ATTACHMENT FOUR: EXPENDITURE EXPLANATION

Expenditure Explanation:

In Quarter 3 of FY 2023-24, there was uncertainty around the longevity of the existing Bringing Families Home funds. In an effort to preserve the remaining Bringing Families Home funding in conjunction with ensuring the program is able to maintain continuity and quality of services, Fresno began to internalize the contracted activities funded by Bringing Families Home. One of these contracted activities included a Project-Based Rapid Rehousing program for families which was partially funded by Bringing Families Home. This program was hosted at a temporary housing site secured through a partnership between the County of Fresno and the Fresno Housing Authority and funded by multiple housing allocations. To prolong the longevity of this housing program, Fresno increased the contribution from other braided funds at this site. Despite the news of newly available funding for Bringing Families Home, Fresno has continued to prioritize other funding sources with the intent to preserve the remaining funds in the 2022-23 Bringing Families Home Allocation as continued funding remained unconfirmed. The budget attachment of this Director's Certification shows the adjustments Fresno has made to the funding plan for the remaining 2022-23 Allocation as well as the new One-Time Allocation. With this updated plan, Fresno is now balancing expenditures equally between all funding sources and projects to fully support the projects available and utilize all available Bringing Families Home funds by the respective expenditure deadlines to maximize the amount of families served.
