CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

I would like to ask that there be dates in which the meetings are in the evenings, especially important hearings, such as the budget hearing on September 12 and 13. There are many community members who cannot participate in public engagement due to the meetings being in the mornings and most civic meetings, other than Fresno City Council, in the area hold their meetings in the evening for accessibility.

As well, while this is not a calendaring item, I would like to request that there be options for people to engage remotely, such as by phone line or Zoom. We have people who do not have access due to travel restrictions, health/disability, etc. Having remote communications would allow access for constituents, who otherwise could not participate.
