1. Terms and Conditions

REVISED TERMS AND CONDITIONS OF AWARD

No Cost Extension: The purpose of this amendment is to approve a 12-month No-Cost Extension per the request submitted by your organization dated October 04, 2022. The budget and project period end dates have been extended from May 31, 2023, to May 31, 2024.

Annual Federal Financial Report (FFR SF-425): Annual financial reporting is required every twelve-month period. Due to the approved extension period, the final budget period has been extended and an additional annual financial report will be required. A completed FFR SF-425 covering the original budget period of June 1, 2022 to May 31, 2023, must be submitted by August 31, 2023.

Recipients must submit all closeout reports identified in this section within 90 days of the period of performance end date. The reporting timeframe is the full period of performance. Failure to submit timely and accurate final reports may affect future funding to the organization or awards under the direction of the same Project Director/Principal Investigator (PD/PI).

Final Performance Progress and Evaluation Report: This report should include the information specified in the NOFO and is submitted 90 days following the end of the period of performance via www.grantsolutions.gov. At a minimum, the report will include the following:

1. Statement of progress made toward the achievement of originally stated aims.
2. Description of results (positive or negative) considered significant.
3. List of publications resulting from the project, with plans, if any, for further publication.

Additional guidance may be provided by the GMS and found at:
<https://www.cdc.gov/grants/alreadyhavegrant/Reporting.html>

Final Federal Financial Report (FFR, SF-425): The FFR should only include those funds authorized and actually expended during the timeframe covered by the report. The Final FFR, SF-425 is required and must be submitted no later than 90 days after the period of performance end date.

The final report must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. Should the amount not match with the final expenditures reported to the Department of Health and Human Services' PMS, you will be required to update your reports to PMS accordingly. Remaining unobligated funds will be de-obligated and returned to the U.S. Treasury.

Equipment and Supplies - Tangible Personal Property Report (SF-428): A completed Tangible Personal Property Report SF-428 and Final Report SF-428B addendum must be submitted, along with any Supplemental Sheet SF-428S detailing all major equipment acquired or furnished under this project with a unit acquisition cost of \$5,000 or more. Electronic versions of the forms can be downloaded by visiting:
<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortBy=1>

If no equipment was acquired under an award, a negative report is required.

The recipient must identify each item of equipment that it wishes to retain for continued use in accordance with 45 CFR Part 75. The awarding agency may exercise its rights to require the transfer of equipment purchased under the assistance award. CDC will notify the recipient if transfer to title will be required and provide disposition instruction on all major equipment.

Equipment with a unit acquisition cost of less than \$5,000 that is no longer to be used in projects or programs currently or previously sponsored by the Federal Government may be retained, sold, or otherwise disposed of, with no further obligation to the Federal Government.

Stewardship: Please be advised that the recipient must exercise proper stewardship over Federal funds by ensuring that all costs charged to their cooperative agreement are allowable, allocable, necessary, and reasonable.

All other terms and conditions issued with the original award remain in effect throughout the budget period unless otherwise changed in writing, by the Grants Management Officer.
