How did the injury or damage occur?	This was a multi-vehicle rear-end collision caused by a FRESNO COUNTY Vehicle operator when he was traveling in a 2016 Chevrolet Silverado (white), CA license plate no. 1469377. Liable operator for the county of Fresno is Isaiah Peter Asprec with CA Driver's license No. [REDACTED]. Asprec admittedly states on the official police report that he was traveling at about 60-62 mph when traffic stopped ahead and he was unable to safely slow the speed at which he was traveling to bring his vehicle to a stop, in turn, causing his vehicle's front end to collide with Mrs. Padeiro's vehicle's rear-end and pushing Mrs. Padeiro's vehicle into another vehicle. After crashing into Mrs. Padeiro's vehicle, Asprec's vehicle went off road, rolling over twice before coming to rest on its wheels, thus indicating tremendous speed and magnitude of force was at play during the major collision.
