ALTERNATIVE ACTION(S):

There is no viable alternative action. If the recommended action is not approved, the County of Fresno will not be able to participate in the association's annual election of officers and policy adoption.

FISCAL IMPACT:

There is no increase in Net County Cost associated with the recommended action. The NACo calendar year (CY) 2024 dues of \$18,421 were paid in November 2023. Dues for CY 2025 will be included in the FY 2024-25 Recommended Budget for Interest and Miscellaneous Expenditures Org 2540, which will be presented to your Board in September 2024.

DISCUSSION:

On May 16, 2017, your Board approved continued membership in NACo, and membership dues have been paid annually. NACo is the leading voice for all counties nationwide and ensures that California county priorities are at the top of the national agenda, including federal funding for local transportation, Secure Rural Schools, Payment in Lieu of Taxes (PILT), State Criminal Alien Assistance Program (SCAAP), and other issues impacting our county. On June 20, 2023, your Board approved and authorized Supervisor Magsig's designation as the County's voting delegate at NACo's Annual Business Meeting in 2023.

Supervisor Magsig has registered to attend NACo's Annual Business Meeting in July 2024. In order for Supervisor Magsig to be able to vote at the conference (on the County's behalf), designation must be submitted to NACo by July 14, 2024, to meet the association's submission deadline. Approval and submission of this designation is a requirement, and he must be designated by the Board of Supervisors to be the County's delegate. The designation will be completed online pending your Board's approval. Membership services through NACo include legislative representation, technical assistance, federal grant information, awards for innovation, conferences and meetings, deferred compensation program, World Wide Web and network services, and financial services.
