FIRST AMENDMENT TO SOLAR PROJECT RECLAMATION AGREEMENT

THIS FIRST AMENDMENT TO SOLAR PROJECT RECLAMATION AGREEMENT ("First Amendment") is entered into this 22nd day of August, 2023 ("Effective Date of the First Amendment"), by and between the COUNTY OF FRESNO, a political subdivision of the State of California ("COUNTY"), and RE Scarlet LLC, a Delaware limited liability company ("APPLICANT"), each a "Party" and collectively, the "Parties."

RECITALS

- A. On August 23, 2022, the Parties entered into that certain Solar Project Reclamation Agreement ("Agreement") setting forth the Reclamation Plan for a portion of the approved uses identified in the Approvals, which portion consists of an approximately 200-MW solar photovoltaic generation facility, 40-MW / 160-MWh energy storage system, substation, and transmission lines (collectively, the "Project"). Capitalized terms used but not defined in this First Amendment have the respective meanings set forth in the Agreement. All Exhibits attached hereto, or otherwise referred to herein, are Exhibits to the Agreement.
- B. On September 2, 2022, APPLICANT, COUNTY, and the Escrow Agent entered into that certain Escrow Agreement contemplated by the Agreement.
- C. As an accommodation to APPLICANT, COUNTY is allowing APPLICANT to make the project that is subject to the Approvals in three phases, as provided in the Agreement and this First Amendment, for the sole purpose of APPLICANT's orderly construction and development of the project that is subject to the Approvals, and is in no way intended by the Parties to alter such project or delay, suspend, extend the time for, or otherwise lessen APPLICANT's performance of any of its obligations under the original Agreement (i.e., excluding the First Amendment).
- D. On July 3, 2023, APPLICANT submitted to the Department an addendum to the Reclamation Plan ("Second Addendum to the October 2021 Reclamation Plan"), identifying a portion of the remainder of the approved uses identified in the Approvals,

which portion is described as "Phase II," consisting of an approximately 200-MW solar photovoltaic generation facility and 150-MW / 600-MWh energy storage system ("Phase II Project"). APPLICANT represents to COUNTY that the Phase II Project described herein will be fully capable, once completed according to its manufacturer's specifications, of independent operation and of supplying power to the power grid. Collectively, the Reclamation Plan, together with the Second Addendum to the October 2021 Reclamation Plan indivisibly are the "First Amended Reclamation Plan."

- E. APPLICANT intends to construct the remaining components of the project described in CUP No. 3555, consisting of up to 210-MW / 840-MWh of battery storage, in a subsequent third and final phase which is not addressed in this First Amendment.
- F. As a condition of the Approvals, COUNTY's Planning Commission required APPLICANT's compliance with "the Draft Reclamation Plan as submitted to the Planning Commission and prepared for the decommissioning of the facility when operation ceases." The reclamation plan identified by the Planning Commission is dated April of 2021. The same condition of the Approvals allows APPLICANT to make "[r]easonable modifications" to the submitted reclamation plan "to address changes of scope and configuration of the final Site Plan and improvements," but requires approval of any such changes by the Department.
- G. On July 3, 2023, the Director approved the Second Addendum to the October 2021 Reclamation Plan. A true and correct copy of the Second Addendum to the October 2021 Reclamation Plan is attached hereto as **Exhibit A-1** and incorporated herein by reference.
- H. APPLICANT intends to construct the Phase II Project on some of the parcels described in Exhibit B, consisting of approximately 1,850 acres, namely Assessor's Parcel Numbers 028-071-48, 028-071-49, 028-071-47, 028-081-66, 028-120-62, 028-120-61, a portion of 028-111-19, and portions of 028-111-20, all as more particularly described on Exhibit B-2, attached hereto and incorporated herein by reference (collectively, the "Phase II

Property"). The Phase II Property only includes the parcels more particularly described on Exhibit B-2.

- APPLICANT represents that it has commenced construction of the Project (excluding the Phase II Project). APPLICANT intends to undertake the Phase II Project as described in the First Amended Reclamation Plan.
- Generally, the Reclamation Plan (excluding the Second Addendum to the October 2021 J. Reclamation Plan) states that, at the end of its expected 35-year useful life, the Project (excluding the Phase II Project) would be decommissioned and dismantled, and the Project site restored to an agricultural use-ready condition in accordance with all applicable codes and regulations.
- K. Generally, the First Amended Reclamation Plan (as defined in recital D of this First Amendment) states that, at the end of its expected 35-year useful life, the Phase II Project would be decommissioned and dismantled, and the Phase II Project site restored to an agricultural use-ready condition in accordance with all applicable codes and regulations.
- L. To secure APPLICANT's faithful performance of all of its obligations under the First Amended Reclamation Plan (as defined in recital D of this First Amendment), APPLICANT shall make irrevocable additional deposits of the Cash Security into the savings deposit account referenced in the Escrow Agreement, which irrevocable additional deposits (a) shall be in the initial minimum amount equal to the licensed professional engineer's written cost estimate, which is One-Million, Four Hundred Thirty-Seven Thousand, Two-Hundred and Forty-Six, and 0/100 Dollars (\$1,437,246.00), plus such annual increases reflecting increased construction costs reflected in the Engineering News-Record ("ENR") construction cost index and each such subsequent deposit by APPLICANT shall be without the requirement of any demand or notice by COUNTY, and (b) shall be in compliance with the Agreement, and the Escrow Agreement.
- M. The Parties desire to amend the Agreement, pursuant to this First Amendment, in order to make the Phase II Project and the First Amended Reclamation Plan (as defined in

26

27

28

recital D of this First Amendment) subject to the requirements of the Agreement, and to provide for the such additional deposits of the Cash Security and the additional reclamation easement in favor of COUNTY, all as contemplated by Sections 1(e) and 18 of the Agreement, and as set forth below.

- N. The Parties agree that fairness and sound fiscal policy require that APPLICANT, as the person or entity receiving the benefits of any land use approval, should also bear the burden of the liability for decommission and dismantling the Phase II Project, and restoring the Phase II Project site to an agricultural use-ready condition in accordance with all applicable codes and regulations.
- Ο. The Parties agree that this First Amendment is within the scope of the Approvals.

In consideration of the foregoing facts and circumstances, and for good and valuable consideration, the sufficiency of which is acknowledged as having been received, the Parties hereby agree to amend the Agreement as follows:

1. <u>APPLICANT's updated representations, covenants, and warranties to COUNTY.</u>

APPLICANT represents, covenants, and warrants to COUNTY that, as of the Effective Date of the First Amendment, (a) all of APPLICANT's representations, covenants, and warranties to COUNTY under the Agreement, the Escrow Agreement, and the RE Scarlet LLC Easement (as defined in Section 7 of the Agreement), which has been recorded against the Applicant's Property (as defined in Section 7 of the Agreement) in the official records of the Fresno County Recorder, on September, 7, 2022, as of 08:38:47 AM, as Document No. 2022-0111753, respectively, continue to be true, (b) there is no occurrence of any Event of Default (as defined in Section 3 of the Agreement) under the Agreement, and (c) there is no occurrence of, and APPLICANT does not expect the occurrence of any, Event of Project Cessation (as defined in Section 1(a) of the Agreement) with respect to the Project (excluding the Phase II Project).

2. The Agreement

All references in the Agreement to "this Agreement" are amended by this First Amendment to mean "this Agreement, as amended by the First Amendment," and all references in this First Amendment to "the Agreement" mean "the Agreement, as amended by this First

Amendment," unless it is reasonably evident from the context that the reference to "this Agreement," or "the Agreement," respectively, can only mean the Agreement without being amended by this First Amendment, or it is otherwise expressly stated herein. Such interpretation of "this Agreement," "the Agreement," and this First Amendment shall be made by the Parties with the intention that APPLICANT shall fulfill all of its obligations under the Agreement, as amended by this First Amendment, and that the County shall be entitled to enforce all of its rights and remedies under the Agreement, as amended by this First Amendment. Without limiting the generality of the foregoing provisions of this Section 2, APPLICANT acknowledges and agrees that subsection 6(a) of the Agreement, which provides and requires "[u]nless there is an Event of Default, APPLICANT may, upon consent of the COUNTY Board of Supervisors, transfer this Agreement, but only in its entirety,..." provides and requires under this First Amendment that "[u]nless there is an Event of Default, APPLICANT may, upon consent of the COUNTY Board of Supervisors, transfer this Agreement, as amended by this First Amendment, but only in the entirety of the Agreement, as amended by this First Amendment,..."

3. The Reclamation Plan

(a) All references in the Agreement to the "Reclamation Plan" are amended by this First Amendment to mean the First Amended Reclamation Plan. To that end, (i) APPLICANT shall comply with all of the terms and conditions of the Reclamation Plan together with the Second Addendum to the October 2021 Reclamation Plan as one, fully-integrated First Amended Reclamation Plan for the Project, including the Phase II Project, under the Agreement; provided however, nothing contained in this Section 3 shall excuse APPLICANT from timely performing Reclamation with respect to the Project, including the Phase II Project, if any portion of the Project and/or the Phase II Project qualifies for Reclamation under the Agreement, and (ii) APPLICANT agrees that all of APPLICANT's activities set forth in the First Amended Reclamation Plan with respect to the Project, including the Phase II Project, shall be deemed as requirements of APPLICANT under the Agreement, and are enforceable by COUNTY under the terms and conditions of the Agreement.

- (b) APPLICANT covenants, and warrants to COUNTY that the First Amended Reclamation Plan is internally consistent, and that the Second Addendum to the October 2021 Reclamation Plan does not conflict with, or create increases in costs greater than estimated under, the original Reclamation Plan (i.e., excluding the Phase II Project), and vice-versa.
- Notwithstanding anything to the contrary in this First Amendment, nothing in this (c) First Amendment permits APPLICANT to delay, suspend, extend the time for, or otherwise lessen APPLICANT's performance of any of its obligations under the original Agreement (i.e., excluding the First Amendment).

4. The Project

- All references in the Agreement to the "Project" are amended by this First (a) Amendment to mean the Project, including the Phase II Project, unless it is reasonably evident from the context that the reference to the "Project" can only mean the Project excluding the Phase II Project, or it is otherwise expressly stated herein. Such interpretation of the "Project" and this First Amendment shall be made by the Parties with the intention that APPLICANT shall fulfill all of its obligations under the Agreement, as amended by this First Amendment, and that the County shall be entitled to enforce all of its rights and remedies under the Agreement, as amended by this First Amendment.
- (b) In order to clarify the Parties' original intent under the Agreement as of its Effective Date, the following sentence at page 3, line 11: "This Recital G is subject to the provisions of subsection 1(e) of this Agreement," is deleted and replaced with "This Recital I is subject to the provisions of subsection 1(e) of this Agreement."

5. **APPLICANT's Obligations**

Compliance with Reclamation Plan.

APPLICANT agrees that all of APPLICANT's activities set forth in the First Amended Reclamation Plan with respect to the Project, including the Phase II Project, shall be deemed as requirements of APPLICANT under the Agreement, and are enforceable by COUNTY under the terms and conditions of the Agreement. APPLICANT shall, at its own cost, fully perform and comply with all of the provisions of the First Amended Reclamation Plan, including without

limitation Section 5 (Decommissioning and Restoration Process) of the Reclamation Plan with respect to the Project (including the Phase II Project) and Section 6 (Decommissioning Costs and Financial Assurances) of the Reclamation Plan with respect to the Project (including the Phase II Project, and decommission, dismantle, and remove the entire Project, including the entire Phase II Project, and reclaim all of the , including all of the Phase II Property, to its preproject condition as an agricultural use-ready condition in accordance with all applicable codes and regulations pursuant to the First Amended Reclamation Plan (collectively, "Reclamation") within twelve (12) months of the earliest to occur of any of the following, as reasonably determined by the Director:

- (i) there has not been substantial development of the Project, including the Phase II Project, within two (2) years following the COUNTY's Planning Commission's approval of, and issuance to APPLICANT, CUP No. 3555;
- (ii) the Project, including the Phase II Project, or a substantial portion thereof, has not, following completion of construction of either the Project (excluding the Phase II Project) or the Phase II Project, produced electricity for at least six (6) consecutive months within a twelve (12) month period, or for three hundred sixty-five (365) non-consecutive calendar days within any twenty four (24) month period, during the term of the Agreement;
 - (iii) the expiration or early termination of CUP No. 3555; or
- (iv) thirty-five (35) years from the commencement of operation of the Project, in its entirety (each of the foregoing subparagraphs (i) through and including (iv) is an "Event of Project Cessation").

If there are any inconsistencies between the terms and conditions of the Agreement (excluding the First Amended Reclamation Plan) and the provisions of the First Amended Reclamation Plan with respect to the Project, including the Phase II Project, and/or the Property, including the Phase II Property, such inconsistencies shall be resolved by giving precedence to the terms and conditions the Agreement (excluding the First Reclamation Plan) over the provisions of the First Amended Reclamation Plan with respect to the Project, including the Phase II Project, and/or the Property, including the Phase II Property.

(b) Notice to COUNTY.

- (i) APPLICANT shall, within thirty (30) calendar days following completion of construction of the Phase II Project, provide written notice thereof to COUNTY pursuant to Section 5 of the Agreement, accompanied by a complete as-built site plan of the Phase II Project in paper and digital Portable Document Format "PDF" or other format acceptable to COUNTY, setting forth each location of the actually-constructed Phase II Project, provided however, APPLICANT's failure to provide or delay in providing such notice, or as-built site plan to COUNTY shall not prohibit COUNTY from exercising its rights and remedies under the Agreement.
- (ii) APPLICANT shall provide written notice to COUNTY pursuant to Section 5 of the Agreement, within ten (10) calendar days following the occurrence of any Event of Project Cessation with respect to the Phase II Project, provided however, the failure of APPLICANT to provide or delay in providing such notice shall not prohibit COUNTY from exercising its rights and remedies under the Agreement.

In addition to the foregoing paragraph, upon COUNTY's written request to APPLICANT, which shall be made in the manner for providing notice pursuant to Section 5 of the Agreement, concerning whether there is any Event of Project Cessation with respect to the Phase II Project, APPLICANT shall, not later than ten (10) calendars days after receipt of such request, provide written responsive notice to COUNTY pursuant to Section 5 of the Agreement, which responsive notice shall be accompanied by copies of, or electronic links to, the records, so requested by COUNTY, concerning the status of the Phase II Project's development, and of the Phase II Project's operation and electricity production. APPLICANT shall retain and maintain such records for a minimum of five (5) years from their creation.

(iii) APPLICANT shall create, retain, and maintain records of the Project and Phase II Project, specifically showing their respective separate development, operation, and electricity production.

(c) Time is of the Essence.

It is understood that time is of the essence in the performance of all obligations under the Agreement and the First Amended Reclamation Plan. Any reference in the Agreement to "business days" shall mean COUNTY's business days.

(d) Pre-condition to Grading or Development Permits.

Notwithstanding anything to the contrary in this First Amendment, APPLICANT understands, acknowledges, and agrees that prior to APPLICANT obtaining any Grading or Development Permits from COUNTY with respect to the Phase II Project, or any portion thereof, the following shall have occurred to COUNTY's satisfaction:

- i. Pursuant to subsection 7(a) of this First Amendment, (1) APPLICANT, COUNTY, and the Escrow Agent have entered into the First Amendment to Escrow Agreement (as defined in subsection 7(a) of this First Amendment), and APPLICANT has delivered such fully-executed First Amendment to Escrow Agreement to COUNTY, and (2) by the terms of the First Amendment to Escrow Agreement, APPLICANT has irrevocably delivered to the Escrow Agent the First Additional Increase to Cash Security (as defined in subsection 7(a) of this First Amendment) for the Escrow Agreement, which shall be in the minimum amount of Nine-Million, Four-Thousand, Five-Hundred, Forty-One and 74/100 Dollars (\$9,004,541.74), and, the Escrow Agent has given COUNTY written confirmation of the Escrow Agent's receipt of such First Additional Increase to Cash Security; and
- ii. Pursuant to Section 9 of this First Amendment, the Recordation of the RE Scarlet LLC Phase II Easement (as defined in subsection 9(e) of this First Amendment) has occurred, as provided by and in compliance with Section 9 of this First Amendment.

(e) Further Construction or Development.

Notwithstanding anything to the contrary in the Agreement or this First Amendment, if APPLICANT intends to construct any portion of the project described in CUP No. 3555 beyond the scope of the Project addressed by the Agreement and this First Amendment, as described in the First Amended Reclamation Plan as Phase I and Phase II, APPLICANT understands,

acknowledges, and agrees that the provisions of subsection 1(e) of the Agreement apply to such further construction or development.

6. **The Property**

All references in the Agreement to the "Property" are amended by this First Amendment to mean the Property, including the Phase II Property.

7. Additional Increase to Cash Security

- As further security to COUNTY for APPLICANT's faithful performance of all of its (a) obligations to comply with the First Amended Reclamation Plan, and the terms and conditions of the Agreement, APPLICANT shall, and shall cause the Escrow Agent to, not later than five (5) business days subsequent to the execution of this First Amendment by the Parties, enter into the First Amendment to the Escrow Agreement ("First Amendment to Escrow Agreement") among APPLICANT, COUNTY, and the Escrow Agent, as further required under Section 8 of this First Amendment. Within three (3) business days following APPLICANT's, COUNTY's, and the Escrow Agent's execution of such First Amendment to Escrow Agreement, APPLICANT shall irrevocably deliver to the Escrow Agent the First Additional Increase to Cash Security for deposit into the Escrow Agent's savings deposit account established under the Escrow Agreement, which shall be in the minimum amount of Nine-Million, Four-Thousand, Five-Hundred, Forty-One and 74/100 Dollars (\$9,004,541.74). The amount of the First Additional Increase to Cash Security is not a limitation on APPLICANT's obligations under the Agreement or the First Amended Reclamation Plan.
- The First Additional Increase to Cash Security shall (i) comply with all of the (b) requirements of the Cash Security under Section 2 of the Agreement, and specifically all of the requirements of an additional cash deposit under subsection 2(a) of the Agreement, (ii) upon and after the irrevocable delivery of the First Additional Increase to Cash Security to the Escrow Agent, (1) the First Additional Increase to Cash Security shall be treated the same in all respects as the Cash Security, (2) the Cash Security together with the First Additional Increase to Cash Security shall constitute the Cash Security, and the Cash Security shall continue to be subject to all of the terms and conditions of the Agreement, with respect to the Cash Security, and the

2 3 4

Escrow Agreement, and (3) the Cash Security may be used by COUNTY with respect to the Project, including the Phase II Project, or any portion of the Project, including the Phase II Project, due to any Event of Default, as determined by Director in his or her sole and absolute discretion.

(c) APPLICANT understands, acknowledges, and agrees that the timing of the deposit of the First Additional Increase to Cash Security does not alter the timing for APPLICANT's performance of any of the requirements of Section 2 of the Agreement, including, but not limited to, the requirement in subsection 2(b) of the Agreement, including further, but not limited to, the requirement that not later than December 1, 2022, and December 1 of each year following the Effective Date of the Agreement, APPLICANT shall, without the requirement of any demand or notice by COUNTY, deposit additional cash necessary to cause the Cash Security to be increased by a percentage equal to any annual increase in construction costs reflected in the ENR construction cost index from October 1 of the previous year to October 1 of the then-current year.

8. Amendment to Escrow Agreement; Escrow Agent's Acknowledgement

The First Amendment to Escrow Agreement shall be in a form and substance acceptable to COUNTY and shall comply with the requirements of Section 2 of the Agreement. All references in the Agreement to the "Escrow Agreement" (except for a replacement Escrow Agreement required under Section 2(d) of the Agreement) are amended by this First Amendment to mean the "Escrow Agreement, as amended by the First Amendment to Escrow Agreement," and all references in this First Amendment to "the Escrow Agreement" mean "the Escrow Agreement, as amended by the First Amendment to Escrow Agreement," unless it is reasonably evident from the context that the reference to "the Escrow Agreement" can only mean the Escrow Agreement without being amended by the First Amendment to Escrow Agreement, or it is otherwise expressly stated herein. Such interpretation of the Escrow Agreement and the First Amendment to Escrow Agreement shall be made by the Parties with the intention that APPLICANT shall, and shall cause Escrow Agent to, fulfill all of their respective obligations under the Escrow Agreement, as amended by the First Amendment to Escrow Agreement, and that

the County shall be entitled to enforce all of its rights and remedies under the Escrow Agreement, as amended by the First Amendment to Escrow Agreement.

- (a) Without limiting the generality of the foregoing requirements of the First Amendment to Escrow Agreement, APPLICANT shall, and shall cause the Escrow Agent to, enter into the First amendment to the Escrow Agreement among APPLICANT, COUNTY and the Escrow Agent in compliance with the following major requirements of the First Amendment to Escrow Agreement, which major requirements are not an exhaustive list of requirements for the First Amendment to Escrow Agreement:
 - i. As required in subsection 7(a) of this First Amendment, APPLICANT shall irrevocably deliver to the Escrow Agent the First Additional Increase to Cash Security for deposit into the Escrow Agent's savings deposit account established under the Escrow Agreement, which shall be in the minimum amount of Nine-Million, Four-Thousand, Five-Hundred, Forty-One and 74/100 Dollars (\$9,004,541.74), in US Currency, as an addition to the Cash Security for the exclusive purposes of the Escrow Agreement;
 - ii. The Escrow Agent shall receive, and upon receipt immediately deposit, and hold the First Additional Increase to Cash Security as part of, and in the same manner as, the Cash Security only in the same separate savings deposit account established under the Escrow Agreement for the exclusive purposes of the Escrow Agreement; and
 - iii. Within two (2) business days following Escrow Agent's receipt of the First Additional Increase to Cash Security, the Escrow Agent shall give County written acknowledgement of such receipt immediate deposit of the First Additional Increase to Cash Security in such separate savings deposit account.

9. Delivery of RE Scarlet LLC Phase II Easement for Phase II Property

(a) To enable COUNTY PARTIES to immediate, reasonable access to the Phase II Property for the Reclamation purposes contemplated by the Agreement, APPLICANT shall (if APPLICANT owns any portion of the Phase II Property), and shall cause each of the owner(s) of the Phase II Property, including any portion thereof or any rights, title, or interests therein, to grant to COUNTY irrevocable non-exclusive reclamation easements over, under, on, and across

each parcel of real property constituting the Phase II Property (collectively, the "RE Scarlet LLC Phase II Easement"), regardless of whether APPLICANT or any other party is record owner of any part of the Phase II Property, including any rights, title, or interests therein. To that end, APPLICANT promises, covenants, and warrants to COUNTY that, as of the Effective Date of the First Amendment, APPLICANT is the sole fee owner of the Phase II Property described in Exhibit C-3 ("Form of RE Scarlet LLC Phase II Easement"), which is attached hereto and incorporated herein by reference. The RE Scarlet LLC Phase II Easement shall, in the sole and absolute direction of COUNTY, be sufficient in its scope, form, substance, and legal description to allow COUNTY PARTIES to undertake and complete the Reclamation of the entire Phase II Project and all of the Phase II Property as provided in the Agreement, and shall have the scope, be in the form and contain the substance and legal description of, the RE Scarlet LLC Easement, set forth in the Form of RE Scarlet LLC Phase II Easement.

- (b) Any reference to "Encumbrances" in the RE Scarlet LLC Phase II Easement shall mean, in its context, liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases, licenses, easements, rights of way, rights of possession or occupancy, or any third party interests, of any kind.
- (c) The Parties acknowledge and agree that the RE Scarlet LLC Phase II Easement provides, among other things, that the RE Scarlet LLC Phase II Easement is subject only to all superior matters of title on the Phase II Property, which have been recorded against the Phase II Property in the official records of the Fresno County Recorder prior to the Effective Time and Date (as defined in the RE Scarlet LLC Phase II Easement, hereinafter, the "Phase II Effective Time and Date"), including without limitation any and all Encumbrances so recorded prior to the Phase II Effective Time and Date, provided however, APPLICANT represents, covenants, and warrants to COUNTY therein that notwithstanding anything to the contrary in the RE Scarlet LLC Phase II Easement, (i) as of the Record Title Date and Time (as defined in the RE Scarlet LLC Phase II Easement), the Phase II Property was free and clear from any and all agreements, instruments, or documents, whether unrecorded or recorded against the Phase II Property in the official records of the Fresno County Recorder, that allow, grant, confer, convey, ratify, confirm

(or otherwise promise or agree to any of the foregoing), or create or assert any claim to any right, title, or interest in or to the Phase II Property, or any portion thereof, including without limitation any and all Encumbrances, that unreasonably interfere or would unreasonably interfere with the RE Scarlet LLC Phase II Easement, and the rights granted therein, (ii) the Groundwater Easement, as recorded in the official records of the Fresno County Recorder on the Groundwater Easement Record Date and Time (each as defined in the RE Scarlet LLC Phase II Easement), does not allow, grant, confer, convey, ratify, confirm (or otherwise promise or agree to any of the foregoing), or create or assert any claim to any right, title, or interest in or to the Phase II Property, or any portion thereof, that unreasonably interferes or would unreasonably interfere with the RE Scarlet LLC Phase II Easement, and the rights granted therein, (iii) the easements and crossings reflected in the Second Addendum to the October 2021 Reclamation Plan with respect to the Phase II Property are the only rights, title, or interests in or to the Phase II Property that may impact the RE Scarlet LLC Phase II Easement, and the rights granted therein, provided however, such easements and crossings do not unreasonably interfere and would not unreasonably interfere with any of COUNTY PARTIES' immediate, reasonable access to the Phase II Property, including any portion thereof, in accordance with the limited purpose of the RE Scarlet LLC Phase II Easement, and (iv) APPLICANT has not, since the Record Title Date and Time, allowed, granted, conferred, conveyed, ratified, confirmed (or otherwise promised or agreed to any of the foregoing), will not, allow, grant, confer, convey, ratify, confirm (or otherwise promise or agree to any of the foregoing), and will prohibit any person or entity from creating or asserting any claim to, any right, title, or interest in or to, the Phase II Property, or any portion thereof, including without limitation any and all Encumbrances, that unreasonably interfere or would unreasonably interfere with the RE Scarlet LLC Phase II Easement, and the rights granted therein, and in the event of such unreasonable interference, APPLICANT shall, at its own cost, promptly, to the extent reasonably necessary, eliminate or modify such unreasonable interference to the reasonable satisfaction of COUNTY, so that such interference is only a reasonable interference with the RE Scarlet LLC Phase II Easement, and the rights granted therein; provided however, COUNTY acknowledges that APPLICANT may not disallow or prohibit a governmental authority

from exercising its sovereign right of eminent domain, and therefore, no representation, covenant, or warranty is given in the RE Scarlet LLC Phase II Easement as to the disallowance or prohibition of such governmental authority's exercise of such right.

- Il Property under the RE Scarlet LLC Phase II Easement shall not destroy, damage, or endanger any of the water pipelines, or other third party infrastructure, including the fixtures, devices and appurtenances for such water pipelines and/or such other third party infrastructure (collectively, the "Water Pipelines and Third Party Infrastructure"), which are or will be located within any of the areas covered by any third party easement and/or the Groundwater Easement (as defined in the RE Scarlet LLC Phase II Easement) within the Phase II Property, as reflected in the Second Addendum to the October 2021 Reclamation Plan, provided that for any such Water Pipelines and Third Party Infrastructure that are or will be below the surface of the earth, such Water Pipelines and Third Party Infrastructure shall, at the time of such Reclamation on the Phase II Property by any of COUNTY PARTIES, be located at a reasonably-safe depth below the surface of the earth.
- (e) Within two (2) business days following the Parties' execution of this First Amendment, COUNTY shall provide APPLICANT with an execution-ready form of RE Scarlet LLC Phase II Easement, in substantially the form attached hereto as Exhibit C-3, and following receipt thereof, APPLICANT shall promptly deliver to COUNTY such executed RE Scarlet LLC Phase II Easement, in recordable form, and upon COUNTY's receipt thereof, COUNTY is authorized to immediately record, and shall promptly record, the RE Scarlet LLC Phase II Easement in the official records of the Fresno County Recorder, and the date of such recordation of such RE Scarlet LLC Phase II Easement shall be deemed to be the completion of the recordation of the RE Scarlet LLC Phase II Easement ("Recordation of the RE Scarlet LLC Phase II Easement ("Recordation of the RE Scarlet LLC Phase II Easement"). COUNTY shall promptly provide APPLICANT a copy of the receipt of such recordation.
- (f) Notwithstanding anything to the contrary in this Section 9, the provisions of this Section 9 are subject to the provisions of subsection 1(e) of the Agreement.

10. Additional Events of Default

This Section 10 shall not be construed to limit in any way the interpretation or application of the term "Event of Default," as that as that term is defined in and used for any purposes under the Agreement, with respect to any term or condition of the Agreement or this First Amendment. Event of Default, as that term is defined in and used for all purposes under the Agreement, shall also include the occurrence of any one or more of the following events:

- (a) Any event occurring or information becoming known that makes untrue any APPLICANT representation, covenant, or warranty to COUNTY under this First Amendment;
- (b) APPLICANT fails to enter into, or fails to cause the Escrow Agent to enter into, and deliver to COUNTY the First Amendment to the Escrow Agreement among APPLICANT, COUNTY, and Escrow Agent as required under subsection 7(a) of this First Amendment;
- (c) APPLICANT fails to make the irrevocable delivery of the First Additional Increase to Cash Security for the Escrow Agreement with the Escrow Agent as required under subsection 7(a) of this First Amendment;
- (d) APPLICANT fails to create, retain, and maintain records of the Project and Phase II Project, specifically showing their respective separate development, operation, and electricity production as required by subsection 5(b) of this First Amendment;
- (e) The failure of APPLICANT to pay, or cause to be paid, when due, all property taxes and assessments, and any penalties or interest thereon, that are a lien on the Phase II Property;
- (f) Any failure of the RE Scarlet LLC Phase II Easement (as defined in subsection 9(a) of this First Amendment), which is required and provided under Section 9 of this First Amendment, to remain in full force and effect according to its terms and conditions and recorded against the Phase II Property (as defined in recital H of this First Amendment) in the official records of the Fresno County Recorder;
- (g) Any breach or default by APPLICANT, including any event occurring or information becoming known that makes untrue any APPLICANT representation, covenant, or warranty to COUNTY, under the RE Scarlet LLC Phase II Easement (as defined in Section 9(a) of this First Amendment);

28

- (h) Any person or entity creating or asserting any claim to any right, title, or interest in or to the Phase II Property, or any portion thereof, unreasonably interferes or would unreasonably interfere with COUNTY's rights under the Agreement, this First Amendment, and/or rights granted under the RE Scarlet LLC Phase II Easement (which is provided and required under Section 9 of this First Amendment). So long as APPLICANT is not concurrently in default under any subsection of Section 3 of the Agreement or another subsection of this Section 10, APPLICANT shall be allowed a period of sixty (60) calendar days to cure such default under this subsection 10(h) after COUNTY provides written notice to APPLICANT pursuant to Section 5 of the Agreement that APPLICANT is in default under this subsection 10(h), provided further however, and so long as APPLICANT is not in concurrently in default under any subsection of Section 3 of the Agreement or another subsection of this Section 10, if the nature of the default is such that APPLICANT cannot reasonably cure the default within sixty (60) calendar days, APPLICANT shall have an additional reasonable time to cure, upon APPLICANT providing written notice thereof to COUNTY pursuant to Section 5 of the Agreement stating the reason therefor, subject to APPLICANT commencing to cure within the sixty (60) calendar day period and diligently pursuing the cure to completion and completing the cure not later than one hundred twenty (120) calendar days, or such later number of days as agreed in writing between the Director and APPLICANT before the expiration of such one hundred twenty (120) calendar day period, from the date of such COUNTY notice to APPLICANT pursuant to Section 5 of the Agreement that APPLICANT is in default under this subsection 10(h).
- (i) APPLICANT breaches any term, condition, or covenant of the Agreement, or otherwise fails to comply with any requirements of the Agreement.

11. Entire Agreement

The Agreement constitutes the entire agreement between APPLICANT and COUNTY with respect to the subject matter of the Agreement, and supersedes all previous agreements, negotiations, proposals, commitments, writings, advertisements, publications, and understanding of any nature whatsoever unless expressly included in the Agreement. In the

event of any inconsistency in interpreting the documents which constitute the Agreement, the inconsistency shall be resolved by giving precedence in the following order of priority:

- (1) First, the Form of RE Scarlet LLC Easement (Exhibit C-1), the Form of Westlands Easement (Exhibit C-2), and the Form of RE Scarlet LLC Phase II Easement (Exhibit C-3), all of which shall have equal priority among themselves:
- (2) Second, the text of the Agreement (excluding Exhibit A, Exhibit B, Exhibit B-1, Exhibit C-1, and C-2, this First Amendment, and Exhibit A-1, Exhibit B-2, and Exhibit C-3);
- (3) Third, the Legal Descriptions of the Property (Exhibit B-1) and the Legal Descriptions of the Phase II Property (Exhibit B-2), all of which shall have equal priority among themselves;
 - (4) Fourth, the Second Addendum to October 2021 Reclamation Plan (Exhibit A-1);
- (5) Fifth, the Reclamation Plan (Exhibit A), provided however, DUDEK's Scarlet Phase I Solar Project Decommissioning Cost Estimate therein, dated June 1, 2022, including Appendix A thereto, shall supersede DUDEK's Scarlet Phase I Solar Project Decommissioning Cost Estimate therein, dated October 14, 2021, including Appendix A thereto; and
 - (6) Sixth, the Map of Parcels Subject to CUP No. 3555 (Exhibit B).

12. General Provisions

- (a) This First Amendment shall become effective on the Effective Date of the First Amendment, except for subsection 4(b) of this First Amendment, which shall become effective retroactive to the Effective Date.
- (b) Upon the Effective Date of the First Amendment, the Agreement and this First Amendment shall together constitute the Agreement, except for subsection 4(b) of this First Amendment, which shall become effective retroactive to the Effective Date.
- (c) The Agreement is ratified and continued according to its terms and conditions. All provisions of the Agreement not amended by this First Amendment remain in full force and effect.
- (d) The Parties hereby acknowledge that they and their respective counsel have cooperated in the drafting and preparation of this First Amendment, for which reason this First Amendment shall not be construed against any Party as the drafter hereof.

- (e) Each Party represents and warrants to the other Party that such Party is duly authorized and empowered to execute, enter into, and perform its obligations set forth in this First Amendment, and that the individual signing this First Amendment on behalf of such Party has been duly authorized to execute this First Amendment on behalf of such Party, and will, by signing this First Amendment on such Party's behalf, legally bind such Party to the terms, covenants, and conditions of this First Amendment. Each Party further represents and warrants to the other Party that no other person or entity is required to give its approval or consent to this First Amendment in order for such Party to authorize, enter into, and perform its obligations under this First Amendment, or that if such approval or consent to this First Amendment is required, that such approval or consent has been obtained.
- (f) The Parties agree that this First Amendment may be executed by electronic signature as provided in this subsection 12(f).
 - i. An "electronic signature" means any symbol or process intended by an individual signing this First Amendment to represent their signature, including but not limited to (1) a digital signature; (2) a faxed version of an original handwritten signature; or (3) an electronically scanned and transmitted (for example by PDF document) of a handwritten signature.
 - ii. Each electronic signature affixed or attached to this First Amendment (1) is deemed equivalent to a valid original handwritten signature of the person signing this First Amendment for all purposes, including but not limited to evidentiary proof in any administrative or judicial proceeding, and (2) has the same force and effect as the valid original handwritten signature of that person.
 - iii. The provisions of this subsection 12(f) satisfy the requirements of California Civil Code section 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (California Civil Code, Division 3, Part 2, Title 2.5, beginning with section 1633.1).
 - iv. Each party using a digital signature represents that it has undertaken and satisfied the requirements of California Government Code section 16.5, subdivision (a),

paragraphs (1) through (5), and agrees that each other party may rely upon that representation.

- v. This First Amendment is not conditioned upon the parties conducting the transactions under it by electronic means and either party may sign this First Amendment with an original handwritten signature.
- (g) This First Amendment may be executed in one or more original counterparts, all of which together shall constitute one and the same agreement.

1.0 AMENDED NOTES

The Reclamation Plan, accepted on October 28, 2021, may be revised to state that a majority of the project site is presently owned by RE Scarlet LLC, a wholly owned subsidiary of EDP Renewables North America LLC. The Reclamation Plan may also be revised to state that the decommissioning costs by task are presented in Appendix B for solar, battery storage, and associated facility development, referred to as Phase I and Phase II of the project.

Subject: Scarlet Phase I + II Solar Project Decommissioning Cost Estimate

Dear Mr. Ahmad,

At the request of Madison Novak of EDPR, I have reviewed the attached cost estimate. Methodologies for determining quantities and costs appear appropriate based on the Project Decommissioning Plan provided and based on the Fresno County Reclamation Plan Cost Estimate Guide. I find this cost estimate to be reasonable based on current pricing standards of the construction industry.

Please do not hesitate to contact me at 760.685.0735, or at cgreely@dudek.com should you have any questions.

Sincerely,

Charles Greely, PE, LEED AP, QSD

GRANT OF LIMITED ACCESS EASEMENT

Scarlet Solar Energy Phase II Project

(RE Scarlet LLC)

THIS GRANT OF LIMITED ACCESS EASEMENT is made this _____ day of _______, 2023, by RE Scarlet LLC, a Delaware limited liability company (together with its designees, successors, and/or assigns, "GRANTOR"), in favor of the County of Fresno, a political subdivision of the State of California ("COUNTY").

I. RECITALS

A. On September 9, 2021, pursuant to COUNTY Resolution No. 12905, subject to the conditions, mitigation measures, and project notes listed therein, COUNTY's Planning Commission, under the California Environmental Quality Act (California Public Resources Code, Division 13, section 21000 *et seq.*), including the implementing CEQA Guidelines thereunder (Title 14, Division 6, Chapter 3, California Code of Regulations, section 15000 *et seq.*), certified Environmental Impact Report No. 7230 for an approximately 400-megawatt photovoltaic energy generating facility on

approximately 4,089 acres, adopted findings relating thereto, and approved and issued to GRANTOR Unclassified Conditional Use Permit ("CUP") No. 3555. GRANTOR intends that the Phase II Project (defined in Recital I.B. hereof) represents the second phase of the project described in CUP No. 3555, however, neither the Reclamation Agreement (defined in Recital I.F. hereof), as provided in subsection 1(e) thereof, nor this Easement (defined in Section II.1 hereof), obligates COUNTY, either expressly or impliedly, to take any actions or to give any approvals necessary for any prior or subsequent phase of such project described in CUP No. 3555 beyond the scope of the Phase II Project.

- B. GRANTOR proposes to construct and operate "Phase II" of the Scarlet Solar Energy Project, consisting of an approximately 200-megawatt ("MW") solar photovoltaic generation facility, 150-MW / 600 MW hour energy storage system, substation, and transmission lines (collectively, the Scarlet Solar Energy Phase II Project or the "Phase II Project"), located on an approximately 1,850-acre site in unincorporated Fresno County (the "Phase II Project Site"), which Phase II Project Site consists of the Grantor Property (defined in Recital I.C. hereof) as more particularly described in Exhibit A, attached hereto and incorporated by this reference.
- C. GRANTOR represents, covenants, and warrants to COUNTY that GRANTOR, under that certain Grant Deed from Westlands Water District ("Westlands"), recorded in the official records of the Fresno County Recorder, on October 1, 2021 at 2:29 PM (the "Record Title Date and Time"), as Document No. 2021-0161201 ("Grant Deed"), acquired sole fee ownership to, and remains the sole fee owner of, the Phase II Project Site covered by this Easement (defined in Section II.1. hereof), the legal description of which is set forth in Exhibit B, attached hereto and incorporated by this reference (the "Grantor Property"). GRANTOR further represents to COUNTY that GRANTOR granted to Westlands that certain groundwater easement agreement over the Grantor Property to ratify and confirm certain existing easements and to grant certain additional groundwater easements to Westlands ("Groundwater Easement"), and such groundwater easement agreement has been recorded against the Grantor Property in the official records of the Fresno County Recorder, on October 1, 2021, as of 2:29 PM, as Document No. 2021-0161203 (the "Groundwater Easement Record Date and Time"), which was subsequent to such recordation of the Grant Deed in the official records of the Fresno County Recorder.

- D. COUNTY's Planning Commission conditioned approval of CUP No. 3555 on, among other things, GRANTOR's compliance with a reclamation plan, prescribing the process for decommissioning, dismantling, and removal of the entire Project, including the Phase II Project, and reclamation of all of the Project Site, including the Phase II Project Site, to its pre-project condition pursuant to the reclamation plan. Pursuant to a condition of such approval and the Reclamation Agreement (defined in Recital I.F. hereof), GRANTOR, as the owner of the Project, including the Phase II Project, and COUNTY agreed to certain modifications to such reclamation plan in the form of an Addendum to the October 2021 Reclamation Plan and the Second Addendum to the October 2021 Reclamation Plan (collectively, such reclamation plan together with such modifications are the "Reclamation Plan").
- E. GRANTOR will eventually decommission, dismantle, and remove the entire Project, including the Phase II Project, and reclaim all of the Project Site, including the Phase II Project Site, to its pre-project condition pursuant to the Reclamation Plan.
- F. In order to secure GRANTOR's faithful performance of all of its obligations under the Reclamation Plan, GRANTOR and COUNTY entered into a Solar Project Reclamation Agreement dated August 23, 2022. In order to further secure GRANTOR's faithful performance of all of its obligations under the Reclamation Plan, GRANTOR and COUNTY entered into a First Amendment to Solar Project Reclamation Agreement, dated August 22, 2023, amending the Solar Project Reclamation Agreement to include the Phase II Project (collectively, the First Amendment to Solar Project Reclamation Agreement and the Solar Project Reclamation Agreement are the "Reclamation Agreement") by which GRANTOR covenants to, among other things, fully comply with all of the provisions of the Reclamation Plan, and provide and maintain security for these obligations in the form of cash deposits (the "Security"). A true and complete copy of the Reclamation Plan is attached to the Reclamation Agreement.
- G. The term of CUP No. 3555 for the Phase II Project is thirty-five (35) years after its effective date, which COUNTY may extend in its sole discretion, unless earlier terminated in accordance with the provisions of applicable law.

- H. The Reclamation Plan, and more specifically, the Reclamation Agreement, including subsection 1(a) thereof, and the First Amendment to Solar Project Reclamation Agreement, including section 5(a) thereof, require GRANTOR to decommission, dismantle, and remove the entire Project, including the entire Phase II Project, and reclaim the all of the Project Site, including the Phase II Project Site, to its pre-project condition pursuant to the Reclamation Plan (collectively, "Reclamation") within twelve (12) months of the earliest to occur of any of the following, as reasonably determined by COUNTY's Director of Public Works and Planning or such Director's designee, with respect to the Phase II Project and Phase II Project Site: (i) there has not been substantial development of the Phase II Project within two (2) years following COUNTY's Planning Commission's approval of, and issuance to GRANTOR, CUP No. 3555; (ii) the Phase II Project, or a substantial portion thereof, has not, following completion of construction of the Phase II Project, produced electricity for at least six (6) consecutive months within a twelve (12) month period, or for three hundred sixty five (365) non-consecutive calendar days within any twenty four (24) month period, during the term of the Reclamation Agreement; (iv) the expiration or early termination of CUP No. 3555; or (v) thirty-five (35) years from the commencement of operation of the Phase II Project, in its entirety.
- I. GRANTOR is providing the Security to COUNTY to secure GRANTOR's (including any Transferee's, as defined in Section 6 of, and as provided under, the Reclamation Agreement) faithful performance of all of its obligations under the Reclamation Agreement. In the event GRANTOR (including any Transferee as defined in Section 6 of, and as provided under, the Reclamation Agreement) defaults under the Reclamation Agreement, COUNTY may draw on the Security and use the proceeds thereof to carry out the Reclamation of the Project, including the Phase II Project, and the Project Site, including Phase II Project Site, including the Grantor Property, in substantial conformity with the Reclamation Plan, pursuant to the Reclamation Agreement.
- J. In the event COUNTY elects, in its sole discretion, to carry out the Reclamation of the Phase II Project and the Phase II Project Site, including the Grantor Property, in substantial conformity with Reclamation Plan, pursuant to the Reclamation Agreement, COUNTY must have the right to immediate, reasonable access the Grantor Property.

K. Any reference to "Encumbrances" in this Easement shall mean, in their context, liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, leases, licenses, easements, rights of way, rights of possession or occupancy, or any third party interests, of any kind.

II. GRANT OF LIMITED ACCESS EASEMENT

- 1. GRANTOR hereby irrevocably establishes in favor of, and grants to COUNTY, including its contractors, officers, agents, employees, and representatives (collectively, "COUNTY **PARTIES**"), a nonexclusive access easement over, under, on, and across the Grantor Property (this "Easement"), solely for accessing the Grantor Property for the limited purpose of, in COUNTY's sole discretion, carrying out the Reclamation of the Phase II Project, to the extent that the Phase II Project is located on the Grantor Property, and the Grantor Property, in substantial conformity with the Reclamation Plan, pursuant to the Reclamation Agreement, and for no other purpose, unless and until this Easement is terminated only pursuant to Section II.5. hereof, provided however, (i) COUNTY agrees that any such Reclamation by any of COUNTY PARTIES on the Grantor Property shall not destroy, damage, or endanger any of the water pipelines, or other third party infrastructure, including the fixtures, devices and appurtenances for such water pipelines and/or such other third party infrastructure (collectively, the "Water Pipelines and Third Party Infrastructure"), which are or will be located within in any of the areas covered by any third party easement and/or the Groundwater Easement within the Grantor Property, as reflected in the Reclamation Plan, provided that for any such Water Pipelines and Third Party Infrastructure that are or will be below the surface of the earth, such Water Pipelines and Third Party Infrastructure shall, at the time of such Reclamation on the Grantor Property by any of COUNTY PARTIES, be located at a reasonably-safe depth below the surface of the earth, and (ii) this Easement does not impose any obligation, either express or implied, upon COUNTY to carry out any of the Reclamation of the Phase II Project or the Grantor Property, or any portion of the Phase II Project or the Grantor Property, under the Reclamation Agreement or with respect to the Reclamation Plan.
- 2. No act, delay in acting, failure to act, or particular or partial exercise of any rights, under this Easement, and the rights granted herein, by COUNTY and/or any of the other COUNTY PARTIES shall be deemed to (i) constitute an abandonment, surrender, termination, waiver, or release

of, or limitation on, this Easement, and the right granted herein, or (ii) impair, terminate, or otherwise affect the validity or effectiveness of this Easement, and the right granted herein. Nonuse, limited use, or intermittent use of this Easement, and the rights granted herein, for any duration shall not preclude or otherwise limit any future use of the entire scope of this Easement, and the rights granted herein, in the event the same is desired or needed, unless and until this Easement is terminated only pursuant to Section II.5. hereof.

- 3. GRANTOR expressly reserves for itself, its successors and its assigns, the right to use the Grantor Property or to grant other licenses or easements on the Grantor Property, so long as such uses do not unreasonably interfere with this Easement, and the rights granted herein, provided however, the provisions of this Section II.3. are subject to the provisions of subsection II.11.(c) hereof.
- 4. This Easement shall be effective upon recordation of this Easement against the Grantor Property in the official records of the Fresno County Recorder ("Effective Time and Date").
- 5. This Easement may only be terminated by COUNTY, upon COUNTY's recordation of COUNTY's release against the Grantor Property in the official records of the Fresno County Recorder, expressly releasing this Easement, and the rights granted herein, back to GRANTOR either due to the termination of the Reclamation Agreement pursuant to Section 8 thereof (Satisfaction of Reclamation Plan) or to COUNTY's issuance of written notice to GRANTOR that COUNTY will not undertake or complete Reclamation of the Phase II Project, to the extent that the Phase II Project is located on the Grantor Property, and the Grantor Property, or otherwise in the COUNTY's sole discretion. COUNTY shall undertake such recordation of such COUNTY's release in a reasonably timely manner following such termination of the Reclamation Agreement or COUNTY's issuance of written notice to GRANTOR that COUNTY will not undertake or complete Reclamation of the Phase II Project, to the extent that the Phase II Project is located on the Grantor Property, and the Grantor Property, or that COUNTY otherwise, in its sole discretion, desires such recordation, as applicable.
- 6. This Easement is subject only to all superior matters of title on the Grantor Property, which have been recorded against the Grantor Property in the official records of the Fresno County Recorder prior to the Effective Time and Date, including without limitation any and all Encumbrances

so recorded prior to the Effective Time and Date, provided however, the provisions of this Section II.6. are subject to the provisions of subsection II.11.(c) hereof.

- 7. This Easement shall not be modified except upon a written amendment approved by COUNTY and GRANTOR. This Easement shall bind and inure to the benefit of the designees, successors, and/or assigns of the parties hereto. However, nothing contained herein shall be deemed to grant to the public any right of access to the Grantor Property or to grant any rights in any third party, except as provided in this Easement with respect to any COUNTY PARTIES (other than COUNTY) acting through COUNTY under this Easement.
- 8. This Easement may be executed in original counterparts, which taken together, shall constitute one and the same instrument.
- 9. This Easement, and the rights granted herein, shall be interpreted in accordance with the laws of the State of California. Any suits brought pursuant to this Easement shall be filed and heard in courts having jurisdiction and located in the Fresno County, State of California.
- 10. Upon GRANTOR's execution and delivery of this Easement to COUNTY, GRANTOR agrees to COUNTY's immediate recordation of this Easement against the Grantor Property in the official records of the Fresno County Recorder.
- 11. GRANTOR represents, covenants, and warrants to COUNTY that (a) the person executing this Easement on behalf of GRANTOR has full power and authority to execute and deliver this Easement to COUNTY; (b) GRANTOR has full power and authority to authorize COUNTY to record this Easement against the Grantor Property in the official records of the Fresno County Recorder, as provided herein; and (c) notwithstanding anything to the contrary in this Easement, (i) as of the Record Title Date and Time, the Grantor Property was free and clear from any and all agreements, instruments, or documents, whether unrecorded or recorded against the Grantor Property in the official records of the Fresno County Recorder, that allow, grant, confer, convey, ratify, confirm (or otherwise promise or agree to any of the foregoing), or create or assert any claim to any right, title, or interest in or to the Grantor Property, or any portion thereof, including without limitation any and all Encumbrances, that unreasonably interfere or would unreasonably interfere with this Easement, and the rights granted herein, (ii) the Groundwater Easement, as recorded in the official records of the

Fresno County Recorder on the Groundwater Easement Record Date and Time, does not allow, grant, confer, convey, ratify, confirm (or otherwise promise or agree to any of the foregoing), or create or assert any claim to any right, title, or interest in or to the Grantor Property, or any portion thereof, that unreasonably interferes or would unreasonably interfere with this Easement, and the rights granted herein, (iii) the easements and crossings reflected in the Reclamation Plan with respect to the Grantor Property are the only rights, title, or interests in or to the Grantor Property that may impact this Easement, and the rights granted herein, provided however, such easements and crossings do not unreasonably interfere and would not unreasonably interfere with any of COUNTY PARTIES' immediate, reasonable access to the Grantor Property, including any portion thereof, in accordance with the limited purpose of Section II.1 hereof, and (iv) GRANTOR has not, since the Record Title Date and Time, allowed, granted, conferred, conveyed, ratified, confirmed (or otherwise promised or agreed to any of the foregoing), will not, allow, grant, confer, convey, ratify, confirm (or otherwise promise or agree to any of the foregoing), and will prohibit any person or entity from creating or asserting any claim to, any right, title, or interest in or to, the Grantor Property, or any portion thereof, including without limitation any and all Encumbrances, that unreasonably interfere or would unreasonably interfere with this Easement, and the rights granted herein, and in the event of such unreasonable interference, GRANTOR shall, at its own cost, promptly, to the extent reasonably necessary, eliminate or modify such unreasonable interference to the reasonable satisfaction of COUNTY, so that such interference is only a reasonable interference with this Easement, and the rights granted herein; provided however, COUNTY acknowledges that GRANTOR may not disallow or prohibit a governmental authority from exercising its sovereign right of eminent domain, and therefore, no representation, covenant, or warranty is given in subsection II.11(c)(i), (ii), and (iv) hereof as to the disallowance or prohibition of such governmental authority's exercise of such right.

12. The title of and section headings used in this Easement are for the purpose of convenience only, and neither the title hereof nor any section heading hereof shall modify or be used to interpret the provisions of this Easement.
