Supervising Engineer
Maintenance & Operations Division
Fresno County Dept. of Public Works & Planning

November 15, 2016

Dear Mr. Daniele:

SUBJECT: CITY OF FRESNO ACCEPTANCE OF RIGHT-OF-WAY DEDICATION ON BEHALF
OF THE COUNTY OF FRESNO

The City of Fresno is processing deeds for the proposed dedication of right-of-way for public street easement purposes in conjunction with a site plan located at 6730 East Kings Canyon Road, as shown on the enclosed exhibit. These street improvements require acquisition as well as dedication of additional right-of-way for public street and pedestrian easement purposes.

The proposed areas of dedication and construction of street improvements are within County jurisdiction as shown on the enclosed Exhibit. The City requests that the County of Fresno grant the City the authority to acquire and accept the dedication of right-of-way on behalf of the County of Fresno.

The City also requests that they be granted the additional inspection services for all street work permits be issued by the County of Fresno for work to be done within the area of the proposed dedications as well as within the existing right-of-way.

The City agrees that maintenance of the improvements can best be performed by one agency, and has therefore prepared a Road Repair and Maintenance Agreement by which the City of Fresno agrees to perform all maintenance for the improvements constructed in conjunction with this Project. A copy of this Agreement has been submitted to your office for review.

Should additional information be needed to expedite this request, please contact Jeff Beck at 621-8560. Please let us know when the request will go to the County Board of Supervisors.

Sincerely,

A handwritten signature in blue ink, reading "Andrew J. Benelli".
