Dear Chairman Pacheco:

It is my understanding that the Board will be considering a report by Fresno County Staff on the County's Five-Year Capital Improvement Program (CIP) on Tuesday, September 12. It is also my understanding that some of the projects in the CIP will be included in a study to determine a new Public Facilities Fee.

In that we have just received a copy of the CIP, we will not have sufficient time prior to next Tuesday to review it or to discuss with Staff its ramifications on any new fee. Therefore, we are asking for a delay of 60 days to provide sufficient time to review the CIP and to meet with Staff to resolve any issues.

Thank you for your consideration with this matter.

Sincerely,

Michael Prandini
President and CEO
