3 sources:

4	CDBG		\$250,000
5	Local Financial Contribution		<u>0</u>
		Total	\$250,000

6 G. Prior to any changes that may occur which would modify the scope of the
7 Project, the District shall submit a written request to the County. The District shall send its written
8 request to:

9 Community Development Grants
10 County of Fresno
11 Department of Public Works and Planning
12 Community Development Division
2220 Tulare Street, 6th Floor
Fresno, CA 93721

13 If the Director of the County Department of Public Works and Planning (“Director”) determines the
14 modified Project is still eligible under the Federal CDBG regulations, the Director is authorized to
15 permit such modifications. The County shall specify in a letter to the District whether such
16 modifications to the scope of the Project are authorized, and if the District may proceed.

17 II. OBLIGATIONS OF THE COUNTY

18 A. The County shall reimburse the District up to, but not more than, \$250,000
19 in CDBG funds for the Project for the District’s performance of its obligations under this Agreement.
20 All funds shall be paid in accordance with Section V of this Agreement.

21 B. The County shall review, within thirty (30) calendar days of receipt from the
22 District, the engineer selection process description and summary of the analysis as prepared by
23 the District to verify that a competitive process was conducted in accordance with U.S. Department
24 of Housing and Urban Development (HUD) procurement standards. If such conditions have been
25 met, the County shall specify in a letter to the District that these conditions have been met, and
26 that the engineering contract can be awarded.

27 C. The County shall review, within forty-five (45) calendar days of receipt from
28 the District, the design plans and specifications for the Project, as prepared by the District, for

1 compliance with Federal regulations, conformance with applicable code requirements sufficient to
2 allow for construction-related permit issuance, and the total Project cost estimate, to ensure
3 sufficient funds are available to complete the Project. If such conditions have been met, the County
4 shall specify in a letter to the District that these conditions have been met and that the Project can
5 be advertised.

6 D. The County shall also review, within twenty-one (21) calendar days of
7 receipt from the District, the name of the low bidder, and cost or price analysis of the low bid
8 proposal prepared by the District to determine whether the contractor will be reasonably
9 compensated in accordance with Federal requirements, and to verify that the contractor is bonded,
10 and has not been disbarred or suspended from participating in Federal projects. The County shall
11 specify in a letter to the District that the conditions of this Section have been met, and that the
12 contract can be awarded.

13 E. The County shall attend the pre-construction meeting between the District
14 and the contractor to discuss labor compliance requirements for the Project, Project monitoring,
15 and to inform the District and contractor that the County will conduct field reviews to ensure labor
16 compliance and other conditions of the construction contract are being met.

17 F. The County shall conduct periodic inspections of the Project, as may be
18 required, in the determination of the County, to ensure that the intended use and group of
19 beneficiaries of the Project have not changed. Upon completion of the Project, but prior to the
20 District's acceptance of the Project, the County shall conduct a final inspection of the Project. If
21 such conditions have been met, the County shall specify in a letter to the District that these
22 conditions have been met.

23 III. OBLIGATIONS OF THE DISTRICT

24 A. The District shall provide any and all sums of money in excess of \$250,000
25 which may be necessary to complete the Project. For the purposes of awarding the construction
26 of the Project within the Agreement amount, the bid documents shall include any proposed additive
27 or deduct alternatives.

28 B. The District shall demonstrate in writing, and to the County's satisfaction,

1 that it has the authority, operational ability, and financial resources for maintaining the
2 improvements constructed with CDBG funds under this Agreement prior to award of construction
3 of the Project.

4 C. The District shall perform, or cause to be performed, all engineering work
5 required for the Project.

6 D. In selecting an engineer to perform any engineering work required for the
7 Project, the District shall go through a competitive process in accordance with Chapter 4.10 of the
8 Ordinance Code of Fresno County, and HUD procurement standards. Prior to selection of the
9 engineer, the District shall prepare a written description of the process, perform a cost or price
10 analysis, and submit the process description and summary of the analysis to the County
11 Community Development Division for review. The District shall obtain a letter from the County
12 specifying that the conditions of this Section have been met.

13 E. The District shall specify in agreements with its consultants that all
14 engineering work funded with CDBG funds shall become the property of the District upon payment
15 by the District for the cost of such engineering work.

16 F. The District shall furnish evidence to County, prior to the County's

19 has obtained or can obtain all necessary easements, rights-of-way, licenses, permits, and State
20 and local approvals required for the completion of the Project.

21 G. Upon completion of the design engineering, the District shall submit the
22 plans and specifications to the County Community Development Division. The County will ensure
23 Federal CDBG requirements have been adhered to and review cost estimates to ensure sufficient
24 funds are available. The District shall obtain a letter from the County specifying these conditions
25 have been met and that the District is approved to advertise for bids to construct the Project.

26 H. The District shall advertise for bids, and shall award the construction
27 contract to the lowest responsible bidder. At least ten (10) calendar days prior to the bid opening,
28 the District shall notify the County of the date, time, and location of the bid opening.

1 I. Within seven (7) calendar days following the bid opening, the District shall
2 furnish the Community Development Division with the name of the low bidder and cost or price
3 analysis of the low bid proposal prepared by the District, so that the County can verify with the
4 Labor Relations and Equal Opportunity Division of the HUD Area Office that the low bidder has not
5 been debarred or suspended from participating in Federal projects, and that the contractor will be
6 reasonably compensated in accordance with Federal requirements. The District shall obtain a
7 letter from the County specifying these conditions have been met and that the District is approved
8 to award the Project for construction.

9 J. The District shall conduct a pre-construction meeting with the contractor,
10 and shall notify the County Community Development Division at least ten (10) calendar days prior
11 to the meeting so a representative of the County can attend to discuss CDBG labor compliance
12 requirements for the Project.

13 K. The District shall require the contractor, and all subcontractors, to submit
14 labor compliance documentation, including Certified Payroll, in the manner specified by the
15 County's Labor Compliance Officer, including the use of electronic systems such as LCPtracker.

16 L. Prior to the construction start date, the District shall give written notice
17 thereof, to include a copy of the executed contract between the District and the Contractor and the
18 Notice to Proceed to the County Community Development Division.

19 M. Concurrent with the submission of the first construction progress payment
20 request, the District shall provide documentation demonstrating that all construction-related
21 required permits have been issued by the County.

22 N. All proposed construction contract change orders shall not proceed until
23 prior written approval has been given by the County. Request for approval of a change order(s)
24 shall include a narrative description of the work, a cost or price analysis in accordance with HUD
25 requirements, a map depicting the location of the work addressed with the requested change order,
26 and a written certification from the District that the approval of the change order is consistent with
27 the final construction cost estimate approved by the County. In addition, the District shall certify
28 that the change order is within the scope of the Project and is necessary to complete the Project.

1 O. The District shall send its written description of the engineer selection
2 process, cost or price analyses, design plans, specifications, name of low bidder and low bid
3 proposal, public notices, and all written correspondence to:

4
5 Community Development Grants
6 County of Fresno
7 Department of Public Works and Planning
8 Community Development Division
9 2220 Tulare Street, 6th Floor
10 Fresno, CA 93721

11 P. The District shall comply with the conditions and notes identified in
12 Environmental Review No. 7922 (the "Review"). A copy of the Review will be provided to the
13 District.

14 Q. Upon completion of the Project, the District shall notify the County
15 Community Development Division so a representative of the Division can perform an inspection of
16 the Project to determine that it was completed in accordance with the scope of work approved and
17 authorized pursuant to this executed Agreement.

18 R. Upon approval of Project completion by the County, the District shall provide
19 the County Community Development Division with a resolution of acceptance, or similar
20 documentation, demonstrating that the Project was completed in accordance with the scope of
21 work approved and authorized pursuant to this executed Agreement, and any approved
22 subsequent amendments and/or change orders, and that the District has accepted the Project.
23 Prior to the final request for payment, the District shall also provide the County with a copy of the
24 recorded Notice of Completion (NOC), a written summary of all Project work completed with CDBG
25 and other funds, and documentation to demonstrate compliance with Section 3 of the Housing and
26 Urban Development Act of 1968, as amended.

27 S. During the contract period, the District shall complete and submit annually
28 on June 1, and upon completion of the Project, a Project Outcome Measurement Report (POM)
form, a copy of which is attached hereto as Exhibit 1 and incorporated herein by reference. The
POM shall contain the following information for the County's Federal reporting purposes to the
U.S. Department of Housing and Urban Development (HUD):

- 1 1. Total number of households/persons assisted.
- 2 2. Number of total households/persons assisted that:
- 3 a. Now have new access to this type of public facility or
- 4 infrastructure improvement.
- 5 b. Now have improved access to this type of public facility or
- 6 infrastructure improvement.
- 7 c. Now are served by public facility or infrastructure that is no
- 8 longer substandard.

9 T. The District shall be responsible for maintenance of the Project after
10 construction is completed, and shall perform such maintenance from non-CDBG resources.

11 U. The District must inform the County in writing of any program income
12 generated by the expenditure of CDBG funds. Any program income generated as a result of the
13 Project must be paid to the County. For purposes of this Agreement, program income is defined
14 as proceeds from the disposition of CDBG-acquired real property, and principal and interest on
15 CDBG loans. If the District contributed financially to the improvement Project, the District may
16 retain a share of the program income in proportion to the District's contribution to the Project, after
17 the District has provided a written accounting acceptable to the County.

18 V. The District must obtain prior written approval from the County before
19 making any modification or change in the use of any real property improved, in whole or in part,
20 using CDBG funds in excess of \$25,000. The District shall provide affected citizens with notice of,
21 and opportunity to comment on, any proposed change to the use of real property improved with
22 CDBG funds. If any real property improved with CDBG funds is sold and/or is utilized by the District
23 for a use which does not qualify under the CDBG Program, the District shall reimburse the County
24 in an amount equal to the current fair market value for the property, less any proportional share
25 thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in
26 effect for five years after the Project is completed in HUD's Integrated Disbursement and
27 Information System (IDIS). In the event the CDBG program is closed-out, the requirements of this
28 Section shall remain in effect for activities or property funded with CDBG funds, unless action is

1 taken by the Federal government to relieve the District of these obligations.

2 W. The District acknowledges that the County may periodically inspect the
3 Project to ensure that the property is being used as described in this Agreement. The District
4 agrees to provide any necessary information to the County to carry out such inspections.
5 Furthermore, the District agrees to take corrective action if the County determines that
6 modifications to the use and location of the Project have resulted in a violation of the Federal
7 CDBG regulations.

8 IV. CONFORMANCE WITH APPLICABLE LAWS AND REGULATIONS

9 A. The District shall, and shall cause its consultants, contractors, and
10 subcontractors to, comply with all applicable State and Federal laws and regulations governing the
11 Project.

12 B. Whenever the District uses the services of a contractor, the District shall
13 require that the contractor comply with all Federal, State and local laws, ordinances, regulations
14 and Fresno County Charter provisions applicable in the performance of their work.

15 C. This Project is subject to the requirements of Section 3 of the Housing and
16 Urban Development Act of 1968, as amended, 12 U.S.C. 1701(u). Accordingly, the District shall
17 require the prime contractor to complete and submit documentation prior to award of the
18 construction contract and upon Project completion that compliance with the Section 3 clause has
19 been met.

20 D. Non-Discrimination: The District agrees to comply with the non-
21 discrimination in employment and contracting opportunities laws, regulations, and executive orders
22 referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-
23 discrimination provisions in Section 109 of the Housing and Community Development Act of 1974
24 are still applicable.

25 E. Because the District is receiving at least \$100,000 for this Project from the
26 County's CDBG Program under this Agreement, the District shall complete and submit to the
27 County Community Development Division a "Certification of Payments to Influence Federal
28 Transactions" form and a "Standard Form LLL - Disclosure of Lobbying Activities" form. Likewise,

1 before the District awards a contract using at least \$100,000 of such CDBG funds, the District shall
2 require the consultant and/or contractor and all their sub-consultants and/or subcontractors to
3 complete and submit these two (2) forms described hereinabove to both the District and the
4 County.

5 F. Records Retention: The District shall retain all financial records, supporting
6 documents, statistical records and all other records pertinent to this Agreement for a period of four
7 (4) years from the date of the submission of the County's consolidated annual performance and
8 evaluation report to HUD in which the activities assisted under this Agreement are reported on for
9 the final time. If there is litigation, claims, audits, negotiations or other actions that involve any of
10 the records cited and that have started before the expiration of the four-year record retention
11 period, such records must be retained until completion of the actions and resolution of all issues,
12 or the expiration of the four-year period, whichever occurs later (24 CFR 570.502, 570.503(b)(2),
13 570.506).

14 V. PAYMENT FOR THE PROJECT

15 A. At monthly intervals, the District shall submit a written request to the County
16 for payment of specified costs incurred in the performance of this Agreement. The request for the
17 County to make such a payment shall be in accordance with the exemplar Project Pay Request
18 Form attached hereto as Exhibit 2 and incorporated herein by reference. The request shall also
19 be accompanied by a written certification from the District that the request for payment is consistent
20 with the amount of work that has been completed, and that said work is in accordance with the
21 construction contract documents and this Agreement. The request for payment shall also be
22 accompanied by documentation acceptable to the County, such as checks, invoices or vouchers
23 for services or materials purchased, contractor's costs, or other costs chargeable to the Project.
24 The first construction progress payment request shall also be accompanied by documentation
25 demonstrating that all construction-related required permits have been issued by the County. After
26 appropriate review and inspection, the County shall make payment from CDBG funds provided in
27 this Agreement for all eligible costs specified herein up to the maximum amount payable under
28 Section I.

1 B. Any savings realized in the final cost of the Project, due to Project cost
2 and/or scope of work reductions, liquidated damages, or any other reason, shall be used to reduce
3 the amount of this Project paid for with CDBG funds.

4 C. Payment for advertising and award shall be based on the actual costs of
5 printing and noticing.

6 D. The County will not be bound by any agreement between the District and its
7 agents.

8 E. The County may withhold payment of the final payment request made by
9 the District until evidence is submitted to the County that a maintenance plan has been prepared
10 and adopted for the improvements constructed with CDBG funds.

11 F. Upon the completion of the Project, the District shall submit to the
12 County Community Development Division a written request for final payment of costs, which
13 shall provide a detailed description of the Project pay items and costs. The final pay request
14 shall be in accordance with Exhibit 2. The County shall not be obligated to make any payments
15 under this Agreement if the request for payment is submitted by the District more than sixty
16 (60) days after the Notice of Completion has been filed with the County Recorder's Office. An
17 extension to the sixty (60) day period may be granted by the Director prior to the deadline if the
18 District can demonstrate just cause for the delay.

19 G. The County may withhold payment of the final payment request made by
20 the District until a final POM, recorded NOC, written summary of all Project work completed with
21 CDBG and other funds, and evidence of compliance with the Section 3 clause, as specified in
22 Sections III-Q and IV-C, have been submitted to the County.

23 H. All requests for payment and supporting documentation shall be sent to:
24 Business Manager
25 County of Fresno
26 Department of Public Works and Planning
27 Financial Services Division
28 2220 Tulare Street, 6th Floor
 Fresno, CA 93721

 I. The District shall establish accounting and bookkeeping procedures in

1 accordance with standard accounting and bookkeeping practices, including, but not limited to,
2 employee timecards; payrolls; and other records of all transactions to be paid with CDBG funds in
3 accordance with the performance of this Agreement. All records and accounts shall be available
4 for inspection by the County, the State of California, if applicable, the Comptroller General of the
5 United States, and HUD or any of their duly authorized representatives at all reasonable times for
6 a period as specified in Section IV-F. The District shall certify accounts when required or requested
7 by the County.

8 J. The District, as a subrecipient of Federal financial assistance, is required to
9 comply with the provisions of the Single Audit Act Amendments of 1996 (31 U.S.C. Sections 7501
10 et seq.). Whenever the District receives CDBG funds from the County for the Project, a copy of
11 any audit performed by the District in accordance with said Act shall be forwarded to the County
12 Community Development Grants Program Manager within nine (9) months of the end of any
13 District fiscal year in which funds were expended and/or received for the Project. Failure to perform
14 the requisite audit functions as required by this paragraph may result in the County performing any
15 necessary audit tasks or, at the County's option, the County contracting with a public accountant
16 to perform the audit. All audit costs related to the District's failure to perform the requisite audit are
17 the sole responsibility of the District, and such audit work costs incurred by the County shall be
18 billed to the District, as determined by County's Auditor-Controller/Treasurer-Tax Collector. In the
19 event the District is only required to perform an audit under the provisions of the Act because the
20 District is receiving CDBG funds, the County may perform, or cause to be performed, the required
21 audit to determine whether funds provided through this Agreement have been expended in
22 accordance with applicable laws and regulations. Any audit-related costs incurred by the County
23 under this provision shall be charged to the County CDBG Program. The District agrees to take
24 prompt and appropriate corrective action on any instance of material non-compliance with
25 applicable laws and regulations.

26 K. The District shall send a copy of the audit to:
27
28

8 The District shall indemnify, defend, and save harmless the County, its officers,
9 agents, and employees from and against any and all damages, claims, and losses whatsoever

11 furnishing or supplying work, services, materials, or supplies in connection with the performance
12 of this Agreement, and from any and all damages, claims, and losses (including attorney's fees
13 and costs) occurring or resulting to any person, firm, or corporation for damage, injury, or death
14 arising out of or connected with the District's performance of, or failure to perform, its obligations
15 under this Agreement. The provisions of this Section VI shall survive the termination of this

7 objectives. The Director is authorized to make adjustments in the above schedule if, in the
8 Director's judgment, any delay is beyond the control of the parties involved.

9 E. Time is of the essence in the District's performance of this Agreement.

10 VIII. BREACH OF AGREEMENT

11 In the event the District fails to comply with any of the terms of this Agreement, the
12 County may, at its option, deem the District's failure a material breach of this Agreement, and utilize
13 any remedies permitted by law that the County deems appropriate. Should the County deem a
14 breach of this Agreement material, the County shall immediately be relieved of its obligations to
15 make further payment as provided herein. Termination of this Agreement due to breach shall not,

28 approved by the Director, the District shall promptly return to the County all CDBG funds paid by

1 the County to District pursuant to this Agreement.
