Hello Bernice Seidel,

Sierra Cedars Community Services District is in favor of Bluff Community Services District Resolution No. 11, Moving Elections of Board of Directors from Odd to Even Years. The cost savings would be very much appreciated.

Sincerely,

Todd L. Bristol
General Manager

RE: Bluffs Community Services District Resolution No. 11, Moving Elections of
Board of Directors from Odd to Even Years.

To whom it may concern:

The Laton Community Services District (LCSD) does not have any significant reason to object to Bluffs Community Services District's request to have the Board of Directors Elections moved from Odd to Even Years. In the near future LCSD may also be requesting the Board of Directors Elections be moved to conform with the general election cycle (even years) due to the possible financial impact on LCSD.

RE: Comments on Bluffs Community Services District Resolution No. 11, Moving Elections of Board of Directors from Odd to Even Years.

Dear Ms. Seidel,

The Board of Directors of the Riverdale Irrigation District reviewed your December 20, 2016 letter at the meeting held January 11, 2017. Riverdale I. D. Board of Directors would like to comment that they are concerned that the action of moving the elections of the Bluffs Community Services District from odd to even years will increase costs and fees for Riverdale Irrigation District to run its odd year elections.

Sincerely,

Kimberley Mayfield, Secretary
