Following the biennial review of their COI Code as required by Government Code section 87306.5, the International Water District amended their COI Code to correct the filing locations for Statements of Economic Interests and list correct titles for designated positions.

Amendments to local agency COI Codes are authorized by section 87306 of the Government Code whenever changes are required by changed circumstances, by creation or deletion of designated positions, or by changes in the duty of such positions. The proposed COI Code, as amended and corrected, is lawful under the Political Reform Act of 1974. Pursuant to sections 82011 and 87303 of the Government Code, the Board of Supervisors is the code reviewing body and may approve the code as submitted, revise the proposed code and approve it as revised, or return the proposed code to the agency for revision and resubmission.
