## DISCUSSION:

On September 10, 2024, the Board approved Agreement No. 24-496 (Agreement) for the Project, then estimated at \$232,796. The Agreement provided \$232,796 in CDBG funds to the City, on a reimbursement basis, for the construction or replacement of curb, gutter, sidewalk, drive approaches, and curb ramps where missing, damaged, or not meeting current American with Disabilities Act requirements to create a safe continuous pedestrian traveling surface. Existing signs, placement markings, curb, gutter, sidewalk, drive approaches, streetlights, storm drain inlets, and landscape may be modified, replaced, and/or relocated to accommodate the proposed improvements. The Project is located in the City of Selma within the area generally bounded by Valley View Avenue, to the south, Second Street and Bauder Street to the

north, Thompson Avenue to the west, and Sheridan Street to the east.

If approved, the recommended amendment will increase the total CDBG funds allocated to this Project from \$232,796 to \$301,257. All remaining provisions of the Agreement will remain in full force and effect.
