PROGRAM

The logo features a white house-shaped outline containing a black bear paw print above a stylized 'G' with a trademark symbol. The word 'HOME' is in orange, 'IBASE' is in orange with a white vertical bar in the 'I', and 'PROGRAM' is in white below it.

PROGRAM OVERVIEW

The County of Fresno and the Fresno Grizzlies will announce the creation of the **Homebase Program** with an official launch during the 2018 baseball season. The goal of the program is to partner with foster care organizations and care providers in Fresno County to create incredible memories during a game at Chukchansi Park. Coming off of the celebration of the Grizzlies 20th season in Fresno, the partnership with the County of Fresno is an amazing way to start the next 20 years of Triple-A baseball in the Central Valley.

A POWERFUL PARTNERSHIP

There are thousands of children in the foster care system in Fresno County. Many of these children have been removed from their homes due to abuse and neglect. Through Homebase, we will allow these children and their care providers to enjoy America's pastime together. Foster care organizations will receive an invitation to choose from select games and attend free of charge. Every person in the group will be provided with a **free meal and a Grizzlies group hat!**

The participating organizations will also get the opportunity to have an informational booth at a Grizzlies home game to promote their cause and raise awareness to the community.

There will be many in-game opportunities for the children to participate with Parker and the Grizzlies promotional team including first pitch, in-game contests and honoring Play Ball kid!

The Grizzlies will commit annually to **1,000 attendees** through Homebase. Through this meaningful partnership with the County of Fresno, we look forward to bringing a positive experience together for these children and their families at Chuk-chansi Park for many years!
