These General Terms (these “General Terms”) are between Oracle America, Inc. (“Oracle”) and the entity identified below in the signature block. To place orders subject to these General Terms, at least one Schedule (as defined below) must be incorporated into these General Terms. If a term is relevant only to a specific Schedule, that term will apply only to that Schedule if and/or when that Schedule is incorporated into these General Terms.

1. DEFINITIONS

1.1 “**Hardware**” refers to the computer equipment, including components, options and spare parts.

1.2 “**Integrated Software**” refers to any software or programmable code that is (a) embedded or integrated in the Hardware and enables the functionality of the Hardware or (b) specifically provided to You by Oracle under Schedule H and specifically listed (i) in accompanying documentation, (ii) on an Oracle webpage or (iii) via a mechanism that facilitates installation for use with Your Hardware. Integrated Software does not include and You do not have rights to (a) code or functionality for diagnostic, maintenance, repair or technical support services; or (b) separately licensed applications, operating systems, development tools, or system management software or other code that is separately licensed by Oracle. For specific Hardware, Integrated Software includes Integrated Software Options (as defined in Schedule H) separately ordered.

1.3 “**Master Agreement**” refers to these General Terms (including any amendments thereto) and all Schedule(s) incorporated into the Master Agreement (including any amendments to those incorporated Schedule(s)). The Master Agreement governs Your use of the Products and Service Offerings ordered from Oracle or an authorized reseller.

1.4 “**Operating System**” refers to the software that manages Hardware for Programs and other software.

1.5 “**Products**” refers to Programs, Hardware, Integrated Software and Operating System.

1.6 “**Programs**” refers to (a) the software owned or distributed by Oracle that You have ordered under Schedule P, (b) Program Documentation and (c) any Program updates acquired through technical support. Programs do not include Integrated Software or any Operating System or any software release prior to general availability (e.g., beta releases).

1.7 “**Program Documentation**” refers to the Program user manual and Program installation manuals. Program Documentation may be delivered with the Programs. You may access the documentation online at <http://oracle.com/documentation>.

1.8 “**Schedule**” refers to all Oracle Schedules to these General Terms as identified in Section 2.

1.9 “**Separate Terms**” refers to separate license terms that are specified in the Program Documentation, readmes or notice files and that apply to Separately Licensed Third Party Technology.

1.10 “**Separately Licensed Third Party Technology**” refers to third party technology that is licensed under Separate Terms and not under the terms of the Master Agreement.

1.11 “**Service Offerings**” refers to technical support, education, hosted/outsourcing services, cloud services, consulting, advanced customer support services, or other services which You have ordered. Such Service Offerings are further described in the applicable Schedule.

1.12 “**You**” and “**Your**” refers to the entity that has executed these General Terms.

2. MASTER AGREEMENT TERM AND APPLICABLE SCHEDULES

Orders may be placed under the Master Agreement for five years from the Effective Date (indicated below in Section 17). As of the Effective Date, the following Schedules are incorporated into the Master Agreement: Schedule C - Cloud Services, Schedule P - Program, Schedule H - Hardware, and Schedule S - Services

The Schedules set forth terms and conditions that apply specifically to certain types of Oracle offerings which may be different than, or in addition to, these General Terms.

3. SEGMENTATION

The purchase of any Products and related Service Offerings or other Service Offerings are all separate offers and separate from any other order for any Products and related Service Offerings or other Service Offerings You may receive or have received from Oracle. You understand that You may purchase any Products and related Service Offerings or other Service Offerings independently of any other Products or Service Offerings. Your obligation to pay for (a) any Products and related Service Offerings is not contingent on performance of any other Service Offerings or delivery of any other Products or (b) other Service Offerings is not contingent on delivery of any Products or performance of any additional/other Service Offerings. You acknowledge that You have entered into the purchase without reliance on any financing or leasing arrangement with Oracle or its affiliate.

4. OWNERSHIP

Oracle or its licensors retain all ownership and intellectual property rights to the Programs, Operating System, Integrated Software and anything developed or delivered under the Master Agreement.

5. INDEMNIFICATION

5.1 To the extent not prohibited by law and subject to sections 5.5, 5.6 and 5.7 below, if a third party makes a claim against either You or Oracle ("Recipient" which may refer to You or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, data, hardware, or material (collectively, "Material") furnished by either You or Oracle ("Provider" which may refer to You or Oracle depending on which party provided the Material) and used by the Recipient infringes the third party's intellectual property rights, the Provider, at the Provider's sole cost and expense, will defend the Recipient against the claim and indemnify the Recipient from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by the Provider, if the Recipient does the following:

- a. notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law);
- b. gives the Provider sole control of the defense and any settlement negotiations, to the extent permitted by law; and
- c. gives the Provider the information, authority and assistance the Provider needs to defend against or settle the claim.

5.2 If the Provider believes or it is determined that any of the Material may have violated a third party's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any fees the Recipient may have paid to the other party for it and, if Oracle is the Provider of an infringing Program, any unused, prepaid technical support fees You have paid to Oracle for the license of the infringing Program. If such return materially affects Oracle's ability to meet its obligations under the relevant order, then Oracle may, at its option and upon 30 days prior written notice, terminate the order.

5.3 Notwithstanding the provisions of section 5.2 and with respect to hardware only, if the Provider believes or it is determined that the hardware (or portion thereof) may have violated a third party's intellectual property rights, the Provider may choose to either replace or modify the hardware (or portion thereof) to be non-infringing (while substantially preserving its utility or functionality) or obtain a right to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may remove the applicable hardware (or portion thereof) and refund the net book value and, if Oracle is the Provider of infringing Hardware, any unused, prepaid technical support fees You have paid to Oracle for the Hardware.

5.4 In the event that the Material is Separately Licensed Third Party Technology and the associated Separate Terms do not allow termination of the license, in lieu of ending the license for the Material, Oracle may end the license for, and require return of, the Program associated with that Separately Licensed Third Party Technology

and shall refund any Program license fees You may have paid to Oracle for the Program license and any unused, prepaid technical support fees You have paid to Oracle for the Program license.

5.5 Provided You are a current subscriber to Oracle technical support services for the Operating System (e.g., Oracle Premier Support for Systems, Oracle Premier Support for Operating Systems or Oracle Linux Premier Support), then for the period of time for which You were a subscriber to the applicable Oracle technical support services (a) the phrase "Material" above in section 5.1 shall include the Operating System and the Integrated Software and any Integrated Software Options that You have licensed and (b) the phrase "Program(s)" in this section 5 is replaced by the phrase "Program(s) or the Operating System or Integrated Software or Integrated Software Options (as applicable)" (i.e., Oracle will not indemnify You for Your use of the Operating System and/or Integrated Software and/or Integrated Software Options when You were not a subscriber to the applicable Oracle technical support services). Notwithstanding the foregoing, with respect solely to the Linux operating system, Oracle will not indemnify You for Materials that are not part of the Oracle Linux covered files as defined at <http://www.oracle.com/us/support/library/enterprise-linux-indemnification-069347.pdf>.

5.6 The Provider will not indemnify the Recipient if the Recipient alters Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of Material which was provided to the Recipient, or if the Recipient continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify You for any portion of an infringement claim that is based upon the combination of any Material with any products or services not provided by Oracle. Solely with respect to Separately Licensed Third Party Technology that is part of or is required to use a Program and that is used: (a) in unmodified form; (b) as part of or as required to use a Program; and (c) in accordance with the license grant for the relevant Program and all other terms and conditions of the Master Agreement, Oracle will indemnify You for infringement claims for Separately Licensed Third Party Technology to the same extent as Oracle is required to provide infringement indemnification for the Program under the terms of the Master Agreement. Oracle will not indemnify You for infringement caused by Your actions against any third party if the Program(s) as delivered to You and used in accordance with the terms of the Master Agreement would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify You for any intellectual property infringement claim(s) known to You at the time license rights are obtained.

5.7 This section provides the parties' exclusive remedy for any infringement claims or damages.

6. TERMINATION

6.1 If either of us breaches a material term of the Master Agreement and fails to correct the breach within 30 days of written specification of the breach, then the breaching party is in default and the non-breaching party may terminate the Master Agreement. If Oracle terminates the Master Agreement as specified in the preceding sentence, You must pay within 30 days all amounts which have accrued prior to such termination, as well as all sums remaining unpaid for Products ordered and/or Service Offerings received under the Master Agreement plus related taxes and expenses. Except for nonpayment of fees, the non-breaching party may agree in its sole discretion to extend the 30 day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if You are in default under the Master Agreement, You may not use those Products or Service Offerings ordered.

6.2 You may terminate this Master Agreement at any time without cause by giving Oracle 30 days prior written notice of such termination. If You end this Master Agreement as specified in the preceding sentence, You agree You must pay within 30 days all amounts which have accrued prior to the end of this Master Agreement, as well as all sums remaining unpaid for Products ordered and/or Service Offerings received under this Master Agreement plus applicable related taxes and expenses (if any).

6.3 If You have used a contract with Oracle or an affiliate of Oracle to pay for the fees due under an order and You are in default under that contract, You may not use the Products and/or Service Offerings that are subject to such contract.

6.4 Provisions that survive termination or expiration are those relating to limitation of liability, infringement indemnity, payment and others which by their nature are intended to survive.

7. FEES AND TAXES; PRICING, INVOICING AND PAYMENT OBLIGATION

7.1 All fees payable to Oracle are due within 30 days from the invoice date. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that Oracle must pay based on the Products and/or Service Offerings You ordered, except for taxes based on Oracle's income. Reimbursement of expenses related to the provision of any Service Offering, if any, will be addressed in the relevant ordering document and/or statement of work for such services.

7.2 You understand that You may receive multiple invoices for the Products and Service Offerings You ordered. Invoices will be submitted to You pursuant to Oracle's Invoicing Standards Policy, which may be accessed at <http://oracle.com/contracts>.

8. NONDISCLOSURE

8.1 By virtue of the Master Agreement, the parties may have access to information that is confidential to one another (“**Confidential Information**”). We each agree to disclose only information that is required for the performance of obligations under the Master Agreement. Confidential Information shall be limited to all information clearly identified as confidential at the time of disclosure.

8.2 A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

8.3 Subject to applicable law, we each agree not to disclose each other's Confidential Information to any third party other than those set forth in the following sentence for a period of three years from the date of the disclosing party's disclosure of the Confidential Information to the receiving party. We may disclose Confidential Information only to those employees or agents or subcontractors who are required to protect it against unauthorized disclosure in a manner no less protective than under the Master Agreement. Nothing shall prevent either party from disclosing the terms or pricing under the Master Agreement or orders submitted under the Master Agreement in any legal proceeding arising from or in connection with the Master Agreement or disclosing the Confidential Information to a governmental entity as required by law. In the event You receive a valid request for Oracle's Confidential Information pursuant to applicable law, You will provide Oracle with reasonable notice of such request and give Oracle an opportunity to object to or limit any such disclosure.

8.4 To the extent You provide personal information to Oracle as part of any Service Offerings You have ordered under the Master Agreement, Oracle will comply with:

- a. the relevant Oracle privacy policies applicable to the Service Offerings, available at <http://www.oracle.com/us/legal/privacy/overview/index.html>;
- b. the applicable administrative, physical, technical and other safeguards, and other applicable aspects of system and content management, available at <http://www.oracle.com/us/corporate/contracts/>; and
- c. the applicable version of the Data Processing Agreement for Oracle Services (the “Data Processing Agreement”). The version of the Data Processing Agreement applicable to Your order is available at <https://www.oracle.com/corporate/contracts/cloud-services/contracts.html#data-processing> and is incorporated herein by reference. The Data Processing Agreement does not apply to education services and Oracle Data Cloud services under Schedule D. Your order for Service Offerings may also contain additional or more specific privacy terms.

9. ENTIRE AGREEMENT

9.1 You agree that the Master Agreement and the information which is incorporated into the Master Agreement by written reference (including reference to information contained in a URL or referenced policy), together with the applicable order, are the complete agreement for the Products and/or Service Offerings ordered by You and supersede all prior or contemporaneous agreements or representations, written or oral, regarding such Products and/or Service Offerings.

9.2 It is expressly agreed that the terms of the Master Agreement and any Oracle order shall supersede the terms in any purchase order, procurement internet portal or any other similar non-Oracle document and no terms included in any such purchase order, portal or other non-Oracle document shall apply to the Products and/or Service Offerings ordered. In the event of inconsistencies between the terms of any Schedule and these General Terms, the Schedule shall take precedence. In the event of any inconsistencies between the terms of an order and the Master Agreement, the order shall take precedence. The Master Agreement and orders may not be modified and

the rights and restrictions may not be altered or waived except in a writing signed or accepted online through the Oracle Store by authorized representatives of You and of Oracle. Any notice required under the Master Agreement shall be provided to the other party in writing.

10. LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. ORACLE'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THE MASTER AGREEMENT OR YOUR ORDER, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID ORACLE UNDER THE SCHEDULE GIVING RISE TO THE LIABILITY, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PRODUCTS OR SERVICE OFFERINGS, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID ORACLE FOR THE DEFICIENT PRODUCT OR SERVICE OFFERINGS GIVING RISE TO THE LIABILITY.

11. EXPORT

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Products. You agree that such export laws govern Your use of the Products (including technical data) and any Service Offerings deliverables provided under the Master Agreement, and You agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, Product and/or materials resulting from Service Offerings (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

12. FORCE MAJEURE

Neither of us shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic, electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancellation of any export, import or other license); other event outside the reasonable control of the obligated party. We both will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 30 days, either of us may cancel unperformed Service Offerings and affected orders upon written notice. This section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures or Your obligation to pay for Products and Service Offerings ordered or delivered.

13. GOVERNING LAW AND JURISDICTION

The Master Agreement is governed by the laws of the State of California.

14. NOTICE

If You have a dispute with Oracle or if You wish to provide a notice under the Indemnification section of these General Terms, or if You become subject to insolvency or other similar legal proceedings, You will promptly send written notice to: Oracle America, Inc., 500 Oracle Parkway, Redwood City, California, United States 94065, Attention: General Counsel, Legal Department.

15. ASSIGNMENT

You may not assign the Master Agreement or give or transfer the Programs, Operating System, Integrated Software and/or any Service Offerings or an interest in them to another individual or entity. If You grant a security interest in the Programs, Operating System, Integrated Software and/or any Service Offerings deliverables, the secured party has no right to use or transfer the Programs, Operating System, Integrated Software and/or any Service Offerings deliverables, and if You decide to finance Your acquisition of any Products and/or any Service Offerings, You will follow Oracle's policies regarding financing which are at <http://oracle.com/contracts>. The foregoing shall not be construed to limit the rights You may otherwise have with respect to the Linux operating system, third party technology or Separately Licensed Third Party Technology licensed under open source or similar license terms.

16. OTHER

16.1 Oracle is an independent contractor and we agree that no partnership, joint venture, or agency relationship exists between us. We each will be responsible for paying our own employees, including employment related taxes and insurance.

16.2 If any term of the Master Agreement is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with a term consistent with the purpose and intent of the Master Agreement.

16.3 Except for actions for nonpayment or breach of Oracle's proprietary rights, no action, regardless of form, arising out of or relating to the Master Agreement may be brought by either party more than two years after the cause of action has accrued.

16.4 Products and Service Offerings deliverables are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Products and Service Offerings deliverables in such applications.

16.5 If requested by an authorized reseller on Your behalf, You agree Oracle may provide a copy of the Master Agreement to the authorized reseller to enable the processing of Your order with that authorized reseller.

16.6 You understand that Oracle's business partners, including any third party firms retained by You to provide consulting services, are independent of Oracle and are not Oracle's agents. Oracle is not liable for nor bound by any acts of any such business partner unless (i) the business partner is providing services as an Oracle subcontractor in furtherance of an order placed under the Master Agreement and (ii) only to the same extent as Oracle would be responsible for the performance of Oracle resources under that order.

16.7 For software (i) that is part of Programs, Operating Systems, Integrated Software or Integrated Software Options (or all four) and (ii) that You receive from Oracle in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from <https://oss.oracle.com/sources/> or <http://www.oracle.com/goto/opensourcecode>. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

---	----------------------------------

Your Name ("You"):	County of Fresno
General Terms Reference:	US-OMA-FEC-80378987

This Cloud Services Schedule (this "Schedule C") is a Schedule to the General Terms referenced above. This Schedule C shall coterminate with the General Terms. For purposes of the Services under this Schedule C, the General Terms and this Schedule C constitute, collectively, the "Master Agreement"; other Schedules to the General Terms, such as Schedule P (Program Schedule), do not apply to the Services ordered under this Schedule C.

1. USE OF THE SERVICES

1.1 Oracle will make the Oracle services listed in Your order (the "Services") available to You pursuant to the Master Agreement and Your order. Except as otherwise stated in the Master Agreement or Your order, You have the non-exclusive, worldwide, limited right to use the Services during the period defined in Your order, unless earlier terminated in accordance with the Master Agreement or Your order (the "Services Period"), solely for Your internal business operations. You may allow Your Users (as defined below) to use the Services for this purpose, and You are responsible for their compliance with the Master Agreement and Your order.

1.2 The Service Specifications describe and govern the Services. During the Services Period, we may update the Services and Service Specifications to reflect changes in, among other things, laws, regulations, rules, technology, industry practices, patterns of system use, and availability of Third Party Content (as defined below). Oracle updates to the Services or Service Specifications will not materially reduce the level of performance, functionality, security or availability of the Services during the Services Period of Your order.

1.3 You may not, and may not cause or permit others to: (a) use the Services to harass any person; cause damage or injury to any person or property; publish any material that is false, defamatory, harassing or obscene; violate privacy rights; promote bigotry, racism, hatred or harm; send unsolicited bulk e-mail, junk mail, spam or chain letters; infringe intellectual or other property rights; sell, manufacture, market and/or distribute any product or service in violation of applicable laws; or otherwise violate applicable laws, ordinances or regulations; (b) perform or disclose any benchmarking or availability testing of the Services, except as permitted in the Service Specifications; (c) perform or disclose any performance or vulnerability testing of the Services without Oracle's prior written approval, except as permitted in the Service Specifications, or perform or disclose network discovery, port and service identification, vulnerability scanning, password cracking, or remote access testing of the Services; or (d) use the Services to perform cyber currency or crypto currency mining ((a) through (d) collectively, the "Acceptable Use Policy"). In addition to other rights that we have in the Master Agreement and Your order, we have the right to take remedial action if the Acceptable Use Policy is violated, and such remedial action may include removing or disabling access to material that violates the policy.

2. FEES AND PAYMENT

2.1 Once placed, Your order is non-cancelable and the sums paid nonrefundable, except as provided in the Master Agreement or Your order. Fees for Services listed in an order are exclusive of taxes and expenses, unless expressly stated otherwise in Your order.

2.2 If You exceed the quantity of Services ordered, then You promptly must purchase and pay fees for the excess quantity.

3. OWNERSHIP RIGHTS AND RESTRICTIONS

3.1 You or Your licensors retain all ownership and intellectual property rights in and to Your Content (as

defined below). We or our licensors retain all ownership and intellectual property rights in and to the Services, derivative works thereof, and anything developed or delivered by or on behalf of us under the Master Agreement.

3.2 You may have access to Third Party Content through use of the Services. Unless otherwise stated in Your order, all ownership and intellectual property rights in and to Third Party Content and the use of such content is governed by separate third party terms between You and the third party.

3.3 You have the authority to and do grant us the right to host, use, process, display and transmit Your Content to provide the Services pursuant to and in accordance with the Master Agreement and Your order. You have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of Your Content, and for obtaining all rights related to Your Content required by Oracle to perform the Services.

3.4 Except as permitted by the Master Agreement or Your order, You may not, and may not cause or permit others to: (a) modify, make derivative works of, disassemble, decompile, reverse engineer, reproduce, republish, download or copy any part of the Services (including data structures or similar materials produced by programs); (b) access or use the Services to build or support, directly or indirectly, products or services competitive to Oracle; or (c) license, sell, transfer, assign, distribute, outsource, permit timesharing or service bureau use of, commercially exploit, or make available the Services to any third party.

4. NONDISCLOSURE

Your Content residing in the Services will be considered Confidential Information subject to the terms of this section, Section 8 of the General Terms and Your order. Oracle will protect the confidentiality of Your Content residing in the Services for as long as such information resides in the Services.

5. PROTECTION OF YOUR CONTENT

5.1 In order to protect Your Content provided to Oracle as part of the provision of the Services, Oracle will comply with the applicable administrative, physical, technical and other safeguards, and other applicable aspects of system and content management, available at <https://www.oracle.com/contracts/cloud-services>.

5.2 To the extent Your Content includes Personal Information (as that term is defined in the applicable data privacy policies and the Data Processing Agreement (as defined below), Oracle will furthermore comply with the following:

- a. the relevant Oracle privacy policies applicable to the Services, available at <http://www.oracle.com/us/legal/privacy/overview/index.html>; and
- b. the applicable version of the Data Processing Agreement for Oracle Services (the "Data Processing Agreement"), unless stated otherwise in Your order. The version of the Data Processing Agreement applicable to Your order (a) is available at <https://www.oracle.com/contracts/cloud-services> and is incorporated herein by reference, and (b) will remain in force during the Services Period of Your order. In the event of any conflict between the terms of the Data Processing Agreement and the terms of the Service Specifications (including any applicable Oracle privacy policies), the terms of the Data Processing Agreement shall take precedence.

5.3 Without prejudice to Sections 5.1 and 5.2 above, You are responsible for (a) any required notices, consents and/or authorizations related to Your provision of, and our processing of, Your Content (including any Personal Information) as part of the Services, (b) any security vulnerabilities, and the consequences of such vulnerabilities, arising from Your Content, including any viruses, Trojan horses, worms or other harmful programming routines contained in Your Content, and (c) any use by You or Your Users of the Services in a manner that is inconsistent with the terms of the Master Agreement and/or Your order. To the extent You disclose or transmit Your Content to a third party, we are no longer responsible for the security or confidentiality of such content outside of Oracle's control.

5.4 Unless otherwise specified in Your order (including in the Service Specifications), Your Content may not include any data that imposes specific data security, data protection or regulatory obligations on Oracle in addition to or different from those specified in the Data Processing Agreement, Service Specifications or the Master Agreement. If Your Content includes any of the foregoing data (e.g., certain regulated health or payment card information), Oracle will process such data only pursuant to the terms of Your order, the Data Processing Agreement, Service Specifications and the Master Agreement. You are responsible for complying with Your

specific regulatory, legal or data security obligations which may apply to such data. If available for the Services, You may purchase additional services from us (e.g., Oracle Payment Card Industry Compliance Services) designed to address specific data security, data protection or regulatory requirements applicable to such data.

6. WARRANTIES, DISCLAIMERS AND EXCLUSIVE REMEDIES

6.1 Each party represents that it has validly entered into the Master Agreement and that it has the power and authority to do so. We warrant that during the Services Period, we will perform the Services using commercially reasonable care and skill and in all material respects as described in the Service Specifications (the "Services Warranty"). If the Services provided to You were not performed as warranted, You must promptly provide us with a written notice that describes the deficiency in the Services (including, as applicable, the service request number notifying us of the deficiency in the Services).

6.2 WE DO NOT WARRANT THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, THAT WE WILL CORRECT ALL SERVICES ERRORS, OR THAT THE SERVICES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS. WE ARE NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM YOUR CONTENT OR THIRD PARTY CONTENT OR SERVICES PROVIDED BY THIRD PARTIES.

6.3 FOR ANY BREACH OF THE SERVICES WARRANTY, YOUR EXCLUSIVE REMEDY AND OUR ENTIRE LIABILITY SHALL BE THE CORRECTION OF THE DEFICIENT SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF WE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT SERVICES AND WE WILL REFUND TO YOU THE FEES PAID FOR THE DEFICIENT SERVICES FOR THE PERIOD OF TIME DURING WHICH THE SERVICES WERE DEFICIENT.

6.4 TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.

7. LIMITATION OF LIABILITY

7.1 IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, OR ANY LOSS OF REVENUE, PROFITS (EXCLUDING FEES UNDER THE MASTER AGREEMENT), SALES, DATA, DATA USE, GOODWILL, OR REPUTATION.

7.2 IN NO EVENT SHALL THE AGGREGATE LIABILITY OF ORACLE AND OUR AFFILIATES ARISING OUT OF OR RELATED TO THE MASTER AGREEMENT OR YOUR ORDER, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE TOTAL AMOUNTS ACTUALLY PAID UNDER YOUR ORDER FOR THE ORACLE PRODUCTS OR SERVICES GIVING RISE TO THE LIABILITY DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE OF THE EVENT GIVING RISE TO SUCH LIABILITY.

8. ADDITIONAL INFRINGEMENT INDEMNIFICATION TERMS

8.1 If Oracle is the Provider and exercises its option under Section 5.2 of the General Terms to end the license for and require the return of Material that is a component of the Services, including Oracle Software, then Oracle will refund any unused, prepaid fees that You have paid for such Material. If such Material is third party technology and the terms of the third party license do not allow Oracle to terminate the license, then Oracle may, upon 30 days prior written notice, end the Services associated with such Material and refund to You any unused, prepaid fees for such Services.

8.2 We will not indemnify You to the extent that an infringement claim is based on Third Party Content or any material from a third party portal or other external source that is accessible or made available to You within or by the Services (e.g., a social media post from a third party blog or forum, a third party web page accessed via a hyperlink, marketing data from third party data providers, etc.).

8.3 The phrase "user documentation" in the first sentence of Section 5.6 of the General Terms includes the Service Specifications referenced in Your order for Services.

9. TERM AND TERMINATION

9.1 Services shall be provided for the Services Period defined in Your order. Notwithstanding anything to the contrary in the Service Specifications, the Services You order will not be automatically renewed.

9.2 We may suspend Your and/or Your Users' access to, or use of, the Services if we believe that: (a) there is a significant threat to the functionality, security, integrity, or availability of the Services or any content, data, or applications in the Services; (b) You or Your Users are accessing or using the Services to commit an illegal act; (c) there is a violation of the Acceptable Use Policy; or (d) You provided false account or payment information or Your digital payment method is refused. When reasonably practicable and lawfully permitted, we will provide You with advance notice of any such suspension. For Services with the applicable operational capability, Oracle will use reasonable efforts to limit any suspension only to the portion of the Services related to the issue causing suspension. We will use reasonable efforts to re-establish the Services promptly after we determine that the issue causing the suspension has been resolved. During any suspension period, we will make Your Content (as it existed on the suspension date) available to You. Any suspension under this section shall not excuse You from Your payment obligations.

9.3 If either of us breaches a material term of the Master Agreement or any order and fails to correct the breach within 30 days of written specification of the breach (provided in accordance with Section 14.1 below), then the breaching party is in default and the non-breaching party may terminate (a) in the case of breach of any order, the order under which the breach occurred; or (b) in the case of breach of the Master Agreement, the Master Agreement and any orders that have been placed under the Master Agreement. If Oracle terminates any orders as specified in the preceding sentence, You must pay within 30 days all amounts that have accrued prior to such termination, as well as all sums remaining unpaid for terminated order(s) plus related taxes and expenses. Except for nonpayment of fees, the non-breaching party may agree in its sole discretion to extend the 30 day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if You are in default under the Master Agreement and/or Your order, You may not use those Services ordered.

9.4 You may terminate this Schedule at any time without cause by giving Oracle 30 days prior written notice of such termination. Termination of this Schedule will not affect orders that are outstanding at the time of termination. Those orders will be performed according to their terms as if this Schedule were still in full force and effect. However, those orders may not be renewed or extended subsequent to termination of this Schedule.

9.5 At the end of the Services Period, we will make Your Content (as it existed at the end of the Services Period) available for retrieval by You during a retrieval period specified in the Service Specifications. Following the retrieval period, and except as may be required by law, we will delete any of Your Content that remains in the Services. Our data deletion practices are described in more detail in the Service Specifications.

10. THIRD PARTY CONTENT, SERVICES AND WEBSITES

10.1 The Services may enable You to link to, transfer Your Content or Third Party Content to, or otherwise access third parties' websites, platforms, content, products, services, and information ("Third Party Services"). Oracle does not control and is not responsible for such Third Party Content or Third Party Services. You are solely responsible for complying with the terms of access and use of Third Party Services, and if Oracle accesses or uses any Third Party Services on Your behalf to facilitate performance of the Services, You are solely responsible for ensuring that such access and use, including through passwords, credentials or tokens issued or otherwise made available to You, is authorized by the terms of access and use for such services. If You transfer or cause the transfer of Your Content or Third Party Content from the Services to a Third Party Service or other location, that transfer constitutes a distribution by You and not by Oracle.

10.2 Any Third Party Content we make accessible is provided on an "as-is" and "as available" basis without any warranty of any kind. We disclaim all liabilities arising from or related to Third Party Content.

10.3 You acknowledge that: (a) the nature, type, quality and availability of Third Party Content may change at any time during the Services Period; and (b) features of the Services that interoperate with Third Party Services such as Facebook™, YouTube™ and Twitter™, etc., depend on the continuing availability of such third parties' respective application programming interfaces (APIs). We may need to update, change or modify the Services under the Master Agreement as a result of a change in, or unavailability of, such Third Party Content, Third Party Services or APIs. Any change to Third Party Content, Third Party Services or APIs, including their unavailability, during the Services Period does not affect Your obligations under the Master Agreement or the applicable order, and You will not be entitled to any refund, credit or other compensation due to any such changes.

11. SERVICE MONITORING, ANALYSES AND ORACLE-PROVIDED SOFTWARE

11.1 We continuously monitor the Services to facilitate Oracle's operation of the Services; to help resolve Your service requests; to detect and address threats to the functionality, security, integrity, and availability of the Services as well as any content, data, or applications in the Services; and to detect and address illegal acts or violations of the Acceptable Use Policy. Oracle monitoring tools do not collect or store any of Your Content residing in the Services, except as needed for such purposes. Oracle does not monitor, and does not address issues with, non-Oracle software provided by You or any of Your Users that is stored in, or run on or through, the Services. Information collected by Oracle monitoring tools (excluding Your Content) may also be used to assist in managing Oracle's product and service portfolio, to help Oracle address deficiencies in its product and service offerings, and for license management purposes.

11.2 We may (a) compile statistical and other information related to the performance, operation and use of the Services, and (b) use data from the Services in aggregated form for security and operations management, to create statistical analyses, and for research and development purposes (above clauses (a) and (b) are collectively referred to as "Service Analyses"). We retain all intellectual property rights in Service Analyses.

11.3 We may provide You with the ability to obtain certain Oracle-provided Software (as defined below) for use with the Services. Unless we specify that separate terms will apply to Oracle-provided Software, any Oracle-provided Software is provided as part of the Services and You have the non-exclusive, worldwide, limited right to use, and allow Your Users to use, such Oracle-provided Software, subject to the terms of the Master Agreement and Your order, solely to facilitate Your authorized use of the Services. Your right to use any Oracle-provided Software will terminate upon the earlier of our notice (by web posting or otherwise) or the end of the Services associated with the Oracle-provided Software. Your right to use any part of the Oracle-provided Software that is licensed under the separate terms is not restricted in any way by the Master Agreement.

12. HARDWARE DEVICES

The terms in this Section 12 (Hardware Devices) only apply to an order which includes a Hardware Device.

12.1 Your order may include a Hardware Device (as defined below), which You may use with the applicable Services as described in the Service Specifications. The terms of the Master Agreement and Your order (including those terms that refer to Services) govern Hardware Devices, the Operating System and Integrated Software (both as defined below), unless expressly stated otherwise in this Section 12, or if the terms by their nature would be inapplicable to Hardware Devices.

12.2 We provide a limited warranty for Hardware Devices as described in the Oracle Hardware Warranty available at <http://www.oracle.com/contracts/hardware>. Any changes to the Oracle Hardware Warranty will not apply to Hardware Devices ordered prior to such change.

12.3 We provide technical support services for Hardware Devices as described in the Service Specifications and/or Oracle's Hardware and Systems Support Policies in effect at the time the technical support services are provided (available at <http://www.oracle.com/contracts/hardware>), as applicable.

12.4 With respect to our indemnification for Hardware Devices under Section 8, notwithstanding the provisions of Section 5.2 of the General Terms, if we believe or it is determined that the Hardware Device (or portion thereof) may have violated a third party's intellectual property rights, we may choose to either replace or modify the Hardware Device (or portion thereof) to be non-infringing (while substantially preserving its utility or functionality) or obtain a right to allow for continued use, or if these alternatives are not commercially reasonable, we may remove the applicable Hardware Device (or portion thereof) and refund the net book value for the Hardware Device.

12.5 "Hardware Device" is defined as hardware that meets both of the following requirements: (a) the hardware is managed by or used as part of the Services, and (b) the hardware is designated as a Hardware Device by Oracle. Title to Hardware Devices will transfer to You upon delivery to You unless otherwise specified in Your order.

12.6 "Operating System" refers to the software that manages the Hardware Device. You have the right to use the Operating System delivered with the Hardware Device (and any updates acquired through our technical support services) only as incorporated in, and as part of, the Hardware Device and subject to the terms of the license agreement(s) delivered with or on the Hardware Device. Current versions of the license agreements are

located in the documentation for the Hardware Device.

12.7 "Integrated Software" refers to any software or programmable code that is embedded or integrated in a Hardware Device and enables the functionality of the Hardware Device. Integrated Software does not include and You do not have rights to (a) code or functionality for diagnostic, maintenance, repair or technical support services; or (b) separately licensed applications, development tools, or system management software or other code that is separately licensed by us or a third party. You have the limited, non-exclusive right to use Integrated Software delivered with a Hardware Device (and any updates acquired through our technical support services) only as incorporated in, and as part of, the Hardware Device and subject to any terms delivered with or on the Hardware Device and/or in the applicable documentation.

12.8 We or our licensors retain all ownership and intellectual property rights in and to the Operating System and Integrated Software. The Hardware Device may contain or require the use of third party technology that is provided with or pre-installed on the Hardware Device. Third party technology is licensed under terms which we may provide to You (i) with or on the Hardware Device, (ii) in the applicable product documentation, (iii) in the readme files, or (iv) in the notice files. Your right to use this third party technology under separate license terms are not restricted in any way by the Master Agreement. We do not warrant or provide any technical support services for this third party technology.

12.9 The Operating System or Integrated Software may include separate works, identified in a readme file, notice file or the applicable documentation, which are licensed under open source or similar license terms; Your rights to use the Operating System and Integrated Software under such terms are not restricted in any way by the Master Agreement. The appropriate terms associated with these separate works can be found in the readme files, notice files or in the documentation accompanying the Operating System and Integrated Software. For software (i) that is part of the Operating System or Integrated Software and (ii) that You receive from us in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from <https://oss.oracle.com/sources/> or <http://www.oracle.com/goto/opensourcecode>. If the source code for the software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

13. ADDITIONAL EXPORT TERMS

You acknowledge that the Services are designed with capabilities for You and Your Users to access the Services without regard to geographic location and to transfer or otherwise move Your Content between the Services and other locations such as User workstations. You are solely responsible for the authorization and management of User accounts across geographic locations, as well as export control and geographic transfer of Your Content.

14. ADDITIONAL NOTICE TERMS

14.1 Any notice required under the Master Agreement shall be provided to the other party in writing as specified in Section 14 of the General Terms.

14.2 We may give notices applicable to our Services customers by means of a general notice on the Oracle portal for the Services, and notices specific to You (a) by electronic mail to Your e-mail address on record in our account information or (b) by written communication sent by first class mail or pre-paid post to Your address on record in our account information.

14.3 You may register to receive notice of updates to the Oracle Cloud Hosting and Delivery Policies and the Data Processing Agreement (and certain other Service Specifications made available by Oracle) at <http://www.oracle.com/contracts/cloud-services>.

15. OTHER

15.1 We are an independent contractor, and each party agrees that no partnership, joint venture, or agency relationship exists between the parties.

15.2 Our business partners and other third parties, including any third parties with which the Services have integrations or that are retained by You to provide consulting services, implementation services or applications that interact with the Services, are independent of Oracle and are not Oracle's agents. Even if recommended by us, we are not liable for, bound by, or responsible for any problems with the Services or Your Content arising due to any acts or omissions of any business partner or third party, unless the business partner or third party is

providing Services as our subcontractor or is otherwise engaged by Oracle in connection with performance of its obligations under the Master Agreement, and, if so, then only to the same extent as we would be responsible for our resources under the Master Agreement.

15.3 Prior to entering into an order governed by the Master Agreement, You are solely responsible for determining whether the Services meet Your technical, business or regulatory requirements. Oracle will cooperate with Your efforts to determine whether use of the standard Services are consistent with those requirements. Additional fees may apply to any additional work performed by Oracle or changes to the Services. You remain solely responsible for Your regulatory compliance in connection with Your use of the Services.

15.4 It is expressly agreed that the terms of the Master Agreement and any Oracle order shall supersede the terms in any purchase order, procurement internet portal, or other similar non-Oracle document, and no terms included in any such purchase order, portal, or other non-Oracle document shall apply to Your order. In the event of any inconsistencies between the terms of an order and the Master Agreement, the order shall take precedence; however, unless expressly stated otherwise in an order, the terms of the Data Processing Agreement shall take precedence over any inconsistent terms in an order. The Master Agreement and orders hereunder may not be modified and the rights and restrictions may not be altered or waived except in a writing signed or accepted online by authorized representatives of You and of Oracle; however, Oracle may update the Service Specifications, including by posting updated documents on Oracle's websites. No third party beneficiary relationships are created by the Master Agreement. The Uniform Computer Information Transactions Act does not apply to the Master Agreement or to orders placed under it.

Oracle America, Inc. ("Oracle")
500 Oracle Parkway
Redwood Shores, CA 94065

Your Name ("You"):	County of Fresno
General Terms Reference:	US-OMA-FEC-80378987

This Public Sector Hardware Schedule (this "Schedule H") is a Schedule to the General Terms referenced above. The General Terms and this Schedule H, together with any other Schedules that reference the General Terms, are the Master Agreement. This Schedule H shall coterminate with the General Terms.

1. DEFINITIONS

1.1 "**Commencement Date**" for the Hardware, Operating System and Integrated Software refers to the date the Hardware is delivered. For Integrated Software Options, the Commencement Date refers to the date the Hardware is delivered or the effective date of the order if shipment of Hardware is not required.

1.2 "**Integrated Software Options**" refers to software or programmable code embedded in, installed on, or activated on the Hardware that requires one or more unit licenses that You must separately order. Such separate order will set forth the fees for the Integrated Software Options You are ordering. Not all Hardware contains Integrated Software Options; please refer to the Oracle Integrated Software Options License Definitions, Rules and Metrics accessible at <http://oracle.com/contracts> (the "Integrated Software Options License Rules") for the specific Integrated Software Options that may apply to specific Hardware. Oracle reserves the right to designate new software features as Integrated Software Options in subsequent releases and that designation will be specified in the applicable documentation and in the Integrated Software Options License Rules.

1.3 Capitalized terms used but not defined in this Schedule H have the meanings set forth in the General Terms.

2. RIGHTS GRANTED

2.1 Your Hardware order consists of the following items: Operating System (as defined in Your configuration), Integrated Software and all Hardware equipment (including components, options and spare parts) specified on the applicable order. Your Hardware order may also include Integrated Software Options. Integrated Software Options may not be activated or used until You separately order them and pay the fees as set forth in and in accordance with such order.

2.2 You have the right to use the Operating System delivered with the Hardware subject to the terms of the license agreement(s) delivered with the Hardware. Current versions of the license agreements are located at <http://oracle.com/contracts>. You are licensed to use the Operating System and any Operating System updates acquired through technical support only as incorporated in, and as part of, the Hardware.

2.3 You have the limited, non-exclusive, royalty free, non-transferable, non-assignable right to use Integrated Software delivered with the Hardware subject to the terms of this Schedule H and the applicable documentation. You are licensed to use that Integrated Software and any Integrated Software updates acquired through technical support only as incorporated in, and as part of, the Hardware. You have the limited, non-exclusive, royalty free, non-transferable, non-assignable right to use Integrated Software Options that You separately order subject to the terms of this Schedule H, the applicable documentation and the Integrated Software Options License Rules; the Integrated Software Options License Rules are incorporated in and made a part of this Schedule H. You are licensed to use those Integrated Software Options and any Integrated Software Options updates acquired through technical support only as incorporated in, and as part of, the Hardware. To fully understand Your license right to any Integrated Software Options that You separately order, You need to review the Integrated Software Options License Rules. In the event of any conflict between

the Master Agreement and the Integrated Software Options License Rules, the Integrated Software Options License Rules shall take precedence.

2.4 The Operating System or Integrated Software or Integrated Software Options (or all three) may include separate works, identified in a readme file, notice file or the applicable documentation, which are licensed under open source or similar license terms; Your rights to use the Operating System, Integrated Software and Integrated Software Options under such terms are not restricted in any way by the Master Agreement including this Schedule H. The appropriate terms associated with such separate works can be found in the readme files, notice files or in the documentation accompanying the Operating System, Integrated Software, and Integrated Software Options.

2.5 Upon payment for Hardware-related Service Offerings, You have the non-exclusive, non-assignable, royalty free, perpetual, limited right to use for Your internal business operations anything developed by Oracle and delivered to You under this Schedule H ("deliverables"); however, certain deliverables may be subject to additional license terms which are provided in the order.

3. RESTRICTIONS

3.1 You may only make copies of the Operating System, Integrated Software and Integrated Software Options for archival purposes, to replace a defective copy, or for program verification. You shall not remove any copyright notices or labels on the Operating System, Integrated Software or Integrated Software Options. You shall not decompile or reverse engineer (unless required by law for interoperability) the Operating System or Integrated Software.

3.2 You acknowledge that to operate certain Hardware, Your facility must meet a minimum set of requirements as described in the Hardware documentation. Such requirements may change from time to time, as communicated by Oracle to You in the applicable Hardware documentation.

3.3 The prohibition on the assignment or transfer of the Operating System or any interest in it under section 15 of the General Terms shall apply to all Operating Systems licensed under this Schedule H, except to the extent that such prohibition is rendered unenforceable under applicable law.

4. TRIAL PROGRAMS

Oracle may include additional Programs on the Hardware (e.g., Exadata Storage Server software). You are not authorized to use those Programs unless You have a license specifically granting You the right to do so; however, You may use those additional Programs for trial, non-production purposes for up to 30 days from the date of delivery provided that You may not use the trial Programs to provide or attend third party training on the content and/or functionality of the Programs. To use any of these Programs after the 30 day trial period, You must obtain a license for such Programs from Oracle or an authorized reseller. If You decide not to obtain a license for any Program after the 30 day trial period, You will cease using and promptly delete any such Programs from Your computer systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these Programs.

5. TECHNICAL SUPPORT

5.1 If ordered, Oracle Hardware and Systems Support (including first year and all subsequent years) is provided under Oracle's Hardware and Systems Support Policies in effect at the time the technical support services are provided. You agree to cooperate with Oracle and provide the access, resources, materials, personnel, information, and consents that Oracle may require in order to perform the technical support services. The Oracle Hardware and Systems Support Policies are incorporated in this Schedule H and are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of technical support services provided during the period for which fees for Oracle Hardware and Systems Support have been paid. You should review the policies prior to entering into the order for technical support services. You may access the current version of the Oracle Hardware and Systems Support Policies at <http://oracle.com/contracts>.

5.2 Oracle Hardware and Systems Support is effective upon the Commencement Date of the Hardware or upon the effective date of the order if shipment of Hardware is not required.

6. HARDWARE-RELATED SERVICE OFFERINGS

In addition to technical support, You may order a limited number of Hardware-related Service Offerings under this Schedule H as listed in the Hardware-Related Service Offerings document, which is at <http://oracle.com/contracts>. You agree to provide Oracle with all information, access and full good faith cooperation reasonably necessary to enable Oracle to deliver these Service Offerings and You will perform the actions identified in the order as Your responsibility. If while performing these Service Offerings Oracle requires access to another vendor's products that are part of Your system, You will be responsible for acquiring all such products and the appropriate license rights necessary for Oracle to access such products on Your behalf. Service Offerings provided may be related to Your license to use Products owned or distributed by Oracle which You acquire under a separate order. The agreement referenced in that order shall govern Your use of such Products.

7. WARRANTIES, DISCLAIMERS AND EXCLUSIVE REMEDIES

7.1 Oracle provides a limited warranty ("Oracle Hardware Warranty") for (i) the Hardware, (ii) the Operating System and the Integrated Software and the Integrated Software Options, and (iii) the Operating System media, the Integrated Software media and the Integrated Software Options media ("media", and (i), (ii) and (iii) collectively, "Hardware Items"). Oracle warrants that the Hardware will be free from, and using the Operating System and Integrated Software and Integrated Software Options will not cause in the Hardware, material defects in materials and workmanship for one year from the date the Hardware is delivered to You. Oracle warrants that the media will be free from material defects in materials and workmanship for a period of 90 days from the date the media is delivered to You. You may access a more detailed description of the Oracle Hardware Warranty at <http://www.oracle.com/us/support/policies/index.html> ("Warranty Web Page"). Any changes to the Oracle Hardware Warranty specified on the Warranty Web Page will not apply to Hardware or media ordered prior to such change. The Oracle Hardware Warranty applies only to Hardware and media that have been (1) manufactured by or for Oracle, and (2) sold by Oracle (either directly or by an Oracle-authorized distributor). The Hardware may be new or like new. The Oracle Hardware Warranty applies to Hardware that is new and Hardware that is like-new which has been remanufactured and certified for warranty by Oracle.

7.2 Oracle also warrants that technical support services and Hardware-related Service Offerings (as referenced in section 6 above) ordered and provided under this Schedule H will be provided in a professional manner consistent with industry standards. You must notify Oracle of any technical support service or Hardware-related Service Offerings warranty deficiencies within 90 days from performance of the deficient technical support service or Hardware-related Service Offerings.

7.3 FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE: (i) THE REPAIR OR, AT ORACLE'S OPTION AND EXPENSE, REPLACEMENT OF THE DEFECTIVE HARDWARE ITEM, OR IF SUCH REPAIR OR REPLACEMENT IS NOT REASONABLY ACHIEVABLE, THE REFUND OF THE FEES YOU PAID ORACLE FOR THE DEFECTIVE HARDWARE ITEM OR (ii) THE REPERFORMANCE OF THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS. TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS WITH RESPECT TO THE ABOVE ITEMS, INCLUDING ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

7.4 Replacement units for defective parts or Hardware Items replaced under the Oracle Hardware Warranty may be new or like new quality. Such replacement units assume the warranty status of the Hardware into which they are installed and have no separate or independent warranty of any kind. Title in all defective parts or Hardware Items shall transfer back to Oracle upon removal from the Hardware.

7.5 ORACLE DOES NOT WARRANT UNINTERRUPTED OR ERROR-FREE OPERATION OF THE HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE, INTEGRATED SOFTWARE OPTIONS OR MEDIA.

7.6 No warranty will apply to any Hardware, Operating System, Integrated Software, Integrated Software Options or media which has been:

- a. modified, altered or adapted without Oracle's written consent (including modification or removal of the Oracle/Sun serial number tag on the Hardware);
- b. maltreated or used in a manner other than in accordance with the relevant documentation;
- c. repaired by any third party in a manner which fails to meet Oracle's quality standards;
- d. improperly installed by any party other than Oracle or an authorized Oracle certified installation partner;
- e. used with equipment or software not covered by an Oracle warranty, to the extent that the problems are attributable to such use;
- f. relocated, to the extent that problems are attributable to such relocation;
- g. used directly or indirectly in supporting activities prohibited by U.S. or other national export regulations;
- h. used by parties appearing on the then-current U.S. export exclusion list;
- i. relocated to countries subject to U.S. trade embargo or restrictions;
- j. used remotely to facilitate any activities for parties or in the countries referenced in 7.6(h) and 7.6(i) above; or
- k. purchased from any entity other than Oracle or an Oracle authorized reseller.

7.7 The Oracle Hardware Warranty does not apply to normal wear of the Hardware or media. The Oracle Hardware Warranty is extended only to the original purchaser or original lessee of the Hardware and may be void in the event that title to the Hardware is transferred to a third party.

8. AUDIT

Upon 45 days written notice, Oracle may audit Your use of the Operating System, Integrated Software and Integrated Software Options. You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with Your normal business operations. You agree to pay within 30 days of written notification any fees applicable to Your use of the Operating System, Integrated Software and Integrated Software Options in excess of Your license rights. If You do not pay, Oracle can end (a) Service Offerings (including technical support) related to the Operating System, Integrated Software and Integrated Software Options, (b) licenses of the Operating System, Integrated Software and Integrated Software Options ordered under this Schedule H and related agreements and/or (c) the Master Agreement. You agree that Oracle shall not be responsible for any of Your costs incurred in cooperating with the audit.

9. ORDER LOGISTICS

9.1 Delivery, Installation and Acceptance of Hardware

9.1.1 You are responsible for installation of the Hardware unless You purchase installation services from Oracle for that Hardware.

9.1.2 Oracle will deliver the Hardware in accordance with Oracle's Order and Delivery Policies which are in effect at the time of Your order and which may be accessed at <http://oracle.com/contracts>. Oracle will use the delivery address specified by You on Your purchasing document or when Your purchasing document does not indicate a ship to address, the location specified on the order and the delivery terms in the Order and Delivery Policies that are applicable to Your country of destination will apply.

9.1.3 Acceptance of the Hardware is deemed to occur on delivery.

9.1.4 Oracle may make and invoice You for partial deliveries.

9.1.5 Oracle may make substitutions and modifications to the Hardware that do not cause a material adverse effect in overall Hardware performance.

9.1.6 Oracle will use its reasonable commercial efforts to deliver the Hardware within a timeframe that is consistent with Oracle's past practices regarding the amount and type of Hardware that You have ordered.

9.2 Delivery and Installation of Integrated Software Options

9.2.1 You are responsible for installation of the Integrated Software Options unless the Integrated Software Options have been pre-installed by Oracle on the Hardware You are purchasing under the order or unless You purchase installation services from Oracle for the Integrated Software Options.

9.2.2 Oracle has made available to You for electronic download at the electronic delivery web site located at the following Internet URL: <http://edelivery.oracle.com> the Integrated Software Options listed in the order. Through the Internet URL, You can access and electronically download to Your location the latest production release as of the effective date of the applicable order of the Integrated Software Options and related documentation for the Integrated Software Options listed. Provided that You have continuously maintained technical support for the listed Integrated Software Options, You may continue to download the Integrated Software Options and related documentation. Please be advised that not all Integrated Software Options are available on all Hardware/Operating System combinations. For the most recent Integrated Software Options availability please check the electronic delivery web site specified above. You acknowledge that Oracle is under no further delivery obligation with respect to Integrated Software Options under the applicable order, electronic download or otherwise.

9.3 Transfer of Title

Title to the Hardware will transfer upon delivery.

9.4 Territory

The Hardware shall be installed in the country/countries that You specify as the delivery location on Your purchasing document or when Your purchasing document does not indicate a ship to address, the location specified in the order.

9.5 Pricing, Invoicing, and Payment Obligation

9.5.1 You may change a Hardware order prior to shipment subject to the then current change order fee as established by Oracle from time to time. The applicable change order fees and a description of allowed changes are defined in the Order and Delivery Policies, which may be accessed at <http://oracle.com/contracts>.

9.5.2 In entering into payment obligations under an order, You agree and acknowledge that You have not relied on the future availability of any Hardware, Program or updates. However, (a) if You order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the Master Agreement, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to You under an order and the Master Agreement.

9.5.3 Hardware and Integrated Software Options fees are invoiced as of the respective Commencement Dates.

This Public Sector Program Schedule (this "Schedule P") is a Schedule to the General Terms referenced above. The General Terms and this Schedule P, together with any other Schedules that reference the General Terms, are the Master Agreement. This Schedule P shall coterminate with the General Terms.

1. DEFINITIONS

1.1 "**Commencement Date**" refers to the date of shipment of tangible media or the effective date of the order if shipment of tangible media is not required.

1.2 Capitalized terms used but not defined in this Schedule P have the meanings set forth in the General Terms.

2. RIGHTS GRANTED

2.1 Upon the full signing of Your order by both Oracle and You, You have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in the order), limited right to use the Programs and receive any Program-related Service Offerings You ordered solely for Your internal operations and subject to the terms of the Master Agreement, including the definitions and rules set forth in the order and the Program Documentation.

2.2 Upon payment for Program-related Service Offerings, You have the non-exclusive, non-assignable, royalty free, perpetual, limited right to use for Your internal operations anything developed by Oracle and delivered to You under this Schedule P ("deliverables"); however, certain deliverables may be subject to additional license terms provided in the order.

2.3 You may allow Your agents and contractors (including, without limitation, outsourcers) to use the Programs and deliverables for Your internal operations and You are responsible for their compliance with the General Terms and this Schedule P in such use. For Programs that are specifically designed to allow Your customers and suppliers to interact with You in the furtherance of Your internal business operations, such use is allowed under the General Terms and this Schedule P.

2.4 You may make a sufficient number of copies of each Program for Your licensed use and one copy of each Program media.

3. RESTRICTIONS

3.1 The Programs may contain or require the use of third party technology that is provided with the Programs. Oracle may provide certain notices to You in Program Documentation, readmes or notice files in connection with such third party technology. Third party technology will be licensed to You either under the terms of the Master Agreement or, if specified in the Program Documentation, readmes or notice files, under Separate Terms. Your rights to use Separately Licensed Third Party Technology under Separate Terms are not restricted in any way by the Master Agreement. However, for clarity, notwithstanding the existence of a notice, third party technology that is not Separately Licensed Third Party Technology shall be deemed part of the Programs and is licensed to You under the terms of the Master Agreement.

If You are permitted under an order to distribute the Programs, You must include with the distribution all such notices and any associated source code for Separately Licensed Third Party Technology as specified, in the form and to the extent such source code is provided by Oracle, and You must distribute Separately Licensed

Third Party Technology under Separate Terms (in the form and to the extent Separate Terms are provided by Oracle). Notwithstanding the foregoing, Your rights to the Programs are solely limited to the rights granted in Your order.

3.2 You may not:

- a. remove or modify any Program markings or any notice of Oracle's or its licensors' proprietary rights;
- b. make the Programs or materials resulting from the Service Offerings available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific Program license or materials from the Service Offerings you have acquired);
- c. cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the Programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by Programs);
- d. disclose results of any Program benchmark tests without Oracle's prior written consent, except as required by applicable law, provided that You give Oracle prior notice and an opportunity to oppose such disclosure (unless prohibited by law).

3.3 The prohibition on the assignment or transfer of the Programs or any interest in them under section 15 of the General Terms shall apply to all Programs licensed under this Schedule P, except to the extent that such prohibition is rendered unenforceable under applicable law.

4. TRIAL PROGRAMS

You may order trial Programs, or Oracle may include additional Programs with Your order which You may use for trial, non-production purposes only. You may not use the trial Programs to provide or attend third party training on the content and/or functionality of the Programs. You have 30 days from the Commencement Date to evaluate these Programs. To use any of these Programs after the 30 day trial period, You must obtain a license for such Programs from Oracle or an authorized reseller. If You decide not to obtain a license for any Program after the 30 day trial period, You will cease using and promptly delete any such Programs from Your computer systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these Programs.

5. TECHNICAL SUPPORT

5.1 For purposes of an order, technical support consists of Oracle's annual technical support services You may have ordered from Oracle or an authorized reseller for the Programs. If ordered, annual technical support (including first year and all subsequent years) is provided under Oracle's technical support policies in effect at the time the technical support services are provided. You agree to cooperate with Oracle and provide the access, resources, materials, personnel, information and consents that Oracle may require in order to perform the technical support services. The technical support policies are incorporated in this Schedule P and are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of technical support services provided for supported Programs during the period for which fees for technical support have been paid. You should review the policies prior to entering into the order for the applicable technical support services. You may access the current version of the technical support policies at <http://oracle.com/contracts>.

5.2 If You decide to purchase technical support for any Program license within a license set, You are required to purchase technical support at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if You agree to terminate that subset of licenses. The technical support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. Oracle's license set definition is available in the current technical support policies. If You decide not to purchase technical support, You may not update any unsupported Program licenses with new versions of the Program.

6. PROGRAM-RELATED SERVICE OFFERINGS

In addition to technical support, You may order a limited number of Program-related Service Offerings under this Schedule P as listed in the Program-Related Service Offerings document, which is at <http://oracle.com/contracts>. You agree to provide Oracle with all information, access and full good faith

cooperation reasonably necessary to enable Oracle to deliver these Service Offerings and You will perform the actions identified in the order as Your responsibility. If while performing these Service Offerings Oracle requires access to another vendor's products that are part of Your system, You will be responsible for acquiring all such products and the appropriate license rights necessary for Oracle to access such products on Your behalf. Service Offerings provided may be related to Your license to use Programs owned or distributed by Oracle which You acquire under a separate order. The agreement referenced in that order shall govern Your use of such Programs.

7. WARRANTIES, DISCLAIMERS AND EXCLUSIVE REMEDIES

7.1 Oracle warrants that a Program licensed to You will operate in all material respects as described in the applicable Program Documentation for a period of one year after delivery (i.e., via physical shipment or electronic download). You must notify Oracle of any Program warranty deficiency within one year after delivery. Oracle also warrants that technical support services and Program-related Service Offerings (as referenced in section 6 above) ordered and provided under this Schedule P will be provided in a professional manner consistent with industry standards. You must notify Oracle of any technical support service or Program-related Service Offerings warranty deficiencies within 90 days from performance of the deficient technical support service or Program-related Service Offerings.

7.2 ORACLE DOES NOT GUARANTEE THAT THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS.

7.3 FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE: (A) THE CORRECTION OF PROGRAM ERRORS THAT CAUSE BREACH OF THE WARRANTY; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE ERRORS OF THE APPLICABLE PROGRAM LICENSE IN A COMMERCIALY REASONABLE MANNER, YOU MAY END YOUR PROGRAM LICENSE AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE PROGRAM LICENSE AND ANY UNUSED, PREPAID TECHNICAL SUPPORT FEES YOU HAVE PAID FOR THE PROGRAM LICENSE; OR (B) THE REPERFORMANCE OF THE DEFICIENT PROGRAM-RELATED SERVICE OFFERINGS; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT PROGRAM-RELATED SERVICE OFFERINGS AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE DEFICIENT PROGRAM-RELATED SERVICE OFFERINGS.

7.4 TO THE EXTENT NOT PROHIBITED BY LAW, THIS WARRANTY IS EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

8. AUDIT

Upon 45 days written notice, Oracle may audit Your use of the Programs to ensure Your use of the Programs is in compliance with the terms of the applicable order and the Master Agreement. Any such audit shall not unreasonably interfere with Your normal business operations. You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information. Such assistance shall include, but shall not be limited to, the running of Oracle data measurement tools on Your servers and providing the resulting data to Oracle. Oracle shall comply with reasonable security and safety rules, policies, and procedures, including but not limited to any facility or system access rules applicable to outside parties ("security rules") while performing any such audit, provided that such security rules are applicable to the performance of the audit; You make such security rules available to Oracle prior to the commencement of the audit; and such security rules do not modify or amend the terms and conditions of the Master Agreement or the applicable order. If the audit identifies non-compliance, You shall be responsible for remedying such non-compliance, which may include, without limitation, the payment of any fees for additional licenses for Programs or the discontinuation of noncompliant use. If the remedy requires You to pay fees, You will submit a contract modification to document the amount of such fees. The performance of the audit and non-public data obtained during the audit (including findings or reports that result from the audit) shall be subject to the provisions of section 8 (Nondisclosure) of the General Terms. You agree that Oracle shall not be responsible for any of Your costs incurred in cooperating with the audit.

9.3 Pricing, Invoicing and Payment Obligation

However, (a) if You order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the Master Agreement, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to You under an order and the Master Agreement.

9.3.2 Program fees are invoiced as of the Commencement Date.
