Re: Submitting Names for Consideration to
Board of the San Joaquin River Conservancy

Dear Supervisor Mendes,

The San Joaquin River Conservancy Act provides the ability for environmental organizations to submit a list of names for Fresno County to consider as your forward candidates to the Governor's office for filling the citizen seat on the Conservancy Board of Directors.

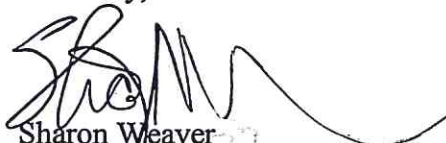

On behalf of the San Joaquin River Parkway and Conservation Trust, we are writing to submit the following names:

Sheri Bohigian, Paul Gibson, and Jolene Telles

Your request letter asked that the applications be submitted with this letter. However, due to the short notice, two of the applications will be sent early next week under separate cover, and Mr. Paul Gibson is currently in process of sending his application directly to the County.

Thank you for your consideration. Following your Board's decision, notification by the Clerk of the names Fresno County forwards to the Governor's office would be greatly appreciated.

Sincerely,

Sharon Weaver
Executive Director
