

SUMMARY OF PROPOSED ORDINANCE

The Ordinance will amend the Fresno County Master Schedule of Fees, Charges and Recovered Costs, by adding Subsection 2611 of Section 2600, which relates to fees charged to recover costs associated with California Public Records Act requests in connection with various types of records or copies, as applicable, to be provided by the Sheriff's Office personnel to the public, including, but not limited to, certain costs of the construction of certain records, if applicable, mailing costs in connection with responding to the requests, certain labor costs, and costs of certain media devices provided by the Sheriff's Office personnel to the public.
