Master Emergency Operation Plan

Department of Public Health
www.fcdph.org

Fresno County Operational Area Master Emergency Services Plan

The Fresno County Office of Emergency Services has prepared this document to:

- Serve as a guide for response to an emergency/disaster
 - Unincorporated areas for the OA
 - Coordinate and assist local jurisdictions within and outside the OA

Department of Public Health
www.fcdph.org

Fresno County Operational Area Master Emergency Services Plan

Objective:

Incorporate and coordinate all the facilities and personnel of Fresno County into an efficient organization capable of responding to any emergency.
