WHEREAS, under County Ordinance No. 06-010 for the original Community Facilities District No. 2006-01, County Ordinance No. 06-014 for Annexation Territory No. 1A, County Ordinance No. 06-021 for Annexation Territory 2A, County Ordinance No. 07-046 for Annexation Territory No. 1B, County Ordinance No. 08-031 for Annexation Territory No. 3A, County Ordinance No. 12-014 for Annexation Territory No. 7A, County Ordinance No. 15-002 for Annexation Territory No. 8A, County Ordinance No. 15-004 for Annexation Territory No. 8B, and County Ordinance No. 17-015 for Annexation Territory No. 9A, the Board of Supervisors (this "Board") of the County of Fresno, or its designee, is authorized by ordinance, resolution or by other action if permitted by applicable law to establish the specific amounts of the Special Tax to levy on each Developed Property, referred to below, within the District for each County fiscal year.

WHEREAS, as provided in the Special Tax Rate and Method of Apportionment of the District, which is Exhibit B of each of the forgoing County Ordinances, the CFD Administrator annually shall

<sup>1</sup> Each annexation territory is designated as "Annexation Territory No. [specify number, e.g., 1A, 2A, 1B, 3A, 7A, 8A, 8B, or 9A respectively] of Community Facilities District No. 2006-01 (Police Protection Services) of the County of Fresno. For the ease of reference in this resolution, such annexation territories are referred to by their respective annexation territory numbers only (e.g., 1A, 2A, 1B, 3A, 7A, 8A, 8B, or 9A respectively).

1 calculate the rates of the Special Tax based on the Special Tax Rate and Method of Apportionment of  
2 the District.

3 WHEREAS, the CFD Administrator duly calculated the specific maximum rates of the Special  
4 Tax, as set forth in Exhibit A to this resolution, pursuant to the Special Tax Rate and Method of  
5 Apportionment of the District, with respect to the District for County Fiscal Year 2018-19.

6 WHEREAS, that calculation by the CFD Administrator of the specific maximum rate of the  
7 Special Tax is shown in Exhibit D to this resolution and was based, in part, on the Annual Escalation  
8 Factor, as defined in the Special Tax Rate and Method of Apportionment of the District.

9 WHEREAS the rates and amounts calculated by the CFD Administrator do not exceed any rates  
10 or amounts allowed pursuant to the Special Tax Rate and Method of Apportionment of the District.

11 WHEREAS the Annual Escalation Factor is not a new tax, but an inflationary adjustment  
12 established in the Special Tax Rate and Method of Apportionment of the District, which was approved  
13 by the qualified electors (i.e., qualified landowner voters) of the District, and therefore the County is not  
14 legally required under California Constitution, Articles XIII C or XIII D, which are included in "Proposition  
15 218," or under any other law, to obtain the approval from any of the qualified electors of the District with  
16 respect to any of the matters that are the subject of this resolution.

17 WHEREAS, the CFD Administrator duly determined that, as of May 1, 2018, three hundred  
18 twenty nine (329) Taxable Properties within the District were Developed Residential Properties.

19 WHEREAS, accordingly, the CFD Administrator prepared a certified list of all parcels in the  
20 District that are subject to the Special Tax levy ("CFD Administrator's Certified List") as follows: (a) the  
21 CFD Administrator identified those three hundred twenty nine (329) Developed Residential Properties  
22 within the District for County Fiscal Year 2018-19, pursuant to the Special Tax Rate and Method of  
23 Apportionment of the District; and (b) the specific amount(s) of the Special Tax, which are at the  
24 maximum rate(s), respectively, of the Special Tax, all of which is set forth in Exhibit B to this resolution.

25 WHEREAS, a boundary map of the District is shown in Exhibit C to this resolution.

26 WHEREAS, those three hundred twenty nine (329) Developed Residential Properties within the  
27 District for County Fiscal Year 2018-19 are, under the Special Tax Rate and Method of Apportionment  
28

1 of the District, subject to the levy of the Special Tax of the District for County Fiscal Year 2018-19.

2 WHEREAS, all capitalized terms used in this resolution are defined in the Special Tax Rate and  
3 Method of Apportionment of the District, unless otherwise defined in this resolution.

4 NOW THEREFORE, BE IT RESOLVED, that all of the foregoing recitals are true and correct.

5 BE IT FURTHER RESOLVED that this Board hereby finds and determines that the CFD  
6 Administrator duly calculated the specific maximum rates of such Special Tax, as set forth in Exhibit A,  
7 pursuant to the Special Tax Rate and Method of Apportionment of the District, above, with respect to  
8 the District for Fiscal Year 2018-19.

9 BE IT FURTHER RESOLVED, that this Board hereby finds and determines that the rates and  
10 amounts calculated by the CFD Administrator do not exceed any rates or amounts allowed under the  
11 Special Tax Rate and Method of Apportionment of the District.

12 BE IT FURTHER RESOLVED, that this Board hereby finds and determines that the Annual  
13 Escalation Factor is not a new tax, but rather, an inflationary adjustment established in the Special Tax  
14 Rate and Method of Apportionment of the District, which was approved by the qualified electors (i.e.,  
15 qualified landowner voters) of the District, and therefore the County is not legally required under  
16 California Constitution, Articles XIIIC or XIID, which are included in "Proposition 218," or under any  
17 other law, to obtain the approval from any of the qualified electors of the District with respect to any of  
18 the matters that are the subject of this resolution.

19 BE IT FURTHER RESOLVED that this Board hereby determines, approves, authorizes,  
20 establishes, and adopts the maximum rates for the Special Tax, as set forth in Exhibit A, with respect to  
21 the District for Fiscal Year 2018-19.

22 BE IT FURTHER RESOLVED that this Board hereby finds and determines that the CFD  
23 Administrator duly determined the Developed Properties and the specific amounts of the Special Tax,  
24 as set forth in Exhibit B, under the Special Tax Rate and Method of Apportionment of the District,  
25 above, with respect to the District for Fiscal Year 2018-19.

26 BE IT FURTHER RESOLVED, that the specific amounts of the Special Tax to be levied on each  
27 Developed Property, shall be levied at the maximum rates of the Special Tax, as set forth in Exhibit A,  
28

1 as applicable for the land use class and description of property (as defined in the Special Tax Rate and  
2 Method of Apportionment of the District), within the District for County Fiscal Year 2018-19.

3 BE IT FURTHER RESOLVED, that this Board hereby accepts, approves, and adopts the CFD  
4 Administrator's Certified List stating that there are three hundred twenty nine (329) Developed  
5 Residential Properties within the District, as set forth in Exhibit B, for County Fiscal Year 2018-19, and  
6 therefore, this Board does hereby levy the Special Tax in the specific amounts, as further set forth in  
7 Exhibit B, on all such Developed Properties within the District, as further set forth in Exhibit B, as  
8 applicable for land use class and description of property (as defined in the Special Tax Rate and  
9 Method of Apportionment of the District), for County Fiscal Year 2018-19.

10 BE IT FURTHER RESOLVED that the Clerk to this Board promptly shall file this resolution, or a  
11 certified copy, with the Auditor-Controller/Treasurer-Tax Collector, but not later than August 10, 2018  
12 (unless the Auditor-Controller/Treasurer-Tax Collector gives her prior written consent to receive this  
13 resolution, or a certified copy, at a later date, in which case this resolution, or a certified copy, shall be  
14 promptly filed with the Auditor-Controller/Treasurer-Tax Collector not later than August 28, 2018).

15 BE IT FURTHER RESOLVED that the Clerk to this Board, the CFD Administrator, and the  
16 Auditor-Controller/Treasurer-Tax Collector each are individually authorized to take all necessary actions  
17 to carry out this resolution to the fullest intent provided in this resolution.

18 BE IT FURTHER RESOLVED, that this resolution shall take effect immediately upon its  
19 adoption by this Board.

| Land Use Class 2, Multi-Family<br>Property..... | \$537.67 |

**Note:** If the proposed special tax includes an odd number of cents, then the amount of the tax collected will be slightly different. This is due to the Auditor-Controller/Treasurer-Tax Collector's statutory process for collection, in which an odd number may not be entered on the tax roll because the amount must be divisible by two (for two payment installments). Pursuant to Revenue and Taxation Code section 2152.5, the odd cent will be dropped to make an even number that will then be the actual amount collected. This will result in the total special tax collected being a few dollars lower than the proposed amount that goes to the Board.

3. The specific amount(s) of the Special Tax, above, are at the "Adopted Rate(s)" (as that term is defined in the resolution of the Board of Supervisors to which this certificate relates) of the Special Tax of the District for such land use classification and description, all of which I have calculated according to the Special Tax Rate and Method of Apportionment of the District.
4. Each of the capitalized terms in this certificate that is not defined in this certificate has the meaning given to it in the Special Tax Rate and Method of Apportionment of the District. All documents referred to in this certificate are on file with the Sheriff-Coroner's Business Office (2200 Fresno Street, Fresno, California 93717), and are available for inspection by the public during the regular business hours of that office.

**Note:** If the proposed special tax includes an odd number of cents, then the amount of the tax collected will be slightly different. This is due to the Auditor-Controller/Treasurer-Tax Collector's statutory process for collection, in which an odd number may not be entered on the tax roll because the amount must be divisible by two (for two payment installments). Pursuant to Revenue and Taxation Code section 2152.5, the odd cent will be dropped to make an even number that will then be the actual amount collected. This will result in the total special tax collected being a few dollars lower than the proposed amount that goes to the Board.

**Note:** If the proposed special tax includes an odd number of cents, then the amount of the tax collected will be slightly different. This is due to the Auditor-Controller/Treasurer-Tax Collector's statutory process for collection, in which an odd number may not be entered on the tax roll because the amount must be divisible by two (for two payment installments). Pursuant to Revenue and Taxation Code section 2152.5, the odd cent will be dropped to make an even number that will then be the actual amount collected. This will result in the total special tax collected being a few dollars lower than the proposed amount that goes to the Board.
