. Notwithstanding the foregoing, nothing contained herein is intended to require binding arbitration of disputes alleging medical malpractice between a Beneficiary and Provider or to Disputes between the parties alleging breaches of confidentiality of Beneficiary information, trade secret or intellectual property obligations. The arbitration shall be conducted in San Francisco, California or Los Angeles, California, or another location mutually agreeable to the parties that is not more than one hundred miles from Provider’s principal office. The written demand shall contain a detailed statement of the matter and facts and include copies of all material documents supporting the demand. Arbitration must be initiated within one year after the date the Dispute arose by submitting a written notice to the other party.

The parties expressly agree that the deadlines to file arbitration set forth above shall not be subject to waiver, tolling, alteration or modification of any kind or for any reason except for fraud. The failure to initiate arbitration before such deadlines shall mean the complaining party shall be barred forever from initiating such proceedings.

All such arbitration proceedings shall be administered by the AAA or JAMS, as agreed by the parties; however, the arbitrator shall be bound by applicable State and federal law, and shall issue a written opinion setting forth findings of fact and conclusions of law. The parties agree that the decision of the arbitrator shall be final and binding as to each of them. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator shall have no authority to make material errors of law or to award punitive damages or to add to, modify, or refuse to enforce any agreements between the parties. The arbitrator shall make findings of fact and conclusions of law and shall have no authority to make any award, which could not have been made by a court of law. The party against whom the award is rendered shall pay any monetary award and/or comply with any other order of the arbitrator within sixty (60) days of the entry of judgment on the award. The parties waive their right to a jury or court trial.

The parties recognize and agree that theirs is an ongoing business relationship, which may lead to sensitive issues with respect to the exchange of information related to any Dispute. The parties agree, therefore, to enter into such protective orders (including without limitation creating a category of discovery documents “for attorney’s eyes only” to the extent feasible given the nature of the evidence and the Dispute). All discovery information shall be used solely and exclusively for arbitration of the Dispute between the parties and may not be used for any other purpose. After the arbitration award becomes final, each party shall return or destroy all documents obtained from the other party during the course of the arbitration that are subject to a protective order, and within thirty (30) days of such date shall provide to the other party an officer’s certificate signed under penalty of perjury indicating that all such information has been returned or destroyed.

In all cases submitted to arbitration, the parties agree to share equally the administrative fee as well as the arbitrator’s fee, if any, unless otherwise assessed by the arbitrator. The administrative fees shall be advanced by the initiating party subject to final apportionment by the arbitrator in this award. The parties agree that the content and decision of any arbitration proceeding shall be confidential unless disclosure is required by applicable State or federal statutes or regulations. The terms of Section 7.5 and Section 7.6 shall survive termination of this Agreement.

7.7 Entire Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements, either oral or written, between the parties with respect to the subject matter hereof, and no other agreement, statement or promise relating to the subject matter of this Agreement shall be valid or binding.

7.8 Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State, except to the extent such laws conflict with or are preempted by any federal law, in which case such federal law shall govern. Health Net is subject to the requirements of various local, State, and federal laws, rules and regulations including, but not limited to, the requirements of Chapter 2.2 of Division 2 of the California Health & Safety Code (the Knox-Keene Health Care Service Plan Act) and of Chapters 1 and 2, of Division 1 of Title 28 of the California Code of Regulations (“C.C.R.”) and Title 10 of the C.C.R as well as the California Insurance Code. Any provision required to be in this Agreement by any of the above shall bind Provider and Health Net whether or not expressly set forth herein.

7.9 Indemnification.

7.9.1 Responsibility for Own Acts. Each party shall be responsible for its own acts or omissions and for any and all claims, liabilities, injuries, suits, demands and expenses of all kinds which may result or arise out of any alleged malfeasance or neglect caused or alleged to have been caused by that party or its employees or representatives in the performance or omission of any act or responsibility of that party under this Agreement.

7.9.2 Provider agrees to indemnify, defend, and hold harmless Health Net, its agents, officers, and employees from and against any and all liability expense including defense costs and legal fees incurred in connection with claims for damages of any nature whatsoever, including but not limited to, bodily injury, death, personal injury, or property damage arising from Provider’s performance or failure to perform its obligations hereunder.

7.9.3 Health Net agrees to indemnify, defend, and hold harmless Provider, its agents, officers, and employees from and against any and all liability expense, including defense costs and legal fees incurred in connection with claims for damages of any nature whatsoever, including but not limited to, bodily injury, death, personal injury, or property damage arising from Health Net’s performance or failure to perform its obligations hereunder.

7.10 Non-Exclusive Contract. This Agreement is non-exclusive and shall not prohibit Provider or Health Net from entering into agreements with other providers or purchasers of services.

7.11 No Third Party Beneficiary. Nothing in this Agreement is intended to, or shall be deemed or construed to, create any rights or remedies in any third party, including a Beneficiary. Nothing contained herein shall operate (or be construed to operate) in any manner whatsoever to increase the rights of any such Beneficiary or the duties or responsibilities of Provider or Health Net with respect to such Beneficiaries.

7.12 Notice. Notices regarding the breach, term, termination or renewal of this Agreement shall be given in writing in accordance with this Section 7.12 and shall be deemed given five (5) days following deposit in the U.S. mail, postage prepaid. If sent by hand delivery, overnight courier, or facsimile, notices shall be deemed given upon documentation of delivery. All notices shall be addressed as follows:

The addresses to which notices are to be sent may be changed by written notice given in accordance with this Section. Notwithstanding the previous paragraph, Health Net may provide all other notices by electronic mail, through its provider newsletter, or on its provider website.

7.13 Severability. If any provision of this Agreement is rendered invalid or unenforceable by any local, State, or federal law, rule or regulation, or declared null and void by any court of competent jurisdiction, the remainder of this Agreement shall remain in full force and effect.

7.14 Status as Independent Entities. None of the provisions of this Agreement is intended to create, nor shall be deemed or construed to create any relationship between Provider and Health Net other than that of independent entities contracting with each other solely for the purpose of effecting the provisions of this Agreement. Neither Provider nor Health Net, nor any of their respective agents, employees or representatives shall be construed to be the agent, employee or representative of the other.

7.15 Addenda. Each Addendum to this Agreement is made a part of this Agreement as though set forth fully herein. Any provision of an Addendum that is in conflict with any provision of this Agreement shall take precedence and supersede the conflicting provision of this Agreement with respect to the subject matter of the Addendum.

7.16 Calculation of Time. The parties agree that for purposes of calculating time under this Agreement, any time period of less than ten (10) days shall be deemed to refer to business days and any time period of ten (10) days or more shall be deemed to refer to calendar days unless the term “business” precedes the term “days”.

7.17 Waiver of Breach. The waiver of any breach of this Agreement by either party shall not constitute a continuing waiver of any subsequent breach of either the same or any other provision(s) of this Agreement. Further, any such waiver shall not be construed to be a waiver on the part of such party to enforce strict compliance in the future and to exercise any right or remedy related thereto.

THIS CONTRACT CONTAINS A BINDING ARBITRATION CLAUSE, WHICH MAY BE ENFORCED BY THE PARTIES.

IN WITNESS WHEREOF, the parties have executed this Agreement.

ADDENDUM A

MEDI-CAL BENEFIT PROGRAM

Provider understands that Health Net Community Solutions, Inc. (“HNCS”) and Health Net of California, Inc., agree that the obligations of Health Net, set forth in this Addendum, shall be the obligations of HNCS insofar as the obligations arise out of Covered Services provided to Medi-Cal Beneficiaries enrolled in or otherwise assigned to HNCS. As used in this Addendum, the term ‘Health Net’ refers to HNCS, as shall be applicable. Health Net has one or more Medi-Cal prepaid health plan agreements with the California Department of Health Care Services (“DHCS”). For the purposes of this Addendum, Health Net’s Medi-Cal agreements with the DHCS and any subcontracts with Medi-Cal prepaid health plans, are hereinafter collectively referred to as the “Medi-Cal Agreement”. Health Net has agreed, under the Medi-Cal Agreement, to provide medical services covered under California’s Medi-Cal Program, including Provider risk services, to Medi-Cal HMO Beneficiaries enrolled in or otherwise assigned to Health Net, on a prepaid basis. The provisions of the Addendum are required to appear in all subcontracts under the Medi-Cal Agreement by the terms of the Medi-Cal Agreement and by Medi-Cal law and may not be altered. When required under Medi-Cal law, the Agreement shall be effective upon approval by DHCS in writing or operation of law where DHCS has acknowledged receipt of the Agreement and failed to approve or disapprove within sixty (60) calendar days..

Provider understands and agrees that Health Net Community Solutions, Inc. is an Affiliate of Health Net and of Health Net of California, Inc. and has entered into an agreement with the Fresno-Kings-Madera Regional Health Authority (CalViva Health) to provide Covered Services to Medi-Cal beneficiaries in Fresno, Kings and Madera Counties who enroll in CalViva Health. Provider understands and agrees that Health Net of California, Inc. is providing Covered Services as a subcontractor to Health Net Community Solutions, Inc. for the CalViva Health Medi-Cal membership. Provider further understands and agrees that it will provide Covered Services to CalViva Health Medi-Cal members pursuant to the Agreement and that all terms and conditions of the Agreement, including reimbursement, shall apply to the provision of Covered services to the CalViva Health Medi-Cal members.

Health Net has or may enter into contracts with certain Payors, including local initiatives such as Cal Viva Health in Fresno, Kings and Madera Counties, to provide or arrange for Covered Services to Medi-Cal beneficiaries enrolled in the Medi-Cal plans of such Payors. Provider understands and agrees that a Payor may have adopted policies and procedures, including, but not limited to, quality assurance and quality improvement programs. Provider further understands and agrees that Provider and its Participating Providers shall comply with all the policies and procedures adopted by a Payor and shall participate in the Payor’s quality assurance and quality improvement programs.

A. COMPENSATION PROVISIONS.

1. Compensation. Provider shall arrange and provide Contracted Services, set forth under Community Supports Addendum to Health Net Medi-Cal HMO Beneficiaries covered under this Addendum on a fee-for-service basis. As compensation for providing such Contracted Services, Provider shall be paid in accordance with the rates set forth in the Community Supports Addendum. Such compensation shall be paid within forty-five (45) working days of receipt of a complete and accurate claim for Covered Services rendered to a Medi-Cal HMO Beneficiary.

Notwithstanding anything to the contrary contained in this Agreement, if Provider is decertified, suspended and/or terminated by the California Department of Health Care Services (“DHCS”), or other governmental agencies (“DHCS Notice”), Provider acknowledges that it will not be eligible to receive reimbursement for Contracted Services following the date of the DHCS Notice and Health Net will have no liability to pay Provider under this Agreement upon receipt of the DHCS Notice.

2. Billing. Notwithstanding anything to the contrary to the Agreement, if Provider is compensated on a fee-for-service basis, Provider shall submit to Health Net, via Health Net’s electronic claims submission program or hardcopy as determined by Health Net, Complete Claims within one hundred eighty (180) days after the month in which the Covered Service is rendered unless Provider demonstrates good cause pursuant to applicable State law. Where Health Net is the secondary payor under Coordination of Benefits, Provider shall submit Complete Claims for

Covered Services accompanied by the explanation of benefits (EOB) or explanation of payment (EOP) from the primary payor to Health Net within one hundred eighty (180) days of the date of the EOB/EOP.

If the Provider fails to comply with the timely claims submission/filing requirements set forth above, Health Net shall reimburse the Provider at the following rates: 75% of usual allowance for claims submitted during the seventh through ninth month after the month of service; 50% of usual allowance for claims submitted during the tenth through the twelfth month after the month of service. Health Net shall not be liable for payment to Provider for any Complete Claims received after the twelfth month after the month of service.

Provider shall maintain such financial, administrative and other records as may be necessary for compliance by Health Net with all applicable local, State and federal laws. Provider shall make Provider's premises, facilities, equipment, books, records, contracts, computer and other electronic systems and encounter data pertaining to the goods and services furnished under the terms of the Agreement available for the purpose of an audit, inspection, evaluation, examination or copying by Health Net, DHCS, the Centers for Medicare & Medicaid Services (CMS), the United States Department of Health and Human Services (DHHS), the California Department of Managed Health Care (DMHC), Inspector General, the Comptroller General, the United States Department of Justice (DOJ), or their designees and any other regulatory agency having jurisdiction over Health Net. 1.3 CS Provider. A contracted Provider of DHCS-authorized CS services. CS Providers are community-based entities or individuals with experience and expertise providing one (1) or more of the CS services authorized by DHCS to eligible individuals with complex physical, behavioral, developmental and/or social needs.

II. CS OVERVIEW

2.1 In the event the State of California delays the CS implementation effective date for some or all of the services in Exhibit A-3, Health Net shall use best efforts to give Provider sixty (60) days' notice of the change in effective date. The terms of this Amendment shall become effective upon the date the State's implementation has become effective.

2.2 Health Net shall notify Provider of any additional or new CS services being added to the Agreement. Provider shall have thirty (30) days after notification from Health Net to opt out of participating in such new CS service. If Provider fails to provide Health Net with such written notice of intent to not participate, Provider shall be deemed to have agreed to participate in such additional CS service under the terms outlined in the notification.

III. CS PROVIDER RESPONSIBILITIES

3.1. CS Providers for whom a State-level enrollment pathway exists, shall enroll in Medi-Cal, pursuant to relevant DHCS APLs including but not limited to Provider Credentialing/Recertification and Screening/Enrollment APL 19-004.

3.1.1 If APL 19-004 does not apply to a CS Provider, the CS Provider will comply with Health Net's process for vetting CS Providers, which may extend to individuals employed by or delivering services on behalf of CS Provider, to ensure it can meet the capabilities and standards required to be a CS Provider.

Provider shall ensure agreements with each entity bind each entity to applicable terms and conditions set forth in the Agreement.

IV. DELIVERY OF CS

- 4.2.** CS Provider shall maintain staffing that allows for timely, high-quality service delivery of the CS services that it is contracted to provide.

 - 4.4.1** Member authorization for CS-related data sharing is not required for the CS Provider to initiate delivery of CS services unless such authorization is required by federal law.
- 4.5.** CS Provider will be reimbursed only for services that are authorized by Health Net. In the event of a Member requesting services not yet authorized by Health Net, CS Provider shall send prior authorization request(s) to Health Net, unless a different agreement is in place (e.g., if the Health Net has given the CS Provider authority to authorize CS directly).

5.3.3 As compensation for rendering Contracted Services to Beneficiaries covered under this Addendum, Health Net shall pay and Provider shall accept as payment in full the rates set forth in Exhibit A-3, subject to the terms of this Agreement and applicable State and federal law. 3. Reporting of Breaches.

- (a) In addition to the obligations set forth elsewhere in this Business Associate Addendum, Business Associate agrees that, except as specifically provided in subsection (c), Business Associate agrees to report to Health Net's Privacy Officer at privacy@healthnet.com any Breach of Unsecured PHI, including any Breach of Unsecured PHI involving Business Associate's Subcontractors, the same business day after Discovery of a Breach. More specifically, as provided for in 45 C.F.R. § 164.102, Business Associate recognizes and agrees that any acquisition, access, use or disclosure of PHI in a manner not permitted under the HIPAA Privacy Rule (Subpart E of 45 C.F.R. Part 164) is presumed to be a Breach. As such, Business Associate shall (i) notify Health Net of any non-permitted acquisition, access, use or disclosure of PHI, and (ii) assist Health Net in performing (or at Health Net's direction, perform) a risk assessment to determine if there is a low probability that the PHI has been compromised. Such notice shall include the identification of each Individual whose Unsecured PHI has been, or is reasonably believed by Business Associate, to have been, accessed, acquired, or disclosed in connection with such Breach. Notifications should be sent to privacy@healthnet.com. In addition, Business Associate shall provide any additional information reasonably requested by Health Net for purposes of investigating and responding to the Breach.
- (b) In the case of a Breach of Unsecured PHI (whether by Business Associate or Business Associate's Subcontractor), Business Associate agrees to provide Health Net with information to enable it to assess whether there is a low probability that the data involving protected health information has been compromised and to cooperate with Health Net in meeting any other obligations under the HIPAA Requirements and other applicable security breach notification laws. The information must include information regarding the following factors: the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; the unauthorized person(s) who used the protected health information or to whom the disclosure was made; whether the protected health information was actually acquired or viewed; and, the extent to which the risk to the protected health information has been mitigated.
- (c) Additional Responsibilities in the Event of Breach. Business Associate shall take prompt steps to limit or avoid the recurrence of any Breach and take any other action pertaining to such unauthorized access or disclosure required by applicable federal and state laws and regulations. Business Associate shall comply with this provision regardless of any actions taken by Health Net. Business Associate further agrees to mitigate, to the extent practicable, any harmful effect that becomes known to Business Associate of a Breach or a use or disclosure of PHI by Business Associate in violation of the requirements of this Business Associate Addendum.

4. Obligations of Health Net To assist Business Associate in the proper use and disclosure of PHI, Health Net shall:

- (a) Provide Business Associate with the notice of privacy practices that Health Net produces in accordance with 45 C.F.R. § 164.520, as well as any changes to such notice;
 - (b) Provide Business Associate with any changes in, or revocation of, permission by an Individual to use or disclose PHI, if such changes affect Business Associate's permitted or required uses and disclosures;
 - (c) Notify Business Associate of any restriction on the use or disclosure of PHI that Health Net has agreed to in accordance with 45 C.F.R. § 164.522; and
 - (d) Not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Requirements if the PHI were to be so used or disclosed by Health Net.
5. Standard Transactions. To the extent Business Associate conducts Standard Transaction(s) on behalf of Health Net, Business Associate shall, without limitation, comply with the HIPAA Regulations, "Administrative Requirements for Transactions," 45 C.F.R. § 162.100 et seq., and shall not: (a) Change the definition, data condition or use of a data element or segment in a standard; (b) Add any data elements or segments to the maximum defined data set; (c) Use any code or data elements that are either marked "not used" in the standard's implementation specification or are not in the standard's implementation specification(s); or (d) Change the meaning or intent of the standard's implementation specifications.
6. Termination for Breach.
- (a) Health Net and Business Associate each shall have the right to terminate the Agreement upon written notice to the other if either Party determines that the other Party has breached a material term of the provisions of this Business Associate Addendum; provided that Health Net's remedies under this Business Associate Addendum and the section(s) of the Agreement related to termination, if any, shall be cumulative.
 - (b) As an alternative to the preceding paragraph, either Party may choose to provide the other Party with ten (10) days written notice of the existence of an alleged material breach, and afford the Party in breach the opportunity to cure such alleged material breach. The Party receiving such breach notice must cure such breach to the satisfaction of the non-breaching Party or the non-breaching Party may declare a material breach in accordance with Section 6(a) above.
7. Future Confidentiality of PHI. Upon the expiration or earlier termination of the Agreement, for any reason and only upon written request by Health Net, Business Associate shall return or destroy all PHI received from Health Net, or created or received by Business Associate on behalf of Health Net that Business Associate still maintains and retain no copies of such PHI; provided that if such return or destruction of PHI is infeasible, Business Associate shall provide to Health Net notification of the conditions that make return or destruction infeasible and shall extend the protections of this Business Associate Addendum to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Business Associate agrees that if applicable state law requires the retention of Health Net PHI for a specified time period, Business Associate shall postpone destruction of such Health Net PHI in compliance with applicable state law.
8. Survival of Terms. The obligations of Business Associate under Sections 2(f), 2(g), 2(h), 2(i), 2(p), 2(q) and 3 of this Business Associate Addendum shall survive the termination or expiration of the Agreement.
9. Injunctive Relief. Business Associate agrees that the remedies at law for any breach by it of the terms of this Business Associate Addendum shall be inadequate and that monetary damages resulting from such breach are not readily measured. Accordingly, in the event of a breach or threatened breach by Business Associate of the terms of this Business Associate Addendum, Health Net shall be entitled to immediate injunctive relief. Nothing herein shall prohibit Health Net from pursuing any other remedies available to it for such breach, and

Health Net's rights under this Business Associate Addendum and the sections of the Agreement related to injunctive relief, if any, shall be cumulative.

10. Amendment of Addendum. In the event of a material change in the HIPAA Requirements or state law affecting safeguards or the use or disclosure of PHI, or amendments for new or changed Standard Transactions or Identifiers, Health Net may amend this Business Associate Addendum and the Agreement as necessary to comply with the change in the law or regulation and such amendment shall become effective sixty (60) days after receipt by Business Associate. Health Net's rights and remedies under this Business Associate Addendum and the section(s) of the Agreement related to amendments, if any, shall be cumulative.
11. Notice of Investigation or Lawsuit and Indemnification. Business Associate shall notify Health Net immediately upon receipt of notice of an investigation or of a lawsuit filed against Business Associate related to or arising from the use or disclosure of PHI by Business Associate or a Business Associate Subcontractor pursuant to this Business Associate Addendum. Any indemnification provision in the Agreement shall apply to Business Associate's and Health Net's use and disclosure of PHI pursuant to this Business Associate Addendum; provided, however, that the limits of liability and limits on consequential type damages, if any, provided in the Agreement shall not apply in the event of a breach of this Business Associate Addendum or with respect to Business Associate's obligations for indemnification.
12. Confidentiality. Notwithstanding the foregoing, PHI shall not be included within the definition of "confidential information" in the section(s) of the current Agreement related to protection of confidential information, if any, as Business Associate's obligations with respect to PHI are set forth in this Business Associate Addendum.
13. State Law Requirements. To the extent that State law is more stringent than the HIPAA Requirements, any safeguard, use or disclosure of PHI by Business Associate shall be made in accordance with State law.
14. Interpretation. Any ambiguity in this Business Associate Addendum shall be resolved in favor of a meaning that permits Health Net to comply with the HIPAA Requirements.
15. Effective Date. This Business Associate Addendum shall be effective on the effective date of the Agreement.
