Re: Parking for Employees Assigned to Downtown Fresno

Board of Supervisors,

We are writing you in support of no cost to employees parking for our members working at the County of Fresno. For several years now, our members have struggled to find low-cost safe parking while working in the downtown area. We strongly believe if the County offers no-cost parking to our membership this will greatly help retain and recruit nurses to the County.

We strongly encourage you to approve the no-cost parking for Unit 7 nurses and all other employees who work in the downtown area.
