5/26/22

Mr. Matt Myers, and Mr. Daniel Lynch et. al:

Dear Sirs,

Please count this letter, dated as of May 26<sup>th</sup>,2022, as the OFFICIAL request to end the contract for dispatch services for FIRE RELATED CALLS between the County of Fresno, EMS Communications Center and the City Of Kingsburg Fire Department.

The Kingsburg Fire Department intends to dissolve the contract on August 1<sup>st</sup> at 0000 hrs. At which time the Emergency Communications Center (ECC) Fresno County Fire will begin dispatching all Fire/Rescue related traffic for the city of Kingsburg Fire Department.

The ECC will then become the primary point of dispatching for The Kingsburg Fire Department and all Fire /Rescue resources.

The Kingsburg Fire Department is NOT requesting any changes to the current ability of our EMS units to be dispatched through EMS Communications and will continue being dispatched by EMS Communications per county contract utilizing the appropriate assigned county -wide med. channels.

If there are substantive errors or other items omitted that are required to be held within this letter of intent to dissolve the contract between the City of Kingsburg and the County of Fresno EMS Communications Center please reach out at your earliest convenience to discuss them with myself or my staff.

I am also available to expound on the particular reasons for dissolving this contract, if so requested.

Respectfully,

Daniel C. Perkins  
Fire Chief  
City of Kingsburg Fire Department
