

# Board Agenda Item 10

DATE: November 4, 2025

TO: Board of Supervisors

SUBMITTED BY: Kirk Haynes, Chief Probation Officer

SUBJECT: Amendment to Master Schedule of Fees - Probation Department

RECOMMENDED ACTION(S):

- 1. Conduct first hearing to amend the County of Fresno Master Schedule of Fees, Charges and Recovered Costs Ordinance by amending Subsection 1815 - Daily Rate of Section 1800 - Probation; waive the reading of the Ordinance in its entirety, and set second hearing for December 9, 2025;**
- 2. Designate County Counsel to prepare a fair and adequate summary of the Ordinance; and**
- 3. Direct the Clerk of the Board to post and publish the required summary in accordance with Government Code Section 25124(b)(1).**

Approval of the recommended actions would revise the existing Master Schedule of Fees (MSF), Charges, and Recovered Costs based on the Department's costs for FY 2025-26. The recommended amendment to Subsection 1815-Daily Rate will update the current rate to house youth from other counties at the Juvenile Justice Campus (JJC), which will allow the Probation Department to charge sending counties a daily rate of \$654 per youth for housing at the JJC per day. This item is countywide.

ALTERNATIVE ACTION(S):

Your Board may direct staff not to change the rates, change a portion of the rates or propose alternatives rates; however, these alternatives will not recover the full cost of services.

FISCAL IMPACT:

There is no increase in Net County Cost associated with the recommended actions. It is anticipated that with the updated proposed daily rate of \$654 per youth per day, the Probation Department will ensure full cost recovery to house other counties' youth at the JJC.

DISCUSSION:

SB 823 transferred responsibility for the custody, care, and supervision of high-risk youth from the DJJ to the local county jurisdiction and established the Juvenile Justice Realignment Block Grant (JJRBG) program, which allocated block grant funding to the County for the transfer of jurisdiction of these high-risk youth. The County was also awarded funding from the BSCC in the amount of \$1 million to establish a regional hub program for youth adjudicated for committing a sexual offense.

This program provides a secure residential placement option eligible youth from the following eight counties located in the Central Valley Region of California: Fresno, Kern, Kings, Madera, Mariposa, Merced, Mono, and Tulare. Youth eligible for this hub need to be between the ages of 14 and 21 who have been adjudicated on a qualifying sexual offense. The addition of the daily rate fee to the MSF allows the Department to offset

ongoing costs associated with housing eligible youth in the regional hub, as well as costs associated with housing youth from other counties in the general population area of the JJC. The County must have an agreement in place with a county seeking to house its youth at the JJC. The County currently has these agreements in place with the counties of Merced and Tulare.

On February 1, 2022, the Board approved the addition of Subsection 1815 to establish a daily rate of \$380 per youth per day to house youth from other counties at the JJC. The Board approved an update to this daily rate on November 5, 2024, at \$420 per youth per day, to reflect the Department's rising costs to house these youth at the JJC. The recommended updated daily rate of \$654 per youth for FY 2025-26 ensures full cost recovery and has been reviewed by the Auditor-Controller/Treasurer-Tax Collector.

If the recommended actions are approved by your Board, the second hearing will be set for December 9, 2025. Currently all agreements with sending counties have language in place stating that any updates made to the MSF will automatically be incorporated into those agreements, and will be the new rates to be paid by the sending counties from the effective date of the rate change forward.
