

# Board Agenda Item 56

DATE: November 7, 2023

TO: Board of Supervisors

SUBMITTED BY: Kirk Haynes, Chief Probation Officer

SUBJECT: Retroactive Agreement with the City of Sanger to participate on the Public Safety Realignment Adult Compliance Team

RECOMMENDED ACTION(S):

**Approve and authorize the Chairman to execute a retroactive Agreement with the City of Sanger to assign a sworn Police Officer to the Public Safety Realignment Adult Compliance Team, effective July 1, 2023 through June 30, 2024 (\$242,935).**

There is no Net County Cost associated with the recommended action, which will approve a retroactive agreement with the City of Sanger to continue to provide one sworn Police Officer to participate as a member of the Public Safety Realignment Act (Assembly Bill 109) Adult Compliance Team (ACT), as authorized by the approved Community Corrections Partnership (CCP) Plan. Although the recommended agreement is with the City of Sanger, which is in District Four, this item is countywide.

ALTERNATIVE ACTION(S):

If the recommended action is not approved, the ACT would not include a Police Officer from the City of Sanger.

RETROACTIVE AGREEMENT:

The recommended agreement before your Board is retroactive, due to waiting for the Board's approval of the County's budget to ensure the availability of funds, and the length of time required to prepare the recommended agreement and have it reviewed and approved by the City of Sanger. The recommended agreement was signed by the City of Sanger in September 2023 and is being brought before your Board on the first available Board date within the agenda item processing deadlines.

FISCAL IMPACT:

There is no Net County Cost associated with the recommended action. The cost of \$242,935 for the recommended agreement is funded with Assembly Bill 109 funds (\$241,262) and Senate Bill 129 funds (\$1,673) received from the State of California. Sufficient appropriations and estimated revenues for these services are included in Probation's FY 2023-24 Adopted Budget for Org 3430. There are no pending invoices for the recommended agreement.

DISCUSSION:

Assembly Bill 109 was signed into law on April 5, 2011 and went into effect on October 1, 2011. Assembly Bill 109 transferred responsibility for housing/supervising of specific inmates and parolees from the

California Department of Corrections to counties. In accordance with Assembly Bill 109/Assembly Bill 117, the County created a CCP Executive Committee, and developed an implementation plan that will enable the County to meet the goals of the Public Safety Realignment Act. The CCP Executive Committee (voting members) in Fresno County consists of seven members: The Chief Probation Officer (chair), the Presiding Judge of the Superior Court or designee, the District Attorney, the Sheriff, the Public Defender, the Director of Behavioral Health, and the City of Kingsburg's Chief of Police. This implementation plan was approved by the CCP on August 19, 2011 and approved by the Board September 13, 2011. The CCP Executive Committee and the Board have approved eight updates to the CCP Plan since it was initially approved. The ACT was included in the original CCP Plan, and updates have included expansions of the ACT.

The ACT is currently comprised of sworn officers from the Fresno County Sheriff's Department; the Fresno Police Department, which also includes a Crime Analyst; the Clovis Police Department, which includes a Crime Specialist; the Selma Police Department; the Reedley Police Department; the Kerman Police Department; the Kingsburg Police Department; the city of Sanger; the Fresno County Probation Department; and two Investigators from the Fresno County District Attorney's Office. The purpose of ACT is to add an additional layer of offender supervision and public safety, by working as a cooperative unit capable of addressing public safety concerns and issues facing local law enforcement in Fresno County. The ACT team enforces conditions of probation, conducts compliance and non-compliance searches of Assembly Bill 109 probationers who are under the supervision of the Fresno County Probation Department, and provides immediate response to crisis situations. In addition, ACT can provide surveillance and warrant sweeps in conjunction with other law enforcement agencies.

In accordance with the approved CCP Plan, the ACT has included a police officer from the City of Sanger since 2022. On November 29, 2022, the Board approved the most recent Agreement with the City of Sanger. The recommended action will approve an agreement with the City of Sanger to continue to provide one sworn officer to the ACT. The recommended agreement identifies responsibilities and obligations of the City of Sanger and the County in operation of the ACT and allows for reimbursement of the costs of an ACT officer with Assembly Bill 109 funds.

On March 22, 2022, your Board approved revenue Agreement No. 22-110 with the Superior Court of California for the Pretrial Services Expansion Program. As a part of this program, the recommended agreement includes funding to reimburse the City of Sanger for overtime and/or stand-by costs related to the Pretrial After-Hours program. The Pretrial After-Hours program will allow ACT to respond to after-hours Global Positioning System violations, questions, and technical problems, Monday through Friday from 5:00pm to 8:00am, and on weekends and holidays, which will further increase the safety of the community. All costs associated with the Pretrial Services Expansion Program will be covered with Senate Bill 129 funds.

The recommended agreement differs from the County's model contract in that it contains a mutual hold harmless clause. This has the effect of making each party responsible for losses arising from their own negligent or wrongful performance, or failure to perform. This is typical in agreements between public entities. The mutual hold harmless clause has been reviewed by Risk Management and department staff and deemed to be acceptable for this recommended agreement between public entities.

ACT agreements with other cities are before your Board on this date. On November 29, 2022, the Board authorized and ratified the execution of the current Operating Agreement, which is included in the ACT agreements as Exhibit A. The Operating Agreement identifies the responsibilities and obligations of the signing parties in operation of the ACT, and is intended to be a binding agreement, with indemnification provisions to protect all signing parties.
