**RE: Letter of Interest Related to the Application for Homeless Mentally Ill
Outreach and Treatment Program**

To Whom it May Concern:

This correspondence demonstrates Fresno County's interest and intention to utilize the one-time funding made possible by the Homeless Mentally Ill Outreach and Treatment Program for only those purposes as outlined in Senate Bill 840. This correspondence also serves as notice the Fresno County Administrative Officer will serve as the primary point of contact for this one-time funding opportunity.

Fresno County looks forward to receiving the one-time funding in the amount of \$729,000 made possible by Senate Bill 840, and will utilize the funds to pursue program activities involving individuals living with a serious mental illness who are homeless or at-risk of becoming homeless in Fresno County. Fresno County's funding will be restricted for use within a designated program specific to this targeted population and will provide reporting documents that demonstrate how the funds are to be utilized, the types of services to be provided, and the number of individuals who received services related to this one-time funding.

Thank you for this opportunity that will allow Fresno County to work towards increasing housing capacity and housing options for homeless individuals living with a serious mental illness.

Sincerely,

Jean M. Rousseau
County Administrative Officer
