4 Community Development Grants
5 County of Fresno
6 Department of Public Works and Planning
7 Community Development Division
8 2220 Tulare Street, 6th Floor

10 If the Director of the County Department of Public Works and Planning (“Director”) determines the
11 modified Project is still eligible under the Federal CDBG regulations, then the Director has the
12 authority to modify the scope, so long as the modifications do not change the fundamental nature
13 of the Project. The Director shall specify in a letter to the City that such modifications to the scope
14 of the Project are authorized, and if the City may proceed.

15 II. OBLIGATIONS OF THE COUNTY

16 A. The County shall reimburse the City up to, but not more than, \$424,530 in
17 CDBG funds for the Project for the City’s performance of its obligations under this Agreement. All
18 funds shall be paid to the City in accordance with Section V-A of this Agreement.

19 B. The County shall review, within thirty (30) calendar days of receipt from the
20 City, the engineer selection process description and summary of the analysis, as prepared by the
21 City, to verify that a competitive process was conducted in accordance with U.S. Department of
22 Housing and Urban Development (HUD) procurement standards. If such conditions have been
23 met, the Department of Public Works and Planning, Community Development Division (Division)
24 shall specify in a letter to the City that these conditions have been met, and that the engineering

27 City, the design plans and specifications for the Project, as prepared by the City, for compliance
28 with Federal regulations, and the total Project cost estimate, to determine whether sufficient funds
are available to complete the Project. If such conditions have been met, the Division shall specify
in a letter to the City that these conditions have been met and that the Project can be advertised.
If such conditions have not been met, the Project will not move forward unless the City receives

1 an approval letter from the Division.

2 D. The County shall also review, within twenty-one (21) calendar days of
3 receipt from the City, the name of the low bidder, and cost or price analysis of the low bid proposal
4 prepared by the City, to determine whether the contractor will be reasonably compensated in
5 accordance with Federal requirements, and to verify the contractor is bonded, and has not been
6 disbarred or suspended from participating in Federal projects. If such conditions have been met,
7 the Division shall specify in a letter to the City that these conditions have been met, and that the
8 contract can be awarded. If such conditions have not been met, the Project will not move forward
9 unless the City receives an approval letter from the Division.

10 E. The County shall attend the pre-construction meeting between the City and
11 the contractor to discuss labor compliance requirements for the Project, Project monitoring, and to
12 inform the City and contractor that the County will conduct field reviews to determine whether labor
13 compliance and other conditions of the construction contract are being met.

14 F. The County shall conduct periodic inspections of the Project, as may be
15 required, in the determination of the County, that the intended use and group of beneficiaries of
16 the Project, as identified by the City in the application, have not changed. Upon completion of the
17 Project, but prior to the City's acceptance of the Project, the County shall conduct a final inspection
18 of the Project. If such conditions have been met, the Division shall specify in a letter to the City
19 that the conditions of this Section have been met. If such conditions have not been met, the Project
20 will not move forward unless the City receives an approval letter from the Division.

21 G. Notwithstanding anything to the contrary in this Section II or Section III of
22 this Agreement, the County's determinations and actions under this Section II and Section III of
23 this Agreement are solely for the benefit of the County, as the provider of the CDBG funding stated
24 herein, and do not relieve the City of its obligations, or lessen the City's obligations, under this
25 Agreement.

26 III. OBLIGATIONS OF THE CITY

27 A. The City shall provide any and all sums of money in excess of \$424,530
28 which may be necessary to complete the Project. For the purposes of awarding the construction

1 of the Project within the Agreement amount, the bid documents should include any proposed
2 additive or deduct alternatives.

3 B. The City shall perform, or cause to be performed, all engineering work
4 required for the Project.

5 C. In selecting an engineer to perform any engineering work required for the
6 Project, the City shall go through a competitive process in accordance with Chapter 4.10 of the
7 Ordinance Code of Fresno County, and HUD procurement standards. Prior to selection of the
8 engineer, the City shall prepare a written description of the process, perform a cost or price
9 analysis, and submit the process description and summary of the analysis to the Division for
10 review. The City shall obtain a letter from the Division specifying that the conditions of this Section
11 have been met.

12 D. The City shall specify in agreements with its consultants that all engineering
13 work funded with CDBG funds shall become the property of the City upon payment by the City for
14 the cost of such engineering work.

15 E. The City shall furnish evidence to the satisfaction of the Division, prior to the
16 County's authorization to advertise for bids, that it has free and clear title to all parcels of real
17 property on which Project improvements will be located, with any liens or encumbrances noted,
18 and/or that it has obtained or can obtain all necessary easements, rights-of-way, licenses, permits,
19 and State and local approvals required for the completion of the Project.

20 F. Upon completion of the design engineering, the City shall submit the plans
21 and specifications to the Division. The County will ensure Federal CDBG requirements have been
22 adhered to, and review cost estimates to, ensure sufficient funds are available. The City shall
23 obtain a letter from the Division specifying these conditions have been met, and that the City is
24 approved to advertise for bids to construct the Project.

25 G. The City shall advertise for bids, and shall award the construction contract
26 to the lowest responsible bidder. At least ten (10) calendar days prior to the bid opening, the City
27 shall notify the County of the date, time, and location of the bid opening.

28 H. Within seven (7) calendar days following the bid opening, the City shall

1 furnish the Division with the name of the low bidder, and cost or price analysis of the low bid
2 proposal prepared by the City, so that the County may verify with the Labor Relations and Equal
3 Opportunity Division of the HUD Area Office that the low bidder is bonded and has not been
4 debarred or suspended from participating in Federal projects, and that the contractor will be
5 reasonably compensated in accordance with Federal requirements. The City shall obtain a letter
6 from the County specifying these conditions have been met, and that the City is approved to award
7 the Project for construction.

8 I. The City shall conduct a pre-construction meeting with the contractor, and
9 shall notify the County Community Development Division at least ten (10) calendar days prior to
10 the meeting, so a representative of the County may attend to discuss CDBG labor compliance
11 requirements for the Project.

12 J. The City shall require the contractor, and all subcontractors, to submit
13 labor compliance documentation, including Certified Payroll, in the manner specified by the
14 County's Labor Compliance Officer, including the use of electronic systems such as LCPTracker.

15 K. Prior to the construction start date, the City shall give written notice thereof,
16 to the Division, to include a copy of the executed contract between the City and the Contractor and
17 the Notice to Proceed.

18 L. All proposed construction contract change orders shall not proceed until
19 prior written approval has been given by the County. Request for approval of a change order(s)
20 shall include a narrative description of the work, a cost or price analysis in accordance with HUD
21 requirements, a map depicting the location of the work addressed with the requested change order,
22 and a written certification from the City that the approval of the change order is consistent with the
23 final construction cost estimate approved by the County. In addition, the City shall certify that the
24 change order is within the scope of the Project and is necessary to complete the Project.

25 M. The City shall send its written description of the engineer selection process,
26 cost or price analyses, design plans, specifications, name of low bidder and low bid proposal,
27 public notices, and all written correspondence to:
28

Community Development Division
2220 Tulare Street, 6th Floor
Fresno, CA 93721

N. The City shall comply with the terms identified in Environmental Review No. CD23571 (the "Assessment"). A copy of the Assessment shall be provided to the City.

O. Upon completion of the Project, the City shall notify the Division, so a representative of the Division may perform an inspection of the Project to confirm that it was completed in accordance with the scope of work approved and authorized pursuant to this executed Agreement.

P. Upon approval of Project completion by the County, the City shall provide the Division with a resolution of acceptance, or similar documentation, demonstrating that the Project was completed in accordance with the scope of work approved and authorized pursuant to this executed Agreement, and any approved subsequent amendments thereto and/or change orders, and that the City has accepted the Project. Prior to the final request for payment, the City shall also provide the County with a copy of the recorded Notice of Completion (NOC), a written summary of all Project work completed with CDBG and other funds, and documentation to demonstrate compliance with Section 3 of the Housing and Urban Development Act of 1968, as amended.

Q. During the contract period, the City shall complete and submit annually each June 1, and upon completion of the Project, a Project Outcome Measurement Report (POM) form, a copy of which is attached hereto as Exhibit 1 and incorporated herein by reference. The POM shall contain the following information for the County's Federal reporting purposes to the U.S. Department of Housing and Urban Development (HUD):

1. Total number of households/persons assisted.
2. Number of total households/persons assisted that:
 - a. Now have new access to this type of public facility or infrastructure improvement.

b. Now have improved access to this type of public facility or infrastructure improvement.

c. Now are served by a public facility or infrastructure that is no longer substandard.

R. The City shall be responsible for maintenance of the Project after construction is completed, and shall perform such maintenance from non-CDBG resources.

S. The City must inform the County in writing of any program income generated by the expenditure of CDBG funds. Any program income generated as a result of the Project must be paid to the County. For purposes of this Agreement, program income is defined as proceeds from the disposition of CDBG-acquired real property, and principal and interest on CDBG loans. If the City contributed financially to the improvement Project, the City may retain a share of the program income in proportion to the City's contribution to the Project, after the City has provided a written accounting acceptable to the County.

T. The City must obtain prior written approval from the County before making any modification or change in the use of any real property improved, in whole or in part, using CDBG funds in excess of \$25,000. The City shall provide affected citizens with notice of, and opportunity to comment on, any proposed change to the use of real property improved with CDBG funds. If any real property improved with CDBG funds is sold and/or is utilized by the City for a use which does not qualify under the CDBG Program, the City shall reimburse the County in an amount equal to the current fair market value for the property, less any proportional share thereof attributable to expenditures of non-CDBG funds. These requirements shall continue in effect for five years after the Project is completed in HUD's Integrated Disbursement and Information System (IDIS). In the event the CDBG program is closed out, the requirements of this Section shall remain in effect for activities or property funded with CDBG funds, unless action is taken by the Federal government to relieve the City of these obligations.

U. The City acknowledges that the County may periodically inspect the Project to ensure the property is being used as described in this Agreement. The City agrees to provide any necessary information to the County to carry out such inspections. Furthermore, the City

1 agrees to take corrective action if the County determines that modifications to the use and location
2 of the Project have resulted in a violation of the Federal CDBG regulations.

3 IV. CONFORMANCE WITH APPLICABLE LAWS AND REGULATIONS

4 A. The City shall, and shall cause its consultants, contractors, and
5 subcontractors to, comply with all applicable State and Federal laws and regulations governing the
6 Project.

7 B. The City must comply with the requirements of the Build America, Buy
8 America (BABA) Act, 41 USC 8301 et. seq., and all applicable rules and notices, as may be
9 amended, if applicable to the Grantee's infrastructure project. Pursuant to HUD's Notice, "Public
10 Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America
11 Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any
12 funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA
13 requirements, unless excepted by a waiver. The City shall ensure that all plans and specifications
14 include requirements that all construction materials subject to BABA are noted as such.

15 C. Whenever the City uses the services of a contractor, the City shall require
16 that the contractor comply with all Federal, State, and local laws, ordinances, regulations, and
17 Charter of the County of Fresno provisions applicable in the performance of their work.

18 D. This Project is subject to the requirements of Section 3 of the Housing and
19 Urban Development Act of 1968, as amended, 12 U.S.C. 1701(u). Accordingly, the City shall
20 require the prime contractor to complete and submit documentation prior to award of the
21 construction contract, and upon Project completion, that compliance with the requirements of
22 Section 3 of the Housing and Urban Development Act of 1968 clause have been met.

23 E. Non-Discrimination: The City agrees to comply with the non-discrimination
24 in employment and contracting opportunities laws, regulations, and executive orders referenced in
25 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination
26 provisions in Section 109 of the Housing and Community Development Act of 1974 are still
27 applicable.

28 F. Because the City is receiving at least \$100,000 for this Project from the

County's CDBG Program under this Agreement, the City shall complete and submit to the Division a "Certification of Payments to Influence Federal Transactions" form and a "Standard Form LLL - Disclosure of Lobbying Activities" form. Likewise, before the City awards a contract using at least \$100,000 of such CDBG funds, the City shall require the consultant and/or contractor and all their sub-consultants and/or subcontractors to complete and submit these two (2) forms described herein to both the City and the County.

G. Records Retention: The City shall retain all financial records, supporting documents, statistical records, and all other records pertinent to this Agreement for a period of four (4) years from the date of the submission of the County's consolidated annual performance and evaluation report to HUD in which the activities assisted under this Agreement are reported on for the final time. If there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited, and that have started before the expiration of the four-year record retention period, such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later (24 CFR 570.502, 570.503(b)(2), 570.506).

V. PAYMENT FOR THE PROJECT

A. At monthly intervals, the City shall submit a written request to the County for payment of specified costs incurred in the performance of this Agreement. The request for the County to make such a payment shall be in accordance with the exemplar Project Pay Request Form, attached as Exhibit 2, and incorporated by this reference. The request shall also be accompanied by a written certification from the City that the request for payment is consistent with the amount of work that has been completed, and that the work is in accordance with the contract documents and this Agreement. The request for payment shall also be accompanied by documentation acceptable to the County, such as invoices, or vouchers for services or materials purchased, contractor's costs, or other costs chargeable to the Project. After appropriate review and inspection, the County shall make payment from CDBG funds provided in this Agreement for all eligible costs specified herein up to the maximum amount payable under Section I.

B. Any savings realized in the final cost of the Project, due to Project cost

1 and/or scope of work reductions, liquidated damages, or any other reason, shall be used to reduce
2 the amount of this Project paid for with CDBG funds, and shall be credited to the City's CDBG
3 allocation. If the City is required to provide any funds toward the Project, any cost savings shall be
4 first used to reimburse the City for its contribution in excess of the total amount provided by this
5 Agreement.

6 C. Payment for advertising and award shall be based on the actual costs of
7 printing and noticing.

8 D. The County shall not be bound by any agreement between the City and its
9 agents.

10 E. Upon the completion of the Project, the City shall submit to the Division a
11 written request for final payment of costs, which shall provide a detailed description of the Project
12 pay items and costs. The County shall not be obligated to make any payments under this
13 Agreement if the request for payment is submitted by the City more than sixty (60) calendar days
14 after the NOC has been filed with the County Recorder's Office. An extension to the sixty (60)
15 calendar day period may be granted by the Director prior to the deadline if the City can demonstrate
16 just cause for the delay.

17 F. The County may withhold reimbursement of the final payment request made
18 by the City until a final POM, recorded NOC, and written summary of all Project work completed
19 with CDBG and other funds, and evidence of compliance with the Section 3 clause, as specified
20 in Sections III-P and IV-D, have been submitted to the County.

21 G. All requests for payment and supporting documentation shall be sent to:

22 Business Manager
23 County of Fresno
24 Department of Public Works and Planning
25 Financial Services Division
26 2220 Tulare Street, 6th Floor
27 Fresno, CA 93721
28 pwpbusinessoffice@fresnocountyca.gov (if submitted by email)

26 H. The City shall establish accounting and bookkeeping procedures in
27 accordance with standard accounting and bookkeeping practices, including, but not limited to,
28 employee timecards, payrolls, and other records of all transactions to be paid with CDBG funds in

1 accordance with the performance of this Agreement. All records and accounts shall be available
2 for inspection by the County, the State of California, if applicable, the Comptroller General of the
3 United States, and HUD or any of their duly authorized representatives, at all reasonable times,
4 for a period of at least five (5) years following final payment under this Agreement, or the closure
5 of all other pending matters, whichever is later. The City shall certify accounts when required or
6 requested by the County.

7 I. The City, as a sub-recipient of Federal financial assistance, is required to
8 comply with the provisions of the Single Audit Act Amendments of 1996 (31 U.S.C. Sections 7501
9 et seq.). Whenever the City expends and/or receives CDBG funds from the County for the Project,
10 a copy of any audit performed by the City in accordance with said Act shall be forwarded to the
11 County Community Development Grants Program Manager within nine (9) months of the end of
12 any City fiscal year in which funds were expended and/or received for the Project. Failure to
13 perform the requisite audit functions as required by this paragraph may result in the County
14 performing any necessary audit tasks, or, at the County's option, the County contracting with a
15 public accountant to perform the audit. All audit costs related to the City's failure to perform the
16 requisite audit are the sole responsibility of the City, and such audit work costs incurred by the
17 County shall be billed to the City, as determined by County's Auditor-Controller/Treasurer-Tax
18 Collector. In the event the City is only required to perform an audit under the provisions of the Act
19 because the City is receiving CDBG funds, the County may perform, or cause to be performed,
20 the required audit to determine whether funds provided through this Agreement have been
21 expended in accordance with applicable laws and regulations. Any audit-related costs incurred by
22 the County under this provision shall be charged to the County CDBG Program. The City agrees
23 to take prompt and appropriate corrective action on any instance of material non-compliance with
24 applicable laws and regulations.

25 J. The City shall send a copy of the audit to:

26 Community Development Grants
27 County of Fresno
28 Department of Public Works and Planning
Community Development Division
2220 Tulare Street, 6th Floor
Fresno, CA 93721

1 VI. INDEMNIFICATION

2 The City shall indemnify and hold harmless and defend the County (including its
3 officers, agents, employees, and volunteers) against all claims, demands, injuries, damages,
4 costs, expenses (including attorney fees and costs), fines, penalties, and liabilities of any kind to
5 the County, the City, or any third party that arise from or relate to the performance or failure to
6 perform by the City (or any of its officers, agents, subcontractors, or employees) under this
7 Agreement. The County may conduct or participate in its own defense without affecting the City's
8 obligation to indemnify and hold harmless or defend the County. The provisions of this Section VI
9 shall survive the expiration or termination of this Agreement.

10 VII. TIME OF PERFORMANCE

11 A. The following schedule shall commence on the date this Agreement is
12 executed by the County:

18 B. The Project shall be completed, and NOC shall be filed with the Fresno
19 County Recorder's Office, no later than December 9, 2025.

20 C. The final POM Report, written summary of all work completed,
21 documentation demonstrating compliance with Section 3 of the Housing and Urban Development
22 Act of 1968, as amended, and request for final payment shall be submitted to the County no later
23 than February 7, 2026.

24 D. The City shall give immediate written notification to the Division of any
25 events that occur which may affect the above time schedule and completion date and the time
26 schedule specified in the contract documents, or any event that may have significant impact upon
27 the Project or affect the attainment of the Project's objectives. The Director is authorized to adjust
28 the above schedule if, in the Director's judgment, any delay is beyond the control of the parties

involved.

E. Time is of the essence in the City's performance of this Agreement.

VIII. BREACH OF AGREEMENT

In the event the City fails to comply with any of the terms of this Agreement, the County may, at its option, deem the City's failure a material breach of this Agreement, and utilize any remedies permitted by law that the County deems appropriate. Should the County deem a breach of this Agreement material, the County shall immediately be relieved of its obligations to make further payment as provided herein. Termination of this Agreement due to breach shall not, in any way whatsoever, limit the rights of the County in seeking any other legal relief in a court of law or equity, including the recovery of damages. In addition to the termination of the Agreement by the County due to a material breach of this Agreement by the Subrecipient, the County may also terminate this Agreement for convenience, in accordance with state and federal law.

B. If the City's request to cancel the Project covered by this Agreement is approved by the County, the City shall promptly reimburse to the County the amount of all CDBG funds provided to the City for the Project. The reimbursed amount of funds shall be credited back to the City's CDBG allocation.

2 commitments, writings, advertisements, publications, and understandings of any nature
3 whatsoever unless expressly included in this Agreement.

4 XII. NO THIRD-PARTY BENEFICIARIES

5 This Agreement does not and is not intended to create any rights or obligations for
6 any persons or entity except the parties. This Agreement is solely for the benefit of the County and
7 the City and HUD, and there are no [other] intended third party beneficiaries of this Agreement.
