16 with no less than 14 days in between visits, assisting Receiving County in maintaining contact
17 with the Youth's family, and providing requested information or input in the Youth's case plan. In
18 no event may any such case management services be provided by a Sending County's vendor
19 at the JJC site. If the Sending County assists any Youth with their transition back from the JJC
20 to the Sending County's designated location, by using any of Receiving County's vendors to
21 provide any programming, including for continuity of services, Sending County shall be solely
22 responsible for arranging for such vendor to provide such services and administering such
23 services, and in any event, such vendor shall provide such services off-site from the JJC, and

5 Access to the data shall be limited to Receiving County's staff assigned to Program, Planning,
6 and Evaluation. Receiving County agrees, in return, to share data with the Sending County as
7 outlined above, and as such, Sending County agrees not to disclose to any unauthorized group
8 or individual any of such information obtained pursuant to this Agreement, and access to the
9 data shall be limited to Sending County's staff assigned to Sending County's Program,
10 Planning, and Evaluation.

11 1.6.4 Cooperate with Receiving County and Receiving County staff in the
12 performance of all work and services hereunder.

13 1.6.5 Obtain any court orders required under Welfare and Institutions Code §
14 872, which may be necessary for Sending County's youth to remain at the JJC.

15 1.7 **Limitations**. Notwithstanding anything to the contrary in this Agreement:

16 1.7.1 Receiving County's Probation Chief, may, at their complete and absolute
17 discretion, determine that a particular Youth referred by Sending County is not appropriate for
18 placement, and may decline to accept such Youth of the Sending County; notice that the
19 Receiving County has declined to accept a youth referred by Sending County shall be sent to
20 Sending County's Probation Chief;

21 1.7.2 Receiving County also has the discretion to add Youth to a waiting list, if
22 Receiving County determines there is not adequate space for such Youth at the JJC; and

23 1.7.3 Sending County represents, covenants, and warrants to Receiving
24 County that none of the Youth are wards or detainees of federal law enforcement agencies or
25 charged with any federal crimes.

26 1.8 **Access to Probation Department Facilities**. Sending County's employees shall
27 be permitted reasonable access to the JJC for the purpose of performing the services required
28 under this Agreement. It is understood and agreed that such Sending County employees may

not be accompanied by any third parties, except for the limited purpose of drop-off, or pick-up, of the Youth at the JJC. Sending County agrees to comply with all Receiving County policies and procedures, including policies regarding the Prison Rape Elimination Act of 2003 (PREA), no firearms allowed in Receiving County facilities, and any directives issued by Probation Department staff relating to safety and security while Youth is receiving services in the JJC.

2. **Payment.**

2.1 **Rates for Services.**

2.1.1 Sending County shall pay Receiving County the Daily rate based on the Receiving County's Master Schedule of Fees Section 1800-Probation under Subsection 1815, attached as Exhibit B to this Agreement. The Daily rate is subject to change annually based on the Receiving County's Master Schedule of Fees Section 1800-Probation under Subsection 1815. Sending County and Receiving County agree that if and when the Master Schedule of Fees Subsection 1815 is amended, changed, or revised in any way that changes the rates being charged for the services identified in this Agreement, such amended, changed, or revised rates will automatically be incorporated into this Agreement, replacing any contrary or conflicting rates, from the effective date of the amendment, change, or revision in the rate(s), and will become the new rate to be paid by Sending County for services provided, from the effective date of the rate change forward. Receiving County shall provide written notice to Sending County when the approved Master Schedule of Fees Section 1800-Probation under Subsection 1815 is amended, changed, or revised.

2.1.2 Payment of the daily fees described in Section 2.1.1 shall constitute full payment and satisfaction of the obligation of Sending County for its Youth for the cost of housing the Youth, except as otherwise specified in Sections 2.2, 2.3, and 2.4 of this Agreement. Receiving County shall bill Sending County monthly in arrears for the provision of services. Billing shall commence on the day of the Youth's admission to the JJC, and will terminate on the day prior to Youth's release. Unless otherwise noted in this Agreement, Sending County shall make payments within the normal course of Sending County's business within 30 days after presentation of an invoice by Receiving Party for services performed.

1 2.2 **Cost of Medical Care for Sending County's Youth.** Sending County agrees to
2 assume sole responsibility for, and to fully reimburse Receiving County for, all costs incurred for
3 any and all non-routine medical, dental, optical, surgical, psychiatric/mental health,
4 hospitalization, and similar services and/or treatment ("Special Medical Costs") provided to or
5 performed on a Youth of the Sending County. Sending County shall pay for such Special
6 Medical Costs within 30 days of billing by Receiving Party (date on which invoice is mailed).

7 2.2.1. Routine medical examinations, such as annual routine physical exams,
8 treatment for minor illnesses that would otherwise be self-treatable if the youth were not
9 confined, and first aid, shall be included in the rate charged to the Sending County pursuant to
10 Section 2.1.1, and shall not be billed as Special Medical Costs. Minor illness is defined as
11 illnesses that are not urgent or not life-threatening.

12 2.2.2. Sending County shall provide Receiving County with a 30-day supply of
13 any prescription medication prescribed to Youth at the time of admission, referred to as bridging
14 medication.

15 2.3 **Cost of Transporting Sending County Youth.** Sending County agrees to
16 provide for transportation of Sending County's Youth both ways between the Sending County
17 and the JJC.

18 2.4 **Cost of Extraordinary Services for Sending County's Youth.** Sending County
19 agrees to assume sole responsibility for, and fully reimburse Receiving Party for the cost of
20 extraordinary expenses ("Extraordinary Expenses") beyond \$10,000 incurred by the Receiving
21 County for programming and services provided to the Youth of the Sending County.
22 Extraordinary Expenses may include, but are not limited to such expenses as continuous
23 services required for Youth with special needs, psychological services, or expenses associated
24 with transgender youth undergoing a medical transition. Sending County shall reimburse
25 Receiving County for such Extraordinary Services costs within 30 days of billing (date on which
26 invoice is mailed). Should a Youth be considered to have extraordinary needs, except in
27 emergency situations, the Receiving County shall notify the Sending County prior to incurring
28 the expense, to allow the Sending and Receiving Counties to collaborate regarding treatment.

1 Additionally, the Sending County shall contact the Receiving County as soon as possible in an
2 emergency situation.

3 3. **Term of Agreement**. The term of this Agreement shall commence on July 1, 2024
4 and shall terminate on June 30, 2027, unless terminated earlier as provided herein.

5 3.1 **Extension**. The term of this Agreement may be extended for no more than two,
6 one-year periods only upon written approval by both parties at least 30 days before the first day
7 of the next one-year extension period. The Chief Probation Officer or his or her designee is
8 authorized to sign the written approval on behalf of the Receiving County. The extension of this
9 Agreement by the Receiving County is not a waiver or compromise of any default or breach of
10 this Agreement by the Sending County existing at the time of the extension whether or not
11 known to the Receiving County.

12 3.2 **Termination**. Notwithstanding any other provision of this Agreement, at any
13 time, and without cause or penalty, either party to this Agreement shall have the right in their
14 sole discretion, to terminate this Agreement by giving thirty (30) days written notice to the other
15 party. In the event of such termination, Sending County shall provide transportation for all of its
16 Youth to alternative destinations, and shall pay Receiving County for all services and expenses
17 rendered prior to the date the last Youth sent by Sending County leaves the JJC, or the date of
18 termination, whichever is later.

19 3.3 **Return of Youth**. In addition, Receiving County may at any time during the term
20 of this Agreement give advance notice to Sending County that Receiving County, in its sole and
21 reasonable discretion, has determined that it has good cause to return a Youth to Sending
22 County, and Sending County shall be responsible for picking up the Youth from Receiving
23 County's JJC, within 72 hours. In the event it is determined that a Notice or Petition must be first
24 filed with the Court requesting the return of the Youth to Sending County, Sending County shall
25 promptly file such required Notice or Petition with the Court, with cooperation from Receiving
26 County. "Good cause" includes, but is not limited to, the following reasons:

- 27 • Program failure due to non-compliance that constitutes a violation of
28 probation; and/or

- Program failure for a new law violation; and/or
- Program failure due to the incompatibility/unsuitability of the Youth at the JJC, and/or
- The Youth's goals of rehabilitation and/or community safety are no longer served by continued housing of the Youth at the JJC.

Youth may also be returned to Sending County based on the following scenarios:

- Planning reentry and Court determines date of release; and/or
- Receiving County determines Youth is not compatible with services provided by Receiving County, and sets date for Sending County to pick Youth up; and/or
- The Youth is a ward or detainee of a federal law enforcement agency or charged with any federal crimes.

Sending County shall promptly arrange for the transportation of any Youth out of the JJC upon receipt of a written or oral request from the Receiving County to remove the identified Youth. Receiving County agrees that once a request for removal is made, Sending County shall have up to 72 hours to pick up the Youth from the JJC, unless exigent circumstances require less than 72 hours, in the sole discretion of the Receiving County. Receiving County shall return all records of the Youth to Sending County within 10 business days of the date that the Youth is picked up.

4. **Indemnification.**

4.1 The Sending County shall indemnify and hold harmless and defend the Receiving County (including its officers, agents, employees, and volunteers) against all claims, demands, injuries, damages, costs, expenses (including attorney fees and costs), fines, penalties, and liabilities of any kind to the Receiving County, the Sending County, or any third party that arise from or relate to the performance or failure to perform by the Sending County (or any of its officers, agents, subcontractors, or employees) under this Agreement. The Receiving County

1 may conduct or participate in its own defense without affecting the Sending County's obligation
2 to indemnify and hold harmless or defend the Receiving County.

3 4.2 The Receiving County shall indemnify and hold harmless and defend the Sending
4 County (including its officers, agents, employees, and volunteers) against all claims, demands,
5 injuries, damages, costs, expenses (including attorney fees and costs), fines, penalties, and
6 liabilities of any kind to the Receiving County, the Sending County, or any third party that arise
7 from or relate to the performance or failure to perform by the Receiving County (or any of its
8 officers, agents, subcontractors, or employees) under this Agreement. The Sending County may
9 conduct or participate in its own defense without affecting the Receiving County's obligation to
10 indemnify and hold harmless or defend the Sending County.

11 4.3 In the event of a final adjudication that liability is caused by concurrent negligence or
12 willful misconduct on the part of the Receiving County or any of its officers, agents, or
13 employees or contractors, and the Sending County or any of its officers, agents, or employees
14 or contractors, the liability for any and all such claims, demands, and actions in law or equity for
15 such losses, costs, expenses, and damages shall be apportioned under the State of California's
16 theory of comparative fault, as presently established, or as may be modified hereafter.

17 4.4 To the fullest extent permitted by law, Sending County shall defend,
18 indemnify, and hold harmless Receiving County, as well as Receiving County's officers, agents,
19 employees, volunteers, or representatives from and against any and all liability, claims, actions,
20 proceedings, losses, injuries, damages or expenses of every name, kind and description,
21 including litigation costs and reasonable attorney's fees incurred in connection therewith, arising
22 out of or connected with the actions and activities of the Youth while at Receiving County's
23 facility.

24 4.5 Each party shall notify the other party immediately in writing of any claim or
25 damage related to activities performed under this Agreement. The parties shall cooperate with
26 each other in the investigation and disposition of any claim arising out of the activities under this
27 Agreement, providing that nothing shall require either party to disclose any documents, records
28

1 or communications that are protected under peer review privilege, attorney-client privilege, or
2 attorney work product privilege.

3 5. **Insurance**. With respect to performance of work under this Agreement, the parties
4 recognize that Receiving County and Sending County are both self-insured, in whole and/or in
5 part, and shall maintain, to the extent not so self-insured, and shall require all their respective
6 subcontractors and other agents who provide services in connection with this Agreement to
7 maintain, all insurance as described in "Exhibit A", which is attached and incorporated by this
8 reference. Each party is responsible for its own self-insured retentions and deductibles. Each
9 party agrees to provide the other party with applicable certificates of insurance upon request.

10 6. **Extra or Changed Work**. Extra or changed work or other changes to the Agreement
11 may be authorized only by written amendment to this Agreement, signed by both parties.

12 7. **Confidentiality Requirements**. The parties and their officers, employees, and agents
13 shall ensure, and each party shall cause its subcontractors to ensure that:

14 7.1 All records concerning any Youth made or kept in connection with the
15 administration of any provision of the services provided by this Agreement shall be confidential,
16 and shall not be open to examination for any purpose not directly connected with the
17 administration of the services provided herein, except as requested in writing by Receiving
18 County, or as required by law.

19 7.2 No person shall publish, disclose, use, permit, or cause to be published,
20 disclosed, or used any confidential or identifying information pertaining to any Youth that is
21 obtained in connection with the administration of any provision of the services provided by this
22 Agreement, except as requested in writing by Receiving County or as required by law.

23 7.3 Sending County and its officers, employees, agents, or subcontractors shall not
24 voluntarily provide declarations, letters of support, testimony at depositions, response to
25 interrogatories, or other information concerning the work performed under this Agreement.
26 Response to a subpoena or court order shall not be "voluntarily" provided. Sending County shall
27 give notice to Receiving County of any such court order or subpoena prior to compliance.
28

1 8. **Authority**. The undersigned hereby represents and warrants that he or she has
2 authority to execute and deliver this Agreement on behalf of Receiving County and Sending
3 County.

4 9. **Tax exempt bond financing of the JJC**. Sending County acknowledges that the
5 Receiving County's JJC has been acquired, constructed, or improved, and is situated on land
6 that has been acquired using net proceeds of governmental tax-exempt bonds. To that end, (a)
7 Sending County covenants, represents, and warrants to Receiving County that Sending County
8 is a political subdivision of the State of California; (b) this Agreement does not confer upon the
9 Sending County any right, title, or interest in the JJC; (c) Sending County may only house at the
10 JJC Youth who are charged or convicted solely in relation to a violation of a local or state law;
11 and (d) if Sending County wishes to have any extraordinary services, including programming,
12 beyond what the Receiving County normally provides to its youth housed at the JJC, provided to
13 the Youth at the JJC, Sending County must utilize only the Receiving County's vendors
14 providing such services, subject to such services being available, and reimburse the Receiving
15 County for the cost of such services as provided under Section 2.4, herein. In the event of any
16 Internal Revenue Service examination of any of the bonds or the use of the JJC, the Sending
17 County shall cooperate with the Receiving County in any such examination.

18 10. **Assignment and Delegation**. Neither party hereto shall assign or transfer any right or
19 interest, or delegate or transfer any duty under this Agreement without the prior written consent
20 of the other, and no such assignment, delegation or transfer shall be of any force or effect
21 whatsoever unless and until the other party shall have so consented.

- (F) **Molestation Liability.** Sexual abuse / molestation liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence, with an annual aggregate of Four Million Dollars (\$4,000,000). This policy must be issued on a per occurrence basis.

2. Additional Requirements

(A) **Verification of Coverage.** Within 30 days after the Sending County signs this Agreement, and at any time during the term of this Agreement as requested by the Receiving County's Risk Manager or the County Administrative Office, the Sending County shall deliver, or cause its broker or producer to deliver, to the Receiving County Risk Manager, at 2220 Tulare Street, 16th Floor, Fresno, California 93721, or HRRiskManagement@fresnocountyca.gov, and by mail or email to the person identified to receive notices under this Agreement, certificates of insurance and endorsements for all of the coverages required under this Agreement.

- (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the Receiving County, its officers, agents, employees, and volunteers are not responsible for any premiums on Receiving the policy; and (3) the Sending County has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
- (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the Receiving County shall be excess only and not contributing with insurance provided under the Sending County's policy.
- (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
- (iv) The Medical Malpractice liability insurance certificate, if it is a claims-made policy, must also state the retroactive date of the policy, which must be prior to the date on which services began under this Agreement.

Exhibit A

- (v) The cyber liability insurance certificate must also state that it is endorsed, and include an endorsement, to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of the Sending County.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Sending County shall provide to the Receiving County, or ensure that the policy requires the insurer to provide to the Receiving County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Sending County shall, or shall cause the insurer to, provide written notice to the Receiving County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Sending County shall, or shall cause the insurer to, provide written notice to the Receiving County not less than 30 days in advance of cancellation or change. The Receiving County in its sole discretion may determine that the failure of the Sending County or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **County's Entitlement to Greater Coverage.** If the Sending County has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the Receiving County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Sending County shall deliver, or cause its broker or producer to deliver, to the Receiving County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) **Waiver of Subrogation.** The Sending County waives any right to recover from the Receiving County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Sending County is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Sending County's waiver of subrogation under this paragraph is effective whether or not the Sending County obtains such an endorsement.
- (F) **County's Remedy for Sending County's Failure to Maintain.** If the Sending County fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Sending County. The Receiving County may offset such charges against any amounts owed by the Receiving County to the Sending County under this Agreement.
- (G) **Subcontractors.** The Sending County shall require and verify that all subcontractors used by the Sending County to provide services under this Agreement maintain
