- 2) A failure to comply with any term of this Agreement;
- 3) A substantially incorrect or incomplete report submitted to the COUNTY; or
- 4) Improperly performed service.

In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to the COUNTY with respect to the breach or default. The COUNTY shall have the right to demand of the CONTRACTOR the repayment to the COUNTY of any funds disbursed to the CONTRACTOR under this Agreement, which in the judgment of the COUNTY were not expended in accordance with the terms of this Agreement. 1) The contract maximum amount as identified in this Agreement may be reduced based upon State, Federal, and local funding availability. In the event of such action, the COUNTY's DBH Director, or his or her designee, shall notify the CONTRACTOR in writing of the reduction in the maximum amount within thirty (30) days.

In the event that funding for these services is delayed by the State Controller, COUNTY may defer payment to CONTRACTOR. The deferral by COUNTY shall not exceed the period of time of the State Controller's delay of payment to COUNTY plus forty-five (45) days. In addition, if the State of California does not allocate funding for services described in the terms

1 and conditions of this Agreement, COUNTY shall not be obligated to reimburse CONTRACTOR for
2 services performed.

4 reimbursed only for costs up to the negotiated rates herein and stated on Exhibit E. Within forty-five (45)
5 days of the year-end cost settlement reconciliation by COUNTY, CONTRACTOR shall make payment to
6 COUNTY or COUNTY shall reimburse CONTRACTOR as appropriate.

7 It is understood that all expenses incidental to CONTRACTOR's performance of services
8 under this Agreement shall be borne by CONTRACTOR.

9 1) Payments by COUNTY shall be in arrears, based on CONTRACTOR's
10 monthly invoices submitted for services provided during the preceding month, within forty-five (45) days
11 after receipt, verification and approval of CONTRACTOR's monthly invoices by COUNTY's DBH. If
12 CONTRACTOR is not in compliance with periodic reporting requirements as described in Exhibit F,
13 Provider Reporting Requirements, then payments may be held until compliance is achieved.

14 2) CONTRACTOR must accept, as payment in full, the amounts paid by the
15 COUNTY in accordance with Exhibit E, Room and Board Reimbursement Rates. CONTRACTOR may

21 compliance with federal regulations.

22 C. COMPLIANCE – If CONTRACTOR should fail to comply with any provision of this
23 Agreement, COUNTY shall be relieved of its obligation for further compensation. CONTRACTOR's and
24 COUNTY's obligations under this section shall survive the termination of this Agreement with respect to
25 services provided during the term of this Agreement without regard to the cause of termination of this
26 Agreement.

27 D. QUALITY ASSURANCE – For services rendered herein, CONTRACTOR shall
28 assure that an on-going quality assurance component is in place and is occurring. CONTRACTOR shall

1 assure that clinical records for each participant are of such detail and length that a review of said record
2 will verify that appropriate services were provided. If the record is unclear, incomplete, and/or indicates
3 that appropriate services were not provided, COUNTY reserves the right to withhold payment for the
4 applicable unit(s) of service.

5 E. PUBLIC INFORMATION – CONTRACTOR shall disclose its funding source in all
6 public information. Communication products must follow DBH graphic standards, including typefaces
7 and colors, to communicate our authority and project a unified brand. This includes all media types and

9 to the public. Communication products must include a funding acknowledgement determined by the
10 level of funding provided by DBH as follows:

27 and claim all revenue possible from private pay sources and third-party payers. CONTRACTOR shall
28 not use any funds under this Agreement for services covered by Drug Medi-Cal or other health

Any revenues generated by CONTRACTOR in excess of costs may be utilized to expand/enhance the services during COUNTY's fiscal years in which revenues are collected. Additional revenues will be considered separate and distinct from COUNTY's payment to CONTRACTOR. The manner and means of service expansion/enhancement shall be subject to the prior written approval of COUNTY's DBH Director, or his or her designee. CONTRACTOR shall disclose all sources of revenue to COUNTY. Under no circumstances will COUNTY funded staff time be used for fund-raising purposes.

6. INVOICING

COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive compensation at negotiated rates. CONTRACTOR shall enter billing information into the COUNTY's designated information system by the twentieth (20th) of every month for actual services rendered in the previous month. Billing shall be in accordance with the established rates in Exhibit E, Room and Board Reimbursement Rates, for the current fiscal year. If an invoice is incorrect or is otherwise not in proper form or substance, COUNTY's DBH Director, or his or her designee, shall have the right to withhold payment as to only that portion of the invoice that is incorrect or improper after five (5) days prior notice to CONTRACTOR. CONTRACTOR agrees to continue to provide services for a period of ninety (90) days after notification of an incorrect or improper invoice. If after said ninety (90) day period said invoice(s) is still not corrected to COUNTY'S DBH Director's, or his or her designee's, satisfaction, COUNTY'S DBH Director, or his or her designee, may elect to terminate this Agreement, pursuant to the termination provisions stated in Section Four (4), TERMINATION, of this Agreement. 20 provision of the services hereunder and required by the laws and regulations of the United States of
21 America, State of California, the County of Fresno, and any other applicable governmental agencies.
22 CONTRACTOR shall notify COUNTY immediately in writing of its inability to obtain or maintain such
23 licenses, permits, approvals, certificates, waivers and exemptions irrespective of the pendency of any
24 appeal related thereto. Additionally, CONTRACTOR and CONTRACTOR's staff shall comply with all
25 applicable laws, rules or regulations, as may now exist or be hereafter changed.

26 **8. PROHIBITION ON PUBLICITY**

2 publicity of the services described in Section One (1), SERVICES, of this Agreement shall be allowed as
3 necessary to raise public awareness about the availability of such specific services when approved in

An executed copy of any such subcontract shall be received by COUNTY before any implementation and shall be retained by COUNTY. CONTRACTOR shall be responsible to COUNTY for the proper performance of any subcontract. Any subcontractor shall be subject to the same terms and conditions that CONTRACTOR is subject to under this Agreement.

25 not been convicted of a criminal offense related to the provision of health care items or services; nor has it
26 been reinstated to participation in the Federal Health Care Programs after a period of exclusion,
27 suspension, debarment, or ineligibility. If COUNTY learns, subsequent to entering into a contract, that
28 CONTRACTOR is ineligible on these grounds, COUNTY will remove CONTRACTOR from responsibility

1 for, or involvement with, COUNTY's business operations related to the Federal Health Care Programs and
2 shall remove such CONTRACTOR from any position in which CONTRACTOR's compensation, or the

12 contract, CONTRACTOR and COUNTY shall take all appropriate actions to ensure the accuracy of any
13 claims submitted to any Federal Health Care Program. At its discretion given such circumstances,
14 COUNTY may request that CONTRACTOR cease providing services until resolution of the charges or the
15 proposed exclusion.

16 B. CONTRACTOR agrees that all potential new employees of CONTRACTOR or
17 subcontractors of CONTRACTOR who, in each case, are expected to perform professional services under
18 this Agreement, will be queried as to whether (1) they are now or ever have been excluded, suspended,

23 1) In the event the potential employee or subcontractor informs
24 CONTRACTOR that he or she is excluded, suspended, debarred or otherwise ineligible, or has been
25 convicted of a criminal offense relating to the provision of health care services, and CONTRACTOR hires
26 or engages such potential employee or subcontractor, CONTRACTOR will ensure that said employee or
27 subcontractor does not work, either directly or indirectly relating to services provided to COUNTY.

28 2) Notwithstanding the above, COUNTY at its discretion may terminate this

1 Agreement in accordance with Section Four (4), TERMINATION, of this Agreement, or require adequate
2 assurance (as defined by COUNTY) that no excluded, suspended or otherwise ineligible employee or
3 subcontractor of CONTRACTOR will perform work, either directly or indirectly, relating to services provided
4 to COUNTY. Such demand for adequate assurance shall be effective upon a time frame to be determined
5 by COUNTY to protect the interests of COUNTY persons served.

6 C. CONTRACTOR shall verify (by asking the applicable employees and

12 ineligibility. In the event any existing employee or subcontractor informs CONTRACTOR that he or she is
13 excluded, suspended, debarred or otherwise ineligible to participate in the Federal Health Care Programs,
14 or has been convicted of a criminal offense relating to the provision of health care services,

A. If CONTRACTOR expends Seven Hundred Fifty Thousand Dollars (\$750,000.00) or more in Federal and Federal flow-through monies, CONTRACTOR agrees to conduct an annual audit in accordance with the requirements of the Single Audit Standards as set forth in 2 Code of Federal Regulations (CFR) Part 200. CONTRACTOR shall submit said audit and management letter to COUNTY. The audit must include a statement of findings or a statement that there were no findings. If there were negative findings, CONTRACTOR must include a corrective action plan signed by an authorized individual. CONTRACTOR agrees to take action to correct any material non-compliance or weakness found as a result of such audit. Such audit shall be delivered to COUNTY's Department of Behavioral Health, Business Office for review within nine (9) months of the end of any fiscal year in which funds were expended and/or received for the program. Failure to perform the requisite audit functions as required by this Agreement may result in COUNTY performing the necessary audit tasks, or at COUNTY's option, contracting with a public accountant to perform said audit, or may result in the inability of COUNTY to enter into future agreements with CONTRACTOR. All audit costs related to this Agreement are the sole responsibility of CONTRACTOR.

B. A single audit report is not applicable if CONTRACTOR's Federal contracts do not exceed the Seven Hundred Fifty Thousand Dollars (\$750,000.00) requirement or CONTRACTOR's only funding is through Drug Medi-Cal. If a single audit is not applicable, a program audit must be performed and

1 a program audit report with management letter shall be submitted by CONTRACTOR to COUNTY as a
2 minimum requirement to attest to CONTRACTOR's solvency. Said audit report shall be delivered to
3 COUNTY's Department of Behavioral Health, Business Office for review, no later than nine (9) months after

5 comply with this Act may result in COUNTY performing the necessary audit tasks or contracting with a
6 qualified accountant to perform said audit. All audit costs related to this Agreement are the sole
7 responsibility of CONTRACTOR who agrees to take corrective action to eliminate any material
8 noncompliance or weakness found as a result of such audit. Audit work performed by COUNTY under this
9 section shall be billed to the CONTRACTOR at COUNTY's cost, as determined by COUNTY's Auditor-

23 conducted to ensure CONTRACTOR'S compliance with the terms of this Agreement.

24 The refusal of CONTRACTOR to permit access to, and inspection of, electronic or print
25 books and records, physical facilities, and/or refusal to permit interviews with employees, as described in
26 this part, constitutes an express and immediate material breach of this Agreement and will be sufficient
27 basis to terminate the Agreement for cause or default.

28 The right to audit under this section exists for ten (10) years from the final date of the

1 agreement period or from the date of completion of any audit, whichever is later.

2 Notwithstanding the provisions stated in Section Three (3), TERM, of this Agreement, it is
3 acknowledged by the parties hereto that this Agreement shall continue in full force and effect until all audit
4 procedures and requirements as stated in this Agreement have been completed to the review and
5 satisfaction of COUNTY. CONTRACTOR shall bear all costs in connection with or resulting from any audit
6 and/or inspections including, but not limited to, actual costs incurred and the payment of any expenditures
7 disallowed by either COUNTY, State, or Federal governmental entities, including any assessed interest and
8 penalties.

9 If CONTRACTOR, through an audit by the STATE or COUNTY, is found to be in violation of
10 this contract which results in the recoupment of funds paid to CONTRACTOR, COUNTY may, upon mutual
11 consent between CONTRACTOR and COUNTY, enter into a repayment agreement with the
12 CONTRACTOR, with total monthly payments not to exceed twelve (12) months from the date of the
13 repayment agreement, to recover the amount of funds to be recouped. The monthly repayment amounts
14 shall be netted against the CONTRACTOR's monthly billing for services rendered during the month.
15 COUNTY reserves the right to forgo a repayment agreement and recoup all funds immediately.

16 If this Agreement exceeds ten thousand dollars (\$10,000.00), CONTRACTOR shall be
17 subject to the examination and audit of the California State Auditor for a period of three (3) years after final
18 payment under contract (Government Code Section 8546.7).

23 monitoring, and/or review.

24 COUNTY's DBH Director, or his or her designee, and DHCS or their designees shall
25 monitor and evaluate the performance of CONTRACTOR under this Agreement to determine to the best
26 possible degree the success or failure of the services provided under this Agreement. At the discretion of
27 the COUNTY, a subcontractor may be obtained by the COUNTY to independently evaluate and monitor the
28 performance of the CONTRACTOR. CONTRACTOR shall participate in the evaluation of the program as

needed, at the discretion of COUNTY.

COUNTY shall recapture from CONTRACTOR the value of any services or other expenditures determined to be ineligible based on the COUNTY or State monitoring results. At the discretion of the COUNTY, CONTRACTOR shall enter into a repayment agreement with the COUNTY, with total monthly payments not to exceed twelve (12) months from the date of the repayment agreement, to recover the amount of funds to be recouped. The monthly repayment amounts shall be netted against the CONTRACTOR's monthly billing for services rendered during the month. Substance Use Disorder Residential Room and Board
Modality of Service Descriptions**

Covered services under the Drug Medi-Cal Organized Delivery System (DMC-ODS) shall be furnished in an amount, duration, and scope that is no less than the amount, duration, and scope for the same services furnished to persons served under fee-for-service Medicaid, as set forth in 42 CFR 440.230. Contractors shall ensure that the services are sufficient in amount, duration, or scope to reasonably be expected to achieve the purpose for which the services are furnished. Contractors may not arbitrarily deny or reduce the amount duration, or scope of a required service solely because of diagnosis, type of illness, or condition of the person served.

Contractors are required to ensure services are provided timely as further described in the Fresno County Substance Use Disorder Provider Manual.

In all levels of care, contractors are required to either offer medications for addiction treatment (MAT) directly or demonstrate effective referral mechanisms in place to the most clinically appropriate MAT services. Providing a person served the contact information for a MAT program is insufficient.

Placement in an appropriate level of care must be determined through an assessment based on the American Society of Addiction Medicine (ASAM) criteria and prescribed by the contractor's medical director.

NON-DMC FUNDED RESIDENTIAL ROOM AND BOARD:

Room and Board for Residential Treatment and Withdrawal Management services is not eligible for reimbursement through DMC. These costs will be covered with other non-DMC funding sources.

Residential modalities of treatment services include:

- Residential Treatment Levels 3.1, 3.3 and 3.5
- Withdrawal Management Level 3.2-WM

ROOM AND BOARD

Room and Board costs will be reimbursed to providers based on a negotiated day rate established annually through a rate setting process. Room and Board costs include non-clinical staff, food, facility overhead and maintenance, housing, and other costs associated with the provision of a healthy and safe living environment.

Contractors must have an authorization to provide treatment from the administrative services organization to claim reimbursement for Room and Board. Reimbursement can be claimed for each day a person served resides in the facility regardless of whether treatment is provided.

BED HOLDS

Contractors may submit a Bed Hold Request to receive reimbursement for persons served who are enrolled in the program but are out of the facility temporarily due to a temporary hospital stay involving labor and delivery, or a physical or behavioral health condition. The request must be submitted prior to the person served's absence from the program. Late/retroactive requests will not be approved. Bed holds may also be used for scheduled outings such as flash incarcerations or out of town court appearances.

Bed holds will not be approved if residential providers are not full to at least 95% of their bed capacity.

Reimbursement will be limited to seven (7) days or less. Approval for Bed Holds will be for no more than two-day increments. Provider must request additional days as needed.

Providers must submit the Bed Hold Request Form to the sas@fresnocountyca.gov inbox. DBH will return the reviewed request via email including final disposition. Bed Hold requests must be documented in the clinical chart.

PERINATAL/NON-PERINATAL RESIDENTIAL SUBSTANCE USE DISORDER TREATMENT SERVICES (EXCLUDING ROOM AND BOARD) (ASAM LEVELS 3.1, 3.3 and 3.5)

Residential treatment services are provided in facilities licensed by the California Department of Health Care Services (DHCS) or the California Department of Social Services for adolescents that also have DMC certification and a DHCS Level of Care Designation or an ASAM LOC Certification demonstrating ability to delivery care consistent with ASAM treatment criteria.

There is no bed capacity limit for residential facilities. The Contactor must provide 24-hour care with trained personnel, including awake staff on the overnight shift to address persons served needs.

Adults (21 and over): The length of stay in a short-term residential setting shall be determined by individualized clinical need. Services must include preparation for a step down to a less intensive level of care, when clinically appropriate. The statewide goal for the average length of stay for residential treatment services is 30 days.

Adolescents (under the age of 21): The length of stay in a short-term residential setting shall be determined by individualized clinical need. Services must include preparation for step down to a less intensive level of care as soon as clinically appropriate. Adolescent beneficiaries receiving residential treatment shall be stabilized as soon as possible and moved down to a less intensive level of treatment. Nothing in the DMC-ODS or in this paragraph overrides any EPSDT requirements.

Residential contractor(s) must seek prior authorization for residential treatment services upon admission and prior to the expiration of each authorized treatment period. Treatment authorization request processes can be found in the Fresno County SUD Provider Manual.

Residential services include the following service components:

- Assessment
- Care Coordination
- Counseling (individual/group)
- Family Therapy
- Medication Services
- MAT for opioid use disorders
- MAT for alcohol use disorders and non-opioid SUDs
- Patient Education
- Recovery Services
- SUD Crisis Intervention Services

WITHDRAWAL MANAGEMENT (Level 3.2-WM)

Withdrawal management (WM) services are prescribed based on an individual assessment using the ASAM criteria. Contractor(s) shall ensure persons served receiving both residential and outpatient WM services are monitored during the detoxification process. Withdrawal Management Services may be provided in an outpatient or residential setting.

Withdrawal management services are urgent and provided on a short-term basis. When provided as part of withdrawal management services, service activities such as the assessment, focus on the stabilization and management of psychological and physiological symptoms associated with withdrawal, engagement in care and effective transitions to a level of care where comprehensive treatment services are provided.

A full ASAM assessment shall not be required as a condition of admission to a withdrawal management program.

ASAM 3.7-WM and 4-WM services are part of the DMC-ODS continuum of care but are offered through the Medi-Cal Managed Care Plans, Anthem Blue Cross and CalViva Health. If a person served is determined to be in need of this level of care, the provider should provide care coordination to the Managed Care Plans for treatment.

Withdrawal Management services include the following service components:

- Assessment
- Care Coordination
- Medication Services
- MAT for opioid use disorders
- MAT for alcohol use disorders and non-opioid SUDs
- Observation
- Recovery Services

GUIDING PRINCIPLES OF CARE DELIVERY:

The DBH 11 principles of care delivery define and guide a system that strives for excellence in the provision of behavioral health services where the values of wellness, resiliency, and recovery are central to the development of programs, services, and workforce. The principles provide the clinical framework that influences decision-making on all aspects of care delivery including program design and implementation, service delivery, training of the workforce, allocation of resources, and measurement of outcomes.

1. Principle One - Timely Access & Integrated Services

- Individuals and families are connected with services in a manner that is streamlined, effective, and seamless
- Collaborative care coordination occurs across agencies, plans for care are integrated, and whole person care considers all life domains such as health, education, employment, housing, and spirituality
- Barriers to access and treatment are identified and addressed
- Excellent customer service ensures individuals and families are transitioned from one point of care to another without disruption of care

2. Principle Two - Strengths-based

- Positive change occurs within the context of genuine trusting relationships
- Individuals, families, and communities are resourceful and resilient in the way they solve problems
- Hope and optimism is created through identification of, and focus on, the unique abilities of individuals and families

3. Principle Three - Person-driven and Family-driven

- Self-determination and self-direction are the foundations for recovery
- Individuals and families optimize their autonomy and independence by leading the process, including the identification of strengths, needs, and preferences
- Providers contribute clinical expertise, provide options, and support individuals and families in informed decision making, developing goals and objectives, and identifying pathways to recovery
- Individuals and families partner with their provider in determining the services and supports that would be most effective and helpful and they exercise choice in the services and supports they receive

4. Principle Four - Inclusive of Natural Supports

- The person served identifies and defines family and other natural supports to be included in care
- Individuals and families speak for themselves
- Natural support systems are vital to successful recovery and the maintaining of ongoing wellness; these supports include personal associations and relationships typically developed in the community that enhance a person's quality of life
- Providers assist individuals and families in developing and utilizing natural supports.

5. Principle Five - Clinical Significance and Evidence Based Practices (EBP)

- Services are effective, resulting in a noticeable change in daily life that is measurable.
- Clinical practice is informed by best available research evidence, best clinical expertise, and values and preferences of those we serve
- Other clinically significant interventions such as innovative, promising, and emerging practices are embraced

- Values, traditions, and beliefs specific to an individual's or family's culture(s) are valued and referenced in the path of wellness, resilience, and recovery

- Services are culturally grounded, congruent, and personalized to reflect the unique cultural experience of each individual and family
- Providers exhibit the highest level of cultural humility and sensitivity to the self-identified culture(s) of the person or family served in striving to achieve the greatest competency in care delivery

7. Principle Seven - Trauma-informed and Trauma-responsive

- The widespread impacts of all types of trauma are recognized and the various potential paths for recovery from trauma are understood
- Signs and symptoms of trauma in individuals, families, staff, and others are recognized and persons receive trauma-informed responses
- Physical, psychological and emotional safety for individuals, families, and providers is emphasized

8. Principle Eight - Co-occurring Capable

- Services are reflective of whole-person care; providers understand the influence of bio-psycho-social factors and the interactions between physical health, mental health, and substance use disorders
- Treatment of substance use disorders and mental health disorders are integrated; a provider or team may deliver treatment for mental health and substance use disorders at the same time

9. Principle Nine - Stages of Change, Motivation, and Harm Reduction

- Interventions are motivation-based and adapted to the person's stage of change
- Progression through stages of change are supported through positive working relationships and alliances that are motivating

- Each individual defines their own recovery and recovers at their own pace when provided with sufficient time and support

10. Principle Ten - Continuous Quality Improvement and Outcomes-Driven

- Individual and program outcomes are collected and evaluated for quality and efficacy
- Strategies are implemented to achieve a system of continuous quality improvement and improved performance outcomes

- Providers participate in ongoing professional development activities needed for proficiency in practice and implementation of treatment models

11. Principle Eleven - Health and Wellness Promotion, Illness and Harm Prevention, and Stigma Reduction

- The rights of all people are respected

INCIDENT REPORTING

PROTOCOL FOR COMPLETION OF INCIDENT REPORT

The Incident Report must be completed for all incidents involving individuals served through DBH's current incident reporting portal, Logic Manager, at <https://fresnodbh.logicmanager.com/incidents/?t=9&p=1&k=182be0c5cdcd5072bb1864cdee4d3d6e>

- The reporting portal is available 24 hours a day, every day.
- Any employee of the CONTRACTOR can submit an incident using the reporting portal at any time. No login is required.
- The designated administrator of the CONTRACTOR can add information to the follow up section of the report after submission.
- When an employee submits an incident within 24 hours from the time of the incident or first knowledge of the incident, the CONTRACTOR's designated administrator, the assigned contract analyst and the Incident Reporting email inbox will be notified immediately via email from the Logic Manager system that there is a new incident to review.
- Meeting the 24 hour incident reporting requirements will be easier as there are no signatures to collect.
- The user guide attached identifies the reporting process and the reviewer process, and is subject to updates based on DBH's selected incident reporting portal system.
- Employees involved in a crisis incident should be offered appropriate Employee Assistance Program (EAP) or similar related wellness and recovery assistance. In conjunction with the DBH's Guiding Principles of Care Delivery and wellness of the workforce, CONTRACTOR shall align their practices around this vision and ensure needed debriefing services are offered to all employees involved in a crisis incident. Employees shall be afforded all services to strengthen their recovery and wellness related to the crisis incident. Appropriate follow-up with the employee shall be carried out and a plan for workforce wellness shall be submitted to DBH.

Questions about incident reporting, how to use the incident reporting portal, or designating/changing the name of the administrator who will review incidents for the CONTRACTOR should be emailed to DBHIncidentReporting@fresnocountyca.gov and the assigned contract analyst.

INCIDENT REVIEWER ROLE – User Guide

Fresno County Department of Behavioral Health (DBH) requires all of its county-operated and contracted providers (through the Mental Health Plan (MHP) and Substance Use Disorder (SUD) services) to complete a written report of any incidents compromising the health and safety of clients, employees, or community members.

Yes! Incident reports will now be made through an online reporting portal hosted by Logic Manager. It's an easier way for any employee to report an incident at any time. A few highlights:

- No supervisor signature is immediately required.
- Additional information can be added to the report by the program supervisor/manager without having to resubmit the incident.
- When an incident is submitted, the assigned contract analyst, program supervisor/manager, clinical supervisor and the DBHIncidentReporting mailbox automatically receives an email notification of a new incident and can log in any time to review the incident. Everything that was on the original paper/electronic form matches the online form.
- Do away with submitting a paper version with a signature.
- This online submission allows for timely action for the health and safety of the persons-served, as well as compliance with state reporting timelines when necessary.

As an Incident Reviewer, your responsibility is to:

- Log in to Logic Manager and review incident submitted within 48 hours of notification of incident.
- Review incident for clarity, missing information and add in additional information deemed appropriate.
- Notify DBHIncidentReporting@fresnocountyca.gov if there is additional information you need to report that you are unable to add in Logic Manager.
- Contact DBHIncidentReporting@fresnocountyca.gov if you have any concerns, questions or comments with Logic Manager or incident reporting.

NOTICE OF CHILD ABUSE REPORTING LAW

The undersigned hereby acknowledges that Penal Code section 11166 and the contractual obligations between County of Fresno (COUNTY) and PROVIDER(S) related to provision of alcohol and drug abuse treatment services for Fresno County residents, require that the undersigned report all known or suspected child abuse or neglect to one or more of the agencies set forth in Penal Code (P.C.) section (§) 11165.9.

For purposes of the undersigned's child abuse reporting requirements, "child abuse or neglect" includes physical injury inflicted by other than accidental means upon a child by another person, sexual abuse as defined in P.C. §11165.1, neglect as defined in P.C. §11165.2, willful cruelty or unjustifiable punishment as defined in P.C. §11165.3, and unlawful corporal punishment or injury as defined in P.C. §11165.4.

A child abuse report shall be made whenever the undersigned, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the undersigned knows or reasonably suspects has been the victim of child abuse or neglect. (P.C. §11166.) The child abuse report shall be made to any police department or sheriff's department (not including a school district police or security department), or to any county welfare department, including Fresno County Department of Children and Family Services' 24 Hour CARELINE. (See PC §11165.9.)

For purposes of child abuse reporting, a "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. The pregnancy of a child does not, in and of itself, constitute a basis for reasonable suspicion of sexual abuse. (P.C. §11166(a)(1).)

Substantial penalties may be imposed for failure to comply with these child abuse reporting requirements.

Further information and a copy of the law may be obtained from the department head or designee.

I have read and understand the above statement and agree to comply with the child abuse reporting requirements.

DETAILED INSTRUCTIONS

These instructions are designed to clarify certain questions on the form. Instructions are listed in question order for easy reference. No instructions have been given for questions considered self-explanatory.

IT IS ESSENTIAL THAT ALL APPLICABLE QUESTIONS BE ANSWERED ACCURATELY AND THAT ALL INFORMATION BE CURRENT.

Item I - Under "Identifying Information" specify in what capacity the entity is doing business as (DBA) (e.g. name of trade or corporation).

Item II - Self-explanatory

Item III - List the names of all individuals and organizations having direct or indirect ownership interests, or controlling interest separately or in combination amounting to an ownership interest of 5 percent or more in the disclosing entity.

Direct ownership interest - is defined as the possession of stock, equity in capital or any interest in the profits of the disclosing entity. A disclosing entity is defined as a Medicare provider or supplier, or other entity that furnishes services or arranges for furnishing services under Medicaid or the Maternal and Child Health program, or health related services under the social services program.

Indirect ownership interest - is defined as ownership interest in an entity that has direct or hospital-based home health agencies, are not indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if A owns 10 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership and must be reported.

Controlling interest - is defined as the operational direction or management of disclosing entity which may be maintained by any or all of the following devices: the ability or authority, expressed or reserved, to amend or change the corporate identity (i.e., joint venture agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved, to amend or change the by-laws, constitution, or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved, to control the sale of any or all of the assets, to encumber such assets by way of mortgage or other indebtedness, to dissolve the entity or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

Item IV-VII - (Changes in Provider Status) For Items IV-VII, if the yes box is checked, list additional information requested under Remarks. Clearly identify which item is being continued.

Change in provider status - is defined as any change in management control. Examples of such changes would include; a change in Medical or Nursing Director, a new Administrator, contracting the operation of the facility to a management corporation, a change in the composition of the owning partnership which under applicable State law is not considered a change in ownership, or the hiring or dismissing of any employees with 5 percent or more financial interest in the facility or in an owning corporation, or any change of ownership.

Item IV - (A & B) If there has been a change in ownership within the last year or if you anticipate a change, indicate the date in the appropriate space.
