

1 MEMORANDUM OF UNDERSTANDING

2 This Memorandum of Understanding ("MOU" or "Agreement") is dated
3 _____ and is among the County of Madera, a political subdivision of the State
4 of California ("Madera County"), the City of Fresno, a municipal corporation of the State of
5 California ("City"), and the County of Fresno, a political subdivision of the State of California
6 ("Fresno County"). Madera County, City, and Fresno County shall also be referred to herein
7 singularly as a "Party" and collectively as "Parties," in collaboration with Fresno Madera
8 Continuum of Care, an unincorporated association ("FMCoC").

9 **Recitals**

10 A. The California Interagency Council on Homelessness (Cal ICH) established the
11 Homeless Housing, Assistance and Prevention (HHAP) Program administered by the
12 California Department of Housing and Community Development (HCD), which provides local
13 jurisdictions with funds to support regional coordination and expand or develop local capacity
14 to address immediate homelessness challenges.

15 B. HCD has provided five rounds of grant funding through the HHAP Grant Program
16 with HHAP Round 1 grant funds being awarded to applicants in 2020.

17 C. The parties previously received HHAP grant funding in HHAP Rounds 1 through 5 and are
18 seeking HHAP grant funding in HHAP Round 6 which will include flexible funding to continue
19 efforts to improve regional and systems coordination to prevent and end homelessness in local
20 communities.

21 D. The parties desire to submit an application for HHAP Round 6 funding in collaboration with
22 FMCoC. The County of Fresno is the administrative entity to apply for, collect, receive, and
23 distribute all grant funding that is allocated to the FMCoC, including HHAP grant funds. As such,
24 Fresno County is signing this MOU on behalf of the FMCoC for the purposes of complying with
25 HCD requirements to apply for, collect, receive, and distribute HHAP 6 grant funding.

26 E. HHAP Round 6 requires regionally coordinated action plans to be reflected in an MOU.
27 The purpose of this MOU is to commit each Party to participate in, and to comply with the
28 regionally coordinated homeless action plan, in collaboration with FMCoC.

1 F. On March 19, 2024, the parties executed a memorandum of understanding, Agreement
2 No. 24-140 ("Original MOU"), committing each Party to participate in, and comply with the
3 regionally coordinate homeless action plan developed under the HHAP Round 5 application.

4 G. The parties desire to replace the Original MOU with this new Agreement, wherein the
5 parties commit to participate in, and to comply with the regionally coordinated homeless
6 action plan, in collaboration with FMCoC, all in accordance with the HHAP Round 6 program
7 guidelines; Section 13 of AB 166 (Chapter 48, Statutes of 2024; Health & Safety Code (HSC)
8 Section 50239, et seq.).

9 H. Now, therefore, in consideration of the mutual covenants and conditions herein set forth,
10 Madera County, the City, and Fresno County agree as follows:

11 **Article 1**

12 **Responsibilities**

13 1.1 This MOU commits all Parties, in collaboration with FMCoC, to uphold, participate in,
14 and comply with the actions, roles, and responsibilities of each eligible applicant in the region as
15 described in the HHAP-6 Regionally Coordinated Homelessness Action Plan summarized in
16 Exhibit A to this MOU titled "Action Plan".

17 1.2 This MOU commits all Parties to the roles and responsibilities of each eligible
18 applicant within the region, in collaboration with FMCoC, as they pertain to outreach and site
19 coordination, siting and use of available public land, the development of interim and permanent
20 housing options, and coordinating, connecting, and delivering services to individuals
21 experiencing homelessness or at risk of experiencing homelessness, within the region. This
22 MOU commits all Parties to key actions each eligible applicant will take to improve the system
23 performance measures described in Exhibit A.

24 1.3 This MOU commits all Parties, in collaboration with FMCoC, to key actions each
25 eligible applicant will take to ensure racial and gender equity in service delivery, housing
26 placements, housing retention, and any other means to affirm equitable access to housing and
27 services for racial and ethnic groups overrepresented among residents experiencing
28 homelessness.

1.4 This MOU commits all Parties, in collaboration with FMCoC, to actions each eligible applicant will take to reduce homelessness among individuals exiting institutional settings, including but not limited to jails, prisons, hospitals, and any other institutions such as foster care, behavioral health facilities, etc. as applicable in the region.

1.5 This MOU commits all Parties, in collaboration with FMCoC, to comply with the core components of Housing First as provided in Chapter 6.6 (commencing with Section 8255) of Division 8 of the California Welfare and Institutions Code.

1.6 This MOU commits all Parties, in collaboration with FMCoC, to roles of each eligible applicant in the utilization of local, state, and federal funding programs to end homelessness.

1.7 This MOU commits all Parties, in collaboration with FMCoC, to the roles and responsibilities of each eligible applicant to connect individuals to wrap-around services from all eligible federal, state, and local benefit programs.

1.8 **Madera County's Responsibilities.** Madera County shall perform all of the services of Madera County provided in Exhibit A to this MOU, titled "Action Plan".

1.9 **The City's Responsibilities.** The City shall perform all of the services of the City as provided in Exhibit A to this MOU.

1.10 **Fresno County's Responsibilities.** Fresno County shall perform all of the services of Fresno County provided in Exhibit A to this MOU.

1.11 **Representation.** Each Party represents that it is qualified, ready, willing, and able to perform all of its respective services provided in this Agreement.

1.12 **Compliance with Laws.** The Parties shall each, at their own cost, comply with all applicable federal, state, and local laws and regulations in the performance of its respective obligations under this Agreement, including but not limited to workers compensation, labor, and confidentiality laws and regulations.

Article 2

No Monetary Consideration

2.1 There is no monetary consideration for this Agreement. The Parties agree that the mutual promises hereunder shall suffice as consideration.

1 **Article 3**

2 **Term of Agreement**

3 3.1 **Term.** This Agreement is effective on the date the Parties sign this Agreement
4 ("Effective Date") and terminates on June 30, 2028, except as provided in section 3.2,
5 "Extension," or Article 5, "Termination and Suspension," below.

6 3.2 **Extension.** The term of this Agreement may be extended for no more than two, one-
7 year periods only upon written approval of all Parties at least 30 days before the first day of the
8 next one-year extension period. The Fresno County CAO or his or her designee is authorized to
9 sign the written approval on behalf of Fresno County. The Madera County CAO or his or her
10 designee is authorized to sign the written approval on behalf of Madera County. The City Manager
11 or his or her designee is authorized to sign the written approval on behalf of the City.

12 **Article 4**

13 **Notices**

14 4.1 **Contact Information.** The persons and their addresses having authority to give and
15 receive notices provided for or permitted under this Agreement include the following:

16 **For Fresno County:**

17 Attn: Amina Flores-Becker, Deputy CAO
18 2281 Tulare Street, Room 304
Fresno, CA 93721

19 **For Madera County:**

20 Attn: Sonee Brown, Administrative Services Officer
1626 Sunrise Ave
Madera, CA 93638

21 **For the City:**

22 Attn: Georgeanne A. White, City Manager
2600 Fresno Street, Room 2064
Fresno, CA 93721

23 4.2 **Change of Contact Information.** Any Party may change the information in section
24 4.1 by giving notice as provided in section 4.3.

25 4.3 **Method of Delivery.** Each notice between or among the Parties provided for or
26 permitted under this Agreement must be in writing, state that it is a notice provided under this
27 Agreement, and be delivered either by personal service, by first-class United States mail, by an
28

1 overnight commercial courier service, or by Portable Document Format (PDF) document
2 attached to an email.

3 (A) A notice delivered by personal service is effective upon service to the recipient.

4 (B) A notice delivered by first-class United States mail is effective three County
5 business days after deposit in the United States mail, postage prepaid, addressed to the
6 recipient.

7 (C) A notice delivered by an overnight commercial courier service is effective one
8 County business day after deposit with the overnight commercial courier service,
9 delivery fees prepaid, with delivery instructions given for next day delivery, addressed to
10 the recipient.

11 (D) A notice delivered by telephonic facsimile transmission or by PDF document
12 attached to an email is effective when transmission to the recipient is completed (but, if
13 such transmission is completed outside of County business hours, then such delivery is
14 deemed to be effective at the next beginning of a County business day), provided that
15 the sender maintains a machine record of the completed transmission.

16 4.4 **Claims Presentation.** For all claims arising from or related to this Agreement,
17 nothing in this Agreement establishes, waives, or modifies any claims presentation
18 requirements or procedures provided by law, including the Government Claims Act (Division 3.6
19 of Title 1 of the Government Code, beginning with section 810).

20 **Article 5**

21 **Termination and Suspension**

22 5.1 **Termination for Breach.**

23 (A) Upon determining that a breach (as defined in paragraph (C) below) has
24 occurred, the non-breaching Parties may give written notice of the breach to the
25 breaching Party. The written must provide at least 30 days for the breaching Party to
26 cure the breach.

1 (B) If the breaching Party fails to cure its breach to the non-breaching Parties'
2 satisfaction within the time stated in the written notice, the non-breaching Parties may
3 terminate this Agreement immediately with that respective Party.

4 (C) For purposes of this section, a breach occurs when, in the determination of the
5 non-breaching Parties, the breaching Party, has:

- 6 (1) Failed to comply with any part of this Agreement;
7 (2) Submitted a substantially incorrect or incomplete report; or
8 (3) Improperly performed any of its obligations under this Agreement.

9 5.2 **Termination without Cause.** In circumstances other than those set forth above, any
10 Party may terminate this Agreement by giving at least 60 days advance written notice to the
11 other Parties.

12 **Article 6**

13 **Independent Contractor**

14 6.1 **Status.** In performing under this Agreement, each Party, including its officers, agents,
15 employees, and volunteers, is at all times acting and performing as an independent contractor, in
16 an independent capacity, and not as an officer, agent, servant, employee, joint venturer, partner,
17 or associate of another Party.

18 6.2 **Verifying Performance.** The Parties have no right to control, supervise, or direct the
19 manner or method of the other Parties' performance under this Agreement, but the Parties may
20 verify that the other Parties are performing according to the terms of this Agreement.

21 6.3 **Benefits.** Because of their status as an independent contractor, the Parties have no
22 right to employment rights or benefits available to employees of the other Parties. Each Party is
23 solely responsible for providing to their own employees all employee benefits required by law.
24 Each Party shall save the other Parties harmless from all matters relating to the payment of the
25 other Parties' employees.

26 6.4 **Services to Others.** The Parties acknowledge that, during the term of this
27 Agreement.
28

1 **Article 7**

2 **Indemnity and Defense**

3 7.1 **Indemnity.** Each Party shall indemnify and hold harmless and defend the other
4 Parties (including their respective officers, agents, employees, and volunteers) against all
5 claims, demands, injuries, damages, costs, expenses (including attorney fees and costs), fines,
6 penalties, and liabilities of any kind to the other Parties, or any third party that arise from or
7 relate to the performance or failure to perform by the other Parties (or any of its officers, agents,
8 subcontractors, or employees) under this Agreement. The Parties may conduct or participate in
9 their own defense without affecting the other Parties' obligation to indemnify and hold harmless
10 or defend themselves.

11 7.2 **Survival.** This Article 7 survives the termination of this Agreement.

12 **Article 8**

13 **Insurance**

14 8.1 Without limiting the indemnification of each party as stated herein, it is understood
15 and agreed that all Parties shall maintain, at their sole expense, insurance policies or self-
16 insurance programs including, but not limited to, an insurance pooling arrangement and/or Joint
17 Powers Agreement to fund their respective liabilities including general liability, automotive
18 liability, workers' compensation and employers' liability.

19 **Article 9**

20 **General Terms**

21 9.1 **Modification.** Except as provided in Article 5, "Termination and Suspension," this
22 Agreement may not be modified, and no waiver is effective, except by written agreement signed
23 by all Parties. The Parties acknowledge that the Parties' employees have no authority to modify
24 this Agreement except as expressly provided in this Agreement.

25 9.2 **Non-Assignment.** No Party may assign its rights or delegate its obligations under
26 this Agreement without the prior written consent of the other Parties.

27 9.3 **Governing Law.** The laws of the State of California govern all matters arising from
28 or related to this Agreement.

1 9.4 **Jurisdiction and Venue.** This Agreement is signed and performed in Fresno and
2 Madera Counties in California. The Parties consent to California jurisdiction for actions arising
3 from or related to this Agreement, and, subject to the Government Claims Act, all such actions
4 must be brought and maintained in Fresno County or Madera County.

5 9.5 **Construction.** The final form of this Agreement is the result of the Parties' combined
6 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be
7 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement
8 against any Party.

9 9.6 **Days.** Unless otherwise specified, "days" means calendar days.

10 9.7 **Headings.** The headings and section titles in this Agreement are for convenience
11 only and are not part of this Agreement.

12 9.8 **Severability.** If anything in this Agreement is found by a court of competent
13 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in
14 effect, and the Parties shall make best efforts to replace the unlawful or unenforceable part of
15 this Agreement with lawful and enforceable terms intended to accomplish the Parties' original
16 intent.

17 9.9 **Nondiscrimination.** During the performance of this Agreement, the Parties shall not
18 unlawfully discriminate against any employee or applicant for employment, or recipient of
19 services, because of race, religious creed, color, national origin, ancestry, physical disability,
20 mental disability, medical condition, genetic information, marital status, sex, gender, gender
21 identity, gender expression, age, sexual orientation, military status or veteran status pursuant to
22 all applicable State of California and federal statutes and regulation.

23 9.10 **No Waiver.** Payment, waiver, or discharge by a Party of any liability or obligation of
24 another Party under this Agreement on any one or more occasions is not a waiver of
25 performance of any continuing or other obligation of the other Party and does not prohibit
26 enforcement by a Party of any obligation on any other occasion.

27 9.11 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement
28 between the Parties with respect to the subject matter of this Agreement, and it supersedes all

1 previous negotiations, proposals, commitments, writings, advertisements, publications, and
2 understandings of any nature unless those things are expressly included in this Agreement. If
3 there is any inconsistency between the terms of this Agreement without its exhibits and the
4 terms of the exhibits, then the inconsistency will be resolved by giving precedence first to the
5 terms of this Agreement without its exhibits, and then to the terms of the exhibits.

6 9.12 **No Third-Party Beneficiaries.** This Agreement does not and is not intended to
7 create any rights or obligations for any person or entity except for the Parties.

8 9.13 **Authorized Signature.** The Parties, each, represent and warrant that:

9 (A) The Parties are duly authorized and empowered to sign and perform its
10 obligations under this Agreement.

11 (B) The individual signing this Agreement on behalf of Madera County is duly
12 authorized to do so and his or her signature on this Agreement legally binds Madera
13 County to the terms of this Agreement.

14 (C) The individual signing this Agreement on behalf of the City is duly authorized to
15 do so and his or her signature on this Agreement legally binds the City to the terms of
16 this Agreement.

17 (D) The individual signing this Agreement on behalf of Fresno County is duly
18 authorized to do so and his or her signature on this Agreement legally binds Fresno
19 County to the terms of this Agreement.

20 (E) The individual signing this Agreement on behalf of the FMCoC is duly authorized
21 to do so pursuant to the FMCoC Governance Charter.

22 9.14 **Counterparts.** This Agreement may be signed in counterparts, each of which is an
23 original, and all of which together constitute this Agreement.

Regional Partners' Roles and Responsibilities

Outreach and Site Coordination

Fresno County- The Department of Behavioral Health utilizes HHAP and ARPA funding to provide outreach, engagement, and linkage services to individuals experiencing homelessness in the rural and unincorporated areas of Fresno County through the Projects for Assistance in Transition from Homelessness (PATH) program. This program is currently operated by Kings View, Corporation, a local provider and is targeted to adults experiencing serious mental illness and/or co-occurring substance use disorders who are homeless or at imminent risk of becoming homeless. Although the HHAP funded shelters are all located in metro Fresno, they are all available to anyone experiencing homelessness within Fresno County. A pilot program operated through the PATH Outreach services also provides motel vouchers for unhoused individuals in rural communities that lack the infrastructure or concentration of unhoused individuals to necessitate regional shelter capacity. Additionally, the County is currently completing and application on behalf of the FMCoC for Emergency Solutions Grant funding that will be prioritized for non-entitlement areas which are primarily in rural Fresno County.

City of Fresno- The City of Fresno supports comprehensive street outreach and encampment resolution services within the metropolitan Fresno area. Through allocations from the Homeless Housing, Assistance and Prevention (HHAP) program and the Encampment Resolution Funding (ERF), the City funds the Homeless Outreach Progressive Engagement (HOPE) Team, currently operated by Poverello House.

The HOPE Team collaborates closely with the City's Homeless Assistance Response Team (HART), Code Enforcement, the Public Works/Solid Waste Division, the Fresno Police Department, the Continuum of Care's Coordinated Entry System (CES), and a network of homeless service providers. Together, these partners work to engage, serve, and stabilize individuals experiencing unsheltered homelessness, particularly those who are most vulnerable and at risk, while also facilitating the resolution of encampments within Fresno's city limits.

The City's Homeless Assistance Response Team (HART) is comprised of four components:

1. Outreach (HOPE)
2. Police Response (HART PD)
3. Code Enforcement (HART CODE) Sanitation (HART Sanitation)
4. Sanitation (HART Sanitation)

Each division within the Homeless Assistance Response Team (HART) plays a distinct role in the City of Fresno's encampment resolution strategy.

The Homeless Outreach Progressive Engagement (HOPE) Team leads the City's street outreach efforts, engaging individuals and families experiencing homelessness. Operated by Poverello House, the HOPE Team connects people with essential services such as screening and assessment, crisis intervention, community referrals, interim shelter placement, and short-term case management. A HOPE Team dispatcher receives referrals from the City and coordinates outreach efforts to identified encampment locations. In addition to working within city limits, the HOPE Team collaborates with external partners, including the Fresno Irrigation District, Caltrans, the County of Fresno, the Downtown Association, and other jurisdictions to extend outreach and engagement efforts.

HART PD provides law enforcement services at encampment sites established on property not legally permitted for occupancy. Their role is to ensure public safety and uphold local ordinances related to unauthorized encampments.

HART Code Enforcement addresses encampment locations requiring formal notifications and regulatory compliance. This includes issuing notices to property owners and encampment occupants and managing code-related concerns that may arise during resolution efforts.

HART Sanitation is responsible for trash and debris removal at encampment sites, including the collection and safekeeping of unattended personal property of value, in accordance with applicable regulations.

In addition, the City's Encampment Resolution Fund (ERF) project enhances outreach services in designated ERF zones within metro Fresno. This initiative includes initial screenings, emergency needs assessments, and immediate service connections, such as mental health and alcohol and other drug (AOD) services. Outreach teams also link unsheltered individuals to shelter and housing resources through the Continuum of Care's Coordinated Entry System (CES). For those awaiting shelter placement or ineligible for immediate housing, outreach staff provide "street navigation" services, helping individuals develop housing plans and facilitating connections to permanent housing.

Fresno City & County/Madera County CoC- Through the HUD CoC Grant, the FMCoC funds the Coordinated Entry Management Entity. This entity, through Poverello House, employs the housing matcher and community coordinator positions for the Coordinated Entry System, and works actively in the community to connect clients with navigators and complete match requests as well as oversee the training for homeless services providers across the continuum. The entity has worked to create referrals for access site staff to connect clients with navigators funded through HHIP, to ensure that these services are made available to clients who present when no shelter beds are available. Additionally, the Coordinated Entry Subcommittee meets bi-monthly to evaluate community performance and address bottlenecks in the system, making recommendations to the FMCoC Board of Directors as appropriate.

Madera County- The County of Madera has a Housing and Homelessness Services webpage within the main county website. Through this website, the public can identify encampments for outreach services and submit referral forms to the Homeless Engagement for Living Program (HELP Center) located at the Community Action Partnership of Madera County (CAMPC), which also serves as Madera County's Coordinated Entry System (CES). The County of Madera Sheriff's Office, Social Services Department, Behavioral Health Services, and Public Health Department coordinate with CAMPC and other local agencies when an encampment has been identified. A combination of supportive services such as intensive case management, community treatment, housing navigation, coordination with street-based healthcare and other healthcare services, and hygiene services and supplies are provided as needed.

Siting and Use of Available Land

Fresno County- The County of Fresno, through its Department of Public Works and Planning, reviews building permits and discretionary land use and subdivision map applications, makes recommendations to the County's Planning Commission and Board of Supervisors regarding land use, building, subdivision, and zoning matters, and administers the County's General Plan (which includes a Housing Element) and Community Plans for unincorporated areas of the County. The County's General Services Department maintains and continually updates an inventory of County owned and leased properties and will designate properties as surplus land for potential interim and permanent housing

development as appropriate. The County coordinates with other jurisdictions on regional land use and resource management items and certain discretionary land use applications which fall within a city's sphere of influence. When Federal/State funds are available, the County also provides loans and/or grants to support the construction and rehabilitation of affordable housing.

The County conducts an annual Developer Meeting to educate developers about the various funding sources available to build in the County. The County highlights various parcels that can be developed for multi-family housing projects or mobile home parks and lists of such parcels are made available to the developers. Additionally, the County discusses the housing needs of the residents of Fresno County and provides opportunities for partnership between developers, property owners and the County. Additionally, County staff provide technical assistance to interested developers and property owners to identify methods to develop in the County.

City of Fresno- The City of Fresno's Planning and Development Department plays a central role in advancing the development of interim and permanent housing by identifying and promoting the use of available land throughout the region. The department is responsible the creation and regular updating of key land use policy documents, including the General Plan and the Housing Element, the latter of which was recently adopted by the California Department of Housing and Community Development (HCD).

These foundational documents guide the City's growth and land use decisions across both urbanized and undeveloped areas. They also serve as strategic tools for addressing the region's housing needs, with a strong emphasis on expanding access to affordable housing.

The Fresno Housing Element is a critical planning document that outlines strategies to increase housing production through both short and long-term solutions. It identifies suitable sites for the development of temporary and permanent housing and advocates for zoning and land use policy changes that facilitate affordable housing construction. The plan also prioritizes housing solutions for vulnerable populations, including individuals experiencing homelessness and low-income families. By addressing these key areas, the Housing Element aims to expand housing opportunities for all residents, particularly those most in need.

The City of Fresno's Planning and Development Department uses the Housing Element and related plans to guide both public and private sector investments, with the goal of improving the quality of life for residents. The department works in close coordination with other City divisions—such as Housing Production and Finance, Community Development, and Homeless Services—to ensure that affordable housing development is integrated with community infrastructure and supportive services.

City staff routinely review entitlement applications to ensure alignment with the General Plan, Housing Element, and Development Code. Construction plans are evaluated for compliance with health, safety, and accessibility standards. Additionally, the City identifies and facilitates the disposition of surplus City-owned land for affordable housing development, in accordance with the California Surplus Land Act.

To support housing development, the City actively pursues a variety of funding sources aligned with Fresno's housing priorities, including the Local Housing Trust Fund, Homekey, and the Encampment Resolution Fund (ERF) program. The City also maintains and regularly updates an inventory of City-owned parcels, assessing their suitability for housing and conducting due diligence to ensure optimal use of available land.

Through these coordinated efforts, the City of Fresno is working to expand housing opportunities and strategically utilize available land for the production of both interim and permanent housing to meet the region's growing housing needs.

Fresno City & County/Madera County CoC- The FMCoC serves a critical role in informing the community of the needs for households experiencing homelessness. From coordinating the Point-in-Time Count, to improving and analyzing HMIS data, the various subcommittees and Board of Directors of the CoC work to inform the City and Counties of Fresno and Madera of the housing needs in the community. Once projects are developed and funded, the FMCoC CES Management Entity ensures that households are connected to services and matched to appropriate housing interventions, resulting in prioritized referrals to projects as they come online.

Madera County- The Madera County Community & Economic Development (CED) Department consists of the following divisions: Environmental Health, Planning, and Building. Through its Environmental Health Division, the County provides services through programs for land use and development. The Planning Division is responsible for preparing and updating the County's General Plan for the land use and physical development of the County and for executing this Plan. Planning also administers County Affordable Housing and Economic Development Programs including Community Development Block Grant (CDBG) and Neighborhood Stabilization Program (NSP), and HOME Grants, as Federal and State funding is made available and/or awarded to the County. The Building Division reviews construction permits, plans for new development and remodels, and conducts building inspections. These three divisions work together to make recommendations to the County's Planning Commission and the Board of Supervisors.

Development of Shelter, Interim and Permanent Housing Options

Fresno County- The Fresno County Department of Behavioral Health (DBH) partnered with the Fresno Housing Authority and Upholdings, LLC for the development of The Arthur at Blackstone, Avalon Commons, Crossroads Village and Libre Commons developments. DBH applied to Housing and Community Development and received No Place Like Home (NPLH) awards in the amount of \$3,499,685 for The Arthur at Blackstone, \$2,183,000 for Avalon Commons, \$20,000,000 for Crossroads Village and \$11,922,685 for Libre Commons that were allocated toward the construction of these developments. Additionally, DBH has a 20-year commitment to provide Specialty Mental Health Services and Housing Supportive Services for all tenants living at these sites. Through HHAP funding, the County, in partnership with the FMCoC, is currently funding 80 shelter beds: 12 interim shelter beds for youth; 12 triage emergency shelter beds in Madera County; 56 triage emergency shelter beds in Fresno County; along with 65 project-based rapid rehousing units and a rural, tenant-based rapid rehousing project with a capacity of 15 households. The Department of Social Services (DSS) is also using HHAP funding to extend CalWORKs Homeless Assistance stays beyond 16 days. These extended stays are coupled with CalAIM services to help ensure that households are connected to permanent housing or another appropriate housing interventions prior to exiting shelter. Each of the ESG, HDAP, and CalWORKs HSP funding sources serve as additional resources in the community for housing, employment, training, advocacy, and financial assistance.

Additionally, the County is aggressively pursuing interim and permanent housing funding opportunities made available through Prop 1, BHCIP, and Homekey+. In December 2024, DBH submitted three applications for BHCIP funding to support the development of psychiatric care facilities, which will expand capacity to provide residential treatment services for unhoused individuals with acute SMI needs. In Spring of 2025, the County submitted two Homekey+ applications to develop up to 137 permanent supportive housing units for individuals experiencing homelessness with a behavioral health

challenge and will leverage BHSA funding to provide ongoing support for these projects should they be awarded. DBH intends to submit additional applications for behavioral health residential treatment facilities through the second round of BHCIP Bond funding, which is anticipated in Summer of 2025.

The County advertises funding opportunities as funds become available throughout the year to funds permanent supportive housing and affordable housing developments in unincorporated Fresno County or in one of the incorporated cities that participates in the County's Joint Powers Authority agreement for State and Federal development funding sources. County staff also provide technical to developers in preparing their applications for County funding if necessary. The County provides letters of support for developers applying for funding when appropriate.

City of Fresno- The City recognizes the ongoing need to address unsheltered homelessness and establish sustainable pathways to permanent housing for the unhoused community. In response, the City has made substantial investments in developing and maintaining both interim shelter and permanent housing capacity and remains committed to pursuing additional funding opportunities to support these efforts.

Through Homekey Round 2, the City is currently operating 295 interim housing beds and supportive services. A recent award under Homekey Round 3 will add 129 permanent housing units, expected to come online within the next year. Additionally, the City utilizes HHAP funding to support 380 emergency shelter beds annually.

To further address the needs of individuals residing in encampments, the City has leveraged Encampment Resolution Fund (ERF) awards and American Rescue Plan Act (ARPA) funds to establish 155 additional interim shelter beds in the designated ERF Encampment Area. All City-funded shelter and interim housing programs incorporate housing-focused wraparound services designed to quickly transition individuals from homelessness to permanent housing and link them to available resources to provide the ongoing support necessary to help them maintain housing stability.

Looking ahead, the City intends to expand its efforts by investing in Rapid Rehousing subsidies, including vouchers for Independent Living Home placements, through its HHAP Round 5 allocation. Furthermore, the City plans to apply for Encampment Resolution Fund Round 4 to enhance support for encampment residents through strategies such as shared housing, additional Rapid Rehousing subsidies, and comprehensive supportive services.

These strategic investments in Rapid Rehousing and supportive programs will complement the City's existing infrastructure, reinforcing a holistic approach to increasing permanent housing placements and reducing unsheltered homelessness across Fresno.

Fresno City & County/Madera County CoC- Through the 2024 HUD CoC Grant, the FMCoC was awarded \$10,060,278 for Rapid Rehousing and Permanent Supportive Housing programs. Through HHAP funding, the County, in partnership with the FMCoC, is currently funding 111 shelter beds: 12 interim shelter beds for youth; 79 triage emergency shelter beds in Fresno County; and 20 family emergency shelter rooms; along with 23 project-based rapid rehousing units and a rural, tenant-based rapid rehousing project with a capacity of 15 households. The FMCoC CES provides training, referrals, and match to all participating projects in the continuum. Additionally, the FMCoC will utilize HHAP-5 funding to support tenant-based Rapid Rehousing for 42 households in Madera County.

Madera County- The County of Madera utilizes CDBG-CV3 and HHAP grant funds for the Madera Rescue Mission (MRM) Triage Center project. The Triage Center consists of six prefabricated units,

which have the capacity to accommodate 12 additional guests. Each unit includes two bedrooms along with a kitchen, bathroom, and living room. The units are placed in the residentially zoned land owned by and adjacent to MRM.

The Madera County Department of Behavioral Health Services (MCBHS) partnered with Self-Help Enterprises to develop River Grove Apartments in Oakhurst. MCBHS applied for to the California Department of Housing and Community Development and received a No Place Like Home (NPLH) award in the amount of \$20,000.00 for the development of River Grove. Twenty-two (22) of the 70 units have been designated to Permanent Supportive Housing (PSH). Additionally, MCBHS has committed to providing 20 years of case management and Specialty Mental Health Services to PSH households.

Coordination of and Connection to Service Delivery

Fresno County- The County of Fresno continues to require all HHAP-funded emergency shelters to provide wraparound services to all guests as well as serve as Coordinated Entry access sites. Access sites are an essential component of the CES wherein clients are triaged for acuity and immediate interventions available, should a bed not be available at that shelter the access site will reach out to other shelters in the community and do their best to find an available bed to prevent another unhoused night. Clients are also referred to other necessary interventions, including referrals to the County Department of Behavioral Health and the HHAP funded diversion program to attempt to prevent homelessness by empowering clients to identify immediate alternate housing arrangements. Additionally, the Department of Social Services Homeless Assistance Unit (HAU) assists CalWORKs clients in crisis, with CalWORKs Homeless Assistance, evaluates for assistance programs for which households may be eligible, but not receiving, and refers to access sites for further assessment and referral, as needed. Through HHAP funding, the DSS HAU will continue working towards becoming an initial screening and diversion site to offer access to services (including CalAIM resources) and diversion services on-site.

City of Fresno- The City of Fresno is committed to a coordinated, client-centered approach in delivering comprehensive services to individuals experiencing homelessness or at risk of homelessness. All City-funded projects under the Homeless Housing, Assistance, and Prevention (HHAP) and Encampment Resolution Fund (ERF) programs are required to provide integrated wraparound services. These services ensure that participants have access to essential supports including behavioral health, mental health, substance use treatment and housing navigation.

The City has expanded its outreach and engagement efforts through initiatives such as mobile shower and dedicated outreach teams, which meet individuals where they are to build trust and establish initial connections to care. In partnership with the Lived Experience Advisory Board, the City incorporates community-informed feedback to improve service accessibility and effectiveness for unsheltered populations.

All City-administered projects are required to participate in the local Continuum of Care (CoC) and to utilize the Coordinated Entry System (CES) for referrals, ensuring that individuals are connected to the most appropriate housing and supportive services. Under the ERF program, the City has targeted a specific encampment area in metro Fresno with a focused outreach model that includes initial screenings to assess urgent needs, referrals to shelter and housing through CES, and “street navigation” services for individuals awaiting placement or ineligible for shelter. These services support the development of individualized housing plans and facilitated expedited connections permanent housing.

As part of the ERF Round 3 initiative, the City has integrated behavioral health professionals into its outreach model. This includes the addition of a Licensed Marriage and Family Therapist, Licensed Social Worker, Interim Clinician, and two Alcohol and Other Drug (AOD) Counselors. These professionals not only provide on-site services but also work in close coordination with the County of Fresno Department of Behavioral Health.

In collaboration with Jurisdictional partners, the City continues to pursue additional funding to:

1. Coordinate mental health and supportive services for unhoused individuals.
2. Improve access and service equity for historically underserved populations.
3. Enhance housing navigation services to support increased shelter inflow and successful exits.
4. Expand landlord engagement strategies to open up more housing opportunities.
5. Explore shared housing models that improve affordability and sustainability for households transitioning into permanent housing.

Through this coordinated and collaborative approach, the City of Fresno is building a holistic, sustainable system that supports individuals in their journey to stable housing and improved well-being.

Fresno City & County/Madera County CoC- The FMCoC funds the CES Management Entity, through its HUD CoC Grant. This entity, which employs the housing matcher and community coordinator, co-chairs the CES subcommittee and takes the lead on identifying gaps in the system. The CES housing matcher and community coordinator, refer clients to navigators and complete match requests to connect clients to the appropriate housing interventions through referrals from participating FMCoC providers across all jurisdictions. The HMIS lead provides support to evaluate information in addressing data quality and system performance toward ending homelessness. Representatives from all jurisdictions participate in both the HMIS and CES subcommittees as well as on the FMCoC Board of Directors, to work together to coordinate service delivery across the continuum. Additionally, the FMCoC holds a weekly case conferencing meeting with housing providers wherein staff are provided with community resource information for referrals and upcoming housing opportunities for clients.

Madera County- The H.E.L.P. Center at CAPMC connects those experiencing homelessness with services. The County of Madera Sheriff's Office, Social Services Department, Behavioral Health, and Public Health coordinate with CAPMC and other local agencies to deliver a combination of supportive services as needed. The Department of Social Services Housing Unit assists clients experiencing or at-risk of homelessness by determining their eligibility for CDSS Housing and other county administered programs and referring them to CAPMC, as an access site for further assessment if needed.

Policies for Addressing Encampments

Fresno City & County/Madera County CoC- As a non-governmental jurisdiction, the FMCoC does not currently have a formal policy on addressing encampments. However, partner agencies coordinate with the jurisdictions responsible for addressing encampments. Additionally, the FMCoC will work with its jurisdictional partners and members to develop a policy that aligns with the Cal ICH Guidance on Addressing Encampments.

Fresno County- See attached County of Fresno Encampment Spreadsheet for list of encampment(s), their general location/address, estimated population. The County of Fresno will address these encampments in accordance with County Resolution 24-346 – Policy for Resolution of Temporary Encampments on Public and Private Property. In alignment with the County’s encampment resolution policy, encampments will be addressed in order of priority based on identified risk factors and imminent risk to public health and safety with the goal of resolving all identified encampments within 90 days. The County of Fresno intends to submit an application for Round 4 of ERF

The County of Fresno encampment policy complies with the CalICH Guidance on Addressing Encampments.

In September 2024, following the Governor’s executive order N-1-24, the County of Fresno adopted an unlawful camping and corresponding encampment resolution policy that conforms to the guidelines on addressing encampments provided by Cal ICH. The County of Fresno’s homeless encampment resolution process includes coordination with other jurisdictions and agencies. When an encampment is reported to the County of Fresno through its Homeless Response website, a report with a risk number is generated and reviewed by County staff. Once reviewed the report is triaged to the appropriate agencies. Often these agencies are outside of the County of Fresno’s jurisdiction. The County of Fresno has coordinated and communicated with its cities, other jurisdictions like the railroad companies, Caltrans, irrigation districts, and the neighboring County of Madera to establish a triaging process of homeless encampment reports that fall within those jurisdictions. The County of Fresno homeless encampment resolution process also includes the component of noticing and outreach services. If a homeless encampment falls within the unincorporated jurisdiction of the County of Fresno, the agencies involved in the encampment resolution response effort include, but are not limited to, the County Administrative Office, the Sheriff’s Office, the Environmental Health Division, Code Enforcement, the Outreach team, and County Counsel. These County agencies meet regularly to coordinate and prioritize homeless encampment response. The Sheriff’s Office will post notices typically seven days prior to the planned encampment resolution, but no less than 72 hours prior unless an encampment presents an imminent risk to public health and safety and must be addressed immediately. Once an encampment has been formally noticed by the Sheriff’s Office local homeless services agencies are notified and an outreach team is sent out to offer services including transportation and linkage to the Coordinated Entry System locations. In addition to these linkages, the outreach team can also do mental health screenings, provide food, water and hygiene products as well as offer other services to lower barriers to housing including ID vouchers and connection to interim shelter, if available. On the scheduled enforcement action and clean-up date, Personal property of value will be stored by the County for a minimum of 90 days - Individuals who request the storage of personal property are given written notice of the storage of personal property, location of storage, and telephone number to make arrangement to retrieve the stored property. Additionally, a Street Outreach pilot project initiated in July 2024 provides temporary motel vouchers for those displaced by County encampment resolution activities. Individuals that receive a motel voucher are also provided intensive outreach during their motel stay in order to make every effort to connect them with available community benefits programs and longer-term shelter or housing options.

City of Fresno- See attached 2025-15-4 COF Encampment spreadsheet for list of encampment(s), their general location/address, estimated population. The city of Fresno will follow Admirative Order 6-23 Garbage Removal Clean-up of Temporary Shelter and Code Enforcment Abatement Procedures to address this encampment. The City of Fresno will strive to resolve all the encampments that are located on the attached spreadsheet within 90 days. See attached 2025-15-4 COF Encamp spreadsheet under tab (ERF 1 & 2) & (ERF-3) for ERF information. Here are the contracts for City ERF: 22-ERF-10012, 23-ERF-2R-10016, and 24-ERF-3R-100009.

The City of Fresno encampment policy complies with the Cal ICH Guidance on Addressing Encampments.

The City of Fresno follows a structured and compassionate approach when addressing encampments. In accordance with established protocol, the City provides a seven-day written notice to individuals residing in encampments prior to any resolution activities, except in cases where there is an imminent threat to life, health, safety, or critical infrastructure. This notice period is intended to give individuals adequate time to prepare and access supportive services.

The Homeless Assistance Response Team (HART) maintains active awareness of encampments throughout the City. Upon identification or scheduled resolution of an encampment, the HART team notifies the City's outreach teams, which are deployed to engage with residents and offer comprehensive support. This includes connections to the Fresno Madera Continuum of Care (FMCoC) access sites, assessments through the Coordinated Entry System (CES), and street navigation services to facilitate access to available interim housing opportunities.

The City of Fresno also upholds a clear and respectful policy for the handling and storage of personal belongings belonging to individuals in encampments. In compliance with legal standards and best practices, any personal property of value that is collected during encampment resolution is safely stored for up to 90 days, allowing individuals the opportunity to reclaim their belongings.

Madera County-

Encampment Zone #1

1. General location: In the riverbed throughout the city, specifically under bridges.
2. Estimated population: Approximately 150 to 200 individuals during the day. Some will go to the Madera Rescue Mission to sleep overnight.
3. Specific plan to address: The CAPMC Outreach Team will conduct regular outreach to identify and engage unsheltered individuals in need of assistance. They will also provide immediate basic needs, offer crisis intervention and referrals to emergency shelter and mental health services, facilitate access to shelters, medical appointments, and support services, and inform individuals

about available resources and community programs. Additionally, the City of Madera Police Department has a Community Response Team where they offer resources to individuals living in encampments. They refer people to Behavioral Health Services for appointment and follow-up, the Community Action Partnership of Madera County Outreach Team, the Madera Rescue Mission, Hope House for showers, Public Health Department, and other community resources as needed.

4. Key milestones: The County of Madera will continue to work with law enforcement and CAPMC to address encampments by providing street outreach services, emergency housing, financial assistance, and supportive wraparound services.

5. ERF grant status: The County of Madera applied for Round 3 funds but was not awarded.

6. N/A

7. Lead entity for addressing the encampment: CAPMC

Encampment Zone #2

1. General location: The Ash Slough Bypass Canal consists of several encampments.

2. Estimated population: Approximately 20-25 individuals

3. Specific plan to address: The CAPMC Outreach Team will conduct regular outreach to identify and engage unsheltered individuals in need of assistance. They will also provide immediate basic needs, offer crisis intervention and referrals to emergency shelter and mental health services, facilitate access to shelters, medical appointments, and support services, and inform individuals about available resources and community programs. Additionally, the City of Chowchilla Police Department conducts regular patrols of the area and offer outreach services, including referrals to other community services and programs.

4. Key milestones: The County of Madera will continue to work with law enforcement and CAPMC to address encampments by providing street outreach services, emergency housing, financial assistance, and supportive wraparound services.

5. ERF grant status: The County of Madera applied for Round 3 funds but was not awarded.

6. N/A

7. Lead entity for addressing the encampment: CAPMC

Encampment Zone #3

1. General location: Various locations throughout the Oakhurst area; encampments are always moving.

2. Estimated population: Approximate population of each encampment can be from 1 - 30 individuals.

3. Specific plan to address: The RH Community Builders Street Outreach team will conduct regular outreach to identify and engage unsheltered individuals in need of assistance. They will also provide immediate basic needs, offer crisis intervention and referrals to emergency shelter and mental health services, facilitate access to shelters, medical appointments, and support services, and inform individuals about available resources and community programs.

4. Key milestones: The County of Madera will continue to work with law enforcement and RH Community Builders to address encampments by providing street outreach services, emergency housing, financial assistance, and supportive wraparound services.

5. ERF grant status: The County of Madera applied for Round 3 funds but was not awarded.

6. N/A

7. Lead entity for addressing the encampment: RH Community Builders

The County of Madera does not have a current and formal policy to address encampments but has plans to adopt a policy in the future that complies with the Cal ICH Guidance on Addressing Encampments.

Housing Element Compliance

Fresno County- Does not have a compliant Housing Element. Below is a timeline for all relevant milestones to achieve compliance:

- 12/17/24 County completed the rezone required to meet the Regional Housing Needs Allocation.
- 4/4/25: County submitted revised draft addressing issues from last findings letter for HCD review.
- 6/5/25: HCD completes review of draft and provides letter either determining there are no remaining issues, or only minor changes are necessary.
- 8/25/2025: County adopts housing element and submits documentation to HCD.
- 10/25/25: HCD completes review of adopted element and rezones to confirm they meet what was proposed in draft. If adopted element and rezones meet requirements, jurisdiction is found compliant.

City of Fresno- Has a compliant Housing Element.

Fresno City & County/Madera County CoC- N/A

Madera County- Does not have a compliant Housing Element. The County of Madera is on its third round of comments with HCD but are expecting the housing element to be adopted by summer 2025.

Housing Element Implementation

Fresno County- Has implemented all programs in their adopted Housing Element on the timelines identified.

City of Fresno- Has implemented all programs in their adopted Housing Element on the timelines identified.

Fresno City & County/Madera County CoC- N/A

Madera County- Has implemented all programs in their adopted Housing Element on the timelines identified.

Prohousing Designation

Fresno County- Plans to apply for Prohousing Designation. Below are the Prohousing Policies that have been adopted or plan to adopt in the future:

- The County has a two-month project review timeline requirement for permitting of projects.
- The County does not require a public hearing for projects consistent with zoning and the general plan.
- The County has priority permitting of 30 days for ADU plans which are affordable for lower-income households.
- The County has an established streamlining permit process that minimizes the level of review and approval required for projects that are consistent with zoning regulations and the general plan.
- The County's zoning ordinance established objective development standards.
- The County provides status updates for plan review, payments, and plan approval on the internet and is available to the public.
- The County provides electronic project submittal that provides status updates, payment methods, and permit issuance on the internet and available to the public.
- The County has adoption of manufactured homes, tiny homes, SIP construction methods, and expedited plan check option to customers to accelerate production of manufactured homes.
- The County provides free pre-approved ADU/JADU plans and has staff that assists residents in accessing and processing their application for such plans. Additionally, we have an adopted policy of 30-day plan review timeline and adopted construction methods to facilitate interconnection of utilities for lower ADU building costs. (Policies that result in less restrictive requirements than Government Code sections 65852.2 and 65852.22 to reduce barriers for property owners to create ADUs/JADUs.)
- The County provides free pre-approved duplexes, triplexes, and fourplexes plans for missing middle housing types in low-density, single-family residential areas and has staff to assist in the application process.
- The County provides subsidies for housing affordable to Extremely Low-Income Households.

City of Fresno- On 5/22/25, The City of Fresno was formally notified by the California Department of Housing and Community Development (HCD) that its Prohousing Designation has been revoked.

The City of Fresno has initiated discussion with HCD to work toward regaining its Prohousing Designation.

Fresno City & County/Madera County CoC- N/A

Madera County- Plans to apply for Prohousing Designation. Below are the Prohousing Policies that have been adopted or plan to adopt in the future:

- Madera County now has pre-approved Accessory Dwelling Unit Plans.

Housing Law Violations

Fresno County- No potential or actual housing law violations with HCD's Housing Accountability Unit or the Attorney General's Housing Justice Team.

City of Fresno- No potential or actual housing law violations with HCD's Housing Accountability Unit or the Attorney General's Housing Justice Team.

Fresno City & County/Madera County CoC- N/A

Madera County- No potential or actual housing law violations with HCD's Housing Accountability Unit or the Attorney General's Housing Justice Team.

Surplus Land

Fresno County- Has a central inventory of all surplus land and all lands in excess of their foreseeable needs as required by Government Code section 54230.

City of Fresno- Has a central inventory of all surplus land and all lands in excess of their foreseeable needs as required by Government Code section 54230.

Fresno City & County/Madera County CoC- N/A

Madera County- Has a central inventory of all surplus land and all lands in excess of their foreseeable needs as required by Government Code section 54230.

Annual Progress Report

Fresno County- Has submitted a timely and complete annual progress report for at a minimum, the past two years.

City of Fresno- Has submitted a timely and complete annual progress report for at a minimum, the past two years.

Fresno City & County/Madera County CoC- N/A

Madera County- Has submitted a timely and complete annual progress report for at a minimum, the past two years.

ADMINISTRATIVE ORDER

Subject: Garbage Removal; Clean-up of Temporary Shelters; and Code Enforcement Abatement Procedures	Number: 6-23
	Date Issued: 08/30/07 Date Revised:
Responsible Department: City Manager	Approved:

Purpose

The City of Fresno receives regular complaints from citizens and businesses throughout the City which relate to health and safety, and other concerns arising in and around areas in which individuals have erected temporary shelters.

By this Administrative Order, the City of Fresno sets forth its policies and procedures for cleaning up areas in which individuals have constructed temporary shelters, and expresses its intention to implement these policies in a manner which balances the needs and rights of all of its citizens, including the residents of such temporary shelters. This policy does not establish any individual right to erect temporary shelters or otherwise encroach on public or private property.

Policy

The City of Fresno shall respond to complaints and concerns arising in and around areas in which individuals have erected temporary shelters in a manner that protects the public health and safety and which complies with applicable state and federal laws.

Procedures

Procedures applicable to garbage removal, enforcement of trespass laws and the clean-up of encampments are set forth in Sections I, II and III, below. Procedures applicable to code enforcement activities are set forth in Section IV, below.

I. Garbage Removal.

A. City-Owned Property.

- (1) The City of Fresno Community Sanitation Division regularly receives requests to remove trash and debris which has accumulated in or around City owned property. The Community

Sanitation Division shall continue to receive and act upon these requests for service consistent with its historical practice. However, when the Community Sanitation Division determines that a request for service involves the removal of trash or debris occurring within 200 feet of an area which contains temporary shelters, and absent exigent circumstances, such as an immediate threat to public health or safety, such trash or debris removal shall not occur until at least three (3) days after the posting and/or service of written notice in a form substantially similar to the Notice attached hereto as Exhibit A.

- (2) The posting and/or service of said notice shall be performed in a manner which is reasonably calculated to provide effective notice to any residents of the adjacent temporary shelters. Where possible, the notice shall describe the area subject to garbage removal as clearly as possible (e.g., the east side of the 400 block of Olive Avenue.)
- (3) As part of the removal of any trash and/or debris, the City of Fresno shall not destroy any materials of apparent value which appear to be the personal property of any individual. Personal property of apparent value may include clothing, shoes, jackets, tents, sleeping bags, bed rolls, blankets, backpacks, duffel bags, bicycles, tools, watches, jewelry, audio and video equipment, medications, toiletries, eyeglasses, purses, handbags, personal papers, equipment, photographs, books and baby strollers.
- (4) Trash and debris includes property that appears to have been discarded by its owner, but the fact that property is unattended does not necessarily mean that it has been discarded. Reasonable doubt about whether property is "trash or debris" or valuable property should be resolved in favor of the conclusion that the property is valuable and has not been discarded.

B. Private Property, Including Public Property Not Owned by the City.

The City will not respond to requests by private property owners, or owners of public property not owned by the City, to remove junk, trash and/or debris accumulated on private property unless a clean-up effort has been approved, in advance, by the City Manager's Office. In instances in which such approval is granted, and the request for services involves the removal of trash or debris occurring within 200 feet of an area which contains temporary shelters, the City will follow the notice procedure set forth in Section I, A, above.

II. Clean-Up(s)

A. Private Property, Including Public Property Not Owned by the City.

The City of Fresno regularly receives complaints from residents and business owners regarding the existence of temporary encampments constructed by individuals that have no legal right or permission to occupy the property. These complaints include a broad range of issues, including, but not limited to, loitering, trespass, drug sales and use, prostitution, assault and the accumulation of trash and debris.

(1) In situations where the City of Fresno has received complaints regarding alleged criminal activity at temporary encampments established on private property, the Police Department will respond to and handle the situation in accordance with current policy.

(2) The City will not respond to a request by private property owner to remove junk, trash and/or debris left behind on private property unless a clean up effort has been approved, in advance, by the City Manager's Office. In instances in which such approval is granted, the removal of trash and debris on private property shall be performed as set forth in Section III, A, below.

B. City-Owned Property.

- (1) In situations in which the City of Fresno has received complaints regarding alleged criminal activity at temporary encampments established on City-owned property, the Police Department will respond to and handle the situation in accordance with current policy.
- (2) If a clean-up involves the collection of personal property value, then the procedures set forth in Section III below will be followed. If the City desires to remove garbage in conjunction with any such action, it shall follow the procedures in Section I above.

III. Clean-up of Encampments.

For encampments of ten (10) or more individuals which have been in place for more than ten (10) days, the City shall seek to provide the residents of such encampments at least seven days advance notice of the need to vacate said property by posting and serving written notice in a form substantially similar to the Notice attached hereto as Exhibit B.

A. Clean-up of Encampments on City-Owned Property.

(1) In situations in which the City of Fresno intends to clean areas where an encampment is located on City-owned property, the City will provide written notice of the intended clean-up in a form substantially similar to the Notice attached as Exhibit C. The City of Fresno will collect and dispose of any junk, garbage and/or debris in the area and will also collect and store any unattended personal property of value (as described in Section II, B(2) above). Personal property collected by the City will be stored for ninety (90) days without charge, during which time said property shall be available to be reclaimed by the subject owner. After the expiration of ninety (90) days, any unclaimed property will be destroyed.

(2) The posting and service of said notice shall be performed in a manner which is reasonably calculated to provide effective notice to the residents of the temporary shelters, and to the extent possible, the notice shall describe the area subject to the clean-up effort as clearly as possible. The notice shall also be served by hand delivery and/or facsimile on the organizations that assist residents of temporary shelters including, but not limited to: The Fresno Rescue Mission, The Poverello House, St. Benedict Catholic Workers, Central California Legal Services and the Community Alliance Newspaper.

B. Clean-up of Encampments on Private Property, Including Public Property Not Owned by the City.

Request by property owners to enforce trespass laws may be reported to the Police Department or the City Manager's Office. The Police Department will respond to and handle the situation in accordance with current policy. However, the City will not respond to a request by a private property owner to clean-up encampments located on private property unless the clean-up request has been approved, in advance, by the City Manager's Office. In instances in which such approval is granted, clean-up of encampments on private property shall be performed as set forth in Section III, A, above.

IV. Code Enforcement.

A. It is anticipated that the City of Fresno will, from time to time, pursue code enforcement activities concerning the abatement of a public nuisance which includes temporary encampments constructed by individuals. These activities may include, but are not limited to, weed abatement, the

collection and disposal of junk, garbage and/or debris, as well as the collection and disposal of personal property in and around the area of encampments.

- B.** In situations where code enforcement activities to abate a public nuisance involve the collection of personal property of value (as described in Section II, B(2) above) which reasonably appears to belong to an individual, the City will provide at least a three to seven day written notice of the intended clean-up in a form substantially similar to the Notice attached hereto as Exhibit D, and which, to the extent possible, shall describe the areas subject to the code enforcement activities as clearly as possible.
- C.** At the time the City abates the subject nuisance, it will collect and dispose of any junk, garbage and/or debris in the area and will also collect and store any unattended personal property which reasonably appears to belong to an individual. Personal property collected by the City as part of an abatement effort will be stored for ninety (90) days without charge, during which time it shall be available to be reclaimed by the subject owner. After the expiration of ninety (90) days, any unclaimed property will be destroyed.

NOTICE OF GARBAGE REMOVAL

PLEASE TAKE NOTICE:

That on [insert date] at [insert time], the City of
Fresno will remove and destroy garbage that has accumulated in the area
of [insert address].

The City will not remove or destroy the personal property of any
individuals. However, to avoid any confusion, please move any personal
property you may have away from any garbage piles located in this area.
If you have any concerns or comments, please contact [person
and title] at [address and phone number].

NOTICE OF TRESPASS

PLEASE TAKE NOTICE:

The City of Fresno has received complaints concerning individuals who are loitering near or residing in temporary shelters that have been constructed in the vicinity of [_____ insert address _____].

Any individual loitering or residing in this area may be trespassing, and must immediately move off this site and remove any personal property they own.

On [_____ insert date _____], at [_____ insert time _____], the City of Fresno will seek the voluntary cooperation of any individuals who remain on site to relocate, and will enforce trespass laws against any individual who fails or refuses to move off this site.

If you have any questions or comments, please contact [_____ person and title _____] at [_____ address and phone number _____].

NOTICE OF TRESPASS AND CLEAN-UP

PLEASE TAKE NOTICE:

The City of Fresno has received complaints concerning individuals who are loitering near or residing in temporary shelters that have been constructed in the vicinity of [_____ insert address _____].

Any individuals loitering or residing in this area may be trespassing, and will need to immediately move off this site and remove any personal property they own.

On [_____ insert date _____], at [_____ insert time _____], the City of Fresno will conduct a clean-up of the area, including the removal of all individuals, personal property, temporary shelters, junk and/or garbage from this area. Individuals wishing to reclaim personal property collected by the City as part of the clean-up project may do so by contacting [_____ person and title _____] at [_____ address and phone number _____] for a period of ninety (90) days following [_____ date of clean-up _____].

Personal property collected by the City shall be stored, without charge, for ninety (90) days. After ninety (90) days, any unclaimed property will be thrown away.

If you have any questions or comments, please contact [person
and title] at [address and phone number].

NOTICE OF CODE ENFORCEMENT AND CLEAN-UP

PLEASE TAKE NOTICE:

The City of Fresno will be enforcing the Fresno Municipal Code which requires the removal of accumulated junk, property and/or garbage in the vicinity of [_____ insert address _____], including any temporary shelters. Any individuals who are residing or storing property in this area are in violation of the Fresno Municipal Code and will need to immediately move off this site and remove any personal property they own.

On [_____ insert date _____], at [_____ insert time _____], the City of Fresno will conduct a clean-up of the area, including the removal of all individuals, personal property, temporary shelters, junk and/or garbage from this area. Individuals wishing to reclaim personal property collected by the City as part of the clean-up project may do so by contacting [_____ person and title _____] at [_____ address and phone number _____] for a period of ninety (90) days following [_____ date of clean-up _____].

Personal property collected by the City shall be stored, without charge, for

ninety days. After ninety (90) days, any unclaimed property will be thrown away.

If you have any questions or comments, please contact [person
and title] at [address and phone number].

Key Actions to Improve the Region's CA SPMs

Key Action 1.

Key Action
The County of Fresno will leverage the existing DSS Homeless assistance Unit (HAU) to expand on services for those presenting in housing crisis. This will include making the HAU a CES initial screening site wherein clients can be assessed, connected with diversion services, and entered into the CES/HMIS. This will provide a more ready connection to services, particularly CalAIM services, and the CES. It will also decrease wait times by offsetting the number of households referred to other access sites, sharing the load in the community.

Identify the CA SPM(s) that will be improved by this Key Action and how.

CA SPM	Specific description of how the Key Action will improve this CA SPM
1a	The DSS HAU office will be a convenient location for those who are experiencing a housing crisis to present to access services.

Lead entity for the Key Action
<i>Fresno County</i>
Collaborating entity/ies
FMCoC

Milestones for the Key Action	Target dates for milestones
HAU staff will be registered to the CoC Bridge Training Platform and will begin taking the required training courses for access sites.	12/31/2025

Target date for completing the Key Action
6/30/2026
Clear metric for how success of the Key Action will be measured
The goal to increase the number of people accessing service who are experiencing homelessness by 25% will be measured by data from HMIS, the State HDIS, and the CES By-Name List.

Funding Sources for Key Action

Funding source	Description of how the funding will contribute to the achievement of the Key Action	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP-4, CalAIM, CalWORKs HSP, HDAP	The various funding sources will fund staff at HAU as well as provide direct client assistance based on their need.	<i>Choose an item.</i>

Identify which of the following equity improvement areas will be addressed by the Key Action.

Equity Area	Description of how the Key Action will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Service Delivery	The key action will address racial and ethnic disparities by making services available in a location that has historically not had access to community homeless services.
Housing Placements	
Housing Retention	
Changes to procurement	
Other means of affirming racial and ethnic groups that are overrepresented among residents experiencing homelessness have equitable access to housing and services.	

Key Action 2.

Key Action
The County of Fresno will use HHAP and CalWORKs HSP funding to extend shelter nights beyond the 16 days provided through CalWORKs Homeless Assistance, while connecting households to CalAIM supports to ensure that families accessing CalWORKs Homeless Assistance are connected with additional resources for permanent housing before exiting. Fifty family shelter rooms will be funded for this purpose with approximately 50% made available for extensions beyond 16 days.

Identify the CA SPM(s) that will be improved by this Key Action and how.

CA SPM	Specific description of how the Key Action will improve this CA SPM
1b	Sixteen days is often not enough time for families to stabilize and find appropriate housing, extending the nights available will ensure families stay sheltered while finding a permanent

	solution to their housing crisis. Utilizing 50% of the rooms for extensions ensures that 50% are available for new families presenting as well.

3	Landlord engagement will increase the number of landlords willing to rent to persons experiencing homelessness, thereby increasing the number of exits to permanent housing.

Lead entity for the Key Action

Fresno City & County/Madera County CoC

Collaborating entity/ies

County of Fresno, City of Fresno

Milestones for the Key Action

Target dates for milestones

Establish and maintain a minimum of 80 affordable housing units per year.

6/30/2026

Target date for completing the Key Action

6/30/2027

Clear metric for how success of the Key Action will be measured

The goal to increase successful exits to permanent housing by 15%, will be measured by data from HMIS and the State HDIS.

Funding Sources for Key Action

Funding source	Description of how the funding will contribute to the achievement of the Key Action	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP-3, HHAP-5, HHAP-6, CalAIM, HHIP	Funds will be used to engage landlords and encourage them to rent to program participants and will provide mitigation funds should they become necessary.	<i>Rapid Rehousing/Rental Subsidies</i>

Identify which of the following equity improvement areas will be addressed by the Key Action.

Equity Area	Description of how the Key Action will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Service Delivery	
Housing Placements	
Housing Retention	
Changes to procurement	The County of Fresno updated the language in the most recent procurements indicating that all service providers must have strategies for ensuring racial equity and inclusion in its program design and within the structure of the organization as well.
Other means of affirming racial and ethnic groups that are overrepresented among residents experiencing homelessness have equitable access to housing and services.	

Key Action 18.

Key Action
The FMCoC will utilize the newly developed Bridge Training Platform funded through HHIP, to ensure that all providers are appropriately trained on homelessness regulations and best practices. This is critical due to staff turnover and regulatory changes. This will result in improved proficiency in providers and the continuum at large, which will help to reduce the length of time that shelter participants experience homelessness.

Identify the CA SPM(s) that will be improved by this Key Action and how.

CA SPM	Specific description of how the Key Action will improve this CA SPM
4	Well trained staff will be more efficient in providing adequate support to clients and decreasing the amount of time they

	experience homelessness.

City of Fresno

City of Fresno Allocation: \$10,491,196.56

Total HHAP-6 Allocation(s) Administering: \$10,491,196.56

HHAP-6 Funding Activity	Eligible use under which the proposed funding activity is budgeted.	Total dollar amount of HHAP-6 funding proposed for the activity.	Total dollar amount of HHAP-6 Youth Set Aside (Must total at least 10% of all monies received)	Which SPM Improvement plan key action(s) the activity supports	Funding any new interim housing solutions?	Does this budget propose to fund any non-housing Solutions?	How are these Activities Aligned with the State's Priorities?
Administrative Costs	Administrative Costs (no more than 7 percent of allocation)	\$734,383.76			No	No	
HMIS	HMIS (up to 1 percent of allocation)	\$104,911.97			No	No	
Interim Housing	Operating Expenses - Interim Housing	\$8,602,781.18		1B	No	No	These activities align with the State's priority under SPM 1b by helping to reduce the number of people experiencing unsheltered homelessness on a single night. By maintaining shelter capacity, the City provides immediate alternatives to living outdoors, which directly lowers the unsheltered Point-in-Time (PIT) count. This effort supports the State's goal of decreasing unsheltered homelessness by ensuring that individuals have access to safe, temporary housing while working toward permanent solutions.
Interim Housing	YSA - Operating Expenses - Interim Housing	\$1,049,119.66	\$1,049,119.66	1B	No	No	These activities align with the State's priority under SPM 1b by targeting a reduction in the number of youth experiencing unsheltered homelessness on a single night. By maintaining dedicated shelter capacity for youth, the City provides safe alternatives to street homelessness. This directly contributes to lowering the unsheltered Point-in-Time (PIT) count among youth by ensuring they have immediate access to shelter and support services. These efforts reflect the State's commitment to addressing the unique needs of young people facing housing instability and preventing long-term homelessness in this vulnerable population.
