

COUNTY OF FRESNO

CONFLICT OF INTEREST CODE
LOCAL AGENCY ANNUAL / BIENNIAL REPORT

In accordance with Government Code Section 87306.5, this department has reviewed its Conflict of Interest Code and has determined that (check one of the following):

1. _____ Our department's Conflict of Interest Code accurately designates all positions within our department which make or participate in the making of decisions which may foreseeably have a material effect on any financial interest; and the disclosure category assigned to each such position accurately requires the disclosure of all of the specific types of investments, business positions, interests in real property, and sources of income that are reportable under Government Code Section 87302 ("reportable under Government Code Section 87302" means: an investment, business position, interest in real property, or source of income shall be made reportable by the Conflict of Interest Code if the business entity in which the investment or business position is held, the interest in real property, or the income or source of income may foreseeably be affected materially by any decision made or participated in by the designated employee by virtue of his or her position); or,
2. X Our department's Conflict of Interest Code is in need of amendment. We have determined that the following amendments are necessary (check applicable items, and refer to Exhibits "A" and "B" for detail if appropriate):
 - A. _____ Include new positions (including consultants) that must be designated.
 - B. _____ Include or delete positions because changes in duties.
 - C. _____ Include positions that manage public investments.
 - D. _____ Revise disclosure categories.
 - E. _____ Revise the titles of existing positions.
 - F. X Delete titles of positions that have been abolished.
 - G. _____ Other (*describe*) _____

- * Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation: The Assessor-Recorder may determine in writing that a particular consultant, although a "designated position", is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in the section. Such written determination shall include a description of the consultant's duties and, based upon the description, a statement of the extent of disclosure requirements. The Assessor-Recorder determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.

EXHIBIT "B"

ASSESSOR - RECORDER

1. Persons in this category shall disclose all reportable investments, interests in real property, sources of income (including gifts), and business positions. Financial interests (other than gifts) are reportable only if located within or subject to the jurisdiction of Fresno County, or if the business entity is doing business or planning to do business in the jurisdiction, or has done business within the jurisdiction at any time during the two years prior to the filing of the statement. Real property shall be deemed to be within the jurisdiction of the County if the property or any part of it is located within or not more than two miles outside the boundaries of the County (including its incorporated cities) or within two miles of any land owned or used by the County.

- * Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation: The Director of Public Works and Planning may determine in writing that a particular consultant, although a “designated position”, is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this section. Such written determination shall include a description of the consultant’s duties and, based upon that description, a statement of the extent of disclosure requirements. The Director of Public Works and Planning’s determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.

EXHIBIT "B"

PUBLIC WORKS AND PLANNING

1. Persons in this category shall disclose all reportable investments, interests in real property, sources of income (including gifts), and business positions. Financial interests (other than gifts) are reportable only if located within or subject to the jurisdiction of Fresno County, or if the business entity is doing business or planning to do business in the jurisdiction, or has done business within the jurisdiction at any time during the two years prior to the filing of the statement. Real property shall be deemed to be within the jurisdiction of the County if the property or any part of it is located within or not more than two miles outside the boundaries of the County (including its incorporated cities) or within two miles of any land owned or used by the County.
2. Persons in this category shall disclose all reportable investments in, income from (including gifts), and business positions with any business entity which, within the last two years, has contracted or in the future foreseeably may contract with Fresno County through its Public Works and Planning Department, Solid Waste Commissions within the jurisdiction, or to any other joint powers agency which Fresno County is a member to provide services, supplies, materials, machinery, or equipment to the County.
3. Persons in this category shall disclose all interests in real property within the jurisdiction of Fresno County. Real Property shall be deemed to be within the jurisdiction if the property or any part of it is located within or not more than two miles outside the boundaries of Fresno County (including its incorporated cities) or within two miles of any land owned or used by the County.

CONFLICT OF INTEREST CODE
LOCAL AGENCY ANNUAL / BIENNIAL REPORT

In accordance with Government Code Section 87306.5, this department has reviewed its Conflict of Interest Code and has determined that (check one of the following):

1. _____ Our department's Conflict of Interest Code accurately designates all positions within our department which make or participate in the making of decisions which may foreseeably have a material effect on any financial interest; and the disclosure category assigned to each such position accurately requires the disclosure of all of the specific types of investments, business positions, interests in real property, and sources of income that are reportable under Government Code Section 87302 ("reportable under Government Code Section 87302" means: an investment, business position, interest in real property, or source of income shall be made reportable by the Conflict of Interest Code if the business entity in which the investment or business position is held, the interest in real property, or the income or source of income may foreseeably be affected materially by any decision made or participated in by the designated employee by virtue of his or her position); or,
2. X _____ Our department's Conflict of Interest Code is in need of amendment. We have determined that the following amendments are necessary (check applicable items, and refer to Exhibits "A" and "B" for detail if appropriate):
- A. _____ Include new positions (including consultants) that must be designated.
 - B. _____ Include or delete positions because changes in duties.
 - C. _____ Include positions that manage public investments.
 - D. _____ Revise disclosure categories.
 - E. X _____ Revise the titles of existing positions.
 - F. _____ Delete titles of positions that have been abolished.
 - G. _____ Other (*describe*) _____
