

1
2 AGREEMENT

3 THIS AGREEMENT is made and entered into this 17th day of April, 2018
4 by and between the COUNTY OF FRESNO, a Political Subdivision of the State of
5 California, hereinafter referred to as "COUNTY", and JAS Pacific, Inc., a California
6 corporation, whose address is 201 N. Euclid Ave., Suite B, Upland, CA 91786, hereinafter
7 referred to as "CONTRACTOR".

8 WITNESSETH:

9 WHEREAS, the COUNTY has issued a Request for Proposal (RFP), attached
10 hereto as Exhibit A for Building Plan Checking and Inspection Services and incorporated
11 by this reference; and

12 WHEREAS, the CONTRACTOR submitted a Response to the RFP attached hereto
13 as Exhibit "B" and incorporated by this reference; and

14 WHEREAS, the COUNTY has evaluated the Contractor's response to RFP and
15 has determined that the Contractor is qualified and capable of performing the work
16 specified in RFP.

17 NOW, THEREFORE, the parties agree as follows:

18 1. OBLIGATIONS OF THE CONTRACTOR

19 A. The CONTRACTOR shall provide residential and non-residential plan
20 checking services and inspection services work on an as-needed basis to reduce or
21 eliminate delays. Services shall consist of the review of plans and documents and
22 inspection of construction for compliance with the California Code of Regulations, Title 24,
23 County of Fresno Ordinance Code Title 15 (California Building, Fire, Mechanical,
24 Plumbing, and Electrical Codes, et.al.), Disabled Access Requirements, and related work
25 for the Department of Public Works and Planning, Development Services Division. These
26 services are to be provided only when requested by the COUNTY.

27 B. The CONTRACTOR agrees to perform the above services as stated in
28 Exhibit A and Exhibit B.

2. OBLIGATIONS OF THE COUNTY

A. COUNTY shall, to the extent reasonable and practical, as determined by COUNTY's Director of Public Works and Planning, or his or her designee, assist and cooperate with CONTRACTOR in the performance of the CONTRACTOR's services described in this Agreement. Such cooperation and assistance shall include, but not necessarily be limited to: (i) providing one set of plans and documents to the CONTRACTOR at the COUNTY Office, 2220 Tulare Street, 6th floor, Fresno, CA 93721; (ii) obtaining from the applicant, the necessary items to allow plan checking to be completed expeditiously, such as complete plans, calculations and name and telephone number of applicant; (iii) conducting zoning review with a list of zoning and other related information to be incorporated into the plan checking letter to applicant; (iv) providing CONTRACTOR copies of COUNTY Ordinances that modify the standard regulations of review; (v) collect plan checking fee from applicant; and (vi) provide applicant with plans, correction letter or modification of approval.

B. The COUNTY will, by and through its Chief Building Inspector, implement and administer the terms of the Agreement.

3. TERM

The term of this Agreement shall be for a period of three (3) years, commencing on the 17th day of April 2018 through and including the 16th day of April 2021. This Agreement may be extended for two (2) additional consecutive twelve (12) month periods upon written approval of both parties no later than thirty (30) days prior to the first day of the next twelve (12) month extension period. The Director is authorized to execute such written approval on behalf of COUNTY based on CONTRACTOR's satisfactory performance.

4. TERMINATION

A. Non-Allocation of Funds - The terms of this Agreement, and the services to be provided thereunder, are contingent on the approval of funds by the appropriating government agency. Should sufficient funds not be allocated, the services provided may

1 be modified, or this Agreement terminated, at any time by giving the CONTRACTOR thirty
2 (30) days advance written notice.

3 B. Breach of Contract - The COUNTY may immediately suspend or terminate
4 this Agreement in whole or in part, where in the determination of the COUNTY there is:

- 5 1) An illegal or improper use of funds;
- 6 2) A failure to comply with any term of this Agreement;
- 7 3) A substantially incorrect or incomplete report submitted to the
8 COUNTY; or
- 9 4) Improperly performed service.

10 In no event shall any payment by the COUNTY constitute a waiver by the
11 COUNTY of any breach of this Agreement or any default which may then exist on the part
12 of the CONTRACTOR. Neither shall such payment impair or prejudice any remedy
13 available to the COUNTY with respect to the breach or default. The COUNTY shall have
14 the right to demand of the CONTRACTOR the repayment to the COUNTY of any funds
15 disbursed to the CONTRACTOR under this Agreement, which in the judgment of the
16 COUNTY were not expended in accordance with the terms of this Agreement. The
17 CONTRACTOR shall promptly refund any such funds upon demand.

18 C. Without Cause - Under circumstances other than those set forth above, this
19 Agreement may be terminated by COUNTY upon the giving of thirty (30) days advance
20 written notice of an intention to terminate to CONTRACTOR.

21 5. COMPENSATION/INVOICING

22 COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive
23 compensation as described in Exhibit C, which is attached hereto and incorporated herein
24 by reference. For requested Plan Checking services, CONTRACTOR shall be paid a fee
25 or percentage of the Plan Review Fee collected by COUNTY from the applicant as
26 described in Exhibit C. The amount of any such Plan Review Fee is determined by
27 COUNTY according to Section 2502 of the County of Fresno Master Schedule of Fees,
28 Charges, and Recovered Costs as outlined in Exhibit D, which is attached hereto and

1 incorporated herein by reference. CONTRACTOR shall submit monthly itemized invoices
2 to COUNTY'S Department of Public Works and Planning.

3 Upon receipt of a proper invoice, the COUNTY'S Department of Public Works
4 and Planning will review the invoice within five (5) working days. If the Department
5 determines that the invoice is in proper form and the services described therein have
6 been satisfactorily performed, the Department will approve the invoice and submit it to
7 the COUNTY Auditor-Controller/Treasurer-Tax Collector. Payment will be issued to
8 CONSULTANT within forty-five (45) calendar days of the date the Auditor-
9 Controller/Treasurer-Tax Collector receives the approved invoice.

10 In the event the Department determines that the invoice is not in proper form or
11 that services described therein have not been satisfactorily performed, the Department
12 shall return the invoice to the CONSULTANT with a description of the deficiencies in the
13 invoice. The CONSULTANT shall correct the deficiencies in the invoice and resubmit a
14 corrected invoice to the Department for further review. The Department and
15 CONSULTANT shall repeat the process of reviewing and correcting the invoice until the
16 invoice is satisfactory to the Department. CONSULTANT shall not be entitled to
17 compensation for services described in an invoice until the Department has approved
18 the invoice.

19 In no event shall services performed under this Agreement be in excess of Eight
20 Hundred Fifty Thousand Dollars and No Cents (\$850,000.00) per year (April 17 – April
21 16 of following year) from the execution of this Agreement. It is understood that all
22 expenses incidental to CONTRACTOR's performance of services under this Agreement
23 shall be borne by CONTRACTOR.

24 6. INDEPENDENT CONTRACTOR

25 In performance of the work, duties and obligations assumed by CONTRACTOR
26 under this Agreement, it is mutually understood and agreed that CONTRACTOR, including
27 any and all of the CONTRACTOR'S officers, agents, and employees will at all times be
28 acting and performing as an independent contractor, and shall act in an independent

1 capacity and not as an officer, agent, servant, employee, joint venturer, partner, or
2 associate of the COUNTY. Furthermore, COUNTY shall have no right to control or
3 supervise or direct the manner or method by which CONTRACTOR shall perform its work
4 and function. However, COUNTY shall retain the right to administer this Agreement so as
5 to verify that CONTRACTOR is performing its obligations in accordance with the terms
6 and conditions thereof.

7 CONTRACTOR and COUNTY shall comply with all applicable provisions of the
8 law and the rules and regulations, if any, of governmental authorities having jurisdiction
9 over matters the subject thereof.

10 Because of its status as an independent contractor, CONTRACTOR shall have
11 absolutely no right to employment rights and benefits available to COUNTY employees.
12 CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its
13 employees all legally-required employee benefits. In addition, CONTRACTOR shall be
14 solely responsible and save COUNTY harmless from all matters relating to payment of
15 CONTRACTOR'S employees, including compliance with Social Security withholding
16 and all other regulations governing such matters. It is acknowledged that during the
17 term of this Agreement, CONTRACTOR may be providing services to others unrelated
18 to the COUNTY or to this Agreement.

19 7. MODIFICATION

20 Any matters of this Agreement may be modified from time to time by the written
21 consent of all the parties without, in any way, affecting the remainder.

22 8. NON-ASSIGNMENT

23 Neither party shall assign, transfer or sub-contract this Agreement nor their rights or
24 duties under this Agreement without the prior written consent of the other party.

25 9. HOLD HARMLESS

26 CONTRACTOR agrees to indemnify, save, hold harmless, and at COUNTY'S
27 request, defend the COUNTY, its officers, agents, and employees from any and all costs
28 and expenses, damages, liabilities, claims, and losses occurring or resulting to COUNTY

1 in connection with the performance, or failure to perform, by CONTRACTOR, its officers,
2 agents, or employees under this Agreement, and from any and all costs and expenses,
3 damages, liabilities, claims, and losses occurring or resulting to any person, firm, or
4 corporation who may be injured or damaged by the performance, or failure to perform, of
5 CONTRACTOR, its officers, agents, or employees under this Agreement.

6 10. INSURANCE

7 Without limiting the COUNTY's right to obtain indemnification from
8 CONTRACTOR or any third parties, CONTRACTOR, at its sole expense, shall maintain
9 in full force and effect, the following insurance policies or a program of self-insurance,
10 including but not limited to, an insurance pooling arrangement or Joint Powers
11 Agreement (JPA) throughout the term of the Agreement:

12 A. Commercial General Liability

13 Commercial General Liability Insurance with limits of not less than One
14 Million Dollars (\$1,000,000.00) per occurrence and an annual aggregate of Two Million
15 Dollars (\$2,000,000.00). This policy shall be issued on a per occurrence basis. COUNTY
16 may require specific coverages including completed operations, products liability,
17 contractual liability, Explosion-Collapse-Underground, fire legal liability or any other liability
18 insurance deemed necessary because of the nature of this Agreement.

19 B. Automobile Liability

20 Comprehensive Automobile Liability Insurance with limits for bodily injury of
21 not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) per person, Five
22 Hundred Thousand Dollars (\$500,000.00) per accident and for property damages of not
23 less than Fifty Thousand Dollars (\$50,000.00), or such coverage with a combined single
24 limit of Five Hundred Thousand Dollars (\$500,000.00).

25 Coverage should include owned and non-owned vehicles used in connection with this
26 Agreement.

27 C. Professional Liability

28 If CONTRACTOR employs licensed professional staff, (e.g., Ph.D., R.N.,

1 L.C.S.W., M.F.C.C.) in providing services, Professional Liability Insurance with limits of not
2 less than One Million Dollars (\$1,000,000.00) per occurrence, Three Million Dollars
3 (\$3,000,000.00) annual aggregate.

4 D. Worker's Compensation

5 A policy of Worker's Compensation Insurance as may be required by the
6 California Labor Code.

7 CONTRACTOR shall obtain endorsements to the Commercial General
8 Liability insurance naming the County of Fresno, its officers, agents, and employees,
9 individually and collectively, as additional insured, but only insofar as the operations
10 under this Agreement are concerned. Such coverage for additional insured shall apply
11 as primary insurance and any other insurance, or self-insurance, maintained by
12 COUNTY, its officers, agents and employees shall be excess only and not contributing
13 with insurance provided under CONTRACTOR's policies herein. This insurance shall
14 not be cancelled or changed without a minimum of thirty (30) days advance written
15 notice given to COUNTY.

16 Within thirty (30) days from the date CONTRACTOR signs and executes
17 this Agreement, CONTRACTOR shall provide Certificates of Insurance and
18 Endorsements as stated above for all of the foregoing policies, as required herein, to
19 the County of Fresno, Department of Public Works and Planning, Director, 2220 Tulare
20 Street, 6th Floor, Fresno, CA 93721, stating that such insurance coverage has been
21 obtained and is in full force; that the County of Fresno, its officers, agents and
22 employees will not be responsible for any premiums on the policies; that such
23 Commercial General Liability Insurance names the County of Fresno, its officers, agents
24 and employees, individually and collectively, as additional insured, but only insofar as
25 the operations under this Agreement are concerned; that such coverage for additional
26 insured shall apply as primary insurance and any other insurance, or self-insurance,
27 maintained by COUNTY, its officers, agents and employees, shall be excess only and
28 not contributing with insurance provided under CONTRACTOR's policies herein; and

1 that this insurance shall not be cancelled without a minimum of thirty (30) days advance,
2 written notice given to COUNTY, except that ten (10) days notice of cancellation shall
3 be permitted if cancellation is due to nonpayment of premium.

4 In the event CONTRACTOR fails to keep in effect at all times insurance
5 coverage as herein provided, the COUNTY may, in addition to other remedies it may
6 have, suspend or terminate this Agreement upon the occurrence of such event.

7 All policies shall be issued by admitted insurers licensed to do business in
8 the State of California, and such insurance shall be purchased from companies
9 possessing a current A.M. Best, Inc. rating of A FSC VII or better.

10 11. AUDITS AND INSPECTIONS:

11 The CONTRACTOR shall at any time during business hours, and as often as the
12 COUNTY may deem necessary, make available to the COUNTY for examination all of its
13 records and data with respect to the matters covered by this Agreement. The
14 CONTRACTOR shall, upon request by the COUNTY, permit the COUNTY to audit and
15 inspect all of such records and data necessary to ensure CONTRACTOR'S compliance
16 with the terms of this Agreement.

17 If this Agreement exceeds Ten Thousand Dollars (\$10,000.00), CONTRACTOR
18 shall be subject to the examination and audit of the Auditor General for a period of three
19 (3) years after final payment under Agreement (Government Code Section 8546.7).

20 12. NOTICES:

21 The persons and their addresses having authority to give and receive notices under
22 this Agreement include the following:

23 COUNTY OF FRESNO

24 Chuck Jonas, CBO, Building Official
25 Department of Public Works & Planning
26 2220 Tulare Street, 6th Floor

JAS Pacific, Inc.
201 N. Euclid Ave., Suite B
Upland, CA 91786

27 All notices between the COUNTY and CONTRACTOR provided for or permitted
28 under this Agreement must be in writing and delivered either by personal service, by first-

1 class United States mail, by an overnight commercial courier service, or by telephonic
2 facsimile transmission. A notice delivered by personal service is effective upon service to
3 the recipient. A notice delivered by first-class United States mail is effective three
4 COUNTY business days after deposit in the United States mail, postage prepaid,
5 addressed to the recipient. A notice delivered by an overnight commercial courier service
6 is effective one COUNTY business day after deposit with the overnight commercial courier
7 service, delivery fees prepaid, with delivery instructions given for next day delivery,
8 addressed to the recipient. A notice delivered by telephonic facsimile is effective when
9 transmission to the recipient is completed (but, if such transmission is completed outside
10 of COUNTY business hours, then such delivery shall be deemed to be effective at the next
11 beginning of a COUNTY business day), provided that the sender maintains a machine
12 record of the completed transmission. For all claims arising out of or related to this
13 Agreement, nothing in this section establishes, waives, or modifies any claims
14 presentation requirements or procedures provided by law, including but not limited to the
15 Government Claims Act (Division 3.6 of Title 1 of the Government Code, beginning with
16 section 810).

16 13. GOVERNING LAW

17 Venue for any action arising out of or related to this Agreement shall only be in
18 Fresno County, California.

19 The rights and obligations of the parties and all interpretation and performance of
20 this Agreement shall be governed in all respects by the laws of the State of California.

21 14. DISCLOSURE OF SELF-DEALING TRANSACTIONS

22 This provision is only applicable if the CONTRACTOR is operating as a
23 corporation (a for-profit or non-profit corporation) or if during the term of the agreement,
24 the CONTRACTOR changes its status to operate as a corporation.

25 Members of the CONTRACTOR's Board of Directors shall disclose any self-
26 dealing transactions that they are a party to while CONTRACTOR is providing goods or
27 performing services under this agreement. A self-dealing transaction shall mean a
28 transaction to which the CONTRACTOR is a party and in which one or more of its

1 directors has a material financial interest. Members of the Board of Directors shall
2 disclose any self-dealing transactions that they are a party to by completing and signing
3 a Self-Dealing Transaction Disclosure Form, attached hereto as Exhibit E and
4 incorporated herein by reference, and submitting it to the COUNTY prior to commencing
5 with the self-dealing transaction or immediately thereafter.

6 15. ENTIRE AGREEMENT

7 This Agreement constitutes the entire Agreement between the CONTRACTOR and
8 COUNTY with respect to the subject matter hereof and supersedes all previous
9 Agreement negotiations, proposals, commitments, writings, advertisements, publications,
10 and understanding of any nature whatsoever unless expressly included in this Agreement.
11 In the event of any inconsistency in interpreting the documents which constitute this
12 Agreement, the inconsistency shall be resolved by giving precedence in the following
13 order of priority: (1) the text of this Agreement (excluding Exhibits A, B, C, D, and E); (2)
14 Exhibit A; (3) Exhibit E (Self-Dealing Transaction Disclosure Form); (4) Exhibit B; and (5)
15 Exhibit C; and (6) Exhibit D.

I. SCOPE OF SERVICES

The County will contract with up to four multidisciplinary firms to provide professional plan checking and building inspection services in support of the Building & Safety Section functions at the direction of the Chief Building Inspector or his designee. These services are only to be provided when required by the County of Fresno and will consist of a total of four (4) separate contracts. **Two (2) contracts for eight hundred and fifty thousand dollars (\$850,000.00) annually and two (2) contracts for one hundred thousand dollars annually (\$100,000.00).**

At the County's option, the plan review may be performed in whole or in part by using one of the different packages defined below. The fee for packages "A" through "E" may be set up as a percentage of the fee received by the County for plan review for the given project based on the current adopted fee schedule. The maximum fee shall not exceed 65% of the plan review fee received by the County for the complete structural and non-structural review. Where the County requests a partial review, the maximum fee shall not exceed 40% of the plan review fee received by the County for either structural review or non-structural review. Proposals shall include fee breakdowns in each of the following categories and, other than hourly fees, shall include the costs of the initial review together with all subsequent reviews. Plan reviews and inspections are to include enforcement of all applicable Federal, State, and Local regulations, ordinances and policies.

(Structural Plan Review will include All Structural and Building Components.
Non-Structural Plan Review will include All Electrical, Plumbing, Mechanical, Green and Energy Components.)

A) Plan Check "Packages"

- a. Plan Review Package "A"**
Complete commercial plan review
- b. Plan Review Package "B"**
Complete non-structural commercial plan review
- c. Plan Review Package "C"**
Complete structural commercial plan review
- d. Plan Review Package "D"**

h. Building Inspection Package “H”

Hourly fee for commercial and/or residential inspection services

i. Plan Review Package “I”

Hourly fee for site improvement inspection services

j. Plan Review Package “J”

Hourly fee for permit processing services

No additional fees shall be charged to the County for completion of the work in any of the packages listed, (other than approved hourly fees, where applicable), including, but not limited to, pick up, delivery, mileage, shipping, meetings, phone calls, and other materials, labor and handling.

B) Availability

1. The Consultant shall perform the plan review services required to obtain approval of each project for the percentage of fee proposed. Prior approval by the County is required for any and all charges proposed in addition to the percentage agreed to in the Plan Review Package. Prior approval by the County is required for any and all charges proposed for deferred submittals and revisions that may occur on projects reviewed by the Consultant.
2. The response time for the Consultant to return a list of comments to the County or provide approval to the County for all plan review projects from the day of authorization by the County is ten (10) business days on the first review and five (5) business days on subsequent reviews. If the list of comments or approval is returned to the County in one (1) to five (5) business days in excess of the due date, a 10% reduction in cost to the County shall be provided. If the response time of five (5) to ten (10) business days is in excess of the due date, the plan review shall be completed at 50% reduction to the County. Anything in excess of 10 days shall be completed at no cost to the County. *The Consultant shall notify the County at least two (2) business days in advance if the plans will not be completed within the stipulated time frame.* The response time for more complex projects as determined by the County may be negotiable.
3. List a “typical” notification time required for the Consultant to provide inspection staff for the County.

4. Indicate the availability of the Consultant's personnel assigned to the plan check to attend a meeting at the County to address questions or discuss issues with County staff, design team and/or construction team that may arise on a project at no additional cost to the County for projects paid on percentage. Meetings may occur prior to permit submittal, during the review process and after permit issuance and typically will not exceed two hours for each meeting.
5. Indicate the availability of Consultant's representative to attend bi-monthly plan review and/or inspection related meetings at the County at no additional cost to the County. Estimate meeting duration of two hours.
6. Indicate the availability of the Consultant's staff to discuss projects and technical data via phone or other means with the County's staff, design team and/or construction team at no additional cost to the County for plan reviews paid on percentage.
7. Indicate processing times and costs for plan reviews that the County may require to be expedited. Typically, an expedited review would be one half of the normal response time listed in B-2 above.
8. Describe the capability of your firm to provide electronic plan reviews and indicate if there are any reductions in the Consultant's plan review costs if this service is utilized. Provide a brief description and flow chart of how this process is accomplished.
9. Indicate your ability to provide third-party plan reviews/inspections by allowing an applicant to provide payment directly to the Consultant for Consultant's portion of the plan review fee or inspection costs. Also submit samples of any forms that may be utilized for this procedure.

C) Statement of Work

Upon award of a contract, the Consultant shall perform plan review services and/or field inspection services.

Plan Review Services:

Plan review shall be performed at the Consultant's offices unless specific arrangements are made with the County.

1. Consultant shall assign personnel who are professionally qualified to perform commercial and/or residential construction document plan check and shall be International Code Council (ICC) certified plans examiners.

2. Consultant shall designate one individual as the responsible contact for all communications between the County and Consultant for the life of the contract and, in the event the contact changes, notify County immediately.
3. Consultant shall furnish assigned personnel with all necessary materials, resources and training to conduct plan review and inspection services, including a current copy of applicable County amendments, policies, procedures and forms.
4. Plan review approval shall not be recommended to the County until ALL code compliance issues are resolved to the best of Consultant's knowledge and all permit issuance requirements of the County of Fresno are satisfied. Consultant shall contact County if there are questions.
5. Consultant shall respond within one business day upon each notification that a plan check is authorized.
6. Consultant shall pick up all documents to be reviewed from the County of Fresno, Public Works and Planning, Development Services Division located at 2220 Tulare Street, Suite A, Fresno, CA. Stated plan review turnaround times will begin the next business day after the Consultant has been notified by the County. Consultant shall conduct each plan review in a timely manner and within time-frame guidelines established by the County. Refer to B-2. Upon completion of each plan review, the Consultant shall return the reviewed documents to the County and provide an electronic and hard copy of the plan review comments in the format designated by the County. Upon completion of the plan review where approval of the documents is recommended, the Consultant shall provide (2) complete sets of all final review documents annotated as approved to the County of Fresno.
7. Plan review comment letters shall be completed in the format provided by the County.
8. Code interpretations are subject to final review and approval by the County Building Official. All plan review comments completed by the consultant are subject to the review by the County.
9. Consultant shall be available within one business day to respond to questions from the County that may be generated during field inspection for each authorized plan check that is subsequently issued a permit for construction.

Field Inspection Services:

1. All field inspection shall be performed through the County of Fresno Development Services Division and under the direction of County staff.

2. Consultant shall assign personnel who are professionally qualified to perform commercial and/or residential construction inspection and shall be ICC certified as building inspectors. All vehicles, safety apparel, communication devices, materials, resources, tools, and training shall be supplied by the Consultant.
3. County shall provide County-specific policy training and provide any necessary County maps, forms, and data entry training.
4. List a "typical" notification time required for the Consultant to provide inspection staff for the County.
5. Projects under construction by permit from the County shall be inspected for compliance per the California Code of Regulations – Title 24, Parts 1-12, and Fresno County Title 15 (Building and Construction Ordinance).

II. PROPOSAL CONTENT AND ORGANIZATION

Proposals should be limited to specific discussion of the elements outlined in this RFP. The intent of this RFP is to encourage responses which meet the stated requirements, and which propose the best methods to accomplish the work within a stated budget.

The organization of the proposal should follow the general outline below. Each proposal should consist of four (4) copies of the technical proposal.

A. Transmittal Letter

1. The transmittal letter shall include the name, title, address, phone number, and original signature of an individual with authority to negotiate on behalf of and to contractually bind the consulting firm, and who may be contacted during the period of proposal evaluation. Only one transmittal letter need be prepared to accompany all copies of the technical and cost proposals.

B. Table of Contents

1. Provide a list of sections in the proposal and the associated page numbers.

C. Scope of Work

1. Provide the scope of work information in a format such that it can be pulled out of the RFP and inserted into the contract as a schedule and include the cost for each package in a table format. If necessary, discuss reasons for any revisions to the requirements as described and provide sufficient detail for any modified approach, methods, and tasks.

D. Project Deliverables

1. The deliverables shall be consistent with Section I of this proposal. This shall include a summary of the Project Deliverables with schedule. d) Worker's Compensation

A policy of Worker's Compensation insurance as may be required by the California Labor Code.

III. PROPOSAL EVALUATION AND SELECTION

A project Selection Committee will be formed to evaluate the proposals and select one or more consultants. The Selection Committee will consist of members from the Department of Public Works and Planning and may include a representative knowledgeable in plan check and building inspection services from outside the community. Consulting firms will be requested to interview with the Selection Committee as a part of the evaluation process.

PROPOSAL SCHEDULE (TENTATIVE)

Proposals due to County of Fresno	Tuesday, October 31, 2017, 4:00 p.m.
Finalist interviews and fee proposal	Friday, November 17, 2017
Finalist negotiations complete	Friday, December 01, 2017
Finalist returns signed contract	Friday, December 15, 2017
*Board of Supervisors hearing to consider contract	Tuesday, January 23, 2018
*Notice to proceed issued	Tuesday, February 20, 2018

The above schedule is tentative and partially dependent upon the size of the contract. Contracts totaling \$100,000 or more require Fresno County Board of Supervisor approval. The firms' fee proposals will be opened only after the Selection Committee has completed all of the interviews and considered each of the firms' qualifications. The Selection Committee will consider the fee proposal in its final deliberations.

*Hearing calendar has not been adopted.

*No new work will be assigned until the existing contracts expire, (March 9, 2018).

The Selection Committee will consider the following recommended experience in its evaluation of proposals (not necessarily listed in order of importance).

Proposals will be compared based upon a combination of factors, and a contract or contracts will be awarded based upon the recommendation of the panel's evaluation of the factors. More than one contract may be awarded. The factors to be considered are:

- Professional qualifications of the personnel proposed to perform the work.

- Prior experience of the Consultant in providing plan check or inspection services to the County and to other jurisdictions.
- Availability of the Consultant to perform necessary services upon demand.
- Location of Consultant's offices providing services.
- Availability of one individual from the Consultant to be the contact person for the County on all projects.
- Other factors the panel may determine as relevant to the ability of the applicant to perform the required services.

Consultant Qualifications:

We are confident that we can accommodate the County's financial needs as well as provide the desired level of customer service. Additionally, because of our available resources, we have the ability to supplemental staffing and additional types of services to address increased workloads and customer needs.

JAS Pacific Services	County Benefits
Personnel	Superior Level of Service
Expertise	Consistent Code Application
Staffing Resources	Flexibility to Meet Various Levels of Demand
Contract Costs	Expenses are Consistent with Revenues

JAS Pacific will ensure that all structures are equal to or exceed the applicable County, State, and Federal regulations. JAS Pacific understands the County's needs and we have the resources to provide timely deployment. With limited County resources, contracting with JAS Pacific will afford the County more flexibility in the allocation of such resources. Assigned personnel will provide plan check and supplemental services consulting services ensuring compliance with the County's most recent adopted Building Standards, Energy Efficiency Standards, and local ordinances, including the following:

- | | |
|-------------------------------|--|
| ✓ California Residential Code | ✓ California Electrical Code |
| ✓ California Building Code | ✓ California Energy Compliance |
| ✓ California Green Code | ✓ California Code of Regulations: Title 19 |
| ✓ California Mechanical Code | ✓ California Government Code |
| ✓ California Plumbing Code | ✓ California Health & Safety Code |

Acting on behalf of the County, JAS Pacific will provide superior levels of customer service, consistent code application, and develop seamless working relationships with County staff. Contracting with JAS Pacific will provide the County with a cost-effective alternative to a fully internally staffed department and allow the County to focus on other critical municipal matters. JAS Pacific will perform applicable functions as an extension of County staff and will follow all County procedures and directives. JAS Pacific understands the importance of excellent customer service not only to the County but to the clients we serve. We strive to meet and exceed all client expectations and we will create a cooperative work environment with the County and the clients we serve. Staff will not only identify building code issues within the plans, but also will address the big picture and offer helpful suggestions to reach life-safety and code compliance standards. JAS Pacific will support the County in attaining its goal of providing timely, efficient, and effective services. Our understanding and approach to the proposed services is detailed below.

Plan Check Duties & Responsibilities

- ✓ JAS Pacific shall assign personnel who are professionally qualified to perform commercial and/or residential construction document plan check and shall be International Code Council (ICC) certified plans examiners.
- ✓ JAS Pacific shall designate one individual as the responsible contact for all communications between the County and JAS Pacific for the life of the contract and, in the event the contact changes, notify County immediately.
- ✓ JAS Pacific shall furnish assigned personnel with all necessary materials, resources and training to conduct plan review and inspection services, including a current copy of applicable County amendments, policies, procedures and forms.
- ✓ Plan review approval shall not be recommended to the County until ALL code compliance issues are resolved to the best of JAS Pacific's knowledge and all permit issuance requirements of the County of Fresno are satisfied. JAS Pacific shall contact County if there are questions.
- ✓ JAS Pacific shall respond within one business day upon each notification that a plan check is authorized.
- ✓ JAS Pacific shall pick up all documents to be reviewed from the County of Fresno, Public Works and Planning, Development Services Division located at 2220 Tulare Street, Suite A, Fresno, CA. Stated plan review turnaround times will begin the next business day after the JAS Pacific has been notified by the County. JAS Pacific shall conduct each plan review in a timely manner and within time-frame guidelines established by the County. Refer to B-2. Upon completion of each plan review, the JAS Pacific shall return the reviewed documents to the County and provide an electronic and hard copy of the plan review comments in the format designated by the County. Upon completion of the plan review where approval of the documents is recommended, the JAS Pacific shall provide (2) complete sets of all final review documents annotated as approved to the County of Fresno.
- ✓ Plan review comment letters shall be completed in the format provided by the County.
- ✓ Code interpretations are subject to final review and approval by the County Building Official. All plan review comments completed by the JAS Pacific are subject to the review by the County.
- ✓ JAS Pacific shall be available within one business day to respond to questions from the County that may be generated during field inspection for each authorized plan check that is subsequently issued a permit for construction

Building Inspector Duties & Responsibilities

- ✓ All field inspection shall be performed through the County of Fresno Development Services Division and under the direction of County staff.
- ✓ JAS Pacific shall assign personnel who are professionally qualified to perform commercial and/or residential construction inspection and shall be ICC certified as building inspectors. All vehicles, safety apparel, communication devices, materials, resources, tools, and training shall be supplied by the JAS Pacific.
- ✓ County shall provide County-specific policy training and provide any necessary County maps, forms, and data entry training.
- ✓ List a "typical" notification time required for the JAS Pacific to provide inspection staff for the County.
- ✓ Projects under construction by permit from the County shall be inspected for compliance per the California Code of Regulations – Title 24, Parts 1-12, and Fresno County Title 15 (Building and Construction Ordinance).

Supplemental Services

CASp

JAS Pacific can provide CASp certified inspections and plan check with staff knowledgeable the requirements of the State Senate Bill. Our staff not only can perform these duties but are available to County staff for further clarification on various issues that arise with the bill's implementation.

Permit Technician

JAS Pacific can provide permit counter services through the contracting of certified Permit Technicians. All permit technicians meet all qualifications, education, and certification/licensing requirements including as needed to perform all required duties. All JAS Pacific assigned permit technicians shall be equipped with the necessary tools and equipment when performing building inspection services on behalf of the County. All assigned Permit Technicians shall work as an extension of County staff.

Professional Development Training

JAS Pacific is committed to the continuous education of all staff through both in-house and external training. Mr. Fady Mattar and Mr. Stuart Tom are ICC certified instructors and have provided training to various clients on the building and other codes and regulations. Mr. Mattar's area of instruction includes plumbing, mechanical, green building, energy and residential fire-sprinkler systems topics. Mr. Stuart's area of instruction includes the California Building and Residential Codes, emergency response, fire and other related topics.

Mr. Mattar has worked with various JAS clients and industry related organizations providing instruction on a range of topics. He was the Training Coordinator for the County of Los Angeles Building Division, creating the training programs for entry-level inspectors, as well as on-going training for inspectors, plan check staff, permit technicians and district office managers. Mr. Mattar prepared and created training booklets and PowerPoint presentations for training on the California Mechanical and Plumbing Codes, Green Building Code and Residential Fire Sprinklers then conducted trainings for ICC Orange Empire, LA Basin, Foothill, Hi Desert, Coachella Valley, and Ventura Chapters of ICC. He has also presented training on code update to jurisdictions including the Cities of Los Angeles, Long Beach, Beverly Hills, Santa Monica, El Monte and the County of Los Angeles. Mr. Mattar has also conducted code classes for UCLA Extension Program and for organizations such as ICC, IAPMO and PHCC.

Code Adoption

At the request of the County, JAS Pacific can perform research of the County's Municipal Code and provide draft documents for check by the County Attorney and other responsible departments for the adoption of the codes, along with any desired County amendments to these codes. Once these documents are approved, JAS Pacific can help schedule the required hearings before the County Council, testify before the County Council, and answer questions regarding proposed amendments. JAS Pacific personnel has extensive experience in area of code adoption and can assist the County in future local adoptions.

Code Enforcement

JAS Pacific can provide code enforcement services by proactively identifying conditions that threaten the health and welfare of the citizens of the Jurisdiction and to developing long-term strategies that resolve contemporary community problems, and promote community pride and stability. In order to enhance and sustain the highest quality of life standard, we will provide exceptional customer service and rapid and effective responses.

PROJECT DELIVERABLES

JAS Pacific has provided municipal support services for 24 years in California and has a solid foundation allowing for efficient contract implementation and service delivery. Our strong presence in the region offers the strength, stability, experience, and technical competence that are desired of a contractor of plan check and inspection services. We understand local governmental agencies which has enabled us to develop methodologies and business practices allowing for the delivery of said services seamlessly and efficiently.

Plan Check Services

JAS Pacific can provide the Jurisdiction with plan check services both off-site and on. Off-site services will be provided in a timely manner and will be seamless, as our team members are accessible to promptly respond to all inquiries. Upon contract award, JAS Pacific will analyze the Jurisdiction's needs and propose the appropriate service level striking a balance between desired services and cost efficiency. The appropriate registered engineer will check of each set of plans and their check will not only identify building code issues within the plans, but will also address the "big picture" and offer helpful suggestions to reach life-safety and code compliance standards.

Off-Site Services

JAS Pacific proposes to provide the Jurisdiction with plan check services through our in-house plan check team located at our headquarters and other satellite offices. Off-site services will be conducted via courier, on a daily-basis if needed. This approach is detailed in the "Plan Check Flow Chart" below.

On-Site Services

In an effort to meet the specific needs of the Jurisdiction, JAS Pacific is also capable of providing on-site plan check services when staff is available. We believe this is the most comprehensive and efficient approach to providing building plan check services to the public and Jurisdiction staff. JAS Pacific has qualified and experienced staff that can provide technical assistance to architects and engineers, over-the-counter check of minor plan checks, meet with necessary applicants to answer questions, discuss and explain plan check corrections and meet any demands requested by the applicants or as directed by the Jurisdiction. The delivery approach of on-site building plan check services mirrors that of off-site services and is detailed in the "Plan Check Flow Chart" below.

Electronic Plan Check

JAS Pacific can provide the County with an Internet-based system in support of plan check services for the purposes of electronic plan submission (E-Submittal). This document workflow solution will allow applicants and County personnel to initiate and complete the plan check process online (including the submission of electronic comments), rather than using a manual, paper-based process which requires printing and shipping. JAS Pacific staff has worked with various programs including, but not limited to, Project Dux, Blue Beam, E-Plan Soft. This approach is detailed in the "Plan Check Flow Chart" below.

Transportation of Plans

At no cost to the County, JAS Pacific will be responsible for the transportation of plans from the County to JAS Pacific's office via our office staff or courier service. JAS Pacific will offer same day pick up when our office is contacted prior to 11:00 a.m. If the day we are contacted is proceeded by a day in which the County is closed, a courier service shall be provided at JAS Pacific's expense.

Online Tracking

JAS Pacific utilizes a cloud based system in order to provide up to the minute tracking of plans being reviewed. Within this website, the County will be able to see when JAS received the plans, who the plan check engineer is, status, if there has been communication with the applicants and have access to corrections lists.

Review Times and Requirements

JAS Pacific proposes the following service delivery timeframes and guarantees the proposed timeframes in the performance of the requested services to the County. All other plan check duties and follow-ups not specifically mentioned in the table below shall be performed in a timely and responsive manner by staff.

1 st Check	Subsequent Checks
10 Business Days	5 Business Days
EXPEDITED PLAN CHECK TIMES	
5 Business Days	3 Business Days

Availability

JAS Pacific will be available to all County staff and applicants to ensure an efficient plan review processed is achieved and to maintain communication. **Meetings** – At the request of the County, JAS Pacific will be present for all necessary meetings, including but not limited to, prior to permit submittal, during the review process and after permit issuance. JAS Pacific will also attend bi-monthly plan review and/or inspection meetings all at no cost to the County. **Phone Calls/Emails** – JAS Pacific is always available via phone or email to discuss projects and technical data.

Third Party

JAS Pacific is capable of providing third party reviews and inspections and accepting payment directly from the applicant at the request of the County. Please see "Third Party Payment Form" in Appendix A.

Inspection Services

JAS Pacific will provide the County with experienced and trained staff to provide inspection services through the contracting of Building Inspectors. All inspectors shall be fully qualified and certified to perform inspections for the discipline in which they are assigned including residential, commercial, industrial, and mixed-use project inspections for compliance to approved plans and related documents. All JAS Pacific assigned Building Inspectors shall be equipped with the necessary tools and equipment when performing building inspection services on behalf of the County. Our approach to providing qualified staff is detailed in "Staff Augmentation Flow Chart." A typical notification time to provide inspection staff resumes for the County to review is 5 business days.

Plan Check Flow Chart

Below, the flow chart outlines the general approach to plan check consulting services for the County to be provided by either a Plan Check Engineer or Plans Examiner and can be modified to best suit the County's needs. The work flow is similar for both on and off-site services.

Staff Augmentation Flow Chart

CUSTOMER SERVICE

Customer service is an ongoing strategy that starts with JAS Pacific's key personnel as they are each accessible to County staff at their convenience and this same strategy is utilized by our assigned staff. We strive to be proactive before issues arise and resolve issues quickly.

Quality Control

JAS Pacific prides itself in the technical capabilities of its staff members and we take a multi-faceted approach to ensuring the quality of work provided to our clients. Quality control is addressed at three different levels including staff work performance, administrative oversight, and customer satisfaction. To ensure satisfactory **Staff Work Performance** and work product quality, staff is encouraged to consult with other staff members on various code-related or jurisdictional topics, seek advice on unique or complex projects, look for specific areas of expertise, and/or learn the new code requirements.

Administrative Oversight is also provided which involves our principal staff maintaining a close working knowledge of the product that our staff provides in order to make sure that their work is of the highest quality through periodic work sampling. Additionally, periodic meetings are held to check their progress and the client's needs. Our administrative staff is also highly trained on up-to-date industry methods in their respective area of expertise.

Lastly, **Quality Control** is addressed through ensuring customer satisfaction. Any issues or complaints are handled immediately upon receipt. The process leading up to resolution is monitored to ensure a satisfactory outcome and processes are followed to prevent a reoccurrence.

Communication

JAS Pacific believes that effective communication at all levels is a key component to our partnership with the County. Our staff is trained and understands that establishing and maintaining professional working relationships with the County is essential to our success. Staff will attend all meetings as necessary and respond to inquiries by the County,

applicants, or other stakeholders promptly and within a 24 hour period. Our general approach to ensuring this includes:

- ✓ **Project Manager** – Oversees Municipal plan check services being provided to the County, maintains close liaison with County staff as well as our assigned staff ensuring overall satisfaction as well as understanding of outstanding assignments. Manages the assignment of all projects to ensure a balanced and manageable workload.
- ✓ **Assigned Staff** – All assigned staff possess the necessary interpersonal skills required to ensure successful and productive working relationships. All staff maintain open and on-going communication with County staff, applicants, officials, and other stakeholders collaborating to ensure customer satisfaction. Staff report out to the Project Manager regularly to ensure all expectations and deadlines are met.
- ✓ **Management** – Available to provide the County with all the necessary support to meet staffing, reporting, and accounting needs.

Service Delivery Transition

JAS Pacific is committed to a smooth transition for the County, staff and the clients we serve. Below our approach to the transition is mapped out and can be modified to best meet the County's needs. We find the most important step in the transition is the Kick Off Meeting. It is here that all expectations are recognized and questions are clarified.

STAFF QUALIFICATIONS

JAS Pacific is prepared to provide as-needed plan check and inspection services to the County and has adequate resources to meet existing and future increased workloads. This provides for an instant reliable workforce to continue providing services within the varied communities throughout the County. With nearly 100 employees, JAS Pacific shall have resources available to meet the County's varying needs through the duration of the contract. All assigned staff have experience with a California City or county and/or in a related construction field.. The area of registration or certification will be closely related to the primary job function, as determined by the County.

Organizational Structure

Understanding that the structure of an organization can have a major impact on project management, JAS Pacific's organizational structure is strategically balanced. Our management team boasts one of the most qualified and affluent building and safety administrations in the industry. Below is JAS Pacific's organizational chart demonstrating the organization of the contracting group:

JAS Pacific proposes to assign Mr. Jack Leonard, PE as the Project Manager and he will manage all aspects of the contract serving as the contact person for building and safety support services.

A civil engineering graduate of California State University at Fresno, Jack Leonard's career encompasses over 30 years of experience in the Building & Safety, Code Enforcement, and Structural Engineering field. Upon graduation, Jack worked in the private sector as a structural design engineer. He later transitioned to the public sector with the City of Bakersfield. Design experience and comprehension of the building codes allowed him to advance his professional career, as he promoted to Building Official with the City of Bakersfield's Building & Safety Division. Desiring to relocate to southern California, he accepted the position of Building Official for the City of Santa Monica.

Jack returned to the private sector where he currently serves as Vice President for JAS Pacific providing consulting services throughout southern California. Mr. Leonard has worked on behalf of JAS Pacific clients in various capacities including, but not limited to, Building Official, Project Manager, Client Liason and Plan Check Engineer. He is currently the Interim Building Official for the City of Santa Monica and has paralleled this position in the cities of Yorba Linda, El Monte, Hawaiian Gardens and Hermosa Beach. Additionally, Mr. Leonard has acted as the Project Manager on numerous clients including Culver City. Mr. Leonard's contact information is as below:
