With respect to individual requests, access shall be provided within thirty (30) days from request. PHI shall be provided in the form and format requested by the individual or the County.

The Contractor shall make any amendment(s) to PHI in a designated record set at the request of the County or individual, and in the time and manner designated by the County in accordance with 45 CFR § 164.526.

The Contractor shall provide to the County or to an individual, in a time and manner designated by the County, information collected in accordance with 45 CFR § 164.528, to permit the County to respond to a request by the individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528.

The Contractor must adopt procedures for terminating access to PHI when employment of employee ends.

10. Mitigation of Harmful Effects

The Contractor shall mitigate, to the extent practicable, any harmful effect that is suspected or known to the Contractor of an unauthorized access, viewing, use, disclosure, or breach of PHI by the Contractor or its

subcontractors in violation of the requirements of these provisions. The Contractor must document suspected or known harmful effects and the outcome.

17. Disclaimer

The County makes no warranty or representation that compliance by the Contractor with these provisions, the HITECH Act, or the HIPAA Rules, will be adequate or satisfactory for the Contractor's own purposes or that any information in the Contractor's possession or control, or transmitted or received by the Contractor, is or will be secure from unauthorized access, viewing, use, disclosure, or breach. The Contractor is solely responsible for all decisions made by the Contractor regarding the safeguarding of PHI.

18. Amendment

The parties acknowledge that Federal and State laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit G may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to amend

this agreement in order to implement the standards and requirements of the HIPAA Rules, the HITECH Act and other applicable laws relating to the security or privacy of PHI. The County may terminate this Agreement upon thirty (30) days written notice in the event that the Contractor does not enter into an amendment providing assurances regarding the safeguarding of PHI that the County in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules, and the HITECH Act.
