CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

Hi Mr. Cornuelle:

We spoke with our attorney today, and although he feels very confident we have enough legal documentation to overturn this tentative award, the associated legal costs/time would most likely put this contract at a deficit for at least the first year.

We have enjoyed working with the County for six years, and wish you the best going forward. We will begin closing our operations in Fresno, however, if you find that Brain Learning is not able to fulfil the needed services, and you are able to honor our RFP submission, please reach out to us in a timely manner. We have been told on numerous occasions that FACTS was the best vendor ever used for this service within the County of Fresno and strongly believe you will find you have significant issues with your chosen vendor.
