If this Agreement involves the expenditure of \$10,000 or more in funds from the State of California, it is subject, for three years after the final payment is made, to the State Auditor's examination and audit at FCSS' request or as part of an audit of FCSS. [Use with non-construction contract]

Contractor: County of Fresno DOJ-issued ORI No.: _____

Because of the contract between the Fresno County Superintendent of Schools ("FCSS") and Contractor ("Contract"), Education Code section 45125.1 requires Contractor to ensure that any Contractor employee who interacts with students, outside the immediate supervision and control of the student's parent or guardian or a school employee, has a valid criminal records summary as described in Education Code section 44237. Therefore, before the employee(s) of the Contractor may commence any services under the Contract, Contractor must complete, sign, and submit this Certification to FCSS. Upon being submitted to FCSS, this Certification shall become a part of the Contract and shall be effective throughout the term of the Contract and any period of extension or renewal thereof ("**Contract Term**") and as provided in this Certification. "**Employee**" includes Contractor's officers, employees, volunteers, and any other persons who Contractor employs or retains who interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a school employee.

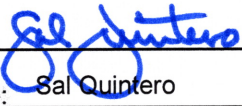

FINGERPRINTING AND CRIMINAL BACKGROUND CHECK. Before commencing any services under the Contract, Contractor shall complete the fingerprinting and criminal background check for each of Contractor's employees as required by Education Code section 45125.1, and each of Contractor's employees shall have no conviction of and no pending criminal proceeding for any violent felony listed in Penal Code section 667.5(c) or any serious felony listed in Penal Code section 1192.7(c) (each referred to as "**Felony**") as initially ascertained by the California Department of Justice and the Federal Bureau of Investigation or in subsequent arrest notifications issued by either agency (Education Code sections 45125.1 and 44237).

At FCSS' request, Contractor shall provide FCSS with a list of the names of employees who interact with students as defined above and have complied with the fingerprinting and criminal background check.

Contractor certifies that neither Contractor nor any of Contractor's employees who interact with students have been convicted of a Felony. Additionally, Contractor shall provide any subsequent arrest and conviction information it receives to FCSS upon receipt of such information.

During the Contract Term, Contractor shall immediately remove any employee who interacts with students where the employee has been convicted of or has a criminal proceeding pending for any Felony. Contractor shall defend, indemnify, and hold harmless FCSS, the Fresno County Board of Education, and their officers, employees, volunteers, and agents against any claims, demands, lawsuits, causes of action, actions, cross-complaints, cross-actions, proceedings, bodily injuries, property damages, liabilities, losses, judgments, expenses, and costs, including attorney's fees and costs, resulting from, arising out of, or caused by Contractor's failure to comply with any term or condition of this Certification and/or applicable laws. These defense, indemnity, and hold harmless obligations shall survive termination of the Contract and are not limited to or by any insurance that Contractor maintains or the lack of insurance but apply to the full extent permitted by California laws.

The undersigned represents that he or she is authorized to execute on behalf of and to bind Contractor to this Certification and certifies under penalty of perjury under the laws of the State of California that the representations made in this Certification are true and correct and shall remain true and correct throughout the Contract Term. A copy or original of this Certification with Contractor's signature, whether original or transmitted by electronic means, is binding upon Contractor.

Contractor is solely responsible for complying with all applicable laws, and therefore, shall have knowledge of all applicable laws. The excerpts below from the California Education Code and Penal Code are provided to assist Contractor, and may not be relied upon by Contractor, to comply with applicable laws. Contractor may obtain information, instructions, and forms required for fingerprints and criminal background checks from the California Department of Justice's website: <https://oag.ca.gov/fingerprints/agencies>.

EDUCATION CODE § 45125.1

- (a) Any entity that has a contract with a local educational agency shall ensure that any employee who interacts with pupils, outside of the immediate supervision and control of the pupil's parent or guardian or a school employee, has a valid criminal records summary as described in Section 44237. When the contracting entity performs the criminal background check, it shall immediately provide any subsequent arrest and conviction information it receives to any local educational agency that it is contracting with pursuant to the subsequent arrest service.
- (b) This section does not apply to an entity providing services to a local educational agency, as described in subdivision (a), in an emergency or exceptional situation, such as when pupil health or safety is endangered or when repairs are needed to make school facilities safe and habitable.
- ...
- (d)
- (1) The Department of Justice shall ascertain whether the individual whose fingerprints were submitted to it pursuant to subdivision (a), (c), or (h) has been arrested or convicted of any crime insofar as that fact can be ascertained from information available to the Department of Justice. Upon implementation of an electronic fingerprinting system with terminals located statewide and managed by the Department of Justice, the Department of Justice shall ascertain the information required pursuant to this section within three working days. When the Department of Justice ascertains that an individual whose fingerprints were submitted to it pursuant to subdivision (a), (c), or (h) has a pending criminal proceeding for a felony as defined in Section 45122.1 or has been convicted of a felony as defined in Section 45122.1, the Department of Justice shall notify the employer designated by the individual of that fact. The notification shall be delivered by telephone or email to the employer.
 - (2) The Department of Justice, at its discretion, may notify the local educational agencies in instances when the employee is defined as having a pending criminal proceeding described in Section 45122.1 or has been convicted of a felony as defined in Section 45122.1.
 - (3) The Department of Justice shall forward one copy of the fingerprints to the Federal Bureau of Investigation to verify any record of previous arrests or convictions of the applicant. The Department of Justice shall review the criminal record summary it obtains from the Federal Bureau of Investigation and shall notify the employer only as to whether or not an applicant has any convictions or arrests pending adjudication for offenses that, if committed in California, would have been punishable as a violent or serious felony. The Department of Justice shall not provide any specific offense information received from the Federal Bureau of Investigation. The Department of Justice shall provide written notification to the contract employer only concerning whether an applicant for employment has any conviction or arrest pending final adjudication for any of those crimes, as specified in Section 45122.1, but shall not provide any information identifying any offense for which an existing employee was convicted or has an arrest pending final adjudication.
- (e)
- (1) An entity having a contract as described in subdivision (a) or that is required to comply with this section for other employees pursuant to subdivision (c) shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Section 45122.1.
 - (2) The prohibition in paragraph (1) does not apply to an employee solely on the basis that the employee has been convicted of a felony if the employee has obtained a certificate of rehabilitation and pardon pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.
 - (3) The prohibition in paragraph (1) does not apply to an employee solely on the basis that the employee has been convicted of a serious felony that is not also a violent felony if that employee can prove to the sentencing court of the offense in question, by clear and convincing evidence, that the employee has been rehabilitated for the purposes of schoolsite employment for at least one year. If the offense in question occurred outside this state, then the person may seek a finding of rehabilitation from the court in the local educational agency in which the employee is a resident.
- (f) An entity having a contract as described in subdivision (a) or that is required to comply with this section for other employees pursuant to subdivision (c) shall certify in writing to the local educational agency that neither the employer nor any of its employees who are required by this section to submit or have their fingerprints submitted to the Department of Justice and who may interact with pupils have been convicted of a felony as defined in Section 45122.1.

Contractor: _____ County of Fresno

Pursuant to Education Code sections 49406, the Fresno County Superintendent of Schools ("FCSS") has determined that Contractor will be performing services that may include frequent or prolonged contact with pupils. Therefore, before Contractor, if an individual, and its employees may commence any services under the contract between FCSS and Contractor ("Contract"), Contractor and such employees are required to have been examined and determined **within four years of the effective date of the Contract** to be free of active tuberculosis. The examination must consist of either an approved intradermal tuberculin test or other tests for tuberculosis infection that are recommended by the federal Centers for Disease Control and Prevention and licensed by the federal Food and Drug Administration, which, if positive, must be followed by an x-ray of the lungs. A tine test is not acceptable. If an individual has previously tested positive for tuberculosis infection, no tuberculin skin test is required. Contractor must complete, sign, and submit this Certification to FCSS before Contractor performs any services under the Contract. Upon being submitted to FCSS, this Certification shall become a part of the Contract and shall be effective throughout the term of the Contract and any period of extension or renewal thereof ("**Contract Term**") and as provided in this Certification. At FCSS' request, Contractor shall provide FCSS with documentation showing that Contractor, if an individual, and each employee providing services under the Contract have complied with the requirements in this Certificate. The term "**employee**," as used in this Certificate, includes Contractor's officers, employees, volunteers, and any other persons who Contractor employs or retains to perform any services under the Contract.

During the Contract Term, if any employee providing services under the Contract is determined to have active tuberculosis, Contractor shall immediately remove the employee from performing services under the Contract that may include frequent or prolonged contact with pupils.

Contractor shall defend, indemnify, and hold harmless FCSS and the Fresno County Board of Education and their officers, employees, volunteers, and agents against any claims, demands, lawsuits, causes of action, actions, cross-complaints, cross-actions, proceedings, bodily injuries, property damages, liabilities, losses, judgments, expenses, and costs, including attorney's fees and costs, resulting from, arising out of, or caused by Contractor's failure to comply with any term or condition of this Certification or applicable laws. These obligations shall survive the termination of this Agreement and are not limited to or by any insurance that Contractor maintains or the lack of insurance but apply to the full extent permitted by California laws.
