

1 **SERVICE AGREEMENT**

2 This Service Agreement (“Agreement”) is dated December 3, 2024 and is between  
3 Jones-Walbaum Corporation dba American Business Machines, a California corporation  
4 (“Contractor”), and the County of Fresno, a political subdivision of the State of California  
5 (“County”).

6 **Recitals**

7 A. The County has a need for three high-speed, high-volume digital black and white copiers  
8 and one high-speed, high-volume digital color copier.

9 B. On July 16, 2024, the County issued Request for Proposal (“RFP”) No. 25-004 for the  
10 lease and maintenance of three high-speed, high-volume digital black-and-white copiers and  
11 one high-speed, high-volume digital color copier, which closed on August 12, 2024. Nine  
12 proposals were received during that period; eight proposals were deemed responsive, and one  
13 proposal was deemed non-responsive. Each responsive bid was reviewed by a panel of three  
14 representatives from the Internal Services Department and a recommendation was made to  
15 award the Contractor.

16 C. The County desires to engage the Contractor to lease and maintain three high-speed,  
17 high-volume digital black and white copiers and one high-speed, high-volume digital color  
18 copier. The Contractor is qualified and willing to provide the specified equipment and  
19 subsequent services as detailed in this Agreement.

23 accessories listed in Exhibit B.

24 The Contractor acknowledges that the County is a local government entity, and does so with  
25 notice that the County’s powers are limited by the California Constitution and by State law, and  
26 with notice that the Contractor may receive compensation under this Agreement only for  
27 services performed according to the terms of this Agreement and while this Agreement is in  
28 effect, and subject to the maximum amount payable under this section. The Contractor further

24 of Title 1 of the Government Code, beginning with section 810).

## 25   Article 6

### 26   Termination and Suspension

27           6.1     **Termination for Non-Allocation of Funds.** The terms of this Agreement are  
28 contingent on the approval of funds by the appropriating government agency. If sufficient funds

1 are not allocated, then the County, upon at least 30 days' advance written notice to the  
2 Contractor, may:

- 3 (A) Modify the services provided by the Contractor under this Agreement; or
- 4 (B) Terminate this Agreement.

5 **6.2 Termination for Breach.**

6 (A) Upon determining that a breach (as defined in paragraph (C) below) has  
7 occurred, the County may give written notice of the breach to the Contractor. The written  
8 notice may suspend performance under this Agreement, and must provide at least 30  
9 days for the Contractor to cure the breach.

10 (B) If the Contractor fails to cure the breach to the County's satisfaction within the  
11 time stated in the written notice, the County may terminate this Agreement immediately.

12 (C) For purposes of this section, a breach occurs when, in the determination of the  
13 County, the Contractor has:

- 14 (1) Obtained or used funds illegally or improperly;
- 15 (2) Failed to comply with any part of this Agreement;
- 16 (3) Submitted a substantially incorrect or incomplete report to the County; or
- 17 (4) Improperly performed any of its obligations under this Agreement.

18 **6.3 Termination without Cause.** In circumstances other than those set forth above, the  
19 County may terminate this Agreement by giving at least 30 days advance written notice to the  
20 Contractor.

21 **6.4 No Penalty or Further Obligation.** Any termination of this Agreement by the County  
22 under this Article 6 is without penalty to or further obligation of the County.

23 **6.5 County's Rights upon Termination.** Upon termination for breach under this Article  
24 6, the County may demand repayment by the Contractor of any monies disbursed to the  
25 Contractor under this Agreement that, in the County's sole judgment, were not expended in  
26 compliance with this Agreement. The Contractor shall promptly refund all such monies upon  
27 demand. This section survives the termination of this Agreement.

1 **Article 7**

2 **Independent Contractor**

3 7.1 **Status.** In performing under this Agreement, the Contractor, including its officers,  
4 agents, employees, and volunteers, is at all times acting and performing as an independent  
5 contractor, in an independent capacity, and not as an officer, agent, servant, employee, joint  
6 venturer, partner, or associate of the County.

7 7.2 **Verifying Performance.** The County has no right to control, supervise, or direct the  
8 manner or method of the Contractor's performance under this Agreement, but the County may  
9 verify that the Contractor is performing according to the terms of this Agreement.

10 7.3 **Benefits.** Because of its status as an independent contractor, the Contractor has no  
11 right to employment rights or benefits available to County employees. The Contractor is solely  
12 responsible for providing to its own employees all employee benefits required by law. The  
13 Contractor shall save the County harmless from all matters relating to the payment of the  
14 Contractor's employees, including compliance with Social Security withholding and all related  
15 regulations.

16 7.4 **Services to Others.** The parties acknowledge that, during the term of this  
17 Agreement, the Contractor may provide services to others unrelated to the County.

18 **Article 8**

19 **Indemnity and Defense**

20 8.1 **Indemnity.** The Contractor shall indemnify and hold harmless and defend the  
21 County (including its officers, agents, employees, and volunteers) against all claims, demands,  
22 injuries, damages, costs, expenses (including attorney fees and costs), fines, penalties, and  
23 liabilities of any kind to the County, the Contractor, or any third party that arise from or relate to  
24 the performance or failure to perform by the Contractor (or any of its officers, agents,  
25 subcontractors, or employees) under this Agreement. The County may conduct or participate in  
26 its own defense without affecting the Contractor's obligation to indemnify and hold harmless or  
27 defend the County.

28 8.2 **Survival.** This Article 8 survives the termination of this Agreement.

1 **Article 9**

2 **Insurance**

3 9.1 The Contractor shall comply with all the insurance requirements in Exhibit D to this  
4 Agreement.

5 **Article 10**

6 **Inspections, Audits, and Public Records**

7 10.1 **Inspection of Documents.** The Contractor shall make available to the County, and  
8 the County may examine at any time during business hours and as often as the County deems  
9 necessary, all of the Contractor's records and data with respect to the matters covered by this  
10 Agreement, excluding attorney-client privileged communications. The Contractor shall, upon  
11 request by the County, permit the County to audit and inspect all of such records and data to  
12 ensure the Contractor's compliance with the terms of this Agreement.

13 10.2 **State Audit Requirements.** If the compensation to be paid by the County under this  
14 Agreement exceeds \$10,000, the Contractor is subject to the examination and audit of the  
15 California State Auditor, as provided in Government Code section 8546.7, for a period of three  
16 years after final payment under this Agreement. This section survives the termination of this  
17 Agreement.

18 10.3 **Public Records.** The County is not limited in any manner with respect to its public  
19 disclosure of this Agreement or any record or data that the Contractor may provide to the  
20 County. The County's public disclosure of this Agreement or any record or data that the  
21 Contractor may provide to the County may include but is not limited to the following:

22 (A) The County may voluntarily, or upon request by any member of the public or  
23 governmental agency, disclose this Agreement to the public or such governmental  
24 agency.

25 (B) The County may voluntarily, or upon request by any member of the public or  
26 governmental agency, disclose to the public or such governmental agency any record or  
27 data that the Contractor may provide to the County, unless such disclosure is prohibited  
28 by court order.

1 (C) This Agreement, and any record or data that the Contractor may provide to the  
2 County, is subject to public disclosure under the Ralph M. Brown Act (California  
3 Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with section 54950).

4 (D) This Agreement, and any record or data that the Contractor may provide to the  
5 County, is subject to public disclosure as a public record under the California Public  
6 Records Act (California Government Code, Title 1, Division 10, Chapter 3, beginning  
7 with section 7920.200) ("CPRA").

8 (E) This Agreement, and any record or data that the Contractor may provide to the  
9 County, is subject to public disclosure as information concerning the conduct of the  
10 people's business of the State of California under California Constitution, Article 1,  
11 section 3, subdivision (b).

12 (F) Any marking of confidentiality or restricted access upon or otherwise made with  
13 respect to any record or data that the Contractor may provide to the County shall be  
14 disregarded and have no effect on the County's right or duty to disclose to the public or  
15 governmental agency any such record or data.

16 **10.4 Public Records Act Requests.** If the County receives a written or oral request  
17 under the CPRA to publicly disclose any record that is in the Contractor's possession or control,  
18 and which the County has a right, under any provision of this Agreement or applicable law, to  
19 possess or control, then the County may demand, in writing, that the Contractor deliver to the  
20 County, for purposes of public disclosure, the requested records that may be in the possession  
21 or control of the Contractor. Within five business days after the County's demand, the  
22 Contractor shall (a) deliver to the County all of the requested records that are in the Contractor's  
23 possession or control, together with a written statement that the Contractor, after conducting a  
24 diligent search, has produced all requested records that are in the Contractor's possession or  
25 control, or (b) provide to the County a written statement that the Contractor, after conducting a  
26 diligent search, does not possess or control any of the requested records. The Contractor shall  
27 cooperate with the County with respect to any County demand for such records. If the  
28 Contractor wishes to assert that any specific record or data is exempt from disclosure under the

1 CPRA or other applicable law, it must deliver the record or data to the County and assert the  
2 exemption by citation to specific legal authority within the written statement that it provides to  
3 the County under this section. The Contractor's assertion of any exemption from disclosure is  
4 not binding on the County, but the County will give at least 10 days' advance written notice to  
5 the Contractor before disclosing any record subject to the Contractor's assertion of exemption  
6 from disclosure. The Contractor shall indemnify the County for any court-ordered award of costs  
7 or attorney's fees under the CPRA that results from the Contractor's delay, claim of exemption,  
8 failure to produce any such records, or failure to cooperate with the County with respect to any  
9 County demand for any such records.

## 10 **Article 11**

### 11 **Disclosure of Self-Dealing Transactions**

12 11.1 **Applicability.** This Article 11 applies if the Contractor is operating as a corporation,  
13 or changes its status to operate as a corporation.

14 11.2 **Duty to Disclose.** If any member of the Contractor's board of directors is party to a  
15 self-dealing transaction, he or she shall disclose the transaction by completing and signing a  
16 "Self-Dealing Transaction Disclosure Form" (Exhibit C to this Agreement) and submitting it to  
17 the County before commencing the transaction or immediately after.

18 11.3 **Definition.** "Self-dealing transaction" means a transaction to which the Contractor is  
19 a party and in which one or more of its directors, as an individual, has a material financial  
20 interest.

## 21 **Article 12**

### 22 **General Terms**

23 12.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this  
24 Agreement may not be modified, and no waiver is effective, except by written agreement signed  
25 by both parties. The Contractor acknowledges that County employees have no authority to  
26 modify this Agreement except as expressly provided in this Agreement.

27 12.2 **Non-Assignment.** Neither party may assign its rights or delegate its obligations  
28 under this Agreement without the prior written consent of the other party.

1       12.3 **Governing Law.** The laws of the State of California govern all matters arising from  
2 or related to this Agreement.

3       12.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno  
4 County, California. The Contractor consents to California jurisdiction for actions arising from or  
5 related to this Agreement, and, subject to the Government Claims Act, all such actions must be  
6 brought and maintained in Fresno County.

7       12.5 **Construction.** The final form of this Agreement is the result of the parties' combined  
8 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be  
9 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement  
10 against either party.

11       12.6 **Days.** Unless otherwise specified, "days" means calendar days.

12       12.7 **Headings.** The headings and section titles in this Agreement are for convenience  
13 only and are not part of this Agreement.

14       12.8 **Severability.** If anything in this Agreement is found by a court of competent  
15 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in  
16 effect, and the parties shall make best efforts to replace the unlawful or unenforceable part of  
17 this Agreement with lawful and enforceable terms intended to accomplish the parties' original  
18 intent.

19       12.9 **Nondiscrimination.** During the performance of this Agreement, the Contractor shall  
20 not unlawfully discriminate against any employee or applicant for employment, or recipient of  
21 services, because of race, religious creed, color, national origin, ancestry, physical disability,  
22 mental disability, medical condition, genetic information, marital status, sex, gender, gender  
23 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to  
24 all applicable State of California and federal statutes and regulation.

25       12.10 **No Waiver.** Payment, waiver, or discharge by the County of any liability or obligation  
26 of the Contractor under this Agreement on any one or more occasions is not a waiver of  
27 performance of any continuing or other obligation of the Contractor and does not prohibit  
28 enforcement by the County of any obligation on any other occasion.

1       12.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement  
2 between the Contractor and the County with respect to the subject matter of this Agreement,  
3 and it supersedes all previous negotiations, proposals, commitments, writings, advertisements,  
4 publications, and understandings of any nature unless those things are expressly included in  
5 this Agreement. If there is any inconsistency between the terms of this Agreement without its  
6 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving  
7 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the  
8 exhibits.

9       12.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to  
10 create any rights or obligations for any person or entity except for the parties.

11       12.13 **Authorized Signature.** The Contractor represents and warrants to the County that:

12               (A) The Contractor is duly authorized and empowered to sign and perform its  
13 obligations under this Agreement.

14               (B) The individual signing this Agreement on behalf of the Contractor is duly  
15 authorized to do so and his or her signature on this Agreement legally binds the  
16 Contractor to the terms of this Agreement.

17       12.14 **Electronic Signatures.** The parties agree that this Agreement may be executed by  
18 electronic signature as provided in this section.

19               (A) An “electronic signature” means any symbol or process intended by an individual  
20 signing this Agreement to represent their signature, including but not limited to (1) a  
21 digital signature; (2) a faxed version of an original handwritten signature; or (3) an  
22 electronically scanned and transmitted (for example by PDF document) version of an  
23 original handwritten signature.

24               (B) Each electronic signature affixed or attached to this Agreement (1) is deemed  
25 equivalent to a valid original handwritten signature of the person signing this Agreement  
26 for all purposes, including but not limited to evidentiary proof in any administrative or  
27 judicial proceeding, and (2) has the same force and effect as the valid original  
28 handwritten signature of that person.

1 (C) The provisions of this section satisfy the requirements of Civil Code section  
2 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3,  
3 Part 2, Title 2.5, beginning with section 1633.1).

4 (D) Each party using a digital signature represents that it has undertaken and  
5 satisfied the requirements of Government Code section 16.5, subdivision (a),  
6 paragraphs (1) through (5), and agrees that each other party may rely upon that  
7 representation.

8 (E) This Agreement is not conditioned upon the parties conducting the transactions  
9 under it by electronic means and either party may sign this Agreement with an original  
10 handwritten signature.

11 12.15 **Counterparts.** This Agreement may be signed in counterparts, each of which is an  
12 original, and all of which together constitute this Agreement.

## Insurance Requirements

### 1. Required Policies

Without limiting the County's right to obtain indemnification from the Contractor or any third parties, the Contractor, at its sole expense, shall maintain in full force and effect the following insurance policies throughout the term of this Agreement.

- (A) **Commercial General Liability.** Commercial general liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and an annual aggregate of Four Million Dollars (\$4,000,000). This policy must be issued on a per occurrence basis. Coverage must include products, completed operations, property damage, bodily injury, personal injury, and advertising injury. The Contractor shall obtain an endorsement to this policy naming the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, as additional insureds, but only insofar as the operations under this Agreement are concerned. Such coverage for additional insureds will apply as primary insurance and any other insurance, or self-insurance, maintained by the County is excess only and not contributing with insurance provided under the Contractor's policy.
  - (B) **Automobile Liability.** Automobile liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for property damages. Coverage must include any auto used in connection with this Agreement.
  - (C) **Workers Compensation.** Workers compensation insurance as required by the laws of the State of California with statutory limits.
  - (D) **Employer's Liability.** Employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for disease.
  - (E) **Professional Liability.** Professional liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence and an annual aggregate of Three Million Dollars (\$3,000,000). If this is a claims-made policy, then (1) the retroactive date must be prior to the date on which services began under this Agreement; (2) the Contractor shall maintain the policy and provide to the County annual evidence of insurance for not less than five years after completion of services under this Agreement; and (3) if the policy is canceled or not renewed, and not replaced with another claims-made policy with a retroactive date prior to the date on which services begin under this Agreement, then the Contractor shall purchase extended reporting coverage on its claims-made
- Additional Requirements**

- (A) **Verification of Coverage.** Within 30 days after the Contractor signs this Agreement, and at any time during the term of this Agreement as requested by the County's Risk Manager or the County Administrative Office, the Contractor shall deliver, or cause its broker or producer to deliver, to the County Risk Manager, at 2220 Tulare Street, 16th Floor, Fresno, California 93721, or [HRRiskManagement@fresnocountyca.gov](mailto:HRRiskManagement@fresnocountyca.gov), and by mail or email to the person identified to receive notices under this Agreement, certificates of insurance and endorsements for all of the coverages required under this Agreement.

## Exhibit D

- (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the County, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
  - (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor's policy.
  - (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
  - (iv) The professional liability insurance certificate, if it is a claims-made policy, must also state the retroactive date of the policy, which must be prior to the date on which services began under this Agreement.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the County, or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.

## Exhibit D

- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.
- (G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.
