**DISCUSSION:**

On March 12, 2019 the Board of Supervisors directed the County Clerk to implement the Voter's Choice Act (VCA) in Fresno County. The VCA authorizes a county to automatically mail every voter a ballot, provide additional secure ballot drop-off boxes throughout the county, and to establish regional Voting Assistance Centers which replace multiple precinct locations. As a condition of the Voter's Choice Act, counties are required to conduct extensive public outreach regarding the changes, and upgrade technology to meet the requirements of the Act.

On February 25, 2020 your Board approved agreement No. 19S10055 with the State of California for VCA Implementation reimbursement in the amount \$760,911 for voting equipment and infrastructure, outreach costs, and procurement of mobile vote centers. The funds in this agreement have been expended, primarily for outreach activities and materials.

On May 25, 2021 your Board approved agreement No. 20S10073 with the State of California for additional VCA funding in the amount of \$74,369. These funds have been expended for outreach costs including advertising, printing, translation, and design of materials.

On August 17, 2021 the California Secretary of State provided the Department with an agreement for additional State funding to reimburse counties for education and outreach related to the VCA and the September 14, 2021 California Gubernatorial Recall Election. Allowable costs include, but are not limited to, advertising, printing, translation and design of outreach and education materials.
