Subject: YARTS Membership for Fresno county

CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

Dear Sonja-

I just wanted to write in to support Fresno county participating with YARTS transportation. I am planning a visit to Yosemite late this summer from Oregon and wanted to use Fresno as my hub (airport). However, if you don't have transportation service from Fresno via YARTS in Yosemite Valley, then I won't be spending my visitor/tourist dollars in Fresno and will look to use a different hub.  
Please join the YARTS collaborative like the majority of other counties in your area.

Sincerely,

Karen Walz  
Oregon
