Subject: Acquisition and Acceptance of right-of-way on Shepherd Avenue, east of Sunnyside Avenue.

Dear Mr. White:

The City of Clovis needs to acquire right-of-way along Shepherd Avenue, east of Sunnyside Avenue. The right of way is needed for the construction of utilities related to adjacent residential development. The City requests that the County of Fresno grant the City the authority to acquire the proposed right of way including eminent domain, if necessary. The new right-of-way will be granted to the City of Clovis.

Inspection will be performed by Clovis, as the lead agency, consistent with the master agreement.

Please contact Ryan Burnett at 324-2336 if you need additional information.

Sincerely,

Michael Harrison, PE, PLS
City Engineer
