WHEREAS, County staff initiated the process under California Constitution Article XIII-D (Proposition 218) to increase water fees for the 161 residential lots, receiving water service through County Service Area No. 34, zone C (CSA 34C); and

WHEREAS, as part of that process, a notice of the proposed increased water service fee was mailed on January 15, 2016, to each record owner of property receiving water service through CSA 34C, as shown on the last equalized assessment roll, upon which the increased water service fee was proposed for imposition; and

WHEREAS, although not required by law, County staff on February 3, 2016, at 6:00 p.m., conducted a public meeting at the Friant Elementary School, 17200 Burroughs, Friant, CA 93626, to provide members of the public with an opportunity to give relevant testimony and ask questions about the proposed increased water service fees; and
